Credibility makes for appreciation. Case in point: Ford Focus. It’s been getting praise of the highest order right out of the chute. *Car and Driver* awarded Focus a 10Best badge 5 years in a row.* And for 4 years straight, Focus was recommended as a Best Buy by Consumer Guide® Automotive.** The accolades won’t stop anytime soon, especially with attention turning to this year’s eye-poppin’, newly available Street Appearance Package (shown here, fascia-to-fascia). Standout tuner looks – incorporated front and back – scream, “Playin’ loud!” No doubt, that thrill is tenfold when you’re the one behind the wheel.

Ford Focus offers you some of the most substantial, head-turning body styles in its class; not to mention the best selection. Sweeping arcs meld with crisp creases to form an air of refinement others lack. This fresh, European-influenced design — highlighted with muscular fenders — exudes a drive-me-with-gusto attitude. The crowning touch is a diamond-patterned grille flanked by crystalline headlamps. One Focus model in particular makes no bones about its thrill-a-minute intent: the performance-packed ZX4 ST Sedan. Under the hood is a 151-horsepower Duratec engine that takes its hi-revvin’ cues from a short-throw 5-speed on the floor. The ST’s racing-motivated suspension is deftly stiffened: its chrome-tipped exhaust is aggressively tuned; 16” aluminum wheels are precision-machined; a rear wing spoiler is decklid-mounted; and the leather-wrapped shifter and steering wheel are red-stitched. Anti-lock brakes further boost your handling bravado. In sum, it’s a blast.

CHECK OUT THESE DIGS
Clubbing, cruising or carpooling, you and 4 friends will be lookin’ real fine in the red-hot ZX4 ST. Charcoal cloth sport buckets are splashed with a mesmerizing red-and-black diamond pattern, mirroring the front-door accents. Or splurge for the charcoal leather-trimmed seating option that comes with Preferred Suede® inserts. The height-adjustable, leather-trimmed front seats are available heated too — a rarity for this class.
GOOD FOR 4 TRIPS AROUND THE WORLD *

In addition to the New-Vehicle Bumper-to-Bumper Limited Warranty, Focus comes with exclusive 100,000-mile/5-year Powertrain Coverage** – from the engine and transmission to the entire driveline. On top of it all, some key Duratec components require less maintenance to begin with: 150,000-mile air filter, 150,000-mile valve adjustment, and 100,000-mile platinum-tipped spark plugs (part of the 100,000-mile tune-up interval).†

RESPONSIBLE REVES

You don’t have to sacrifice power to reduce pollution. The aluminum-block Duratec engines for Focus were recently revamped to be more energetic, more efficient, more eco-responsible†† and even more ear-pleasing than ever. Every Duratec is equipped with chain-driven dual overhead cams (DOHC), 16 valves, 4 cylinders and sequential multi-port fuel injection. All helping to ensure Focus remains well above average in the EPA Green Vehicle Guide.

2.3L Duratec 23. Unleashes 151 hp and 154 lb.-ft. of torque, while issuing only 1/4 of the smog-inducing particles allowed for an Ultra Low Emissions Vehicle (ULEV). It’s mated to a short-throw 5-speed manual, and it’s exclusive to ZX4 ST.

2.0L Duratec 20. Delivers 136 hp and 136 lb.-ft. of torque. Standard on all models (except ZX4 ST) in states with federal emissions standards, it yields a mere 1/5 of the smog-forming emissions required of a ULEV.

2.0L Duratec 20E PZEV (Partial Zero Emissions Vehicle) § Produces 130 hp and 129 lb.-ft. of torque, maintaining zero fuel system evaporative discharge and meeting Super Ultra Low Emissions Vehicle requisites.

Since its 1999 World Rally Championship (WRC) debut on the snow-and-ice-patched alpine roads in Monte Carlo, Focus has been a mainstay of Ford Racing. The grueling, 11-month rally season pits Focus against the clock in more than a dozen countries, on 4 continents — where courageous drivers do battle for 3 days at a clip in many of the harshest environments on the planet. You name it, the Focus WRC has been there and done that: conqueror of blinding sandstorms, punishing gravel, freezing blasts, boiling temps and tons more stuff. Meaning every 2006 Focus production car has benefited from over half a decade of extreme real-world testing. On the SCCA (Sports Car Club of America) Pro Racing circuit, Focus is decked out in Air Force Reserve red, white and blue. Anything but reserved, this baby flies. Its intense driving dynamics are put to the test weekly, battling foes along straightaways and in the corners on tracks across the U.S. Let freedom zing.

*Just be sure to take ‘em all within your first 5 years of ownership. **100,000-mile/5-year Powertrain Extended Service Plan. Powertrain Limited Warranty in Florida. A deductible applies. See dealer for details. †Under normal driving conditions with regular fluid and filter changes. ††Based on 2004 vs. 2005 2.0L Duratec 20 DOHC engine emissions. §Standard on S/SE/SES models in CA, MA, ME, NY, and VT; available in AZ, CT, NH, NJ, NV, OR, PA and RI.
You can’t feel really good until you feel truly safe. That’s why the front-wheel-drive Focus comes with a heap of protection, in assorted forms. The Personal Safety System calculates various factors in a heartbeat to keep front-seat occupants out of harm’s way in certain frontal collisions. A sophisticated “safety cell” passenger surround that’s innate to each Focus is reinforced with ultra-high-strength steel crossmembers. And since crossing your fingers won’t stop you from being stranded, the battery saver shuts off interior lights after 20 minutes if you mistakenly leave any on, or by chance leave a door ajar.

The Personal Safety System helps protect both you and your front passenger. It combines 8 advanced technologies: dual-stage front airbags; a restraint control module; safety belt energy-management retractors and pretensioners; Front-Passenger Sensing System; and sensors for crash severity, safety belt usage and driver’s-seat position. The whole Personal Safety System does its thing in milliseconds — instantly applying protective measures.
LINEUP LOWDOWN

S (ZX3/ZX4/ZX5)

**Standard S content:**

- 2.0L I-4 Duratec 20 or 20E PZEV engine
- 5-speed manual transmission
- 15" steel wheels with 9-spoke wheel covers
- P195/60R15 all-season tires
- Front disc and rear drum brakes
- Black grille with chromed surround
- Black manual sideview mirrors
- Black exterior door handles
- Black rear decklid/liftgate molding
- AM/FM stereo/single-CD player with MP3 capability and with speed-sensitive volume control
- Intermittent windshield wipers
- Black instrument cluster surround with black-faced gauges
- Silver-metallic instrument panel center stack on ZX3 and ZX5; black on ZX4 (shown)

SE (ZX3/ZX4/ZX5/ZXW)

**All S content, plus:**

- 15" steel wheels with 6-spoke wheel covers
- Air conditioning
- Power Group including power windows, power locks, keyless entry with 2 key fobs, and power sideview mirrors
- Variable-intermittent windshield wipers
- Front center armrest with storage
- Black instrument panel center stack on ZX4 and ZXW; silver-metallic finish instrument panel center stack on ZX3 and ZX5 (shown)

SES (ZX3/ZX4/ZX5/ZXW)

**All SE content, plus:**

- 16" 5-spoke aluminum wheels and Pirelli P205/50R16 all-season tires on ZX3, ZX4 and ZX5
- 15" multi-spoke aluminum wheels on ZXW
- Body-color bodyside moldings
- Body-color rear decklid/liftgate molding
- Fog lamps with black surrounds
- Speed control
- Tilt/telescoping steering column with leather-wrapped steering wheel
- Overhead storage console with front map/reading lights, and storage bins for sunglasses and garage door opener
- Tachometer
- Black instrument cluster surround with grey-faced gauges
- Two-tone finish on ZX4 and ZXW (shown)

ST (ZX4)

**All ZX4 SES content, plus:**

- 2.3L L-4 Duratec 23 engine
- Unique 16" 5-spoke machined-aluminum wheels
- Performance tuned suspension
- 4-wheel power disc brakes
- Anti-lock Brake System (ABS)
- Satin-alloy grille with body-color surround
- Power, heated, body-color sideview mirrors
- Body-color door handles
- Ground effects on rear fascia
- Blacked-out lower rear fascia
- Fog lamps with silver surrounds
- Chrome-tipped exhaust
- Sport-tuned exhaust sound
- Sport front bucket seats
- Black leather-wrappe steering wheel and shifter knob with red contrast stitching
- Silver instrument cluster surround with black-faced gauges
- Dark grey/metal-mesh finish instrument panel center stack (shown)

*Standard on S/SE/SES models in CA, MA, ME, NY and VT; available in AZ, CT, NH, NJ, NV, OR, PA and RI.*
MECHANICAL
100,000-mile tune-up interval*
5-speed manual transmission
