2008 Ford Ranger Proven

DONE THAT. From desert racing to military service, small-business support to towing the hottest wakeboard boat, here’s the compact pickup that consistently gets the call. That’s because Ranger’s mix of capability, reliability, durability and tremendous value is exactly what people want. It’ll work hard all week hauling serious cargo and towing up to 6000 lbs.1 And on the weekend, Ranger is ready to play just as hard. Whether your idea of fun is 4x4 adventure or high-powered audio, a huge selection of body styles, trim levels and options lets you build the truck that fits your work style and your lifestyle. Every day, hundreds of thousands of Ford Rangers prove their worth and live up to the reputation of Built Ford Tough.® With these credentials, it’s easy to see why Ford Ranger is one of the most popular compact pickup trucks in America.

1Properly equipped.
**Tested Metal**

STEEL YOURSELF. On the job or on the go, Ranger gives you the rugged reliability to tackle task after task with confidence. That’s due in no small part to its Built Ford Tough® construction. From a bedrock-solid steel frame, to stout braking and suspension systems, Ranger is designed to deliver legendary Ford pickup capability and durability – mile after mile – year after year.

**Standard Safety Systems**

**PERSONAL SAFETY SYSTEM®** – This impressive array of sophisticated technology determines the severity of the crash, safety belt use, driver-seat position and right-front passenger size to control the deployment force of the airbags.

Always wear your safety belt.

**TIRE PRESSURE MONITORING SYSTEM** – Illuminates a warning light if pressure in any mounted tire is significantly low. Does not monitor spare tire pressure.
Hardworking Heroes

A CUP O' JOE, OR AN ESPRESSO? Ranger XL is a straight-up work truck, and it carries the capable, no-nonsense DNA at the heart of every Ford Truck. Its standard Personal Safety System and Tire Pressure Monitoring System instill confidence. Ranger XLT delivers all that goodness plus the buzz of extras like a chrome H-bar grille and air conditioning. As sure as you need your morning cup, when you start the workday with Ranger XL or Ranger XLT, you'll be going strong in no time.

Class-Exclusive 7' Cargo Box

Make your Ranger XL or XLT Regular Cab long on capacity (43.6 cu. ft.) with the only 7' box you can get on a compact pickup.
Skyward Vision

Escape’s available moonroof opens and closes at the push of a button and is paired with a mini-overhead console that includes a storage bin and map lights.

Rugged and Ready

UP FOR DOUBLE DUTY. From hauling workloads to towing your favorite “toys,” Ranger SPORT delivers the best of both worlds. It’s a fully capable Ranger with appearance cues that give SPORT its own “made-you-look” style. SPORT features a unique grille, body-color trim and its own gauge cluster. It also offers the widest range of standard and optional wheels of any Ranger — designed to perform with your choice of cab and driveline.

Includes XLT Standard Features, Plus:
- 3.0L OHV V6 (Regular Cab 4x4 and all 4x2s)
- 4.0L SOHC V6 (SuperCab 4x4)
- Body-color grille surround, sideview mirror caps, wheel-lip moldings & bumpers
- Unique horizontal-slat grille
- Standard chrome-clad steel or aluminum wheels depending on drivetrain & cab style
- Side step bars (SuperCab)
- Fog lamps
- Rugged black vinyl floor covering
- Air conditioning

Leather-Trimmmed Bucket Seats

These optional premium seats feature driver-side lumbar support as well as a center console with storage.

RANGER SPORT 4x2 SuperCab in Vista Blue Metallic with available equipment

Rugged and Ready

UP FOR DOUBLE DUTY. From hauling workloads to towing your favorite “toys,” Ranger SPORT delivers the best of both worlds. It’s a fully capable Ranger with appearance cues that give SPORT its own “made-you-look” style. SPORT features a unique grille, body-color trim and its own gauge cluster. It also offers the widest range of standard and optional wheels of any Ranger — designed to perform with your choice of cab and driveline.

Includes XLT Standard Features, Plus:
- 3.0L OHV V6 (Regular Cab 4x4 and all 4x2s)
- 4.0L SOHC V6 (SuperCab 4x4)
- Body-color grille surround, sideview mirror caps, wheel-lip moldings & bumpers
- Unique horizontal-slat grille
- Standard chrome-clad steel or aluminum wheels depending on drivetrain & cab style
- Side step bars (SuperCab)
- Fog lamps
- Rugged black vinyl floor covering
- Air conditioning

Auxiliary Audio Input

PREMIUM RANGER AUDIO SYSTEMS come equipped with an audio input jack to let you listen to your favorite tunes from your MP3 player or other compatible music source.

Select availability. See page 9 for details.

Turn It Up

PIioneer® 290-WATT SOUND SYSTEM OPTION — A sonic powerhouse featuring a 6-disc in-dash CD changer with MP3/SAT capability, AM/FM receiver/2-channel amp and audio input jack. A center console-mounted 6½” subwoofer, 5¼” polypropylene mid-range speakers with separate ¾” soft-dome tweeters, and 6" x 8" dual-cone full-range speakers deliver maximum fidelity.
Trail Boss

A 20% GRADE? PIECE OF CAKE. FX4 OFF-ROAD’s substantial capabilities are tested on grades up to 20%. Rugged equipment like 3 standard skid plates lets you take on the backcountry with confidence. Standard Electronic Shift-On-the-Fly (ESOF) puts FX4 OFF-ROAD in action with a single switch. And Ranger’s compact size is a big advantage on tight trails. Here’s an off-road favorite with a host of special features — and the guts to match its looks.

TORSEN® Differential

Upgrade from the standard FX4 OFF-ROAD limited-slip to the optional TORSEN unit for a full-time, torque-sensing, torque-biasing system. Continuous torque output delivers maximum power to the rear wheels, and the exclusive Torsen design instantly sends it to the wheel with the most grip.

 TORSEN is a registered trademark of Zexel Torsen, Inc.

Rancho® Shocks

These heavy-duty, gas-charged off-road specialty shocks are an FX4 OFF-ROAD exclusive. They’re ready to help keep you on track over the roughest terrain.

---

1. Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. NOTE: Ranger does not have an electric brake wiring provision. Certain states require electric trailer brakes over a specified trailer weight. In those states, the Ranger maximum loaded trailer weight is limited to the state regulation. Check your state’s trailer weight regulations.
2. Ranger SPORT only.
3. Requires 7’ box.

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

New Vehicle Limited Warranty
We want your Ford Ranger ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage and Roadside Assistance, 5-year/60,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage—on select components, including the engine and transmission—beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at fordaaccessoriesstore.com to use the Accessorizer, and to learn about complete accessory details and purchase instructions.
