EXPLORER

The World is Too Big To Be Left Unexplored.

The 1998 Ford Explorer.

Whether you're out for a night on the town or searching for a little off-road adventure, Ford Explorer is the perfect choice. Active people love it. Families trust it. Devoted owners see it as the very definition of a compact sport utility vehicle.

Explorer Eddie Bauer shown in Toreador Red Clearcoat Metallic.

Sophisticated Exploration. The Limited.

On the town or way *out* of town, the top-of-the-line Explorer Limited is decidedly *un*limited in style. Its premium equipment list, including automatic temperature control and MACH™ Audio System, is on par with fine luxury vehicles.

Explorer Limited shown in White Pearl Clearcoat Metallic.

Explorer Limited is the Ultimate in Explorer Comfort.

With its leather seating surfaces and numerous comfort and convenience features, the Limited interior is Explorer at its finest. It's shown in Medium Graphite.

A convenient second set of controls for audio and climate functions is standard on the Limited's steering wheel.

Explorer Eddie Bauer. Two Great Names. One Terrific Vehicle.

Freedom. Adventure. One of a kind. These are just a few of the traits that Ford Explorer and Eddie Bauer have in common. It seems quite natural that these legendary brands be combined.

Explorer Eddie Bauer shown in Medium Wedgewood Blue Clearcoat Metallic.

A Signature of Excellence.
Explorer Eddie Bauer.

A reversible cargo mat helps protect the rear area. It's standard with Eddie Bauer.

The Explorer Eddie Bauer interior combines elegant comfort with spirited style. It's shown here with leather seating surfaces (included in both Preferred Equipment Packages) in Medium Prairie Tan.

Engineered for the Unexpected.

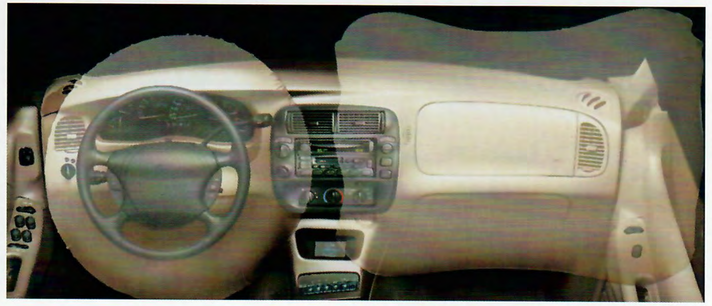

Explorer Eddie Bauer shown in Pacific Green Clearcoat Metallic.

A hands-free, portable cellular phone is available with Eddie Bauer (package 946A) and Limited.

An integrated rear ch safety seat is available with 4-door models.

Second Generation ai bags on Ford vehicles designed to further enhance protection for the driver and passeng Always wear your safet belt and secure childre in the rear seat.

Puddle lamps (part of the Electronics Group) help to illuminate the environment around th vehicle after dark.

Remote keyless entry (part of the Electronics Group) includes two remote transmitters.

SecuriLock™ protects against theft electronically. Unless your specia coded driver's key is used, the vehicle won't start. A dash light signa activation. It's standard with all models.

Childproof rear door locks, side door intrusion beams and 4-wheel anti-lock brakes are just a few of the many examples of how Explorer has been engineered to help keep you and yours safe on the road.

Explorer XLT.
Value. Family Fun.

With its long list of comfort and convenience features, including power windows, door locks, and electric mirrors, Explorer XLT fits nicely into the plans for any family excursion. Stylish and versatile.

Explorer XLT shown in Evergreen Frost Clearcoat Metallic.

Explorer Sport is quite at home anywhere, but especially where there's an adventure to undertake or an activity to enjoy. Two-door fun for the highway or the hard way.

Explorer Sport. Get on with the Fun Stuff

"Tread Lightly" is an educational program designed to increase the awareness of land-use regulations and responsibilities in our wilderness areas. Ford joins the U.S. Forest Service and the Bureau of Land Management in encouraging you to preserve our national forests and other public and private lands by "treading lightly."

Above: Explorer Sport in Black Clearcoat. Left: Explorer Sport in Bright Red Clearcoat. Both include the Premium Sport Package. Bike racks shown are dealer-installed accessories.

4.0L OHV V6. It gets you and your family most anywhere. Choose a 5-speed manual OD or 5-speed automatic OD (a class exclusive).

4.0L SOHC V6. It gives you improved acceleration and passing power when you need it most, without sacrificing fuel economy.*

5.0L V8. All the horsepower and torque you need for the toughest excursions. Tow big loads up to a maximum 6,700 lbs.

5.0L V8	5.0/302	4.00 x 3.00	8.5:1	215 @ 4,200 rpm	288 @ 3,300 rpm

Drive Systems

Explorer is available in 4x2 and 4x4 configurations. The type of 4-wheel-drive system you get with your 4x4 depends on the engine. V6 engines feature Control-Trac. Explorer V8 features All-Wheel Drive.

Both systems can vary their torque split depending on conditions. Both can sense wheel slippage and send torque to the set of wheels with better traction. Control-Trac can adjust the majority of the torque to either the front or rear axles. All-Wheel Drive can adjust nearly 100%.

Control-Trac settings are controlled by the driver. All-wheel drive has no driver settings. It's always operating. For details on how these 4-wheel-drive systems operate, consult your Explorer Owner Guide.

*1998 EPA mileage estimates were unavailable when this brochure was printed.

NOTE: Engine/axle ratio combinations shown may not be available in all areas. Your Ford Dealer can supply availability information. All maximum trailer weights shown must be reduced by passenger and cargo weight in the towing vehicle. The following equipment may be required: super engine cooling; load-carrying hitch for towing trailers under 3,500 pounds with the standard rear step bumper; load-equalizing hitch for towing trailers over 3,500 pounds; and optional trailer towing package for when the Gross Combination Weight Rating (GCWR) exceeds 5,000 pounds. For specific information on recommended or required equipment, see your dealer.

Explorer Power and Versatility.

Explorer Eddie Bauer shown in Medium Wedgewood Blue Clearcoat Metallic.

Exploration Assets

The available premium floor console features rear controls for the fan and radio, as well as headphone jacks and handy cup holders. (Available on Sport, XLT, Eddie Bauer and Limited.)

The available in-dash dual-media radio features both CD and cassette. 80 watts and 4 premium speakers. Optional "dual mode" feature lets front and rear passengers listen to separate modes. (Available on Sport, XLT and Eddie Bauer. MACH™ dual-media standard on Limited.)

A multi-disc CD changer which can handle up to six discs is optional. (Available on Sport, XLT, Eddie Bauer and Limited.)

The available front overhead console includes reading lamps, an electronic compass and a convenient outside temperature readout. (Available on Sport, XLT, Eddie Bauer and Limited.)

The available power moonroof can be tilted up or slid open completely. Includes "one-touch-open" feature. (Available on Sport, XLT, Eddie Bauer and Limited.)

Six-way power driver seat is standard in the Eddie Bauer (both driver and passenger standard with Limited). It adjusts forward/back, up/down and lumbar inflate/deflate. (Available with XLT, Sport.)

A message center can be added to the premium console. It monitors 30 vehicle activities, even telling you when the next oil change is due. (Available on Eddie Bauer and Limited.)

The front seat shoulder harness height in all Explorers can be adjusted to 5 separate positions for individualized comfort.

The Explorer XLT interior with its sport bucket seats is shown here in Medium Graphite cloth upholstery.

No other top-selling compact sport utility has more total interior room than Explorer. That's important for passenger/cargo capability and versatility.

Explorer standard and optional features can enhance the pleasure of any outing, be it a quick trip to the store or a trek through several states.

The new Explorer liftgate includes an ergonomic flip-handle release as well as a separate "lift glass" button for extra convenience. It also features an expanded glass area.

*Six-passenger seating with optional split bench front seat in XL and XLT.

Competitive comparisons contained herein are based on 1997 published competitive data available at the time of printing.

Class III trailer hitch. The ball mount shown must be purchased separately.

Heavy-duty cargo liner helps protect the rear area. It attaches with Velcro-like fasteners.

Ski rack. Three different adapters offer a wide range of capacity (up to six pairs of skis or four snowboards). Padded clamp assemblies help guard against damage.

Bike rack accessory (2 shown).

Aero hood deflector helps protect the hood from insects, dirt and other debris.

Rear air deflector. This aerodynamically styled deflector adds a stylish accent as it helps keep the rear window free of dirt.

Molded splash guards provide protection against mud, salt and other debris.
