The 2020 Ford Expedition is engineered to make it happen. Choose from Expedition and Expedition MAX – based on how big is big enough for your adventures. Nearly a foot longer than Expedition, Expedition MAX can carry 16.9 more cu. ft. of gear. Both spacious interiors offer refined seating for up to 8 in a range of durable fabrics – including available ActiveX material – and available leather trims. Innovative technology can help you stay connected on the go. Plus, standard Ford Co-Pilot360™ can help you confidently navigate your world. We’ve been improving lives for over 116 years by building vehicles big, small, and lots of sizes in between. Our first SUVs took you “out there.” Our current lineup is designed to take you capably to your destination – in comfort and style. We built a better big for your adventures. And we put our hearts into everything we build.
MAX Limited. Star White Metallic Tri-coat. Available equipment. 'Cargo and load capacity limited by weight and weight distribution. 'Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. 'Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.

NEW KING RANCH
Exemplifying the open spaces and unbridled freedom of the American Southwest. Expedition King Ranch for 2020 expands the model lineup to 4 distinct trim levels.

ECOBOOST® ENGINES
Powered by a 3.5L EcoBoost V6, Expedition supplies powerful pull and responsive acceleration. An enhanced version on Platinum delivers 400 horsepower and 480 lb.-ft. of torque.
BIG ON EMPOWERMENT.

PUSH START AND GO
It’s easy to take command in the 2020 Expedition. Your available Intelligent Access key fob gets you in, and push-button start gets you going without having to insert a key. From big to small, Expedition is designed to empower.

DIAL IN CONVENIENCE
A convenient rotary gear shift dial moves the 10-speed automatic transmission from Park to Reverse to Drive. The design frees up center console space as well.

Platinum. Ebony leather-trimmed interior. Available equipment. ‘Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.'
12-SPEAKER SOUND SYSTEM
Standard on Limited, King Ranch® and Platinum, the B&O Sound System features a 14-channel amplifier pumping 1,100 watts of digitally processed sound through 12 high-performance speakers, including a subwoofer and 4 midwoofers.

8" LCD TOUCHSCREEN
with swipe capability is included with standard voice-activated SYNC® 3.

3 SPACIOUS ROWS, WITH SEATING FOR UP TO 8
BIG ON COMFORT.

FIND YOUR PLACE
No matter where you sit in Expedition, you’ll be well-cared for. With best-in-class 1 2nd- and 3rd-row leg room. Plus, available 2nd-row power-folding tip-and-slide seats that make it possible to keep a child-safety seat secured in any section of the seat while you simply slide it forward as passengers get into the 3rd row. An available power, panoramic Vista Roof® brightens the view.

TREAT YOURSELF
To 3rd-row comfort and calm. There, in the power-reclining, PowerFold® seat, you’ll be as comfortable as in any seat in the cabin. You’ve got your own beverage holders, reading lights and available smart-charging USB ports. Beyond that, an available advanced cargo manager behind the 3rd row features an adjustable shelf to help create a customized space for whatever you’re carrying.2

Platinum, Ebony leather-trimmed interior. Available equipment. 1Class is Extended Utilities based on Ford segmentation. 2Cargo and load capacity limited by weight and weight distribution. 3FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass)
2ND-ROW CAPTAIN’S CHAIRS
Outfit Expedition with your choice of a 2nd-row bench seat for 3, or available individual captain’s chairs. New this year on XLT, 2nd-row captain’s chairs can be trimmed in durable ActiveX seating material.
**BIG ON PEOPLE PLEASING.**

**ENJOY THE DRIVE**
Your available 10-way power driver’s seat (including power lumbar and recline), available power-adjustable pedals, available power-tilt/-telescoping steering column and available power sideview mirrors all have a memory feature. Conveniently recall your stored settings (for up to 3 different drivers) with just the touch of a button.

**ENJOY THE RIDE**
Not behind the wheel? You’ll still enjoy your time in Expedition. FordPass Connect™1 with Wi-Fi hotspot capability and an available Dual-Headrest Rear Seat Entertainment System allow you to view content from your compatible Apple®2 or Android™2 devices on the screen mounted to the back of each front seat. Access content via SD card, HDMI cable or USB device as well.

MAX Platinum. Ebony leather-trimmed interior. Available equipment. ¹FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Don’t drive distracted or while using handheld devices. Use voice controls. ²Requires device with active data.
MAX OUT CARGO SPACE.

CARRY MORE WITH MAX
Nearly a foot longer than Expedition, with extra room in all the right places, Expedition MAX can accommodate an additional 16.9 cu. ft. of gear. Plus, you’ll enjoy more head room in the 3rd row and larger rear door openings for easy entry and exit. Max out cargo space, and your adventures, in Expedition MAX.

ACCESS CARGO EASILY
Manually open the liftgate glass or the liftgate itself, or simply wave your foot under the rear bumper to take advantage of the available hands-free, foot-activated liftgate. With both rear rows folded flat, Expedition MAX can carry 4’ x 8’ sheets of plywood with the liftgate closed.

*INTERIOR (in.)*
POWER TO MOVE MOUNTAINS.

That’s EcoBoost® power and, in the 2020 Ford Expedition, it delivers up to 400 horsepower¹ and 480 lb.-ft. of torque.¹ A 10-speed automatic transmission with SelectShift® capability utilizes that power smoothly and confidently. Expedition towing capability of 9,300 lbs.² is best in class. Plus, available advanced towing technologies help make towing and backing up your trailer easy. You can even choose which type of get-in-and-go confidence you need using the available Terrain Management System™, which allows you to choose from 7 preset modes to optimize driving dynamics to road conditions. Scale new heights in Expedition.

---

EPA-ESTIMATED RATINGS: CITY/HWY/COMBINED MPG³

### 3.5L ECOBOOST V6

**375 MAX. HORSEPOWER**

**470 MAX. TORQUE (LB.-FT.)**

This twin-turbocharged, port- and direct-fuel-injected engine delivers responsive acceleration. The wide 7.4:1 gear ratio span of the 10-speed transmission helps smooth out steps between gears – delivering the engine’s power consistently for an enjoyable driving experience.

*Standard on XLT, Limited, King Ranch®*

Platinum. Blue. Available equipment. ¹Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. ²Max. towing of 9,300 lbs. on Expedition 4x2 with Heavy-Duty Trailer Tow Package (not shown). Max. towing of 9,200 lbs. on Expedition 4x4 with Heavy-Duty Trailer Tow Package (shown). Max towing varies based on cargo, vehicle configuration, accessories and number of passengers. ³Actual mileage will vary.

Horsepower, torque, towing and EPA-estimated fuel economy ratings are independent attributes and may not be achieved.
FORD CO-PILOT360™ TECHNOLOGY
READY WITH AN ASSIST.

From the driveway to the highway, our standard and available driver-assist features\(^1\) are designed to help you feel confidently in command at the wheel of your Expedition.

**FORD CO-PILOT360**

*Standard on every 2020 Expedition*

**PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically.\(^2\) It's designed to only activate when needed.

**BLIS® WITH CROSS-TRAFFIC ALERT**
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

**LANE-KEEPING SYSTEM**
It happens. Listening to your favorite podcast, you wander too close to your lane’s edge. Our Lane-Keeping System\(^3\) can help during a moment of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Stray a few times and a coffee cup icon lets you know it’s time to take a break.

**AUTO HIGH-BEAM HEADLAMPS**
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

**REAR VIEW CAMERA**
Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what’s behind your vehicle. It also helps when you’re lining up a trailer. A washer helps keep the camera free of debris (like dirt or snow), helping you navigate Reverse clearly and with more confidence.

Available equipment shown. \(^1\)Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. \(^2\)Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. \(^3\)Lane-Keeping System does not control steering. \(^4\)If stop is longer than 3 seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation. \(^5\)Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.
FORD CO-PILOT360 ASSIST

Standard on King Ranch® and Platinum
Optional on Limited

ADDITIONAL TECHNOLOGY

ENHANCED ACTIVE PARK ASSIST
Never pass up a potential parking space again. Enhanced Active Park Assist makes it easy to park time after time—even in tight parallel or reverse perpendicular spots. Just activate, shift, accelerate and brake while Expedition takes care of the rest. Park Out Assist with side-sensing capability can help you confidently navigate out of a spot when someone’s parked too close.

Standard on King Ranch and Platinum
Optional on Limited

HILL START ASSIST
It feels good to hold your ground. Especially on a grade. As you remove your foot from the brake pedal to accelerate from a stop, Hill Start Assist can help by preventing Expedition from rolling downhill.

Standard on every 2020 Expedition

360-DEGREE CAMERA
True to its name, the 360-Degree Camera with Split-View Display lets you see around Expedition, from every side. Very helpful while centering Expedition in a parking spot, driving around a crowded campsite or while navigating a tight section of off-road trail.

Standard on King Ranch and Platinum
Available on XLT and Limited

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO
There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed.

VOICE-ACTIVATED NAVIGATION
Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services to help you avoid traffic, find fuel (gas or java), and so much more.
YOUR TECH, YOUR WAY.

With seating for up to 8 and Wi-Fi hotspot capability, Ford Expedition welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 5-year subscription to SiriusXM Traffic and Travel Link services.

COMMAND IT
With your voice and your choice of display. SYNC 3 voice-activated technology connects your tech with your Expedition. SYNC 3 AppLink (shown) gives you voice control of compatible mobile apps like Waze™ and Ford+Alexa. To see your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay for your iPhone or Android Auto for your Android smartphone.

CONTROL IT
Monitor and control your vehicle in incredibly powerful ways using the FordPass App alone or with FordPass Alexa Skill or FordPass Action through Google Assistant when equipped with FordPass Connect. Complimentary remote features let you start, lock and unlock your vehicle from just about anywhere, including right from your wrist with your Apple Watch. Use your app to find your vehicle, schedule starts, find parking and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery and peace of mind knowing roadside assistance is just a call or e-request away.

CONNECT IT
With in-vehicle Wi-Fi. Before you’ve even left the dock, you and your friends can be posting your adventure videos through FordPass Connect with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once – inside of Expedition and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Commands may vary by phone and AppLink software. Waze is available via iPhone with SYNC 3 and on Android Auto. Commands may vary by phone and AppLink software. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Don’t drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear. Requires device with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. Don’t drive while distracted or while using handheld devices. Use voice controls. Certain Alexa functionality is
GO BIG FOR BETTER ADVENTURES.

With best-in-class max. 9,300-lb. towing capability,1 you can hit the ground towing in the 2020 Ford Expedition. It all begins with a high-strength-steel frame and high-strength, aluminum-alloy body.2 It continues with the 10-speed automatic transmission. SelectShift® capability allows you to manually upshift or downshift without using a clutch. Progressive range select mode allows you to lock out the upper gears while towing to help maintain a consistent speed on steep grades. And tow/haul mode features smart shift logic that helps eliminate unwanted frequent gear shifting on steep uphill grades, while allowing engine braking to help maintain vehicle speed when descending a steep grade with a load in tow.

Available Ford Co-Pilot360™ Technology3 includes Pro Trailer Backup Assist™ (PTBA), which makes backing up your trailer as easy as turning a knob. Once the system is programmed,4 simply rotate the PTBA knob left or right in the direction you want the trailer to go. The system then automatically steers Expedition to turn the trailer the desired amount. While your sideview mirrors are your primary visual aid, PTBA features a Rear View Camera image that allows you to view trailer direction and help determine trailer placement. Further assistance is provided by our available 360-Degree Camera with Split-View Display that works at low speeds in Forward and Reverse. Four cameras let you see all sides of Expedition on the 8" color LCD screen in the center stack.

Start strong with Expedition XLT. With its 375-horsepower 3.5L EcoBoost® engine mated to a smooth-shifting 10-speed automatic transmission, XLT gets the 2020 Expedition lineup moving. Seating for 8 is standard, so there's room for the whole crew on every adventure. The 2nd row can now be outfitted in available captain’s chairs with durable ActiveX seating material. In back, a PowerFold® 3rd-row seat folds flat at the touch of a button to quickly make more room for cargo. Add even more convenience with the available hands-free, foot-activated liftgate. SYNC® 3 voice-activated technology with Apple CarPlay® and Android Auto™ compatibility gets the party started inside.
**3.5L ECOBOOST V6 WITH AUTO START-STOP TECHNOLOGY**

**10-SPEED AUTOMATIC TRANSMISSION**

**XLT STANDARD FEATURES:**

**MECHANICAL**
- 4-wheel independent suspension
- Class IV trailer hitch receiver with 7- and 4-pin connectors
- Trailer Sway Control

**FORD CO-PILOT360 TECHNOLOGY**
- Ford Co-Pilot360: Automatic High-Beam Headlamps; BLIS® (Blind Spot Information System) with Cross-Traffic Alert; Lane-Keeping System; Pre-Collision Assist with Automatic Emergency Braking (AEB); and Rear View Camera with washer
- Autolamp Automatic On/Off Headlamps
- Hill Descent Control™ (4WD only)
- Hill Start Assist
- Reverse Sensing System

**APPEARANCE**

†Ford Licensed Accessory.
Hit the trail running in Expedition FX4. Our easy-to-use 4WD with Terrain Management System lets you select from 7 drive modes to help adapt to different road conditions. Skid plates help protect the underbody. A patented electronic limited-slip rear differential can vary power output from side-to-side in low-traction off-road situations, depending on which wheels need extra traction. Off-road-tuned front and rear shocks help keep you in contact with solid ground. All-terrain tires with thick sidewalls deliver the traction needed over rough terrain. Chrome-plated running boards and 18" Magnetic-painted cast-aluminum wheels complete the rugged look.

FX4 OFF-ROAD PACKAGE INCLUDES:
- 18" Magnetic-painted cast-aluminum wheels with 275/65R18 all-terrain (A/T) OWL tires
- 1st- and 2nd-row floor liners
- 2-speed automatic 4WD with Neutral towing capability
- 3.73 electronic limited-slip rear differential (eLSD)
- Chrome-plated running boards with angular step bars
- Fuel tank underbody protection
- FX4 badging
- Heavy-duty radiator
- Off-road shocks

FX4 OFF-ROAD PACKAGE WITH 360-DEGREE CAMERA
- All content of FX4 Off-Road Package, plus
  - 360-Degree Camera with Split View and front and rear washers
- Neutral towing capability
- Not available with Black Accent Package, Special Edition Package or Texas Edition Package

OPTIONS
- Cargo Package: advanced cargo manager and roof-rail crossbars

Always consult the owner’s manual before off-road driving. Follow all laws and drive on designated off-road trails and recreation areas.
There's lots to love about Limited. Inside and out. Bright exterior accents adorn the grille, roof-rack side rails and power-deployable running boards, which extend as soon as a door is opened to help you enter and exit with ease. Inside, a convenient driver's memory feature recalls saved settings for your heated and ventilated leather-trimmed seat, power-tilt/-telescoping steering column, power-adjustable pedals, and power-folding heated sideview mirrors. A B&O Sound System is acoustically tailored to Expedition, which will be evident from the very first moment you turn it on. And both 1st and 2nd rows benefit from one-touch-up/-down power windows. Choose 4x2 or 4x4.
LIMITED INCLUDES SELECT XLT 202A FEATURES, PLUS:

**APPEARANCE**
- Bright roof-rack side rails with black end caps
- LED taillamps
- Power-deployable, Magnetic-painted running boards with polished stainless accents

**COMFORT & CONVENIENCE**
- 2nd-row heated outboard seats
- Ambient lighting
- Auto-dimming driver’s sideview mirror
- One-touch-up/-down feature for 2nd-row windows
- Power-adjustable pedals with memory feature
- Top-hide leather-wrapped steering wheel with Dark Parchment Euro stitching
- Upgraded carpeted floor mats for 1st and 2nd rows

**CONNECTIVITY & ENTERTAINMENT**
- B&O Sound System with 12 speakers, and HD Radio™ Technology

**OPTIONS**
- Equipment Group 301A: power, panoramic Vista Roof;
- Ford Co-Pilot360™ Assist: Adaptive Cruise Control with Stop-and-Go; and Voice-Activated Touchscreen Navigation System with pinch-to-zoom capability (includes SiriusXM® Traffic and Travel Link® with 5-year subscription*)

New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners, Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even better driver and earn bigger discounts – it’s a win/win/win. Visit the FordPass mobile app or call 1-833-Ford-183.

American Road Services Company LLC is the licensed insurance agency supporting Ford and Lincoln insurance programs. Ford Insure is underwritten by Nationwide Mutual Insurance Company and Affiliated Companies. Subject to underwriting guidelines, review, and approval. Products not available to all persons in all states. Coverages vary by state. Availability varies; program criteria differs in California.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

BUILT TO KEEP YOU MOVING.™
The FordPass™ App™ puts your Expedition owner experience right in the palm of your hand.

With FordPass Rewards,™ you can earn 42,000 Points to use toward complimentary maintenance when you buy or lease a new Ford. Or save your Points for future service, accessories or even your next new vehicle purchase. And when it’s time to schedule service, you can do it right from your FordPass App.

In addition to complimentary maintenance, you can easily earn FordPass Rewards Points for many of the things you already do with us, including service and maintenance at participating dealers. Then you can redeem your Points for discounts on service, parts, accessories and new vehicle purchases. Use your app to watch your Points grow and keep track of how you use them.

With the FordPass App, you can request roadside assistance like fuel delivery, flat-tire repair and more 24/7 anywhere, anytime. Just use your app to call or make an e-request and help is on the way.

Stay connected and in control of your vehicle with complimentary remote features accessed through the FordPass App. Start, stop, lock and unlock your vehicle, schedule a start, even check fuel and fluid levels right from the app. You can also get vehicle health alerts, service history and service alerts to help you keep on top of your vehicle’s maintenance.

FordPass Connect™ (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

1FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. 275,000 points for Diesel owners. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details. 3Roadside assistance is included for certain owners and available to everyone for a per-service fee. 4FordPass Connect™ (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.
We’re Varsity Ford. And we go further for you. We’re dedicated to serving you now and in the future. We’re open 6 days a week for your convenience. Our friendly staff is standing by to assist you. And we offer a wide variety of financing options and incentives too. From vehicle test-drives and product demonstrations to personalized service and maintenance, we’re committed to delivering a Ford ownership experience above and beyond your expectations.
