Awe-inspiring power AND class-leading highway mpg.¹

¹EPA-estimated rating: 22 city/32 hwy/26 combined mpg. 2.0L EcoBoost® I-4, FWD. Actual mileage will vary. Class is Full-Size Sedans, Non-Hybrid vs. 2013/2014 competitors.
Power player.

There’s power in a name. Especially this one: Super High Output. 365 horsepower\(^1\) erupts from its 3.5L EcoBoost\(^\circ\). V6 engine, where twin turbochargers and direct-injection supply instant straight-line acceleration. Together with all-wheel drive and vented disc brakes all around, Taurus SHO delivers true enthusiast performance. Plus an EPA-estimated rating of 25 mpg hwy.\(^2\)

The SHO Performance Package adds unique shocks and springs, performance friction brake pads, a 3.16:1 final drive ratio, and 20” machined and premium painted aluminum wheels. “It is one mean track machine,” says Motor Trend. A true “off” mode for the AdvanceTrac\(^\circ\) electronic stability control even lets you do a little fine tuning of your own. No one else has to know.

\(^1\)Figures achieved using 93-octane premium fuel. \(^2\)EPA-estimated rating: 17 city/25 hwy/20 combined mpg. 3.5L EcoBoost V6, AWD. Actual mileage will vary. \(^3\)Based on Ford testing.
Efficiency expert.

When equipped with the 2.0L EcoBoost® I-4 engine, Taurus has a best-in-class EPA-estimated rating of 32 mpg hwy. This turbocharged, direct-injection powerplant delivers ample torque for off-the-line acceleration, while a 6-speed SelectShift® automatic transmission helps provide outstanding highway fuel economy (travel an EPA-estimated range of 445 miles without having to fill up). The 3.5L Ti-VCT V6 engine features twin independent variable camshaft timing, allowing for a robust 288 horsepower while contributing to efficiency.
Take your seat in Taurus and prepare to be pampered. You’ll find space to stretch out. Plus, amenities that help you relax. Even revive. Leather-trimmed 10-way power front seats, when equipped with Active Motion, can massage your lower back, upper leg area and change the contour of your seat – helping you stay alert on long trips. Add the comfort of heated and cooled front seats and you may not want to leave. In the rear, passengers can enjoy heated outboard seats as well. With luxury sedan fit and finish, as well as the latest technological advancements, Taurus will bring tranquility to your day – whether you’re gripping the heated steering wheel or gazing up through the power moonroof.

Available feature.
Personal assistant.

Speak your mind. Then marvel as voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth® streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your smartphone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: Broker” or “Play playlist: Jazz.”

SYNC AppLink™ lets you control Pandora®, iHeartAuto™, MLB.com At Bat® and select other apps by voice too. Taking command of your drive is easy in Taurus. SYNC. Say the word.

Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. 2SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch®. Commands may vary by phone and AppLink software.
Information specialist.

Everything at your fingertip. Press “accept” on the 8” color LCD touch screen of SYNC® with MyFord Touch® to answer a call from your paired phone. With HD Radio™ Technology, simply touch the shopping cart icon while a new favorite is playing and purchase it later with iTunes® tagging. SiriusXM Satellite Radio includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, plus sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System, which includes SiriusXM Traffic and Travel Link as part of the trial, and you’ll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. It’s all just a touch away.

Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. *Available feature.
Dynamic driver.

With AdvanceTrac® electronic stability control¹ and traction control, Taurus brings an uncompromising level of confidence to each drive. To help Taurus stay firmly planted, Torque Vectoring Control allows more torque to reach the road by applying slight braking force to the inside front wheel for confident acceleration through a corner. Curve Control enhances grip through sharp turns, helping to slow the vehicle by as much as 10 mph in about a second if it senses you're taking a curve too quickly.¹ All are standard.

¹Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Trusted advisor.

With its advanced technologies, Taurus can help you parallel park, avoid collisions and more. Active park assist\(^1\) finds a spot, then steers the vehicle into place as you shift gears and control the brake and accelerator pedals. A new Lane-Keeping System\(^1\) is designed to alert you if it detects your Taurus drifting toward a lane marker. If you continue to drift, Taurus shudders the steering wheel, alerting you to steer back toward center. BLIS® (Blind Spot Information System) with cross-traffic alert\(^1\) uses lights embedded in the sideview mirrors\(^2\) to warn of traffic detected in blind spots as you’re driving forward or traffic nearing either side of the vehicle as you’re slowly backing up. Adaptive cruise control and collision warning with brake support\(^1\) helps alleviate concerns about traffic by maintaining a preset gap from the vehicle in front of you and warning you if a potential front-end collision is detected. Wherever you drive, you can be confident that Taurus is your ally on the road.

---

\(^1\)Available feature. \(^2\)BLIS replaces standard integrated blind spot mirrors. Lane- Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver’s judgment.
Honored protector.

Should the unthinkable happen, Ford Taurus is engineered to help protect. In certain collisions, enhanced airbags with tethering and venting adjust their deployment force to occupant size, position and safety belt status. When an airbag deploys, Ford SYNC® with 911 Assist™ can place a call to a 911 operator, even if you can’t, while the SOS Post-Crash Alert System™ assists rescue workers in locating the vehicle. A masterful combination of high-strength and ultra-high-strength boron steel forms an intricate safety cage around the passenger compartment, while AdvanceTrac® electronic stability control helps keep things stable, particularly in inclement weather. No wonder Taurus has earned a “Top Safety Pick” from the Insurance Institute for Highway Safety (IIHS) – 6 years in a row (2008–2013).³

1Available feature. The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.²SOS hardware may become damaged and the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.³Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴2014 models not yet tested.
Taurus Specifications

Standard Features

**Mechanical**
- 4-wheel disc Anti-Lock Brake System (ABS)
- Battery Management System
- Brake- and engine-actuated traction control
- Electric power-assisted steering (EPAS)
- Suspension – Front: independent MacPherson strut
- Suspension – Rear: independent multilink
- Torque Vectoring Control

**Seating**
- 4-way adjustable front head restraints
- Front bucket seats
- 60/40 split-fold rear seat back with fold-down center armrest

**Interior**
- 12-volt powerpoints (3)
- Accessory delay for power features
- Adjustable rear vents
- Driver and front-passenger seat back map pockets
- Front center floor console with armrest and storage
- Interior light kit
- Power door locks
- Rear-seat reading lights
- Sliding sun visors with illuminated vanity mirrors
- Steering wheel-mounted cruise, audio and 5-way MyFord® controls (2)
- Tilt/telescoping steering column

**Exterior**
- Easy Fuel® capless fuel filler
- Light-emitting diode (LED) taillamps
- Power sideview mirrors with integrated blind spot mirrors
- Rear-window defroster
- Solar-tinted glass

**Safety & Security**
- Personal Safety System™ for driver and front passenger includes dual-stage front airbags, 3-point safety belts for all seating positions
- AdvanceTrac® electronic stability control and Curve Control
- Battery saver
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Emergency trunk release
- Front-seat side airbags
- Illuminated Entry System
- LATCH (Lower Anchors and Tether Anchors for Children)
- MyKey®
- Safety Canopy® System with side-curtain airbags and rollover sensor
- SecuriCode™ invisible keypad
- SecuriLock™ Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Additional charge.

1 Additional charge.
New Vehicle Limited Warranty. We want your Ford Taurus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. ■ Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. ■ Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. ■ Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. ■ Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. ■ Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
