Proven Workhorses with a Legendary Bloodline.

The 2014 Ford F-Series Super Duty® comes in your choice of 3 models (F-250, F-350 and F-450), each available in XL, XLT, LARIAT, KING RANCH® and PLATINUM trim. With the most equipment configurations of any truck in its class, there’s one just right for you and your work. Plus, you can rest assured your new Super Duty is built on a solid foundation, one engineered to last. It’s an indisputable fact: There are more F-Series trucks on the road with 250,000+ miles than any other brand.¹

POWER STROKE—
THE DIESEL LEADER ON 3 FRONTS.

Best-in-class fuel economy! Best-in-class 400 horsepower. And best-in-class 800 lb.-ft. of standard torque. The 6.7L Power Stroke® V8 Turbo Diesel engine² delivers 3 times over. Designed, engineered and built by Ford, the 6.7L features many innovative details that contribute to its durability. Precision dual water jackets that help minimize weight while maximizing the cooling of its aluminum cylinder heads are just one example. Equipped with this thoroughly modern diesel, the 2014 Super Duty® offers best-in-class diesel fuel economy. This B20-capable engine is the most tested Power Stroke diesel ever, having proven itself in over 10 million miles of cumulative testing and real-world use under extreme conditions. From 120°F scorching heat to -40°F bone-chilling cold. The class-leading 6.7L Power Stroke is Built Ford Tough.⁶

GAS LEADS ITS CLASS TOO.

With 385 horsepower and 405 lb.-ft. of torque! This state-of-the-art 6.2L 2-valve V8 is also designed, engineered, built and torture-tested by Ford. So you can rest assured it’s ready for work. As the standard engine on F-250/F-350, the 6.2L offers you several fuel choices. It’s E85 capable and can be equipped with the CNG/LPG Gaseous Engine Prep Package, which readies your truck to be upfit to run on compressed natural gas (CNG), on liquefied petroleum gas (LPG), or as a bi-fuel vehicle with the ability to seamlessly switch between CNG or LPG and gasoline. Ford trucks upfit to a bi-fuel system include a tank for each type of fuel, offering drivers flexibility and extended range. For ordering details, see your Ford Dealer. Purchasing a Super Duty® upfit for CNG or LPG may even help you qualify for state incentives related to alternative-fuel use, infrastructure or vehicles. Visit www.afdc.energy.gov/afdc/laws for details.
YOUR POWER. YOUR CHOICE.

Diesel or gas. Either way, your Super Duty® comes with a rugged TorqShift® 6-speed SelectShift® automatic transmission designed, engineered and built by the Ford powertrain team. Low-speed lockup capability (down to 900 rpm) on its torque converter enables the engine to run efficiently at lower rpm. Its high-strength sinter-metal carrier, with patented Ford rocker one-way clutch, easily handles the extreme low-end torque of the diesel engine, as well as the high speeds of the gas engine. Plus, its high-capacity, high-efficiency fluid filter extends your fluid- and filter-change intervals up to 150,000 miles. Gear up for the long haul with Super Duty.

6.7L POWER STROKE® V8 TURBO DIESEL

Maximum power — quickly. The diesel’s class-exclusive single-sequential turbocharger features a compactly designed, dual-sided compressor wheel that helps efficiently generate the best horsepower and standard diesel torque in the class.

Upfits powered any time. Whether the truck is in motion or at a complete stop, our class-exclusive live-drive power take-off (PTO) provision lets you power upfits any time the diesel engine is running. It keeps the job going with an output gear linked directly to the engine crankshaft.

6.2L 2-VALVE V8 GAS

Serious low-rpm torque. The gas engine’s stiff SOHC valvetrain with roller-rocker shafts enables an intake- and exhaust-port layout that optimizes airflow for lots of torque when you need it most.

Balanced performance. Dual-equal variable cam timing phases the intake- and exhaust-valve opening and closing events simultaneously to optimize fuel economy, low-end torque and peak horsepower. Plus, using 2 spark plugs per cylinder helps the fuel-air mixture burn efficiently, contributing to fuel economy and engine torque.

Super Duty® fully supports your work ethic by offering all the right tools to ease loading, accessing and managing the heaviest payloads in the class. With our class-exclusive tailgate step (shown), you just open the tailgate, drop down the skid-resistant step, grab the flip-up bar and walk right up into the bed. Plus, you’ll haul the heaviest loads with confidence thanks to our AdvanceTrac® with class-exclusive RSC™ (Roll Stability Control™), which utilizes 2 gyroscopic sensors to help keep all 4 wheels firmly planted. It automatically helps avoid skidding and fishtailing, and is particularly beneficial in inclement weather. Work smarter with Super Duty.

1Available feature. 2SRW models only. Engine-only traction control on DRW models. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 3When properly equipped, F-350 DRW Regular Cab 4x2.
THRIVES UNDER PRESSURE.

Super Duty® easily tows up to 24,700 lbs.¹ with its 5th-wheel capability. And it offers best-in-class maximum conventional towing capability.² Plus, it’s the only truck in the class with trailer sway control standard on both SRW and DRW models. The system, which monitors the motions of your truck to detect trailer sway, can help you maintain control of both the truck and the trailer by selectively braking as needed.² When you're negotiating an incline in Drive or in Reverse, standard hill start assist helps you out by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck uphill. On diesel models, integrated engine-exhaust braking helps improve grade descent control with less wear and tear on the brakes and transmission. Like all of the best leaders, Super Duty handles tough jobs with the utmost confidence.

HITS THE GROUND TOWING.

Thanks to our 5th-Wheel/Gooseneck Trailer Tow Prep Package and Ford Custom Accessories 5th-Wheel and Gooseneck Hitch Kits by Reese – all factory installed. With Super Duty, you also get the strength of an under-the-bed-frame crossmember and the utility of a flat cargo bed floor. PowerScope trailer tow mirrors and an in-bed 7-pin connector are class exclusives. The LCD productivity screen offers a pre-towing checklist and recalls settings for different trailers. There’s even a factory-installed, integrated trailer brake controller to balance the performance of the truck’s brakes and electric trailer brakes. Plus, the rear view camera displays its full-color image in your rearview mirror or on the 8” MyFord Touch screen. Ready, set, tow.

1 5th-Wheel Hitch available with 8’ box only. See your Ford Dealer for details. 2 Available feature. 3 Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.
PERSONALIZES YOUR CONTROL.

Voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your smartphone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: Shipping” or “Play playlist: Country.” SYNC with MyFord Touch® adds an 8” color LCD touch screen and closable dash-top storage with a media hub and more inside. You can use voice commands, touch the 8” screen, or use the knobs and buttons below it to operate MyFord Touch. SiriusXM Satellite Radio® includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, plus sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System® which includes SiriusXM Traffic and Travel Link as part of the trial, and you’ll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. It’s all just a touch away.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. *Available feature.
CELEBRATES YOUR SUCCESS.

Especially when you choose the top-of-the-line Super Duty® PLATINUM. Express your style with its premium leather-trimmed seating in your choice of Pecan or Charcoal Black, both featuring a tuxedo stripe design and exclusive “PLATINUM” embroidery. Maintain your climate-control independence with its dual-zone electronic automatic temperature control. And rely on its convenient memory feature to recall your personalized settings in an instant, including the position of the power trailer tow mirrors, the 10-way power driver’s seat, and the power-adjustable brake and accelerator pedals. Whichever trim you select, the 2014 Super Duty clearly conveys your hardworking ethics and your drive to succeed.
SUPPORTS YOUR PRODUCTIVITY.

Dual USB ports recharge your devices while they’re connected to the SYNC® with MyFord Touch® media hub. The industrial-grade Tough Bed® factory-installed, spray-in bedliner¹ helps shield your investment. Lockable under-seat storage in the center of the 40/20/40 split front seat¹ offers a discreet place to stow small items. The flow-through center console¹ includes a 110-volt power outlet and two 12-volt powerpoints. The stowable bed extender¹, made of rugged fiberglass-reinforced polypropylene, lets you haul more with the tailgate down or secure smaller loads with it up. And the 60/40 split flip-up/fold-down rear bench seat includes lockable under-seat partitioned storage¹ on certain Crew Cab models. From electronics to cargo and beyond – Super Duty® streamlines your workday.

**CONQUERS THE TOUGHEST TERRAIN.**

Thanks in part to its durable coil-spring front suspension, part of the heavy-duty independent Twin-I-Beam setup on 4x2s and rugged twin-coil monobeam setup on 4x4s. XL and XLT 4x4s feature a solid front axle and manual locking hubs for excellent articulation and reliability. LARIAT, KING RANCH® and PLATINUM 4x4s include electronic shift-on-the-fly operation, allowing you to change drive settings with the turn of a dial on the instrument panel. Our electronic-locking rear differential uses a true mechanical dog-clutch mechanism to lock the rear axle shafts together so they turn at the same speed, which helps maximize your gripping power. Go further in a Super Duty® 4x4.

**Off-road confidence,** Hill Descent Control helps maintain the truck’s speed on steep declines, so you can concentrate on maneuvering. This class-exclusive feature is included in the FX4 Off-Road Package, along with transfer case and fuel tank skid plates, Rancho® shocks and box-side decals.

**Real-time feedback,** Our class-exclusive off-road display monitors the truck’s pitch angle, bank angle and wheel direction to help you negotiate challenging situations in 4x4 LOW. It’s included with the LCD productivity screen on SRW 4x4 models.

New Vehicle Limited Warranty. We want your Ford F-Series Super Duty® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. The Ford 6.7L Power Stroke® diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.  

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.  

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.  

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.  

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2013/2014 competitive models (class is Full-Size Pickups over 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles throughout this PDF are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account.
