The New 2011 Flex

There's nothing mini about it. It's a 3-row crossover. Seats up to 7. Loaded with technology like the available Ford SYNC® voice-activated, in-vehicle connectivity system, the available Active Park Assist and an available new one-touch PowerFold® 3rd-row seat. Powered by a 3.5L Duratec® V6 or the available 3.5L EcoBoost® V6 twin-turbocharged, direct-injection engine. Six airbags – including a 3-row Safety Canopy® System – are standard. SE, SEL and Limited offer several standout roof-color choices, while the new Flex Titanium is topped with a striking Tuxedo Black Metallic roof. If you’re ready to make a statement, Flex is perfect for you.
FLEX isn’t just exciting to look at – it’s exciting to drive. It hunkers down. Puts a limit on lean. Grabs corners. Soaks up bumps and potholes. It even gives you V8 power with V6 fuel economy thanks to its available 3.5L EcoBoost V6 twin-turbocharged, direct-injection engine. We’re talking 355 heart-pounding horsepower, 350 lb.-ft. of torque and up to 21 mpg. The standard 3.5L Duratec® V6 quickens your pulse with 262 hp, 248 lb.-ft. of torque and up to 24 mpg.

Both pair with an efficient 6-speed automatic transmission. EcoBoost models include steering wheel-mounted paddle shifters and intelligent all-wheel drive (AWD) for a more spirited, performance-oriented driving experience. One that earned Flex a spot on AUTOMOBILE Magazine’s list of All-Stars for the 2nd year in a row.

1 Figures achieved using premium unleaded gasoline. Premium fuel is recommended for EcoBoost V6, but not required. 2 EPA-estimated 16 city/21 hwy/18 combined mpg for Flex AWD with EcoBoost engine. 3 EPA-estimated 17 city/24 hwy/19 combined mpg for Flex FWD with Duratec engine, 16 city/22 hwy/18 combined mpg for Flex AWD with Duratec engine.

FLEX LIMITED. TUXEDO BLACK METALLIC. INGOT SILVER METALLIC ROOF. AVAILABLE EQUIPMENT.

3.5L EcoBoost™ V6
- 355 Horsepower
- 350 lb.-ft. of Torque
- 21 MPG

V8 Power + V6 Fuel Economy
Dual Exhaust with Chrome Tips
Electric Power-Assisted Steering
Paired with Intelligent AWD and 20-in. Aluminum Wheels
OPEN YOURSELF TO THE UNEXPECTED.

In here, you’ll forget you’re actually in at all. An available multipanel Vista Roof™ welcomes the sky for all 3 rows to enjoy. Over the front seats, a sliding moonroof breathes in the fresh air. The 2nd and 3rd rows each get their own overhead windows. With panoramic views like this, you’ll be seeing things in a whole new light.

Available Features:
- Refrigerated 2nd-Row Console
- 110-Volt Outlet
- Dual-Headrest DVD Entertainment System
- Heated 1st- and 2nd-Row Bucket Seats
INVITE THEM ALL IN.

See that 2nd-row lounging room? It’s enough to make a limo green with envy. The simple truth is that Flex offers your friends and family the most expansive 2nd-row space in the class.¹ The 2nd-row seats conveniently flip and fold to allow access to the 3rd row. For increased ease, an autofold release is included with the available 2nd-row bucket seats and on the 40 section of the standard 2nd-row 60/40 split bench seat. And Flex is just as well suited to carry your favorite things. The available new PowerFold® 3rd-row seat starts clearing the way at the push of a button.
GET THE STREETSIDE ADVANTAGE.

Quicker and more user friendly than a luxury brand's competitive system,1 our available Active Park Assist helps you conquer parallel parking in as little as 24 seconds. Just press a button and drive by potential spots. Ultrasonic sensors help you find a spot that's big enough, and the system lets you know when it’s ready to park. You remove your hands from the steering wheel and respond to system prompts by shifting gears and controlling vehicle speed with the brake and accelerator pedals. The system handles the hard part: automatically steering the vehicle into the spot.

1Based on head-to-head comparison of Ford Flex versus Lexus LS 460 L conducted by Ford Motor Company.
INDULGE YOUR PASSION FOR DETAILS.

Tailored leather trim. Crisp contrast stitching. Creatively perforated inserts. Olive ash woodgrain accents. Gleaming chrome and subtle satin-aluminum finishes. Flex Limited blends these exquisite elements with sweeping lines and pleasing textures to create a sensory experience like no other. Standard on Limited, the 10-way power, heated driver’s seat includes power-adjustable lumbar support. This seat and the power-adjustable pedals on Limited both include a convenient memory feature. Cruise and secondary audio controls grace its leather-wrapped steering wheel. New for 2011, HD Radio™ technology joins the voice-activated Navigation System and the 390-watt Audio System from Sony® as standard features on Limited. The 12-speaker Sony system’s Dolby® Automotive Entertainment Program technology helps Flex deliver surround sound so amazing you have to hear it to believe it.
SYNC. Say the word. Voice-activated Ford SYNC® is an award-winning, available system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist™. With the touch of a button and voice commands, SYNC with Traffic, Directions and Information services provides turn-by-turn directions, personalized traffic alerts and more!

SyncMyRide.com has the latest details.

The available Navigation System (shown) features a vibrant 8-in. LCD touch screen and colorful maps that you can zoom and scroll. Standard on Limited and Titanium, this system plays DVDs while Flex is in Park and provides nearly 10 gigs of photo and music storage space. It also includes an introductory 6-month subscription to SIRIUS Traffic™ and SIRIUS Travel Link™ which provides fuel prices, weather reports, movie listings, sports scores and more. All this, in addition to over 130 channels of SIRIUS® Satellite Radio.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Real-time traffic and turn-by-turn directions available in select markets. Standard text messaging and data rates apply. Some features unavailable while driving. Subscription required after introductory 6 months expire.
MOVE WITH CONFIDENCE.

It tango with the unpredictable without missing a step. In addition to standard front-wheel drive, Flex is also available with intelligent all-wheel drive (AWD), which is included on models equipped with the EcoBoost™ V6. This smart system distributes up to 100% of the available torque to the tire or tires with the most traction. On top of that, every Flex includes traction control to help prevent wheel slip during acceleration, as well as AdvanceTrac® with RSC® (Roll Stability Control™). It’s the only system that uses 2 gyroscopic sensors, monitoring both yaw and roll motions, to provide side-slip control and roll stability control. AdvanceTrac with RSC is always on and always working for you.

1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
EASE YOUR MIND.

6 Standard Airbags
Including 3-row side curtains

SPACE Architecture®
Side Protection And Cabin Enhancement

Positively habit-forming. The Ford MyKey® owner controls feature lets you program ignition keys to help encourage smart driving habits. Buckling up. Traveling at appropriate speeds. And much more.
**STANDARD FEATURES**

**Mechanical**

**Notes:**

1. Always wear your safety belt and secure children in the rear seat.
2. Figures achieved using premium unleaded gasoline.
3. Includes 5.0-cu.-ft. rear cargo storage well.

**New Vehicle Limited Warranty.** We want your Ford Flex ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP; the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

**Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Comparisons based on 2011 competitive models (Class is Large Crossovers), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. To learn more about Ford Custom Accessories and to shop online, visit fordaccessories.com.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Contact your local Ford Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details regarding the manufacturer’s limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.
