Ford 2017 FOCUS

FOCUS

PUT THE FUN BACK IN DRIVING.

It's all about the drive. Always has been. Always will be. For 2017, this fun, smart lineup provides a choice of personal driving styles to suit anyone's taste. The upscale Titanium with leather-trimmed seats, the Focus SEL fastened with 17" machined aluminum wheels, the sporty 252-hp¹ Focus ST with RECARO^{®2} race-inspired seats, and the Focus RS featuring a jaw-dropping best-in-class³ turbocharged 350-hp¹ EcoBoost[®] engine. Ford Focus. Go further.

2017 Ford Focus | ford.com

SEL Hatchback in Race Red, ST in Triple Yellow Tri-coat, RS in Nitrous Blue Metallic Quad-coat with available equipment. ¹Horsepower rating achieved with 93-octane fuel. ²Available feature. ³Class is High-Performance Small AWD Cars based on Ford segmentation.

EXPECT MORE. GET NOTICED.

At first glance, the 2017 Focus SEL exhibits the signature sleek style that has made Focus one of America's most fun-to-drive cars. Take a closer look and you'll notice its sporty 17" machined aluminum wheels with Black-painted pockets, integrated fog lamps, and wraparound headlamps with black bezel accents. Step inside and look up. A standard power moonroof offers an open-air driving experience. And with SYNC® 3, you'll never be more than a finger touch and a few words away from connecting to the world outside of your car.

2017 Ford Focus | ford.com

SEL in Kona Blue. *Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.

PURE DRIVING ENJOYMENT.

For an engaging everyday driving experience that yields fun and excitement, Ford Focus delivers. Offering dynamic driving characteristics like nimble handling, impressive ride comfort and spirited performance. Its European-inspired suspension is tuned for agility and precision. Torque Vectoring Control¹ is designed to help the vehicle gracefully negotiate curves. And power comes courtesy of one of 4 available powertrains ranging from an efficient 123-hp I-3 engine to the adrenaline-pumping 350-hp² EcoBoost[®] on the Focus RS. There's also the available PowerShift 6-speed automatic transmission³ that feels like a manual and is designed to combine fuel efficiency⁴ and performance.

2017 Ford Focus | ford.com

SE in Magnetic. ¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Horsepower rating achieved with 93-octane fuel. ³Available feature. ⁴EPA-estimated rating: 26 city/38 hwy/31 combined mpg, 2.0L Ti-VCT I-4 with PowerShift 6-speed automatic transmission. Actual mileage will vary. EPA-estimated rating: 26 city/36 hwy/29 combined mpg, 2.0L Ti-VCT I-4 with available PowerShift 6-speed automatic transmission with SelectShift[®] capability. Actual mileage will vary.

STYLE AND INGENUITY. It's not reserved just for design and performance. This same thinking continues once inside Focus Titanium, too. A standard leather-trimmed heated steering wheel, plus leather-trimmed, heated front seats, are perfect for those chilly early mornings. And a refined interior is sure to generate heat of its own. Other standard Titanium luxuries include an 8-way power driver's seat, a leather-wrapped shifter, plus dual-zone electronic automatic temperature control and remote start.

SiriusXM Radio

Listen to everything you love with SiriusXM^{®1,2} Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you'll hear it all with a 6-month trial subscription to the All Access package, included with your new Focus. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.

2017 Ford Focus | ford.com

Titanium leather-trimmed interior in Charcoal Black with available equipment. ¹Available feature. ²SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.

SYNC 3

In addition to all the voice-activated benefits of SYNC^{®1,2} – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.^{1,2} An 8" color LCD screen displays phone, audio and navigation² features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.² SYNC 3 also brings you the options of Apple CarPlay^{™3} and Android Auto.^{™4}

Voice-Activated Navigation System²

Includes a 5-year complimentary trial subscription to SiriusXM[®] Traffic and Travel Link[®] services.⁵ Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You'll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora[®] and iHeartRadio[®]), thanks to standard SYNC AppLink.⁶

Siri Seamless Integration

Bring the power of Siri[®] into Focus with Siri Eyes Free,⁷ your paired iPhone[®] and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.⁸ All you need is a Wi-Fi[®] connection.

2017 Ford Focus | ford.com

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ²Available feature. ³Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁴Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. ⁵SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial subscriptions not available in AK and HI. ⁶SYNC AppLink is available on select models and compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁷Requires SYNC 3. ⁸Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

ECOBOOST

A MATCH MADE IN MPG HEAVEN.

It's time you experienced the ingenuity of EcoBoost® technology. The lightweight, die-cast aluminum 1.0L EcoBoost engine¹ offers impressive engineering with direct injection, turbocharging and twin independent variable camshaft timing (Ti-VCT) to generate a broad, flat torque curve. Teamed with either a 6-speed manual or automatic SelectShift® transmission, this mighty lightweight delivers 123 horses of maximum driving fun. And provides you with an impressive combination of driveability and fuel efficiency (an EPA-estimated 40 hwy mpg with the manual transmission).²

2017 Ford Focus | ford.com

Focus SE with SE EcoBoost Appearance Package in Magnetic. ¹Available feature. ²EPA-estimated rating: 30 city/40 hwy/34 combined mpg, SE, 1.0L EcoBoost with Auto Start-Stop Technology and 6-speed manual transmission. Actual mileage will vary.

ST

STRAIGHTENS OUT CORNERS.

From the moment you step on its aluminum accelerator pedal, the 2017 Focus ST ups the intensity as its 252-hp¹ high-output 2.0L EcoBoost® engine revs and you shift through all 6 gears. To further heighten your ST experience, engineers channeled the lower-engine frequencies of its signature EcoBoost sound into the equally exhilarating cabin.

An “overboost” feature extends peak torque for up to 15 seconds at a time so you get to experience every ounce of its exhilarating performance a little longer.

Performance essentials include disc brakes with high-performance brake pads at all 4 wheels, all-season tires,¹ 18" machined aluminum wheels with Black-painted pockets and Red-painted brake calipers, a unique sport suspension, and a dramatic bright-tipped center-exit exhaust.

Aside from its performance and handling characteristics, unique appearance features help make ST stand out. One-of-a-kind ST grille with badging, body-color rocker moldings, fog lamps with black bezels, and RECARO® leather-trimmed seats¹ help round out its bad-boy appearance.

FOCUS ST

**252-HORSEPOWER
2.0-LITER ECOBOOST®**

252 hp @ 5,500 rpm²
270 lb.-ft. of torque @ 2,500 rpm²
6-speed manual transmission

RS

DOESN'T PLAY NICE WITH OTHERS.

There's a different kind of performance machine prowling the streets – and it's all business. The enthusiast-inspired 2017 Focus RS is a serious road warrior with advanced technology and breakthrough engineering that is the benchmark for driving excitement. It represents Ford at its passionate best – delivering innovation, exciting driving dynamics, and stunning performance on the road and the track.

Sporting a dramatic exterior design, Focus RS has a powerful front-end appearance with a bold upper trapezoidal grille above the deep front chin splitter, incorporating the largest possible apertures for engine cooling. Plus, large air-gulping functional gills in the fascia that channel air to help cool the brakes. Be inspired.

FOCUS RS

The 350-horsepower¹ all-aluminum 2.3L EcoBoost[®] engine in the Focus RS has been specially designed to propel it to a jaw-dropping 0-62 mph in 4.7 seconds with a top speed of 165 mph²

Pioneering the innovative Ford Performance All-Wheel Drive System with Dynamic Torque Vectoring,³ Focus RS delivers impressive cornering speed and unbridled driving enjoyment. And it is the first Ford RS equipped with Selectable Drive Modes, including an industry-first Drift Mode that allows controlled oversteer drifts – and launch control.

350-HORSEPOWER 2.3-LITER ECOBOOST

350 hp @ 6,000 rpm¹
350 lb.-ft. of torque @ 3,200 rpm¹
6-speed manual transmission

ASSISTS YOU IN SO MANY WAYS.

A helping hand while traveling makes everyday driving tasks a little easier. Smart driver-assist technologies¹ on the 2017 Focus use ultrasonic sensors and sophisticated radar to help you monitor blind spots, parallel park and so much more. Like active park assist,¹ which offers assistance when attempting to parallel park. This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

The Lane-Keeping System^{1,2} can detect lane markings and apply torque or send gentle vibrations to the steering wheel if it senses your vehicle drifting unintentionally out of its lane to prompt you to steer back toward center. Other driver-centric features include cross-traffic alert,¹ which warns you of oncoming vehicles approaching from behind when backing up, and a rear view camera to see what's directly behind you when shifted into reverse.

2017 Ford Focus | ford.com

Titanium Hatchback in Ruby Red Metallic Tinted Clearcoat with available equipment. ¹Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Lane-Keeping System does not control steering.

DRIVE WITH CONFIDENCE.

High-strength steel makes up over half of the 2017 Focus body structure with critical occupant safety zones, like SPACE (Side Protection And Cabin Enhancement) Architecture, and the Trinity front-crash structure helps divert crash forces away from occupants. Plus, 7 standard airbags include: driver and front-passenger front, driver's knee, front-seat side, and side curtains that deploy to cover both rows of the vehicle in certain side-impact collisions.

To avoid skidding and fishtailing in inclement weather, AdvanceTrac® electronic stability control¹ automatically helps keep all 4 wheels firmly planted. To help ensure your tires are properly inflated, the Tire Pressure Monitoring System (TPMS) alerts you when any tire's pressure is low, giving you time to get assistance if needed.

2017 Ford Focus | ford.com

SEL Sedan in Magnetic with available equipment. ¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

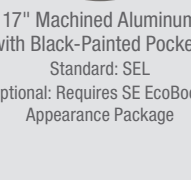

CARGO CONVENIENCE.

Whether you're hitting the beach, finding an antique treasure or going on a shopping spree, you'll appreciate the ease of loading and unloading items thanks to an available hatchback design and large cargo capacity.

When called upon, simply flip down both of the 60/40 split-fold rear seat backs and go from 23.3 cu. ft., to a spacious 43.9 cu. ft. of cargo-carrying capacity. And with a removable interior rear cargo cover, it can accommodate larger objects – or conceal items stored behind the rear seats.

60/40 split-fold seat backs offer exceptional convenience.

¹In lieu of a traditional spare tire, Focus RS comes equipped with a tire sealant and inflator kit which includes a portable air compressor and a can of tire sealant to inflate and seal small punctures for short periods of time. ²Restrictions may apply. See your dealer for details. ³Ford Licensed Accessory. ⁴Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires.

New Vehicle Limited Warranty. We want your Ford Focus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
