35 YEARS YOUNG ... AND STILL LEADING THE HERD!

1999 Mustang GT 35th Anniversary Limited Edition
The 1999 Mustang GT 35th Anniversary Limited Edition...

Commemorating 35 Years of Mustang Excitement!

When the original Mustang was introduced in April 1964, it spawned a whole new class of small, sporty cars that came to be called “pony cars” – after the galloping pony that adorned its grille.
By remaining true to this rich heritage of leadership and innovation, Mustang truly has become an American icon – still setting the standard for driving excitement in its highly competitive segment.

And today, the restyled ‘99 Mustang proudly displays that same galloping pony on its grille – in honor of that revered ancestor which took the automotive world by storm three-and-a-half decades ago.

To further commemorate this key milestone in Mustang history, we are proud to introduce the 1999 Mustang GT 35th Anniversary Limited Edition.
