With up to **34 mpg city**, Escape Hybrid is the most fuel-efficient SUV in America.¹ The standard 2.5L I-4 engine on Escape gets **28 mpg hwy**.² Both offer the capability of available intelligent 4WD and tons of smart technology including our latest available Ford SYNC® voice-activated, in-vehicle connectivity system and available active park assist, which helps you parallel park in as little as 24 seconds, leaving you more time for adventure.

¹EPA-estimated 34 city/31 hwy/32 combined mpg for Escape Hybrid FWD. Actual mileage will vary. Excluding vehicles built for Mazda. ²EPA-estimated 23 city/28 hwy/25 combined mpg for Escape FWD with 2.5L I-4 and 5-speed manual; 21 city/28 hwy/23 combined mpg for Escape FWD with 2.5L I-4 and 6-speed automatic.
Escape Hybrid: the most fuel-efficient SUV in America.¹

Seriously, Escape Hybrid gets up to **34 mpg** city and 31 hwy.¹ In fact, the powertrain is so self-sufficient, it actually **recharges itself**. The 2.5L I-4 Atkinson-cycle engine works with the electric traction motor to move you with **177 net horsepower**. When you apply the brakes during normal driving, the Regenerative Braking System captures kinetic energy from your braking to recharge the 330-volt battery pack. The battery pack then supplies energy to drive in **100% electric mode up to 44 mph**. When passing or merging, hybrid drive mode delivers an extra power boost for lively acceleration performance while still delivering lower average fuel costs. It’s the best of both worlds.

¹EPA-estimated 34 city/31 hwy/32 combined mpg for Escape Hybrid FWD. Actual mileage will vary. Excluding vehicles built for Mazda.
Intelligent 4WD gets you out there.

With fully independent suspensions and outstanding clearance, both Escape and Escape Hybrid are naturally nimble enough to drive up and over some formidable obstacles that some others will have to waste time driving around. If you prefer the road less traveled, go for the optional intelligent 4WD. Always on and always working, it automatically monitors traction 200 times per second (much faster than any person could) and adjusts torque distribution as needed to give you maximum grip. It’s got serious skills.
Active park assist is your street-side advantage.

Quicker and more user-friendly than a luxury brand's competitive system,¹ our available active park assist helps you conquer parallel parking in as little as 24 seconds. Just press a button and drive by potential spots. Ultrasonic sensors help you find a spot that's big enough, and the system lets you know when it's ready to park. You remove your hands from the steering wheel and respond to system prompts by shifting gears and controlling vehicle speed with the brake and accelerator pedals. The system handles the hard part: automatically steering the vehicle into the spot. It's bound to be your new best friend.

MyKey® encourages smart driving.

The industry-first, Ford-exclusive MyKey owner controls feature – standard on all models for 2011 – lets you assign separate keys for additional drivers, all coded to enforce your specific restrictions on vehicle functions like top speed and audio volume. When activated, MyKey encourages smart driving behavior by muting audio until safety belts are buckled, prohibiting the shutoff of key accident-avoidance features like AdvanceTrac® with RSC® (Roll Stability Control™), and more.

¹Based on head-to-head comparison of Ford Escape versus Lexus LS 460 L conducted by Ford Motor Company.
Engines flex, tow, sip and go.

Escape’s available Duratec® 3.0–3.0L V6 engine is Flex Fuel capable, so you can run it on gasoline, E85 (85% ethanol and 15% gasoline), or any blend of the 2. Mated to an efficient 6-speed automatic transmission, it cranks out 240 horsepower and tows up to 3,500 lbs. when properly equipped.

Whether you pair it with the standard 5-speed manual transmission or the available 6-speed automatic, the standard Duratec 2.5–2.5L I-4 engine delivers a remarkable 28 mpg hwy.\(^1\) It also supplies a spirited 171 horsepower and 171 lb.-ft. of torque.

Our industry-first Easy Fuel® capless fuel filler, standard on all models, automatically seals shut when you remove the fuel nozzle. There’s no cap. So you just gas up and go. It also helps reduce evaporative emissions.

\(^1\)Based on EPA-estimated 23 city/28 hwy/25 combined mpg for Escape FWD with 2.5L I-4 and 6-speed manual; 21 city/28 hwy/23 combined mpg for Escape FWD with 2.5L I-4 and 6-speed automatic.
SYNC. Say the word.

Voice-activated Ford SYNC® is an award-winning, available system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist. With the touch of a button and voice commands, SYNC with Traffic, Directions and Information services provides turn-by-turn directions, personalized traffic alerts and more. SyncMyRide.com has the latest details.

1Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Standard text messaging and data rates apply.

A truly illuminating experience.

The available Navigation System (shown) features a vibrant 6.5-in. LCD touch screen and colorful maps that you can zoom and scroll. This system plays DVDs while Escape is in Park and provides nearly 10 gigs of photo and music storage space. It also includes an introductory 6-month subscription to SIRIUS Traffic™ and SIRIUS Travel Link™, which provides fuel prices, weather reports, movie listings, sports scores and more. All this, in addition to over 130 channels of SIRIUS® Satellite Radio.

2Some features unavailable while driving. Subscription required after introductory 6 months expire.
Designed to support, comfort and shine.

Escape is just the right size – inside and out. Its comfort-designed seats easily accommodate as many as 5 adults. Supple leather-trimmed seating (shown above) with heated front seats, plus gleaming chrome and Ebony Black interior accents, are standard on Escape Limited and Hybrid Limited.

The use of environmentally friendly, soy-based foam in the seat cushions on every Escape model helps conserve limited resources and reduce CO₂ emissions. Escape Hybrid and XLT also feature sustainable cloth-trimmed seating made with 100% post-industrial materials – recycled plastics and polyester fibers that would otherwise have ended up in landfills.
Plenty of space for your latest challenge.

A. With the rear seats folded flat, Escape delivers up to 67.2 cu. ft. of wide-open space. And even with the seats up, you still get up to 31.4 cu. ft. of space to fill with everything you need.

B. Escape Hybrid is uniquely equipped with a 110-volt power outlet. Use it to charge your laptop, personal gaming system, or other portable electronics.

C. Inside the standard floor console: a 3-tier storage system, 2 removable bins, and a hidden storage area deep enough for a laptop or purse.

D. This hidden, lockable wet trunk is perfect for keeping valuables out of sight. It’s found in the available Cargo Package, along with a retractable cargo area cover and a 100-lb.-capacity roof rack.

E. Tip-fold-flat latches make it easy to configure the standard 60/40 split-fold rear seats to fit your immediate gear-hauling needs.

*See your owner’s guide for complete details.
Simply tops in safety. ★★★★★

The 2010 Escape and Escape Hybrid both received 5-Star ratings1 in the National Highway Traffic Safety Administration’s (NHTSA) frontal and side-impact crash tests. This year, each comes equipped with a long list of cutting-edge safety features designed to help provide continued peace of mind. 1 – AdvanceTrac® with RSC® (Roll Stability Control™) is the only electronic stability control system in the class that utilizes 2 gyroscopic sensors to help keep all 4 wheels firmly planted; 2 – Personal Safety System™ features dual-stage front airbags for the driver and front passenger. 3 – Front-seat side airbags increase protection for the driver and front passenger in certain side-impact collisions. 4 – Safety Canopy® System includes side-curtain airbags and a rollover sensor. 5 – SOS Post-Crash Alert System™ flashes the hazard lights and sounds the horn after airbag deployment or safety belt pretensioner activation in certain collisions.a

All standard. And those are just the highlights.

★2010 model year. 2011 model year to be tested. Star ratings are part of the U.S. Department of Transportation’s Safecar.gov program (www.safecar.gov).

aClass is Small SUVs. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.
Standard Features

Mechanical
- 4-wheel independent suspension
- 17.5-gallon fuel tank capacity (15.1-gallon on Escape Hybrid)
- 90,000-mile tune-up interval\(^1\)
- Electric power-assisted steering
- Front and rear stabilizer bars
- Front-wheel drive (FWD)
- Power front disc/rear drum brakes with Anti-Lock Brake System (ABS)

Seating
- Front bucket seats
- 60/40 split-fold rear bench seat with tip-fold-flat latches

Interior
- 2 powerpoints (1 in each row)
- Air conditioning
- Auxiliary audio input jack
- Covered visor vanity mirrors
- Cruise control
- Floor console with removable interior bins and 4 cupholders
- Illuminated Entry System
- Power driver door lock with child-safety rear door lock
- Power windows with one-touch-down driver’s side window feature
- Rear floor air ducts
- Tachometer
- Tilting steering column

Exterior
- Easy Fuel\(^2\) capless fuel filler
- Liftgate with flip-up glass
- Power sideview mirrors with integrated blind spot mirrors and manual fold-away design
- Rear window defroster
- Solar-tinted glass
- Windshield wipers – Front: variable-intermittent with washer; rear: 2-speed with washer

Safety & Security
- 3-point safety belt restraint system for all seating positions
- Adjustable head restraints at all 5 seating positions
- AdvanceTrac\(^2\) with RSC\(^2\) (Roll Stability Control)\(^2\)
- Belt-Minder\(^2\) front safety belt reminder
- Brake/shift interlock (with automatic transmission)
- Front height-adjustable shoulder safety belts
- Front-seat side airbags\(^2\)
- Integrated keyhead transmitter remotes (2)
- LATCH – Lower anchors and tether anchors for child-safety seats (rear seating positions)
- MyKey\(^2\) owner controls feature
- Personal Safety System\(^2\) with dual-stage front airbags\(^2\)
- Safety Canopy\(^2\) System with side-curtain airbags\(^2\) and rollover sensor
- SecuRecall\(^3\) Passive Anti-Theft System
- Side-intrusion door beams
- SOS Post-Crash Alert System\(^3\)
- Tire Pressure Monitoring System (excludes spare)

**New Vehicle Limited Warranty.** We want your Ford Escape or Escape Hybrid ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Escape Hybrid is also covered by an 8-year/100,000-mile Hybrid Limited Warranty.\(^4\) Please ask your Ford Dealer for a copy of these limited warranties.

*10-year/150,000-mile Hybrid Battery Limited Warranty in California, Connecticut, Maine, Massachusetts, New Jersey, New York, Rhode Island and Vermont. See dealer for details.

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

**Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Escape your way.

A. Brighten your drive with the available **power moonroof**. There’s an optional **Sun & SYNC Package** on XLT that mixes it with the Ford SYNC® voice-activated, in-vehicle connectivity system. The optional **Moon & Tune Package** on Limited pairs it with a 320-watt, 7-speaker Premium Sound System that includes a single-CD player.

B. See what’s behind the vehicle when you’re in Reverse with the available **rear view camera**. It displays the full-color image from its liftgate-mounted camera onto your rearview mirror or the available Navigation System’s large LCD screen (shown).

C. Conquer inclement weather with the available **heated sideview mirrors**. Just the touch of a button puts them on their way to clear while you stay comfortably indoors.

D. Carry as much as 100 lbs. of cargo up top when you add **roof side rails with crossbars**. The optional **Cargo Package** on XLS and XLT offers them together with a retractable cargo area cover and a lockable wet trunk.

E. Set the available **ambient lighting** to match your mood with 7 glowing options from red hot to cool blue.

- Listen to your favorite AM and FM channels in crystal-clear digital sound, courtesy of new **HD Radio™ technology** included with the available Navigation System. It also gives you new local FM channels, on-screen information and much more – all 100% subscription-free.
