Click here to see the SVT RAPTOR bring the dunes down to size.

Vehicle shown on closed course with professional driver. Obey all laws. Respect the environment. Know your vehicle, the course and required equipment before high-speed off-roading.

KING OF THE HILL. See RAPTOR conquer it.
IT’S ALWAYS BETTER AT THE TOP.

At work. Or play. Ford F-150 rises above. Year after year after year. 4 advanced engines. 3 cabs and 3 box lengths. No wonder F-Series has been America’s best-selling truck for 36 years running. And for 2014, there’s no slowing down.

STX is available in SuperCrew with a 5.5-ft. box configuration for the first time, and a new STX Sport Package debuts. An updated LIMITED includes new Marina Blue leather-trimmed seats. A new SVT RAPTOR Special Edition Package heats up the trail, while a new TREMOR shakes up the street. Featuring a 3.5L EcoBoost® V6 engine, 4.10 electronic-locking rear axle and HID headlamps on a 126” Regular Cab, TREMOR will scream. F-150 continues its tradition of delivering best-in-class¹ max. payload capability (3,120 lbs.),² plus up to 81.3 cu. ft. of cargo box volume. With class-exclusive deployable box side steps,³ tailgate step,³ high-intensity discharge (HID) headlamps,³ and off-road display in the LCD productivity screen,³ you expect to go further in a 2014 F-150.

¹Class is Full-Size Pickups under 8,500 lbs. GVWR. ²Maximum capability when properly equipped. See your Ford Dealer for specific equipment and other limitations. ³Available feature.
SERIOUS BOOST. IMPRESSIVE EFFICIENCY.

F-150 equipped with our 3.5L EcoBoost® direct-injection twin-turbo engine delivers 420 lb.-ft. of torque, 90% of which comes on strong from 1,700 rpm. Maximum towing capacity: 11,300 lbs! Maximum payload capacity: 3,100 lbs! Plus, it has an EPA-estimated rating of 22 hwy mpg. On EcoBoost 4x4s, the 36-gallon fuel tank means F-150 has an EPA-estimated range of 551 miles between fill-ups. This proven engine was pushed to extremes in durability testing to the equivalent of 1.6 million miles and 10 years of use in the harshest environments. Now, with over 400,000 EcoBoost powered Ford F-150s sold, it is proving itself daily on job sites, farms and roads (paved and unpaved) all across America. In the Built Ford Tough® lineup, EcoBoost has solidified its place.

1When properly equipped. 2EPA-estimated rating: 16 city/22 hwy/18 combined mpg, 3.5L EcoBoost, 4x2. Actual mileage will vary. 3EPA-estimated rating: 15 city/21 hwy/17 combined mpg, 3.5L EcoBoost, 4x4, 36-gallon tank. Range calculation based on www.fueleconomy.gov. Actual mileage will vary. 4Based on CY sales January 2011 to October 2013.
4 CHOICES. MIGHTY RETURNS.

In horsepower, torque and fuel efficiency. With the Built Ford Tough® lineup of Ford F-150 engines, there’s one with exactly what you need. Get 411 hp with the 6.2L V8.¹ For low-end grunt, there’s plenty in both V8 and V6 offerings: 434 lb.-ft. of torque from the 6.2L V8 or 420 lb.-ft. with the 3.5L EcoBoost.² And the standard 3.7L V6 has an EPA-estimated rating of 23 hwy mpg.³ Whatever you choose, a standard 6-speed automatic transmission and available SelectShift® automatic make it easy to engage. Twin independent variable camshaft timing (Ti-VCT) enables precise control of the camshafts on 3 of these high-tech engines, for efficient operation and plentiful power. Every engine in the F-150 lineup is proven over millions of miles of harsh testing (laboratory and real-world) and engineered to meet Built Ford Tough standards for long-lasting durability. From sunrise to sunset, you depend on F-150 to tow, haul, work and play like no other. Rest assured, it delivers.

FUEL-EFFICIENT. FLEXIBLE FUEL.

Outstanding fuel efficiency results from the standard 3.7L Ti-VCT 4-valve V6 flex-fuel vehicle (FFV) engine that can run on E85, gasoline or any combination of the two. It also delivers 302 hp and 278 lb.-ft. of torque. Piston cooling jets spray oil directly on the underside of the pistons to help keep them cool under extreme operating conditions.

EPA-estimated rating: 17 city/23 hwy/19 combined mpg²

POWER. EFFICIENCY. JUST WHAT YOU NEED.

This innovative 3.5L EcoBoost Ti-VCT engine¹ delivers an impressive 365 hp, 420 lb.-ft. of torque and a max. towing capacity of 11,300 lbs. It reaches 90% of peak torque all the way down at 1,700 rpm and holds strong all the way up through 5,000 rpm. Twin turbochargers combine with high-pressure direct injection for remarkably balanced performance. For outstanding efficiency, just ease off the throttle.

EPA-estimated rating: 16 city/22 hwy/18 combined mpg*²

LOW-END TORQUE. HEAVY-DUTY CAPABILITY.

Our 5.0L Ti-VCT 4-valve V8 FFV engine¹ delivers 360 hp and 380 lb.-ft. of torque. Its intake camshaft is specifically designed to help achieve low-end torque, while cast exhaust manifolds and a unique engine oil cooler allow for heavy-duty use and durability.

EPA-estimated rating: 15 city/21 hwy/17 combined mpg³

MONSTROUS HP. DITTO THE TORQUE.

A free-breathing beast, the 6.2L 2-valve V8 delivers 411 hp and 434 lb.-ft. of torque. Baja-tested by the Ford Special Vehicle Team (SVT) and shared with F-Series Super Duty,² this proven powerplant boasts a cast-iron engine block with 4-bolt main bearing caps and 2 additional cross bolts for extreme durability. Utilizing 2 spark plugs per cylinder enhances efficiency and increases engine torque.

EPA-estimated rating: 13 city/18 hwy/15 combined mpg⁶

---

¹Available feature. ²EPA-estimated rating: 17 city/23 hwy/19 combined mpg. 3.7L 4x2. Actual mileage will vary. ³EPA-estimated rating: 15 city/21 hwy/17 combined mpg. 5.0L 4x2. Actual mileage will vary. ⁴EPA-estimated rating: 16 city/22 hwy/19 combined mpg. 3.5L 4x2. Actual mileage will vary. ⁵6.2L horsepower and torque achieved with 93-octane premium fuel. ⁶EPA-estimated rating: 13 city/18 hwy/15 combined mpg. 6.2L 4x2. Actual mileage will vary.
READY AND STABLE.

Ford F-150 helps keep your trailer where it belongs. In line. With a max. towing capability of up to 11,300 lbs¹ in every cab type, the stabilization benefits of standard trailer sway control, and an integrated trailer brake controller,² F-150 offers a high level of towing confidence. Standard hill start assist helps prevent you from rolling back on a grade by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck up the hill. Trucks equipped with the trailer brake controller can automatically apply the trailer brake too. Included in every Trailer Tow Package, our 6-speed SelectShift® automatic transmission features a progressive range select mode you can use to lock-out upper gears for better performance when the truck is heavily loaded or when towing on grades. In the Max. Trailer Tow Package on select models, convenient PowerScope® trailer tow mirrors feature both power-telescoping and power-folding functionality. Tow more. Sweat less. With F-150.

¹Maximum capability when properly equipped. See your Ford Dealer for specific equipment and other limitations. ²Available feature.
CARRY THE DAY WITH CLASS-BEST PAYLOAD.

Any way you stack it, Ford F-150 helps you be as productive as possible. With a cargo box volume of up to 81.3 cu. ft. and a best-in-class 3,120-lb. max. payload\(^1\) capability, F-150 can help you haul more materials in each load, which could reduce the number of trips you make to and from the work site. And managing cargo is easy thanks to the best pickup box access\(^1\) in the class – steps on all 3 sides including our class-exclusive tailgate step\(^2\) and deployable box side steps\(^2\) (each side step can handle up to 500 lbs.). Crossmembers on the fully boxed frame of F-150 are precisely positioned, then throughwelded to help create a highly rigid structure, minimizing frame flex and contributing to stable hauling and towing. Opt for the Tough Bed\(^6\) factory-installed spray-in bedliner,\(^2\) where industrial-grade synthetic lining is applied directly to the bed for durable, long-lasting protection. Haul more. Work smarter. That’s F-150.

\(^{1}\)Maximum capability when properly equipped. See your Ford Dealer for specific equipment and other limitations. \(^{2}\)Available feature.
READY TO ROCK YOUR WORLD.

Meet F-150 SVT RAPTOR, our Baja-proven, high-speed, off-road performance truck. Built on F-150 underpinnings, SVT RAPTOR is locked and loaded for off-road readiness right from the start. RAPTOR features a 4.10 front axle with TORSEN® differential, a 4.10 rear axle with electronic-locking differential, underbody skid plates, Hill Descent Control™ and off-road-tuned front and rear shock absorbers for serious, slow-speed rock-crawling prowess. The 17” forged-aluminum bead-lock-capable wheels¹ can be paired with bead-lock rings² from Ford Racing, enabling you to air down with confidence for much-needed grip when off-roading. Track the action on the class-exclusive off-road display in the LCD productivity screen.³ And when off-roading at low speeds, a class-exclusive front view camera¹ displays a wide-angle view on the 8” MyFord Touch® screen.³

¹Available feature. ²Available feature. See your Ford Dealer or visit ford.com for details. ³Front view camera active below 15 mph.
Vehicle shown on closed course with professional driver. Obey all laws. Respect the environment. Know your vehicle, the course and required equipment before high-speed off-roading.
KEEPS YOU CONNECTED.

To what really matters. Family. Friends. Your music. The job site. With voice-activated Ford SYNC deliver hands-free calls, Bluetooth streaming music and more with simple voice commands, staying in touch is easy. Once paired, SYNC can download your contacts and play music from your smartphone, MP3, USB or iPod. Just touch a button on the steering wheel and say things like “Call: Kevin Martin” or “Play playlist: Country.” SYNC with MyFord is optional on XLT and standard on FX2, FX4 and SVT RAPTOR. This system includes a 4.2” LCD productivity screen in the center of the gauge cluster, 5-way controls on the steering wheel, and a 4.2” screen in the center stack. On models equipped with MyFord, SYNC AppLink lets you control Pandora, iHeartAuto, SiriusXM and select other apps by voice too. Taking command of any road is easy in F-150. SYNC. Say the word.

Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
READY FOR YOUR COMMAND.

**SYNC® with MyFord Touch®** brings a high level of functionality to every road – and trail. Control your phone, entertainment, navigation and climate by voice, a touch of the 8” LCD color screen, or through the use of the knobs and buttons below. Available on FX models and higher, the system also features a media hub with dual USB ports, an SD card reader and A/V input jacks. To further enhance your journey, SiriusXM® Satellite Radio includes a 6-month Sirius All Access trial subscription. Enjoy every premium satellite radio channel, including commercial-free music, plus sports, news, talk, and entertainment channels. Vehicles with a voice-activated Navigation System may also receive SiriusXM Traffic and SiriusXM Travel Link services as part of the trial, so you’ll have the ability to look up fuel prices, check local and national weather, and get detailed traffic information.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2Available feature.
HARD WORK HAS ITS REWARDS.

After a hard day’s work, F-150 is ready to reward you. Choose the luxurious LIMITED, where seats are thoughtfully contoured to provide needed support in all the right places. The ultra-convenient one-touch 60/40 split rear seat folds up to reveal 55.4 cu. ft. of cargo space and the only completely flat load floor available in the class. Recharging multiple devices is easy with a standard 12-volt powerpoint up front, plus another next to the 110-volt power outlet on the rear of the flow-through center console, and another inside the console. Seating is uniquely trimmed in rich, full-grain Marina Blue leather (new for 2014) and accented by distinctive cloisonné badges. A laser-engraved serialization plate on the console lid reinforces its LIMITED status. And yours.

LIMITED SuperCrew 4x4, Marina Blue Premium Leather.

1Available feature. 2F-150 SuperCrew 2014 model not yet tested.
MAKE A FORCEFUL IMPRESSION.

With a low-gloss black 3-bar grille and body-color surround, hood and bodyside graphics, 20" flat-black-painted aluminum wheels and black tubular cab steps, the FX Appearance Package leaves a lasting impression. Inside, the impact is much the same. Joining FX Series standards like SYNC® with MyFord® and SiriusXM Satellite Radio, FX Appearance Package leather-trimmed front seats feature Alcantara® inserts and a driver 6-way power seat adjustment. A unique Bronze finish accents the instrument panel, center stack and center console. Distinctive look. Rugged character. The FX Appearance Package is designed to impress – time and time again.
GET YOUR QUAKE ON.

How to build one very mean street truck. Start with seating for 2, a center console, and a 126” wheelbase Regular Cab F-150. Add: a 365-hp 3.5L EcoBoost® engine; a 4.10 electronic-locking rear axle; high-intensity discharge (HID) headlamps; hood and bodyside graphics, including TREMOR decals; SYNC® with MyFord Touch®; power-adjustable brake and accelerator pedals; and more. The new F-150 TREMOR leaves ordinary trucks trembling in its wake. Want more? TREMOR Plus adds a voice-activated Navigation System, rear view camera and more. For complete package contents, look right. To see TREMOR in action, follow the instructions at top right. The streets just got a whole lot meaner.

14F-150
ford.com
Includes all standard features, plus:

**Mechanical**
- 3.3L Ti-VCT 4-valve V6 FFV engine (Regular Cab, SuperCab 145” WB and 4x2 SuperCrew 165” WB)
- 3.5L Ti-VCT 4-valve V6 FFV engine (SuperCab 163” WB, 4x4 SuperCrew and 4x4 SuperCrew 157” WB)
- Electronic 6-speed automatic transmission with tow/haul mode
- Axle, rear – Non-limited slip
- Electric power-assisted steering
- Electronic shift-on-the-fly (ESOF) (4x4)
- Fuel tank – 26-gallon (4x2 and Regular Cab 126” WB 4x4x)
- Fuel tank – 36-gallon (Regular Cab and SuperCab)
- P235/75R17 BSW all-terrain tires (4x4; n/a on Regular Cab 126” WB)
- P265/70R17 OWL all-terrain tires (SuperCrew 4x4)

**Interior**
- AM/FM stereo with clock
- Climate controls – Manual
- Door locks – Manual (Regular Cab and SuperCab)
- Door locks – Power with autolock (SuperCrew)
- Flooring – Black vinyl
- Mirror – Day/night rearview
- Overhead console with storage bins and map lights (SuperCrew)
- Passenger-side visor vanity mirror
- Steering wheel – Black urethane
- Windows – 2nd-row fixed (SuperCab)

**Exterior**
- Bumpers – Front cloth 40/20/40 split front seat with manual driver lumbar (requires 101A)
- Carg box tie-downs – 4, black
- Cargo box tie-downs – 4, black
- Door handles – Black
- Grille – Black surround and C-clamp insert
- Headlamps – Aerodynamic clear-lens dual-beam halogen
- Mirrors – Manual sideview (Regular Cab and SuperCrew)
- Mirrors – Power sideview (SuperCrew)
- Perimeter alarm (SuperCrew)
- Remote Keyless Entry System with 2 integrated keyhead transmitter remotes with panic button, and Illuminated Entry System (SuperCrew)
- Stone guards – Black
- Tow hooks – 2 in front, black (4x4)

**Available Options**

**Mechanical**
- 5.0L Ti-VCT 4-valve V8 FFV engine (Regular Cab, SuperCab 145” WB, and 4x2 SuperCrew 140” WB)
- 3.5L EcoBoost® Ti-VCT engine (includes 26-gallon fuel tank on 4x2 and 36-gallon fuel tank on 4x4; n/a on Regular Cab 126” WB)
- Axle, rear – Electronic-locking differential (requires 5.0L or 3.5L engine)
- Axle, rear – Limited-slip differential (requires 3.7L or 5.0L engine)
- Trailer brake controller (requires Trailer Tow Package or Max. Trailer Tow Package; requires fog lamps when ordered with 101A)

**Available Equipment Group**

**Equipment Group 101A – Power Equipment Group** (standard on SuperCrew) includes power door locks with autolock and integrated keyhead transmitter remotes; power windows and sideway mirrors; Illuminated Entry System; and perimeter alarm + XL Plus Package includes AM/FM stereo/single-CD player with clock, speed-compensated volume control and customer information display; auxiliary audio input jack; cruise control; and MyKey® + XL Décor Group includes chrome front and rear bumpers, and front cloth 40/20/40 split front seat with manual driver lumbar + Communications Package includes Ford SYNC® voice-activated, in-vehicle connectivity system and steering wheel-mounted audio and SYNC controls + Trailer Tow Package (required for towing over 5,000 lbs.) includes Class IV trailer hitch receiver; 7-pin wiring harness; upgraded radiator, auxiliary transmission oil cooler; and SelectShift® automatic transmission

**Available Packages**

**XL Plus Package** includes AM/FM stereo/single-CD player with clock, speed-compensated volume control and customer information display; auxiliary audio input jack; cruise control; and MyKey®

**CNG/LPG Gaseous Engine Prep Package** (Regular Cab, SuperCab and 4x2 SuperCrew only; requires 3.7L engine) includes hardened engine intake valves, exhaust valves and valve seats; and upgraded pistons and piston rings

**Heavy-Duty Payload Package** (Regular Cab and SuperCab with B box and SuperCrew with 6½” BOX; restrictions apply) increases GVWR to 8,200 lbs. for improved payload and towing; 17” lug styled steel wheels (LT265/75R17 BSW all-terrain tires; heavy-duty shock absorbers; upgraded springs and radiator; auxiliary transmission oil cooler; rear axle with 9.75” gear set and 3.31 limited-slip gear ratio

**MidBox Prep Package** (restrictions apply) includes Regular Cab 145” WB with 5.5” box or SuperCab 163” WB with 5.5” box; via ship-thru process, the truck is upfitted with a midbox between the cab and the pickup box (see your dealer for details)

**Power Equipment Group** (standard on SuperCrew) includes power door locks with autolock and integrated keyhead transmitter remotes; power windows and sideway mirrors; Illuminated Entry System; and perimeter alarm

**Trailer Tow Package** (required for towing over 5,000 lbs.) includes Class IV trailer hitch receiver; 7-pin wiring harness, upgraded radiator, auxiliary transmission oil cooler, and SelectShift automatic transmission

**Max. Trailer Tow Package** (restrictions apply; required for towing over 5,000 lbs.) includes Class IV trailer hitch receiver; 7-pin wiring harness; upgraded radiator; auxiliary transmission oil cooler; trailer brake controller; upgraded rear bumper; SelectShift automatic transmission; and manual-telescoping/-folding trailer tow mirrors with manual glass or manual-telescoping/-folding trailer tow mirrors with power, heated glass, integrated turn signal indicators and security approach lamps

#### MECHANICAL

- **Front Suspension**: Coil-over-shock<br>
  Axle rating @ ground – 3,150 lbs.–4,050 lbs.

- **Rear Suspension**: Solid axle<br>
  Axle rating @ ground – 3,500 lbs.–4,800 lbs.

- **Steering**: Electric power-assisted (n/a with 6.2L V8 engine) Hydraulic power-assisted (6.2L V8 engine only)

- **Brakes**: 4-wheel vented-disc ABS<br>
  Front rotor diameter – 13.8”<br>
  Rear rotor diameter – 13.7”

#### POWERTRAIN

**Powertrains** (See engines page for horsepower, torque and fuel economy ratings)

- **3.7L Ti-VCT 4-Valve V6 FFV**
  - Configuration: DOHC
  - Fuel injection: Sequential Electronic
  - Induction system: Naturally aspirated
  - Cylinders: 6
  - Head: Aluminum
  - Valve: 3.78”/3.45”
  - Compression ratio: 10.5:1
  - Transmission: Regular unleaded or E85
  - 6-speed auto. with tow/haul

- **5.0L Ti-VCT 4-Valve V8 FFV**
  - Configuration: DOHC
  - Fuel injection: Sequential Electronic
  - Induction system: Naturally aspirated
  - Cylinders: 8
  - Head: Aluminum
  - Valve: 3.63”/3.45”
  - Compression ratio: 10.5:1
  - Transmission: Regular unleaded or E85
  - 6-speed auto. with tow/haul

- **3.5L Ti-VCT 4-Valve EcoBoost®**
  - Configuration: DOHC
  - Fuel injection: Direct Injection
  - Induction system: Twin-turbocharged intercooled
  - Cylinders: 6
  - Head: Aluminum
  - Valve: 3.64”/3.45”
  - Compression ratio: 10.0:1
  - Transmission: Regular unleaded
  - 6-speed auto. with tow/haul

- **6.2L VCT 2-Valve V8**
  - Configuration: SOHC
  - Fuel injection: Sequential Electronic
  - Induction system: Naturally aspirated
  - Cylinders: 8
  - Head: Aluminum
  - Valve: Cast iron
  - Compression ratio: 4.02”/3.74”
  - Transmission: Regular unleaded
  - 6-speed auto. with tow/haul

---

1. Heavy-Duty Payload Package only. 2. TREMOR Package only. 3. Max. Trailer Tow Package only. 4. SVT RAPTOR only. 5. LIMITED only. 6. Requires Heavy-Duty Payload Package and Max. Trailer Tow Package.
New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. A Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. A Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. A Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford, Lincoln dealerships. A Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. A Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2014 competitive models (class is Full-Size Pickups under 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages.
