FORD GT

EPIC ORANGE ON HERITAGE BLUE

Heritage Livery Package – New for '06. Limited Production 1960's-era racing color scheme. Includes rondels with owner selected numerals.

FORD GT

KEY FEATURES

A. A mid-mounted, all-aluminum 5.4L DOHC supercharged V-8 engine that produces 550 horsepower. **B.** A six-speed Ricardo transaxle with twin-disc clutch and limited-slip differential. **C.** A race-inspired, double-wishbone front and rear suspension that contributes to Ford GT's exceptional handling and ride quality. **D.** A computer-modeled interior design that recalls the original Ford GT40. **E.** Massive 14-inch front and 13-inch rear disc brakes that feature four-piston aluminum calipers and cross-drilled and vented rotors to provide maximum braking performance. **F.** An aluminum space frame combined with Super Plastic Formed (SPF) aluminum body panels and extensive use of carbon fiber for strength and lighter weight.
