Drive one.

09 TAURUS
For all your crosstown errands or cross-country cruises, call on Taurus. Its 263-hp 3.5L Duratec V6 is managed with the refined efficiency of a smooth-shifting 6-speed automatic. Fill up the fuel tank and you can go your own way for up to 515 miles.\(^2\) Intake variable cam timing (iVCT) optimizes response. And All-Wheel Drive (AWD) is optional for superior control: Wheel slippage is anticipated before it occurs. Be it in AWD or FWD form, Taurus sports a MacPherson-strut front suspension and multilink rear suspension — each fortified with a stabilizer bar, gas-pressurized shock absorbers and helical coil-over-shock springs — that work in tandem to hug corners and smooth rough spots. Stop commuting, start driving.

\(^{1}\)2009 EPA-estimated hwy. fuel economy with FWD. \(^{2}\)FWD models.
Taurus protects — it rates the maximum 5 Stars across the board in all frontal and side crash tests conducted by the government’s National Highway Traffic Safety Administration (NHTSA). It’s also earned “Top Safety Pick” status from the Insurance Institute for Highway Safety (IIHS), which even performs a rear crash-protection test to determine whiplash prevention. To help keep you from straying off the intended path, AdvanceTrac® electronic stability control\(^2\) is always on guard. So are 6 airbags. Something new this year: Should an airbag deploy or a safety belt pretensioner activate, the SOS Post-Crash Alert System\(^3\) automatically sounds the horn and flashes the hazards. When you hit the road, there’s no better, or safer, place to be than in Taurus.

\(^1\)Based on both NHTSA 5-Star crash test ratings and 2008 IIHS “Top Safety Pick.” Star ratings are part of the U.S. Department of Transportation’s Safercar.gov program (www.safercar.gov). \(^2\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. \(^3\)SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.
A THEATER-STYLE SEAT LAYOUT TOO

Class-exclusive Command Seating™ ensures a confident driving experience — an elevated view and effortless entry. You’re perfectly positioned in the lap of luxury. There’s ample room for 5 adults, and everyone can stretch out in supremely hushed surroundings. Limited models up the ante: The supple, leather-appointed interior is all the more engaging with memory settings for the power-adjustable driver seat, pedals and sideview mirrors. Savor the innovative Ford SYNC® communications and entertainment system.² For all you audiophiles, the Premium Sound System on Limited delivers a concert-hall experience. On top of that, the accompanying SIRIUS® Satellite Radio³ features more than 130 channels and 100% commercial-free music. A pure delight.

Travel in Style and Certainty

Leather trim, contrast stitching, bright accents and an attractive Koa wood grain appearance add to the richness that’s Taurus Limited. Enhance it all, and empower yourself, with the voice-activated Navigation System. It’s an exclusive-to-Limited option with a 6.5” touch screen that clearly displays maps and menus, pinpointing where you are and providing turn-by-turn, spoken Route Guidance. More than 20 different functions — many of which can simply be voice prompted — are readily accessible. Eliminate the guesswork.
A. Class-exclusive Ford Sync® is the award-winning standard for communications and entertainment. This voice-activated, customizable media system integrates your Taurus with most Bluetooth®-enabled mobile phones and portable digital media players. It’s standard on Limited and optional on SEL. Visit SyncMyRide.com for the latest information about exciting new features. You talk. SYNC listens.™

B. Adjustable rear vents are furnished for guests in back.

C. Driver and front-passenger seats are available with 2 heat settings.

D. With the power moonroof option, bring the outside in — anytime, day or night. Open it up all the way, just a little, or simply tilt it for a breath of fresh air. A manual, sliding privacy shade is built in.

E. Perfect for transporting people and parcels: The fold-flat, power-adjustable front-passenger seat can be lowered in conjunction with the fold-flat, 60/40 split-folding rear seat for maximum carrying capacity — handily fit items nearly 10’ in length from back of trunk to front of dashboard.

F. New this year, the optional rear-window sunshade from Ford Licensed Accessories can be manually raised and lowered. It clips in place, keeps the interior cooler and doesn’t interfere with the driver’s view.

G. The cavernous trunk on Taurus measures a full 21.2 cu. ft., ensuring it’s the biggest one — by far — of any 4-door car in North America.

Visit fordaccessories.com to use the Accessorizer, learn complete accessory details and view purchase instructions.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Contact your local Ford Dealer for details and a copy of the limited warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. Contact your Ford Dealer for details regarding the manufacturer's limited warranty and/or a copy of the FLA product limited warranty offered by the accessory manufacturer.
Drive quality.
Taurus ranks at the top of the large car class in the 2008 SmartChoice Lowest Maintenance Costs awards presented by IntelliChoice.com.

Drive green.
Taurus achieves up to 28 mpg highway.1 And its Chicago Manufacturing Campus includes an entire 6.5 acres of restored wetlands.

Drive safe.
Taurus is rated America’s safest2 full-size car, achieving 5-Star status in every NHTSA crash test and ranking as an IIHS “Top Safety Pick.”

Drive smart.
Standard: SPACE (Side Protection And Cabin Enhancement) Architecture.3
Optional: Voice-activated navigation and Ford SYNC.3

1 2009 EPA-estimated hwy. fuel economy with FWD. 2Based on both NHTSA 5-Star crash test ratings and 2008 IIHS “Top Safety Pick.” Star ratings are part of the U.S. Department of Transportation’s Safercar.gov program (www.safercar.gov). 3Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

New Vehicle Limited Warranty. We want your Ford Taurus ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the car, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.
