Full-sized. Adventure ready.

Just add family and friends. With roomy seating for up to 8, everybody’s always welcome. And there’s plenty of space for their gear – up to 108.3 cu. ft. on Expedition and 130.8 on EL¹. Parking is easier than ever with our new front park assist² alerting you to large, stationary objects detected in front of the vehicle. You can even bring Pandora® internet radio along for the ride thanks to our new AppLink² feature on Ford SYNC®². The 2012 Ford Expedition and Expedition EL – perfect for life’s big adventures.

¹Cargo and load capacity limited by weight and weight distribution. ²Available feature.
Helps you keep it all in line.

The proven 5.4L V8 engine and 6-speed automatic transmission under the hood of every Expedition give you 20 mpg hwy.\(^1\) 310 horsepower and 365 lb.-ft. of torque, along with the ability to tow up to 9,200 lbs.\(^2\) This powertrain is also flex-fuel capable, so it runs on gasoline, E85 or any blend of the two. Standard trailer sway control monitors the motions of the vehicle and detects trailer sway, then automatically reacts by selectively braking to help you maintain control of both your Expedition and your trailer.\(^3\) Control Trac\(^{\text{®}}\) 4-wheel drive\(^4\) features a convenient 4x4 AUTO mode that senses when the vehicle is on a loose or slippery surface and automatically transfers power to the appropriate wheels for optimal traction.

\(^1\)EPA-estimated 14 city/20 hwy/16 combined mpg for Expedition 4x2. \(^2\)When properly equipped. \(^3\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. \(^4\)Available feature.
Treats you well.

Slip behind the wheel and let the star treatment begin. Relax into the supportive leather-trimmed seats. Maximizing your comfort is easy thanks to a 10-way power-adjustable driver’s seat and power-adjustable pedals. Next, set your side of the dual-zone electronic automatic temperature control just the way you like it, then graciously invite your copilot to do the same. Check the rear view camera display to see exactly what’s behind the vehicle whenever you shift into Reverse — especially handy when you’re lining up with a trailer hitch. And rely on the rain-sensing windshield wipers to clear your view as the need arises. The 2012 Expedition takes care of you in all sorts of unexpected ways.
Hands control the wheel. Voice controls the rest.

Stay connected to calls, music and more with SYNC.

No more searching for your phone. No device on your ear. Connect to your world with voice-activated Ford SYNC.® Once paired, SYNC recognizes your phone and automatically transfers your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call Melissa,” or “Play genre: Pop.” New AppLink™ lets smartphone users control Pandora® Internet radio (shown) and Stitcher SmartRadio™ by voice too. SYNC also offers 911 Assist,™ and with an activated SYNC Services account you get business searches,1 turn-by-turn driving directions,1 custom traffic alerts1 and more. Personalize your experience at SyncMyRide.com.

Full-color, voice-activated travel guide with SiriusXM.

The Navigation System2 includes a 6-month trial subscription to SiriusXM Satellite Radio, Traffic and Travel Link3 to bring you over 130 channels of unique content, plus live infotainment services. Get continuously updated traffic information, plus check local fuel prices, weather reports, movie listings, sports scores and more. This system features a vibrant 6.5" LCD touch screen with interactive maps you can zoom and scroll. Of course, it also responds to voice commands for hands-free control. Play DVDs while Expedition is in Park and store nearly 10 gigs of your digital music.

XLT Premium. Available equipment.

1Available feature. Requires compatible mobile device. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Text message and data rates may apply. 2Available feature. 3SiriusXM Satellite Radio, Traffic and Travel Link subscriptions sold separately or as a package after trial expires. SiriusXM Traffic and Travel Link service available in select markets. Subscriptions are governed by SiriusXM Customer Agreement; see www.siriusxm.com.
Their legs, that is. Best-in-class 3rd-row leg room means even grown-ups will be happy to hop in the back. Whether you’re headed to a meeting or to the kids’ big game, Expedition makes carpooling easy with room for up to 8. To seat that many people, you’ll want the standard 2nd-row 40/20/40 split-fold seat with CenterSlide® and a 3rd-row 60/40 split-fold seat.² XLT Premium, Limited and King Ranch® models include our ultra-convenient PowerFold® 3rd-row seat.²

XLT Premium EL, Camel leather trim. Available equipment.

¹Class is Extended Utilities. ²Available feature.
Masters challenging moments.
Our standard AdvanceTrac® with RSC® (Roll Stability Control™) is the only electronic stability control system in its class that uses 2 gyroscopic sensors to help keep all 4 wheels firmly planted.
It automatically helps avoid skidding and fishtailing, and is particularly beneficial in inclement weather.

Personalizes your protection.
Dual-stage front airbags and front-seat side airbags are standard on every Expedition in addition to our Safety Canopy® System, which increases protection with a rollover sensor and 3-row side-curtain airbags.

 Clears up blind spots.
Each standard sideview mirror features an integrated convex blind spot mirror that helps alert you to vehicles and objects nearby so you can avoid them.

Promotes smart driving.
Our exclusive MyKey® allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low and much more.

Sends an SOS for you.
Our SOS Post-Crash Alert System™ can automatically flash the hazard lights and sound the horn after an airbag has deployed or a safety belt pretensioner has activated in certain collisions.
No subscription required.

Directly contacts 911.
Ford SYNC® with 911 Assist™ uses your phone to call 911 in the event of airbag deployment or fuel pump shutoff. If needed, it can even give the operator an urgent message for you.

XLT. Black. Available equipment.
1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
2SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. Available feature.
3The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.
Lots of ways to make it yours.

Take advantage of versatile standards to make your life easier. Slide the center of the 2nd-row seat closer to you. Stay aware of your surroundings. And stow lots of gear on the huge, flat load floor. Add options to let more sunshine in, make loading cargo easy and so much more. Create the Expedition you want, just the way you want it.

- Power moonroof\(^1\)
- CenterSlide\(^{®}\) 2nd-row seat
- Cargo Management System – EL
- Blind spot mirrors
- 130.8 cu. ft. of cargo space – EL

QUALITY, GREEN, SAFE AND SMART.

New Vehicle Limited Warranty. We want your Ford Expedition or Expedition EL ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. ■ Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. ■ Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. ■ Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. ■ Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. ■ Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
