YOUR WAY

Take your pick of 5 trim levels, starting with the well-equipped Fusion S featuring the new Ford Co-Pilot360™ suite of standard driver-assist technologies designed to help you navigate your world confidently. At the top end of the lineup, there’s the luxurious Titanium and the 325-horsepower V6 Sport. You can also select from 3 powertrain styles – gasoline, hybrid and plug-in hybrid – each offering you impressive fuel efficiency. All of these qualities, plus a sleek new look, make the 2019 Fusion a smarter choice than ever.

GASOLINE ENGINES
HYBRIDS (Gas Engine+Electric Motor)
PLUG-IN HYBRID (Gas Engine+Electric Motor+Charge Port)
GEARED TOWARD YOUR PASSION FOR PERFORMANCE

2.5L i-VCT
This proven performer gets the Fusion gas engine lineup off to a strong start. Take control of its 6-speed automatic transmission via a rotary gear shift dial on your center console.

- 175 horsepower
- 175 lb.-ft. of torque

EPA-estimated ratings¹
FWD 21 city/31 hwy/25 combined mpg
Standard: Fusion S

1.5L ECOBOOST
Auto Start-Stop Technology can help reduce fuel consumption by shutting off the engine when the vehicle comes to a complete stop. When the brake pedal is released, the engine seamlessly restarts.

- 181 horsepower
- 185 lb.-ft. of torque

EPA-estimated ratings¹
FWD 23 city/34 hwy/27 combined mpg
Standard: Fusion SE, SEL, both with Auto Start-Stop Technology

2.0L ECOBOOST
With robust low-end torque and virtually no turbo lag, EcoBoost® engines mix turbocharging, direct injection, and twin independent variable cam timing (Ti-VCT) for a potent blend of horsepower and efficiency.

- 245 horsepower²
- 275 lb.-ft. of torque²

EPA-estimated ratings¹
FWD 21 city/31 hwy/25 combined mpg
Standard: Fusion Titanium with Auto Start-Stop Technology
Available: Fusion SE, Titanium

2.7L ECOBOOST V6
The most powerful car in its class,⁴ Fusion V6 Sport pairs this twin-turbocharged engine with all-wheel drive and a 6-speed SelectShift® automatic transmission. Engage its Sport mode and tap the steering wheel-mounted paddle shifters to make the most of all that power.

- 325 horsepower²
- 380 lb.-ft. of torque²

EPA-estimated ratings¹
AWD 17 city/26 hwy/20 combined mpg
Standard: Fusion V6 Sport

2019 Fusion | ford.com
Fusion Titanium. Rich Copper Metallic Tinted Clearcoat. Available equipment. ¹Actual mileage will vary. ²Horsepower and torque ratings achieved with 93-octane fuel. ³Available feature. ⁴Class is Midsize Sedans based on Ford segmentation.
Since it’s powered by a combination of gas and electricity, Fusion Hybrid will need to be refueled, just like a gas-engine model. The difference is, you may visit gas stations less frequently. That’s because, as you drive your Fusion Hybrid, the 2.0L Atkinson-cycle gas engine, electric motor and Regenerative Braking System are seamlessly interacting behind the scenes to help maximize fuel efficiency and recharge the battery. For instant feedback on how your driving style is affecting efficiency, just view the “Efficiency Leaves” screen on the SmartGauge® with EcoGuide instrument cluster. Drive more efficiently, and you’ll see more leaves grow.

EPA-estimated ratings:
FWD 43 city/41 hwy/42 combined mpg
588-mile total driving range
Standard: Fusion Hybrid SE, SEL, Titanium

A REFRESHINGLY SMOOTH TRANSITION TO MORE EFFICIENT DRIVING
Fusion Energi is a Plug-in Hybrid, which means you have the option to plug it in when you want to charge up the electric battery and help maximize the distance it can travel in electric-only mode. The 2019 Fusion Energi has an EPA-estimated all-electric driving range of 26 miles – that’s nearly 20 percent farther than last year’s model – and an EPA-estimated total driving range of 610 miles!

If you choose to plug in your Fusion Energi, you can do it at home, work, or even out shopping. It’s simple and convenient. At home, you can just insert the standard 120V convenience charge cord into an electrical outlet and into the vehicle’s charge port, which illuminates in sections as it charges. You can also use a Ford recommended AeroVironment™ 240V home charging station to recharge in about 2.5 hours.

The MyFord® Mobile app and website (myfordmobile.com) make it easy to monitor and schedule charging. They also offer a charging station locator powered by PlugShare®. As you drive, Fusion Energi functions very similarly to its Hybrid sibling. So even if you choose not to plug it in, you’ll still enjoy the benefits of Hybrid driving.

*EPA-estimated rating: 43 city/41 hwy/42 combined mpg, 14.0-gallon fuel tank, 26 miles electric. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. Actual mileage will vary. *Available feature. Charge times vary. See owner’s manual for details. To begin the process, call 1-888-219-6747 or visit evolutions.com/ford. Charging stations are available with or without full installation services by AeroVironment. *MyFord Mobile includes a complimentary subscription that activates with vehicle sale date, requires compatible 3G cellular network connectivity, and is subject to 3G network availability. Evolving technology/cellular networks may affect future functionality. Message and data rates may apply. Refer to www.myfordmobile.com for further details. *MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation.
Fusion is designed to deliver a smooth and seamless driving experience – road after winding road. To get moving, just turn the rotary gear shift dial and go. EcoBoost® models feature an “S” button on top that you can tap to engage Sport mode. It sharpens throttle response, allows for a more dynamic engine note inside the cabin, more aggressively programs the transmission shift points, and more.

**For poise through the turns**, Torque Vectoring Control increases vehicle stability by applying slight braking force to the inside wheel as needed, delivering more torque to the outside wheel to help Fusion stay firmly planted.
Standard: All models

**For smooth, responsive handling**, continuously controlled damping (CCD) adjusts – every 2 milliseconds – based on information provided by 12 different sensors that read the road and vehicle inputs. The system can even detect potholes, adjusting shock absorbers so impact severity is reduced.
Standard: V6 Sport

**To help maximize traction at all times**, Fusion offers fully automatic all-wheel drive (AWD). The system constantly monitors traction, transferring power between the front and rear wheels as needed, typically before wheelslip can even occur, to effortlessly improve your handling experience.
Standard: V6 Sport
Available: SE, Titanium
- Manual front seats with driver lumbar
- Rain-sensing windshield wipers
- SYNC® voice-activated technology
  Standard: S
- 10-way power driver’s seat
- Dual-zone electronic automatic temperature control
- SYNC 3 with 8” LCD capacitive touchscreen
  Standard: SE
- Heated front seats trimmed in new ActiveX™ material
- Intelligent Access with Remote Start System
- 11-speaker Premium Audio System
  Standard: SEL
- Heated and cooled, leather-trimmed front seats
- Heated, leather-wrapped steering wheel
- 12-speaker Audio System from Sony® with CD player
  Standard: Titanium
- Sport heated and cooled, leather-trimmed front seats with Miko® inserts
- Enhanced active park assist with parallel parking, park-out assist
  and reverse perpendicular parking
  Standard: V6 Sport
With spacious room for 5, plus a range of seat trim choices from perforated leather to the new ActiveX™ material, the stylishly comfortable interior of Fusion welcomes all. It also offers plenty of smart solutions for your smart devices. A large center console features tiered storage, including 2 small bins in the upper compartment. The standard media bin includes a smart-charging USB port and additional storage.

Audio enjoyment begins with proper sound management. Acoustic underbody shields and sound-absorption material help mitigate road noise inside Fusion. Within this hushed environment, you can enjoy the well-balanced output of the 12-speaker Audio System from Sony.

Standard: Titanium V6 Sport

Power up your devices, everything from mobile phones to tablets and more, with the 2 standard 12V powerpoints, plus 2 smart-charging USB ports when your Fusion is equipped with SYNC® 3 voice-activated technology.

Standard: SE, SEL, Titanium V6 Sport
Available: S

CRAFTED FOR YOUR COMFORT
**STAY CONNECTED**

**ON THE MOVE**

**IT ALL STARTS HERE**

This vibrant 8” touchscreen is the command center of SYNC® 3 voice-activated technology, which integrates your paired mobile phone with Ford Fusion as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

**LINK YOUR APPS**

SYNC 3 AppLink® links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app’s community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa® app.

**CONNECT TO FORDPASS CONVENIENCE**

FordPass™ Connect with 4G LTE Wi-Fi hotspot lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that’s only part of its convenience. Together with the FordPass smartphone app, FordPass Connect allows you to remotely start your car and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

**CONNECT YOUR IPHONE**

Apple CarPlay™ compatibility displays the iPhone interface on your vehicle’s touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music®. Just ask Siri® for help. She already knows your voice.

**CONNECT YOUR ANDROID PHONE**

Android Auto™ compatibility displays the Android™ interface on your vehicle’s touchscreen. Get voice-guided navigation from Google Maps™ and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

**MAP YOUR ROUTE**

Voice-activated navigation delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link helps you avoid traffic—before you’re in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

---

1 Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2 Available feature. 3 Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. 4 Certain Alexa functionality is dependent on smart phone and home technology. 5 Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 under “GASOLINE ENGINES” in Specifications section, and your Ford Dealer for details.

2019 Fusion | ford.com

FORD CO-Pilot360
Our world is increasingly distracted. A few seconds is all it takes... to lose focus. According to the National Highway Traffic Safety Administration (NHTSA), 94% of serious crashes are due to human error. To help you drive confidently so you can better enjoy your journey, the 2019 Fusion comes with Ford Co-Pilot360. This suite of 5 standard features can start helping the moment you begin backing out of your driveway.

Standard: SE, SEL, Titanium

Rear view camera\(^2\) shows you what's behind Fusion as you slowly back up by displaying a full-color image on the LCD screen\(^3\) in the center of your instrument panel.

BLIS\(^6\) ( Blind Spot Information System) with cross-traffic alert\(^2\) warns you if it detects a vehicle in either of your blind spots while attempting to change lanes, or approaching from either side while in Reverse.

Pre-Collision Assist with Automatic Emergency Braking\(^2,4\) can automatically apply the brakes to help reduce the severity of, and in some cases potentially eliminate, a frontal collision with a vehicle traveling in the same direction, or a pedestrian detected ahead.

Lane-Keeping System\(^2,5\) alerts you with steering wheel vibration if it detects you drifting out of your lane, and can even apply steering wheel torque to help direct you to return to your lane.

Auto high-beam headlamps\(^2\) can help detect vehicles and street lights ahead of you, automatically switching between low and high beams as a convenience to you, and a courtesy to other motorists.

FORD CO-Pilot360 Assist\(^\text{™}\)
When your Fusion is equipped with Ford Co-Pilot360 Assist,\(^6\) you'll benefit from these additional technologies:

Standard: SE, SEL, Titanium
Available: S, SE, SEL

Adaptive cruise control with stop-and-go can bring your vehicle to a complete stop when traffic slows, and can accelerate back to its preset speed within 3 seconds of stopping.\(^2\)

Voice-activated navigation with SiriusXM\(^\text{®}\) Traffic and Travel Link\(^\text{®}\) can alert you to traffic backups along your intended route and offer alternatives to help you stay on schedule by avoiding them altogether.

Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 under "GASOLINE ENGINES" in Specifications section, and your Ford Dealer for details.
There’s much to be desired in the well-equipped Fusion S. Remote keyless entry gets you in, push-button start gets you ready, and the elegant rotary gear shift dial gets you moving. During your travels, voice-activated SYNC® helps you stay connected. And the Ford Co-Pilot360™ suite of 5 driver-assist technologies comes standard. FordPass™ Connect with 4G LTE Wi-Fi hotspot, and the dual-zone electronic automatic temperature control enhance your experience inside Fusion SE. You’ll also enjoy a 10-way power driver’s seat and 6-way power front-passenger seat. Plus, you can explore over 150 channels of SiriusXM® using the vibrant 8” LCD touchscreen that’s included with SYNC 3 voice-activated technology.

The uniqueness of Fusion SEL is revealed upon approach. Bright door and window trim moldings, chrome inserts on the body-color door handles, and lower-grille chrome accents combine to help set it apart. With your Intelligent Access key fob near, just grab a door handle and you’re in. Sit down in heated front seats trimmed with new ActiveX™ material. Save the positions of the driver’s seat and heated sideview mirrors to either of 2 memory settings. Set the 11-speaker Premium Audio System to your liking, then take hold of your leather-wrapped steering wheel, and take off.
A 120V convenience charge cord is included with Fusion Energi Titanium. If you want to help maximize your electric-mode driving range and efficiency, you can charge up your battery overnight by using this cord to plug into a home electrical outlet.

If you’re seeking the ultimate in Fusion refinement, this is it. Outside, you’ll notice the distinctive new chrome mesh grille, crisp LED fog lamps and tail lamps, a rear spoiler, dual bright exhaust tips, and unique aluminum wheels. Inside, you’ll enjoy the comfort of a heated steering wheel, and leather-trimmed seating with perforated inserts, in addition to ambient lighting, a power moonroof, a 12-speaker Audio System from Sony® and more. Both front seats feature 10-way power adjustability, plus heated and cooled settings, inflatable rear outboard safety belts, and the Ford Co-Pilot360™ and Ford Co-Pilot360 Assist™ technologies are also standard on Fusion Titanium.
In every family, there's one who goes all out. Never takes it easy. That's Fusion V6 Sport.

Greeting the street with 325 horsepower and 380 lb.-ft. of torque, this Fusion is powered by a 2.7L EcoBoost V6 engine mated to a 6-speed automatic transmission with SelectShift capability and steering wheel-mounted paddle shifters. All-wheel drive (AWD) and continuously controlled damping (CCD) with pothole detection help it deliver a taut ride, precise cornering and remarkable road-holding finesse. In other words, pure exhilaration. V6 Sport also features the new Ford Co-Pilot360™ and Ford Co-Pilot360 Assist™ technologies, plus enhanced active park assist.

 Ebony Black leather-trimmed seats with Miko inserts, featuring heated and cooled settings up front, are joined by a power moonroof, aluminum sport pedal covers, and Sport logo floor mats inside Fusion V6 Sport. A high-gloss black mesh grille, deep air intakes, 19” premium Dark Tarnish-painted aluminum wheels, a rear spoiler, and a quad-tip dual exhaust give it aggressive good looks outside, too.

2019 Fusion | ford.com
New Vehicle Limited Warranty. We want your Ford Fusion ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage— all with no deductible. Fusion unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
