RATED  
AMERICA'S  
**SAFEST**<sup>1</sup>  
FULL-SIZE  
FAMILY CAR

Taurus Limited in Dark Ink Blue Metallic with optional equipment

<sup>1</sup>Based on both NHTSA 5-Star crash test ratings and with optional electronic stability control, IIHS "Top Safety Pick." Star ratings are part of U.S. Dept. of Transportation's Safercar.gov program ([www.safercar.gov](http://www.safercar.gov)). <sup>2</sup>Standard 5-passenger Large Car class. <sup>3</sup>2006 Global Quality Research System (at 3 months in service). <sup>4</sup>WardsAuto.com January 2007.

Ford Taurus has built a reputation for being the best. When it was originally introduced, Taurus forever changed the way cars look, feel and drive. Today's Taurus is better than ever: more distinctive and more confident. The bold chrome grille catches the eye, while the award-winning 263-hp V6 stirs the soul. Safe, spacious, smart and so versatile, Taurus is America's best new car for families on the go.

[fordvehicles.com](http://fordvehicles.com)

# Attractive.

America's family car

Taurus doesn't go unnoticed. The signature tri-bar chrome grille is a focal point, boldly bridging the sculpted hood and shapely front fascia. Fog lamps are surrounded by chrome, a striking chrome side vent dresses up each front fender, and wraparound halogen headlamps have a jewel-like look.

Taurus Limited in Merlot Metallic with optional equipment

Detailed taillamps bookend the strong horizontal design theme in back, and dual chrome exhaust tips stand out. Taurus Limited adds to the sophistication with a chrome license-plate brow. Limited models also feature chrome-accented door handles and mirror caps, plus 18" bright-aluminum wheels; chrome-clad wheels are optional for a more pronounced shine. Ford Taurus reflects exceptionally well on you and yours.

- A** **6 STANDARD AIRBAGS** including: 2 dual-stage front airbags; 2 front-seat side airbags; and 2 side-curtain airbags, which run front to back and are part of the Safety Canopy® System that also features a class-exclusive rollover sensor.
- B** **ULTRA-RIGID CHASSIS** is not only the nucleus of the solid, 5-Star-rated structure, it was crash-modeled on a Cray® supercomputer to pinpoint energy-absorbing properties, minimize passenger compartment intrusion and maintain structural integrity. Cray is a registered trademark of Cray, Inc.
- C** **SPACE (Side Protection And Cabin Enhancement) ARCHITECTURE™** is a class exclusive comprised of advanced structural elements, now with pressure crash sensors in the doors for faster airbag deployment.

- D** **TRIPOD DESIGN** in the front structure channels crash forces upward and downward – away from passengers – into a high-strength steel “ring of protection.”
- E** **LASER-WELDED SIDE PILLARS** help redirect crash forces underneath the seats. To help manage energy in side collisions, laser-welded steel sheets of varying thicknesses are stamped right into the structure.
- F** **PERSONAL SAFETY SYSTEM®** (with Front-Passenger Sensing System) enhances collision protection for the driver and front passenger through a network of sensors controlling deployment of the dual-stage front airbags.

**Safest.**  
America's family car

Taurus provides unmatched, class-leading protection. Its crash safety rates the full 5 Stars from the National Highway Traffic Safety Administration (NHTSA). Equipped with optional electronic stability control, Taurus also is an Insurance Institute for Highway Safety (IIHS) “Top Safety Pick.”

**ADDITIONAL SAFETY AND SECURITY FEATURES STANDARD ON EVERY**

**TAURUS:** Class-exclusive keyless-entry keypad unlocks at a touch

- Auto-dimming rearview mirror cuts glare
- Tire Pressure Monitoring System alerts for underinflation
- ABS and Traction Control work at all speeds

**FOR TAURUS LIMITED, THESE TOO ARE STANDARD:** Anti-theft perimeter

- alarm helps protect valuables
- Heated sideview mirrors come with memory settings
- Headlamps are automatic on/off and wiper-activated for enhanced visibility
- Security approach lamps (in exterior mirrors) light up via the key fob, door handle or keypad

**5 Stars in the 4 crash categories:**

**Driver frontal crash rating**

**Passenger frontal crash rating**

**Front-seat side crash rating**

**Rear-seat side crash rating**

**5**  
Safety &  
Security

**RATED AMERICA'S  
SAFEST<sup>1</sup>  
FULL-SIZE CAR**

It's the only vehicle in its class to achieve top crash test results across the board from NHTSA and earn the highest ratings in all 3 IIHS categories. Rigorous IIHS criteria include a 40-mph frontal offset crash test assessing structural design, a side-impact crash test simulating what it's like to be struck by an SUV or pickup, and a rear crash-protection test focusing on whiplash prevention. Taurus = Family Insurance Plan.

<sup>1</sup>Based on both NHTSA 5-Star crash test ratings and with optional electronic stability control, IIHS "Top Safety Pick." Star ratings are part of U.S. Dept. of Transportation's Safercar.gov program ([www.safercar.gov](http://www.safercar.gov)).

[fordvehicles.com](http://fordvehicles.com)

# Commanding.

America's family car

Take hold of the leather-wrapped wheel of Taurus and take charge. An experience enhanced by class-exclusive Command Seating, which sits you comfortably upright and tall, provides SUV-like panoramic visibility, and allows for effortless entry and exit.

CLASS-  
EXCLUSIVE  
**COMMAND**  
SEATING™

Taurus Limited with optional equipment

Bright accents abound, from the door handles and instrument panel gauges to the console controls and shifter. The look is rich, with a feeling of confidence: Steering wheel-mounted audio buttons and available power-adjustable pedals extend your command. Take that family trip in style – and in certainty – from San Diego to Savannah with the optional voice-activated, DVD-based Navigation System as co-pilot.

# Roomiest.

America's family car

Welcome to the most sizable family-friendly interior in the class: a full 129.2 cu. ft. to be exact. Within this wealth of room, guests can bask in class-best rear passenger volume. Up front, a genuine wood-accented steering wheel and shift knob are available to play up Taurus luxury.

**BEST-IN-CLASS  
INTERIOR  
SPACE & SEAT  
COMFORT**

Emphasizing proper thigh, back and head support for short or long hauls, the ergonomically designed seats rank #1 in the class for comfort. A big thanks goes to the available plush, perforated-leather trim – finely adorned with color-contrasted stitching. And Taurus Limited ups the ante, treating you to an 8-way power driver seat and a 4-way power passenger seat; front seats can be heated in either of 2 settings. Definitely desirable.

ADJUSTABLE REAR AIR VENTS are furnished for backseat travelers – who also have the advantage of being able to slide their feet under the front seat for added comfort.

DUAL-ZONE ELECTRONIC AUTOMATIC TEMPERATURE CONTROL is standard on Taurus Limited, allowing you and your front passenger to choose precise climate settings independently. Climate control functions are whisper-like, making for a TRULY QUIET INTERIOR. Hydraulic engine mounts, aerodynamic sideview mirrors, a specially tuned suspension, and advanced, patented sound-deadening materials guarantee the Articulation Index – measuring the clarity of conversing inside of Taurus – is nothing less than superb.

Taurus Limited in Camel perforated-leather trim with optional equipment

# Handiest.

America's family car

No other car can handle it all like Taurus, which is always happy to lend a helping hand. While family savors the comfort of the cabin, keep cargo in the trunk – by far the biggest of any 4-door in North America. Measuring a whopping 21.2 cu. ft., it packs a load with room to spare.

A PLACE FOR  
**EVERYONE**  
AND EVERYTHING

Lower either or both sections of the 60/40 split-folding rear seat, and then drop the fold-flat front-passenger seat. You've just equipped yourself with the weather-protected ability to haul objects almost 10' in length. Stow smaller-scale items within each door's built-in storage pocket or the locking glove compartment. Taurus versatility extends to the 8 beverage holders, three 12-volt power points, and a nifty foldaway rear armrest.

ITEMS NEARLY 10' LONG are a cinch to transport with the handy fold-flat front-passenger seat and split-folding rear seat.

On all models, the IN-DASH STORAGE space conveniently pops open for essentials. TWO-TIERED STORAGE is integrated within the center console on Taurus Limited. Open the armrest cover to access the upper tier; lift the cover and upper tier to get to the oversized lower bin. The INTEGRATED KEY eliminates a separate fob.

“...its comfort index is high, its interior noise

“FOR THAT  
YOU GET A ...  
**WHOPPING**  
21.2 CUBIC FEET  
IN THE TRUNK ...”

— [MOTORTREND.COM](http://MOTORTREND.COM)

levels low, and so is its pricing...”

Accolades

Taurus SEL in Light Ice Blue Metallic with optional equipment

## ALL-WHEEL DEFENSE

ALL-WHEEL DRIVE (AWD) is optional on all models for enhanced safety, increased control and superior performance. Taurus AWD utilizes an on-demand electronic center coupler to deliver the ideal amount of torque to all 4 wheels independently. So wheel slippage is anticipated – and virtually eliminated – before it can occur.

ADVANCETRAC® ELECTRONIC STABILITY CONTROL manages engine torque and applies braking to help keep Taurus tracking safely on the intended path. Studies show this option can be a true lifesaver.

**28 MPG**  
HIGHWAY

**263 HP**

AND CRISP THROTTLE RESPONSE TO MATCH:  
“I’VE NEVER SEEN A TACH NEEDLE  
JUMP FROM 1500 RPM TO 5000 RPM  
QUITE LIKE THIS.”

— SENIOR EDITOR TOM MURPHY  
WARDSAUTO.COM

**10** WARD'S  
Best  
Engines

AWARD WINNER in the 13th annual *Ward's 10 Best Engines*<sup>1</sup> competition: “Along with inspired mid-range snap, the Duratec 35 3.5L DOHC V6 fronts what we believe to be class-leading refinement.” And it posts some impressive EPA-estimated fuel economy figures: 18 MPG CITY/28 HWY for front-wheel drive; 17 MPG CITY/24 HWY for All-Wheel Drive. Just as noteworthy is the astounding 528-MILE RANGE<sup>2</sup> you can achieve on a full tank of gas.

<sup>1</sup>WardsAuto.com January 2007. <sup>2</sup>20.5-gallon tank, 28 mpg hwy.

**Confident.**  
America's family car

On-demand acceleration gives you the strength to make things happen. Ford's most powerful V6 ever is one of the cleanest-running, which marks another first in Ford history: The V6 achieves PZEV (Partial Zero Emissions Vehicle) in certain states,<sup>3</sup> so it's as eco-responsible as a hybrid vehicle.

<sup>3</sup>CA, MA, ME, NY and VT.

15  
Performance

[fordvehicles.com](http://fordvehicles.com)

Taurus Limited in Dark Ink Blue Metallic with optional equipment

The die-cast, aluminum-block engine produces a robust 263 horsepower and 249 lb.-ft. of torque; employs intake variable cam timing (iVCT) for optimal horsepower per liter; attains peak performance on regular unleaded gasoline; and is teamed with a new, class-exclusive standard 6-speed automatic. It delivers impressive fuel economy and ultra-smooth precision shifts. V6 acceleration never felt so good.

# SYNC

Powered by **Microsoft**

**LINK YOUR BLUETOOTH-ENABLED MOBILE PHONE.** When you enter Ford Taurus with a compatible and paired Bluetooth-enabled mobile phone, SYNC automatically recognizes its presence. Then you just press a button and use simple voice commands to make calls, take calls and more – with both hands on the wheel.

**LINK YOUR DIGITAL MEDIA PLAYER.** Just connect your player to SYNC's USB port, press the  button on the steering wheel and start talking. SYNC even charges most players for you.

## EXCLUSIVE NEW FORD SYNC™

### BLUETOOTH® VOICE-ACTIVATED, HANDS-FREE PHONE CALLING

**MULTILINGUAL INTELLIGENCE** – Communicate with SYNC in English, French or Spanish.

**UNINTERRUPTED CONNECTIONS** – In the middle of a call on the way to or from your vehicle? Keep on talking. Once paired with your Bluetooth-enabled phone, SYNC automatically transfers calls as you enter and exit.

**RING-TONE SUPPORT**<sup>1</sup> – Have specific ring tones assigned to your friends and family? SYNC can play them to help you identify incoming calls.

**SUPPORT FOR UP TO 12 BLUETOOTH-ENABLED PHONES** – The system can be paired with as many as 12 different phones at once, so your entire family can get in SYNC.

**INSTANT VOICE RECOGNITION**

**AUTOMATIC PHONE BOOK TRANSFER**<sup>1</sup>

### VOICE-ACTIVATED, HANDS-FREE DIGITAL MEDIA PLAYING

**SUPPORT FOR POPULAR PLAYERS AND FORMATS** – SYNC works with most popular digital media players, as well as USB drives.

**SIMPLE VOICE COMMANDS** – Access your music library by speaking commands like “Play All,” “Similar Music” or simply “Play Artist” plus the name of an artist.

**USB DEVICE CHARGING** – SYNC automatically charges most devices while your vehicle is running.

**BLUETOOTH STREAMING AUDIO**<sup>1</sup> – SYNC can play music files saved to your Bluetooth-enabled mobile phone as well.

**PODCAST AND AUDIO BOOK SUPPORT**

<sup>1</sup>Requires a Bluetooth-enabled phone with this capability.

Microsoft is a registered trademark of Microsoft Corporation.  
The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

America's family car  
**Now in SYNC.**

Introducing the new standard for in-vehicle communications. Ford SYNC, developed in association with Microsoft®, is a voice-activated, customizable media system that integrates Taurus with most Bluetooth-enabled mobile phones and portable digital media players.

17  
Ford SYNC

Go to [SyncMyRide.com](http://SyncMyRide.com) for details

With Microsoft Auto software actually embedded in your Ford Taurus, SYNC allows you to operate your Bluetooth-enabled mobile phone and your media player using simple voice commands. SYNC is so well-designed, it's received an "Editor's Choice" award from *Popular Mechanics* magazine. *Jalopnik.com* concurs: "... definitely the most robust system we've yet seen... for in-auto infotainment."

Driving while distracted can result in a loss of vehicle control. Only use mobile phones (even with voice commands) and other devices not essential to driving when it is safe to do so.

# Engaging.

America's family car

Take the show – and those games – on the road. The next-generation DVD Family Entertainment System is the perfect option. Its flip-down, full-color LCD screen is sized a generous 8". Two infrared wireless headphone sets and an infrared remote control are also included.

Another plus for the DVD Family Entertainment System: Its dual-play function lets those in back remain transfixed with on-screen action, while you and your front seatmate listen to the radio, a CD, or all those portable MP3 tunes – courtesy of the built-in auxiliary audio input jack that's wired directly to the acoustically optimized sound system and standard on every Taurus. It's good to have connections.

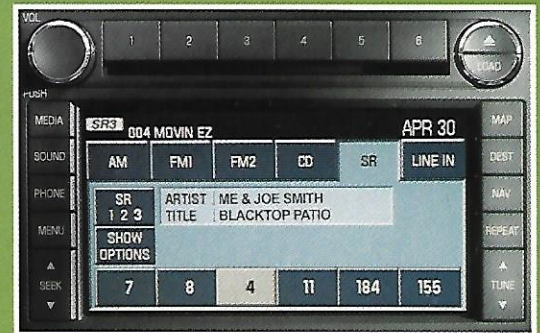

19  
Sensory  
Surround

## PLAY UP THE PLEASURE

VOICE-ACTIVATED DVD-BASED NAVIGATION SYSTEM eliminates travel guesswork. The generous 6.5" color LCD monitor clearly displays maps and menus, pinpointing where you are and providing turn-by-turn Route Guidance. More than 20 different functions – many of which can simply be voice prompted – are accessible on this option.

SIRIUS SATELLITE RADIO<sup>1</sup> offers more than 130 channels of crystal-clear, digital-quality sound. This factory-installed option is your passport to an amazing range of music (all of it 100% commercial-free), sports, news, talk and entertainment. SIRIUS coast-to-coast coverage is seamless in the contiguous U.S., and as a subscriber, you'll also receive free online access to all music channels. To top it off, a complimentary 6-month subscription to SIRIUS is included in the option price.

<sup>1</sup>Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

AUDIOPHILE<sup>®</sup> SOUND SYSTEM is standard on Taurus Limited for your listening pleasure – with 8 speakers, a 2-channel 90-watt amplifier, subwoofers, speed-compensated volume, and a 6-disc in-dash CD player that's MP3-capable.

**New Vehicle Limited Warranty**

We want your Ford Taurus ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: The 5-year/60,000-mile powertrain limited warranty is fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage – on select components, including the engine and transmission – beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at [fordcredit.com](http://fordcredit.com).

Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at [fordvip.com](http://fordvip.com) for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan (ESP)** gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Genuine Ford Accessories are designed and engineered specifically for Ford vehicles. Visit our website at [fordaccessoriesstore.com](http://fordaccessoriesstore.com) to use the Accessorizer, and to learn about complete accessory details and purchase instructions.

## The Right Ford for You

For a great value, look to Ford. The all-new Taurus and Taurus X are America's ideal family vehicles – loaded with the latest in 5-Star crash safety<sup>1</sup> and full-size necessities. The breakthrough Fusion is the essence of midsize quality, taking handling finesse to an available All-Wheel-Drive degree. The fun-loving Focus is new inside and out, running with compact efficiency<sup>2</sup> and eco-responsibility. Mustang is pure muscle, making it America's best-selling sports car *and* top-selling convertible.

Visit [fordvehicles.com](http://fordvehicles.com) to find your perfect match.
