The 2008 Ford F-150: There’s Only One #1

YOU BE THE JUDGE. A pickup is measured by what it can do, and by that standard, F-150 is the undisputed champion. Its payload and towing numbers are best-in-class. Those numbers are built on the strongest frame in the class. Innovative new features deliver utility and convenience you won’t find on any other truck. Even its driver and right-front passenger frontal crash test ratings are the best there are: 5 Stars. Hardworking, smooth-riding and Built Ford Tough,® F-150 is pure F-Series; the trucks with more vehicles still on the road after 250,000 miles than any other. Of course, you’ve given F-Series the most important title of all — America’s #1-selling line of trucks for 30 years in a row.
The Strongest Frame

FULLY BOXED CONSTRUCTION means it’s up to the task — and so much more. Cruise the interstate, pull a king-size trailer, or hit a rugged stretch of trail, and the solid feel of a fully boxed frame enhances the experience. Beyond best-in-class towing and payload numbers, F-150 offers refined ride and handling qualities in a full-size pickup. Some of the key features that make it all possible are indicated above.

Outstanding Stopping Power

STANDARD 4-WHEEL VENTED-DISC ANTI-LOCK BRAKE SYSTEM

Electronic Brakeforce Distribution (EBD) manages the rear brakes to ensure maximum capability under heavy loads.
The Greatest Capability

F-150 XL HAULS or tows more than any truck in its class.¹ Its fully boxed frame rails, an available Heavy-Duty Payload Package and standard 4-wheel vented-disc anti-lock brakes provide serious capability for the toughest tasks. Put it to the test. You'll soon discover that F-150 XL has a work ethic just as strong as yours.

NEW XL SUPERCREW — The classic work truck of the F-150 line is now available as a SuperCrew. Standard cloth seating offers roomy comfort for 6 with a 60/40 split flip-up rear seat. Includes SuperCab upgrades, plus: 4 Full-Sized Doors • AM/FM Stereo/Single-CD Player with MP3 Capability and Audio Input Jack • Power Windows, Door Locks and Mirrors • Remote Keyless Entry • Electronic Shift-On-the-Fly (ESOF) • Overhead Console Storage (4x4)

**EXCLUSIVE**

4-Door Regular Cab

Only one Regular Cab pickup gives you 4 doors, including 17 cu. ft. of secure storage: Ford F-150.

¹Properly equipped.
NEW REVERSE CAMERA

This amazing new option includes a camera mounted in the tailgate handle bezel and a video display mounted in the auto-dimming rearview mirror. The system is activated whenever the vehicle is put into reverse. The wide-angle camera provides a bird’s-eye view of the trailer ball, and the built-in distance guide on the video display makes the system ideal for trailer hook-up or backing up to a loading dock.

All-New Class-Leading Cargo Management System

Multiple components add up to an exceptionally complete and versatile Cargo Management System option. Cleats are rated at 600 lbs. each (2 cleats per rail maximum). Cleats unlock with a single pull-and-twist of a knob, and lock in place every 3.5.” A bolt-in Front Header Bar option (not shown) adds cleat strength across the front of the box. The optional Bed Divider is rated to retain loads of up to 400 lbs. on the floor of the cargo box. Optional composite Storage Bins can hold a hefty load, attach to the side rail and can be locked with the same key as your vehicle.

SYSTEM FEATURES: Corrosion-Resistant Aluminum and Composite Construction • 2 Dual-Channel Side Rails • 4 Adjustable Cleats

OPTIONAL FEATURES: Front Header Bar • Load Bars (2) • Bed Divider • Storage Bins (2)

The Highest Rewards

LARIAT HAS ITS PRIVILEGES. Nothing says success like F-150 LARIAT. Outside, it’s a
great-looking pickup you’ll be proud to drive for work or pleasure. Inside, an impressive
list of standard features makes it as comfortable for a group of friends as it is for a
full work crew. Now that you’ve put in all that time getting ahead, you deserve an F-150
LARIAT to show for it.

Keeping You on Course

An optional DVD-based Navigation System utilizes GPS to help you keep your bearings
anywhere in the U.S. It features a 6.5” touch screen, points of interest, and intersection
programming with audible turn-by-turn instructions.
The Most Attitude

NEW 105TH ANNIVERSARY FORD HARLEY-DAVIDSON™ F-150. Incredible as it sounds, Henry Ford introduced the first Ford production model the very same year that William S. Harley and Arthur Davidson rolled out the first Harley-Davidson® motorcycle. Unleash this F-150, and you'll feel their power and spirit ringing through the years. With Detroit iron and Milwaukee soul, here's a truck that celebrates the founding fathers of the American road.
New F-150 LIMITED

Sure, it’s got a truckload of custom amenities inside and out (check out the dimensional chrome lettering on the box), plus a monochrome tri-coat metallic paint job right down to its 22” polished forged-aluminum wheels. But don’t let the finery fool you. This is a Built Ford Tough® F-150 through and through. One that’s ready to stop traffic anywhere.

Custom Touches

The two-tone leather-trimmed seats, instrument panel and door panels make this an F-150 like no other. The custom serialization plate certifies your distinction in possessing this rare edition.
The Most Celebrated

THE 60TH ANNIVERSARY EDITION F-150. It all started with the introduction of the 1948 F-1 — the very first F-Series. Powered by the legendary Ford Flathead V8, contractors, ranchers and masters of every trade made it their workhorse. The latest in a long line of special F-150 pickups, this new edition pays tribute to the founding of what would grow into the best-selling line of trucks in America.

- Castaño Leather-Trimmed, Power/Heated Front Captain’s Chairs with Dual Manual Lumbar, Memory Driver Seat and KING RANCH Badges, Front Flow-Through Console and Steering Wheel, and 60/40 Split Fold-Up Rear Bench Seat
- 18” 7-Spoke Cast-Aluminum Wheels with KING RANCH “Running W” Center Caps
- Two-Tone Exterior
- H-Bar Grille with Chrome Surround
- Pueblo Gold Platform Running Boards, Box Top and Tailgate Moldings
- Power-Folding Sideview Mirrors with Security Approach Lamps and Auto-Dimming Driver Side
- KING RANCH “Running W” Badges

The Longest Heritage

A HISTORY AS OLD AS THE WEST. Since 1853, King Ranch® has been both a hardworking enterprise and an oasis of refinement. That’s a word-perfect description of the truck that bears the “Running W” brand. This special-edition Ford pickup has the legendary capability of an F-150 and an interior that’s tooled like a fine saddle. The F-150 KING RANCH rides tall in the spirit of honest work and Western hospitality. May that tradition never change.

New Vehicle Limited Warranty

We want your Ford F-150 ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible.

Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.
