Powered with advanced technology.

Click to see how Taurus puts you in the driver’s seat.

SHO. Ruby Red Tinted Clearcoat Metallic. Available equipment.
Lead by example.

**Class-best** highway fuel efficiency is yours when you equip Taurus with the 2.0L EcoBoost® I-4 engine.

This turbocharged, direct-injection powerplant supplies immediate straight-line acceleration, and is teamed with a 6-speed SelectShift® automatic transmission for outstanding highway fuel economy (travel an EPA-estimated range of 494 miles without having to fill up). The 3.5L Ti-VCT V6 engine features twin independent variable camshaft timing, allowing for a robust 288 horsepower while also contributing to efficiency.

1Available feature. 2EPA-estimated rating: 22 city/32 hwy/26 combined mpg. Actual mileage will vary. Class is Full-Size Sedans, Non-Hybrid. 3EPA-estimated rating: 22 city/22 hwy/26 combined mpg, 19-gallon fuel tank, 2.0L EcoBoost I-4. Range calculation based on www.fueleconomy.gov. Actual mileage will vary.
Embrace curves.

Taurus does. Our engineers tuned the suspension calibration of each model to deliver an engaging driving experience.

Stay poised through the corners, even when accelerating, with standard Torque Vectoring Control. The system applies slight braking force to the inside front wheel as needed to help more torque reach the road and keep the vehicle firmly planted.

Keep on track through sharp turns with standard Curve Control! When it senses you’re taking a curve too quickly, the system can slow the vehicle by as much as 10 mph in about a second to help maintain control. All-wheel drive (AWD) balances torque between the front and rear wheels to enhance handling and maximize traction. Also equipped with AdvanceTrac® electronic stability control and vented front rotors (all rotors are vented for SHO), the 2015 Taurus is engineered for maximum agility.

Limited Tuxedo Black. Available equipment.

*Driver-assist features are supplemental and do not replace the driver’s judgment. **Available feature.
Take an interior tour

With space to stretch out. Plus amenities that help you relax. Even revive.

**Massage your lower back** and upper leg area, and change your seat contour with the leather-trimmed, power front seats equipped with Active Motion. Heated and cooled power front seats, power-adjustable pedals and power sideview mirrors, all with memory and standard on Limited and SHO, make life even more comfortable.

**Rest your hand on soft-touch surfaces** in this meticulously assembled interior of premium materials, finely stitched seats and eye-catching accents.

**Bring tranquility to your day** with a grip of its heated steering wheel or from a gentle breeze through the power moonroof. To experience this – and more – on every drive, reserve some quality time in a 2015 Ford Taurus.

1Available feature.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones.

SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
Stay informed.

It’s easy with colorful graphics. Fast touch-screen response. And simple controls. SYNC® with MyFord Touch® gives you voice and touch control of your phone, entertainment, navigation and climate.

**Answer a call** from your paired phone by pressing “accept” on the 8” color LCD touch screen. With HD Radio™ Technology, simply touch the shopping cart icon while a new favorite is playing and purchase it later with iTunes® tagging.

**SiriusXM®** lets you enjoy commercial-free music, plus sports, news, entertainment and every premium channel with your 6-month All Access trial subscription. The voice-activated Navigation System® also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services. These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

---

1 Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2 Available feature. 3 Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Command respect.

There’s power in a name. Like the 365 hp\(^1\) in SHO (Super High Output).

**Instant straight-line acceleration** erupts from the twin turbos and direct-injection of its 3.5L EcoBoost\(^\text{TM}\) V6. Together with standard AWD and vented discs, Taurus SHO excels at true enthusiast performance. Plus an EPA-estimated rating of 25 hwy mpg.\(^2\)

“*It feels nearly nuclear,*” says MSN Autos. The SHO Performance Package adds additional heat: unique shocks and springs, a 3.16:1 final drive ratio, performance friction brake pads, and performance summer tires.\(^3\) A true “off” mode for the AdvanceTrac\(^\text{®}\) electronic stability control even lets you do your own fine tuning. No one else has to know.

\(^1\)Using 93-octane fuel. \(^2\)EPA-estimated rating: 17 city/25 hwy/20 combined mpg, 3.5L EcoBoost V6, AWD. Actual mileage will vary. \(^3\)Ford does not recommend using summer tires when temperatures drop to approximately 40°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. \(^4\)Based on Ford testing.
Keep innovating.

Advanced technology powers Taurus. Using ultrasonic sensors and radar, driver-assist technologies\(^1\) can help you parallel park, avoid collisions and more.

**Make parallel parking easier** with active park assist.\(^1\)
This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

**Maintain your lane** with help from our Lane-Keeping System.\(^1,2\) It can detect lane markings with a forward-facing camera and send vibration pulses to the steering wheel. If needed, it can apply steering torque to prompt you to steer back toward center.

**Stay alert to traffic detected in blind spots** as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS\(^3\) (Blind Spot Information System) with cross-traffic alert.\(^1\) It helps warn you using lights embedded in the sideview mirrors.\(^3\)

**Get a heads-up** from adaptive cruise control and collision warning with brake support.\(^1\) This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to help.

---

\(^1\)Available feature. Driver-assist features are supplemental and do not replace the driver’s judgment.

\(^2\)Lane-Keeping System does not control steering. BLIS replaces standard integrated blind spot mirrors.
Protect your own.

Should the unthinkable happen, the 2015 Ford Taurus is engineered to help protect.

An intricate safety cage around the passenger compartment is formed from a masterful mix of high-strength and ultra-high-strength boron steel. In certain collisions, enhanced driver and front-passenger airbags adjust their deployment force to occupant size, position and safety belt status.

Help keep all 4 wheels firmly planted, particularly in inclement weather, with standard AdvanceTrac® electronic stability control. To help you see farther at night, auto high beams activate when no automotive headlamps or taillamps are detected in front.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Available feature. 

**SHO. Ruby Red Tinted Clearcoat Metallic. Available equipment.**

1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Available feature.  
2The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.

Dimensions may vary by trim level.

Standard Features

Mechanical
- 4-wheel disc Anti-Lock Brake System (ABS)
- Battery Management System
- Brake- and engine-actuated traction control
- Electric power-assisted steering (EPAS)
- Suspension – Front: independent MacPherson strut
- Suspension – Rear: independent multilink
- Torque Vectoring Control

Seating
- 4-way adjustable front head restraints
- Front bucket seats
- 60/40 split-fold rear seat back with fold-down center armrest

Interior
- 12-volt powerpoints (3)
- Accessory delay for power features
- Adjustable rear vents
- Cruise control
- Driver and front-passenger seat back map pockets

Exterior
- Easy Fuel® capless fuel filler
- Light-emitting diode (LED) taillamps
- Power sideview mirrors with integrated blind spot mirrors
- Rear-window defroster
- Solar-tinted glass

Safety & Security
- Personal Safety System™ for driver and front passenger includes dual-stage front airbags, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- 3-point safety belts for all seating positions
- AdvanceTrac® electronic stability control and Curve Control
- Battery saver
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Emergency trunk release
- Front-seat side airbags
- Illuminated Entry System
- LATCH (Lower Anchors and Tether Anchors for Children)
- MyKey®
- Safety Canopy® System with side-curtain airbags and rollover sensor
- SecuriCode™ Invisible Keypad
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Go Further
ford.com

New Vehicle Limited Warranty. We want your Ford Taurus ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Full-Size Sedans, Non-Hybrid), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations.
