Ranked Highest in its Class in Initial Quality.¹
35 mpg highway.²
And so much more.

The New Focus

35 mpg highway and Ford-exclusive technologies drive the new Ford Focus. Loaded with all the comfort, refinement and safety usually found in more expensive sedans, Focus is also the “Highest-Ranked Compact Car in Initial Quality”¹ in 2010 – according to J.D. Power and Associates. With 4 trim levels (S, SE, SEL and SES), there’s a fun-to-drive Focus that’s just right for you. So, save money from the showroom to the fuel station, and get more with Focus. More MPGs. More technology. More quality. More of what you’re looking for.

¹The 2010 Ford Focus received the lowest number of problems per 100 vehicles among compact cars in the proprietary J.D. Power and Associates 2010 Initial Quality Study. Study based on responses from 82,095 new-vehicle owners, measuring 236 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2010. Your experiences may vary. Visit jdpower.com.

²EPA-estimated 25 city/35 hwy/29 combined mpg with 5-speed manual transmission.
Grounded in fun and functionality, the 2011 Ford Focus is hard to beat. Up to **35 mpg hwy** helps stretch your paycheck. Euro-inspired suspensions provide exceptional handling finesse. There’s plenty of torque from its 140-hp 2.0L Duratec® I-4 engine. And loads of available extras like the Ford SYNC® voice-activated, in-vehicle connectivity system and mood-enhancing ambient lighting.

To pump up the visual volume, select the available Appearance Package on SE. You’ll add 15-in. unique-finish alloy wheels, a decklid spoiler and fog lamps. On the top-of-the-line Focus SES, sport fascias and 17-in. premium painted wheels, along with many other amenities, enhance each drive. Whichever Focus you choose, you’ll enjoy it mile after exhilarating mile.

**Tech-savvy. Total fun.**

Ford Focus is the only vehicle in its class\(^2\) to offer these advanced features:

- Available Ford SYNC Voice-Activated, In-Vehicle Connectivity System
- Standard MyKey® Owner Controls Feature
- Available 7-Color Ambient Lighting

\(^1\)EPA-estimated 25 city/35 hwy/29 combined mpg with 5-speed manual transmission. \(^2\)Class is Small Cars.
SYNC. Say the word. Voice-activated Ford SYNC® is an award-winning, available system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist. With the touch of a button and voice commands, SYNC with Traffic, Directions and Information services provides turn-by-turn directions, personalized traffic alerts and more. All at no monthly fee. SyncMyRide.com has the latest details.

With SIRIUS® Satellite Radio, standard on Focus SE and above, you’ll enjoy an introductory 6-month subscription to over 130 channels including 100% commercial-free music, plus the best in sports, news, talk and entertainment, 24/7, coast-to-coast. And new for 2011, you can add The Best of XM channels at no charge.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Traffic alerts and turn-by-turn directions available in select markets. Standard text messaging and data rates apply. ²For original owner, 3 years. ³Subscription required after introductory 6 months expire. ⁴Call 1-800-351-4517 for details.
With 7 different color choices, available ambient lighting casts a glow in the Focus cupholders and front and rear footwells. It’s just one of many unexpected amenities in an interior fine-tuned to reduce NVH (noise, vibration and harshness). Sound-deadening materials help quiet the cabin. An acoustic windshield and aerodynamic design help reduce wind noise. For added style and comfort, available heated, leather-trimmed front seats can’t be beat. Crystal clear, high-power digital sound is yours with an available Premium Sound System that pumps out 190 watts through 8 speakers and an 8-in. subwoofer. Get accustomed to the finer things in life.
With a long list of standard safety features, Ford Focus is well-equipped to help keep you safe. Start with standard **AdvanceTrac® electronic stability control** that includes a **4-wheel Anti-Lock Brake System (ABS)** to help prevent you from skidding off your intended course. Add a rock-solid structure to help protect all on board, and a full complement of **6 airbags** that includes 2 dual-stage front, 2 front-seat side and 2 side-curtain. The **Personal Safety System™** is standing by with its 8 advanced technologies. There’s also a **Tire Pressure Monitoring System**, and more. It all contributes to your peace of mind – another standard that’s hard to beat.

**Positively habit-forming.**
The Ford MyKey® owner controls feature lets you program ignition keys to help encourage smart driving habits. Buckling up. Traveling at appropriate speeds. And much more.

*Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.*
STANDARD FEATURES

Mechanical

2.0L Duratec® I-4 engine or 2.0L Duratec 20E PZEV

New Vehicle Limited Warranty. We want your Ford Focus ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Comparisons based on 2010/2011 competitive models (class is Small Cars), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.
