Engineered for performance and safety

**PROBE GT’s 24-VALVE, 2.5-LITER V6** has exceptional power-efficiency; a high ratio of power (154 SAE net horsepower) to displacement (153 cubic inches). That’s more than one horsepower per cubic inch.

**COMPUTER-CONTROLLED, MULTI-PORT ELECTRONIC FUEL INJECTION** provides precise fuel metering for efficiency and smooth operation (see your Ford Dealer for 1997 EPA fuel economy estimates).

THE **PROBE GT RIDES ON 16” CAST ALUMINUM WHEELS.** Its low-profile, wide-stance P225/50VR16 performance radial tires deliver tight handling capability.
Both Probe engines feature four valves per cylinder, actuated by dual overhead camshafts. This arrangement promotes greater rapid-burn combustion and higher power output.

Air bags, designed to supplement the safety belts, are standard equipment for both the driver and front passenger. Always wear your safety belts.

The available remote keyless entry system lets you lock or unlock your car from a distance for added security.

Rear passengers are provided with full lap/shoulder belt protection.

Intrusion beam. As part of the overall safety design, Probe features side door intrusion beams.

ROADSIDE ASSISTANCE PROGRAM. Every new Ford includes the assurance of a 24-hour emergency Roadside Assistance Program provided during the 3-year/36,000-mile bumper-to-bumper warranty. Ask your dealer for complete details on this program which includes such services as fuel delivery, tire change, jump start, or even help when you're locked out of your car.

FORD CREDIT offers a wide variety of financing and leasing programs to qualified buyers which can be arranged right at the dealership. Ask your Ford Dealer for the facts on these programs.

OPTIONAL FORD EXTENDED SERVICE PLANS go beyond the basic 3-year/36,000-mile warranty. Ask your dealer for complete details on the optional plans and for a copy of the limited warranty.

USING YOUR FORD CITIBANK VISA® OR MASTERCARD® could earn you hundreds, even thousands of dollars from Ford toward the purchase or lease of a new Ford, Lincoln or Mercury product. To apply or get more information, call 1-800-374-7777. Or visit a Ford or Lincoln-Mercury Dealer, or a branch of Citibank.

DEALER-INSTALLED ACCESSORIES. Your Ford Dealer offers a variety of quality Ford-brand accessories that meet or exceed our strict specifications.

PRODUCT CHANGES AND OPTIONS AVAILABILITY. Following publication of the catalog, certain changes in standard equipment, options, prices and the like, or product delays, may have occurred which would not be included in these pages. Your Ford Dealer is your best source for up-to-date information.

Ford Division reserves the right to change product specifications at any time without incurring obligations.

Options shown or described are available at extra cost and may be offered only in combination with other options or subject to additional ordering requirements or limitations.
