America's ideal family crossover: the all-new Ford Taurus X.
Taurus X is an innovative, purpose-built crossover vehicle with 3 rows of flexibility, allowing for dozens of seating configurations to accommodate passengers, personal belongings or any combination of both. It goes about its business confidently: A bold chrome grille catches the eye, while an award-winning 263-hp V6 stirs the soul. The versatile Taurus X is spacious, smart and America's safest crossover for active families on the go.
Attractive.
America's family crossover

The Taurus X Eddie Bauer edition doesn't go unnoticed. Pueblo Gold lower cladding is unique to this class-exclusive model that's also outfitted with 18" bright-aluminum wheels and two-tone, leather-trimmed bucket seats.
The signature tri-bar chrome grille on every Taurus X is a focal point, boldly bridging the sculpted hood and shapely front fascia. Fog lamps are outlined in chrome, and wraparound halogen headlamps have a jewel-like look. Detailed taillamps bookend the horizontal design in back – including a chrome band along the rear fascia. Dual chrome exhaust tips and a pair of Sparkle Silver roof rails are standout. Taurus X reflects well on you and yours.
6 STANDARD AIRBAGS including: 2 dual-stage front airbags; 2 front-seat side airbags; and 2 side-curtain airbags, which run front to back and are part of the Safety Canopy® System that also features a rollover sensor.

ULTRA-RIGID CHASSIS is not only the nucleus of the solid, 5-Star-rated structure, it was crash-modeled on a Cray® supercomputer to pinpoint energy-absorbing properties, minimize passenger compartment intrusion and maintain structural integrity. Cray is a registered trademark of Cray Inc.

SPACE (Side Protection And Cabin Enhancement) ARCHITECTURE™ is a class exclusive comprised of advanced structural elements, now with pressure crash sensors in the doors for faster airbag deployment.

TRIPOD DESIGN in the front structure channels crash forces upward and downward away from passengers into a high-strength steel "ring of protection."

LASER-WELDED SIDE PILLARS help redirect crash forces underneath the seats. To help manage energy in side collisions, laser-welded steel sheets of varying thicknesses are stamped right into the structure.

PERSONAL SAFETY SYSTEM® (with Front-Passenger Sensing System) enhances collision protection for the driver and front passenger through a network of sensors controlling deployment of the dual-stage front airbags.

Safest America’s family crossover

RATED AMERICA'S SAFEST 7-PASSENGER Crossover

5 Stars in the 4 crash categories:

- Driver frontal crash rating ★★★★★
- Passenger frontal crash rating ★★★★★
- Front-seat side crash rating ★★★★★
- Rear-seat side crash rating ★★★★★

NHTSA
www.nhtsa.gov

ADDITIONAL SAFETY AND SECURITY FEATURES STANDARD ON EVERY TAURUS X: AdvanceTrac® Electronic Stability Control keeps you on course • 4-wheel disc Anti-lock Brake System (ABS) features Electronic Brakeforce Distribution for sure stopping • Anti-theft perimeter alarm helps deter vandalism • Class-exclusive keyless-entry keypad unlocks doors at a touch • Heated sidemirror mirrors clear quickly • Security approach lamps (in exterior mirrors) light up via the key fob, door handle or keypad • Auto-dimming rearview mirror automatically cuts glare • Tire Pressure Monitoring System signals alerts for underinflation • Traction Control is all-speed

Taurus X is equipped with LATCH (lower anchors and tether anchors for child safety seats) in the 2nd and 3rd rows. When the top tether anchor and lower anchor combo is used, safety belts aren’t necessary to install the car seat.

It's the only vehicle in its class to achieve top crash test results across the board from NHTSA and earn the highest ratings in all 3 IIHS categories. Rigorous IIHS criteria include a 40-mph frontal offset crash test assessing structural design, a side-impact crash test simulating what it's like to be struck by an SUV or pickup, and a rear crash-protection test focusing on whiplash prevention. Taurus X = Family Insurance Plan.

*Based on both NHTSA 5-Star crash test ratings and IIHS “Top Safety Pick.” Star ratings are part of U.S. Dept. of Transportation's Safecar.gov program (www.safecar.gov).
Commanding.
America's family crossover

Take hold of the leather-wrapped wheel of Taurus X and take charge. An experience enhanced by class-exclusive Command Seating, which sits you comfortably upright and tall, allows for effortless entry and exit, and provides SUV-like confidence down the road.
Bright accents abound, from the door handles and instrument panel gauges to the console controls and shifter. The look is rich, with a feeling of assurance: Steering wheel-mounted audio buttons and available power-adjustable pedals extend your command. Take that family trip in style — and in certainty — from San Diego to Savannah with the optional voice-activated, DVD-based Navigation System as co-pilot.
Comfortable.
America's family crossover

Within its wealth of room, the Eddie Bauer edition surrounds you with the luxury of two-tone leather trim, contrasted stitching, an 8-way power driver seat and automatic climate control. Limited models include heated front seats, 2nd-row heated seats are available.

BEST-IN-CLASS 3RD-ROW PASSENGER ROOM is designed to fit 6'2" adults. Reading lights, adjustable head restraints, cupholders, storage bins and a power point are a few more 3rd-row rewards. 2ND-ROW VENTILATION is adjustable, and cupholders slide in/out.
Taurus X ranks with the best of them for interior quietness. It’s due in good part to the hydraulic engine mounts, aerodynamic sideview mirrors, specially tuned suspension, whisper-like climate controls, and precise application of advanced, patented sound-deadening materials in the doors, headliner and pillars. The Articulation Index — measuring the clarity of conversation inside Taurus X — is exceptional. Family-friendly for sure.

**A PLACE FOR EVERYTHING, EVERYTHING IN ITS PLACE**

**IN-DASH STORAGE** space (at left) conveniently pops open for essentials on all models. CENTER CONSOLE TWO-TIERED STORAGE (at right) on Eddie Bauer and Limited models: Open the armrest cover to access the upper tier; lift the cover and upper tier to get to the oversized lower bin.
Handiest.
America's family crossover

Change it up plenty of ways: Whether it's passengers, cargo or a mix of both, Taurus X quickly adapts. Transport 7 people and all their carry-ons with ease. Make way for a smaller group, and there's a remarkable 47.0 cu. ft. of storage space to play with behind the 2nd row.

CLASS-EXCLUSIVE ONE-TOUCH, AUTO-FOLD HEATED 2ND-ROW SEATS — along with the convenience of a ONE-TOUCH, POWER-UP/DOWN REAR LIFTGATE — are included in the optional Limited Ultimate Package.
Now fold flat the front-passenger seat and 2nd-row seating, and then simply fold the 3rd-row bench flat into the floor. Just like that, you've got the big-time, weather-protected ability to haul objects a full 10' in length. On Taurus X Limited, the Reverse Sensing System lends an assist when you're slowly backing up that load, detecting objects up to 6' behind the vehicle. It's always looking out for you.
“...excellent package, seating envir...
Confident. America’s family crossover

On-demand acceleration gives you the strength to make things happen. Ford’s most powerful V6 ever is one of the cleanest-running, which marks another first in Ford history: The V6 achieves PZEV (Partial Zero Emissions Vehicle) in certain states so it’s as eco-responsible as a hybrid vehicle.

AWARD WINNER in the 13th annual Ward’s 10 Best Engines competition:
“Along with inspired mid-range snap, the Duratec 35 3.5L DOHC V6 fronts what we believe to be class-leading refinement.” And it posts some impressive EPA-estimated fuel economy figures: 16 MPG CITY/24 HWY for front-wheel drive; 15 MPG CITY/22 HWY for All-Wheel Drive. Just as noteworthy is the astounding 420-MILE RANGE you can achieve on a full tank of gas.

WARD’S 10 Best Engines

ALL-WHEEL DEFENSE

ALL-WHEEL DRIVE (AWD) is optional on all models for enhanced safety, increased control and superior performance. AWD for Taurus X utilizes an on-demand electronic center coupler to deliver the ideal amount of torque to all 4 wheels independently. So wheel slippage is anticipated—and virtually eliminated—before it can occur.

ADVANCETRAC® ELECTRONIC STABILITY CONTROL is standard. When conditions warrant the need, AdvanceTrac will reduce engine torque and apply braking to help keep Taurus X tracking safely on the intended path. Studies show this feature can be a true lifesaver.

AWD

24 MPG HIGHWAY

BEST-IN-CLASS

263 HP

AND CRISP THROTTLE RESPONSE TO MATCH:
“I’VE NEVER SEEN A TACH NEEDLE JUMP FROM 1500 RPM TO 5000 RPM QUITE LIKE THIS.”
— SENIOR EDITOR TOM MURPHY,
WARDSAUTO.COM

2007 Mercury

199-gallon tank, 24 mpg hwy.
The die-cast, aluminum-block engine produces a best-in-class 263 horsepower and 249 lb.-ft. of torque; employs intake variable cam timing (IVCT) for optimal horsepower per liter; attains peak performance on regular unleaded gasoline; and is perfectly paired with a new 6-speed automatic transmission. It delivers impressive cruising efficiency and precision shifts are ultra-smooth. V6 acceleration never felt so good.
EXCLUSIVE NEW FORD SYNC™

BLUETOOTH® VOICE-ACTIVATED, HANDS-FREE PHONE CALLING

MULTILINGUAL INTELLIGENCE — Communicate with SYNC in English, French or Spanish.

UNINTERRUPTED CONNeCTIONS — In the middle of a call on the way to or from your vehicle? Keep on talking. Once paired with your Bluetooth-enabled phone, SYNC automatically transfers calls as you enter and exit.

RING-TONE SUPPORT — Have specific ring tones assigned to your friends and family? SYNC can play them to help you identify incoming calls.

SUPPORT FOR UP TO 12 BLUETOOTH-ENABLED PHONES — The system can be paired with as many as 12 different phones at once, so your entire family can get in SYNC.

INSTANT VOICE RECOGNITION

AUTOMATIC PHONE BOOK TRANSFER

VOICE-ACTIVATED, HANDS-FREE DIGITAL MEDIA PLAYING

SUPPORT FOR POPULAR PLAYERS AND FORMATS — SYNC works with most popular digital media players, as well as USB drives.

SIMPLE VOICE COMMANDS — Access your music library by speaking commands like “Play All,” “Similar Music” or simply “Play Artist” plus the name of an artist.

USB DEVICE CHARGING — SYNC automatically charges most devices while your vehicle is running.

BLUETOOTH STREAMING AUDIO — SYNC can play music files saved to your Bluetooth-enabled mobile phone as well.

PODCAST AND AUDIO BOOK SUPPORT

*Requires a Bluetooth-enabled phone with this capability.

The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

America’s family crossover
Now in SYNC.

Introducing the new standard for in-vehicle communications. Ford SYNC, developed in association with Microsoft®, is a voice-activated, customizable media system that fully integrates your Taurus X with most Bluetooth-enabled mobile phones and portable digital media players.
With Microsoft Auto software actually embedded in your Ford Taurus X, SYNC allows you to operate your Bluetooth-enabled mobile phone and your media player using simple voice commands. SYNC is so well-designed, it’s received an “Editor’s Choice” award from Popular Mechanics magazine. Jalopnik.com concurs: “...definitely the most robust system we’ve yet seen...for in-auto infotainment.”

Driving while distracted can result in a loss of vehicle control. Only use mobile phones (even with voice commands) and other devices not essential to driving when it is safe to do so.

Go to SyncMyRide.com for details
Engaging. America's family crossover

Take the show—and those games—on the road. The next-generation DVD Family Entertainment System is the perfect option. Its flip-down, full-color LCD screen is sized a generous 8.9 inches. Two infrared wireless headphone sets and an infrared remote control are also included.
Another plus for the DVD Family Entertainment System: Its dual-play function lets those in back remain transfixed with on-screen action, while you and your front seatmate listen to the radio, a CD, or all those portable MP3 tunes — courtesy of the built-in auxiliary audio input jack that's wired directly to the acoustically optimized sound system and standard on every Taurus X. It's good to have connections.

**PLAY UP THE PLEASURE**

VOICE-ACTIVATED DVD-BASED NAVIGATION SYSTEM eliminates travel guesswork. The generous 6.5” color LCD monitor clearly displays maps and menus, pinpointing where you are and providing turn-by-turn Route Guidance. More than 20 different functions — many of which can simply be voice prompted — are accessible on this option.

SIRIUS SATELLITE RADIO\(^1\) offers more than 130 channels of crystal-clear, digital-quality sound. This factory-installed option is your passport to an amazing range of music (all of it 100% commercial-free), sports, news, talk and entertainment. SIRIUS coast-to-coast coverage is seamless in the contiguous U.S., and as a subscriber, you'll also receive free online access to all music channels. To top it off, a complimentary 6-month subscription to SIRIUS is included in the option price.

\(^1\) Service not available in Alaska or Hawaii. See your Ford Dealer or contact SIRIUS at 1-888-539-7474 for more information.

AUDIOPHILE\(^\text{TM}\) SOUND SYSTEM is standard on Taurus X Limited for your listening pleasure — with 8 speakers, a 2-channel 90-watt amplifier, subwoofers, speed-compensated volume, and a 6-disc in-dash CD player that’s MP3-capable.
TAURUS X SEL select standard content:
- Silver Eclipse cladding
- Tri-bar chrome grille
- Fog lamps
- Body-color power, heated sideview mirrors with security approach lamps
- Remote keyless, illuminated entry system with driver door-mounted keypad
- 3-row Safety Canopy® System with side-curtain airbags
- Front-seat side airbags
- Traction Control
- AdvanceTrac® Electronic Stability Control
- 4-wheel disc Anti-lock Brake System (ABS)
- Anti-theft perimeter alarm
- Air conditioning
- Auto-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Message center with compass
- Steering wheel-mounted cruise and audio controls
- AM/FM stereo/6-disc CD player with clock
- Auxiliary audio input jack
- Four 12-volt power points
- Command Seating™
- 6-way power driver seat with manual lumbar adjustment
- 17" 8-spoke bright-aluminum wheels with P235/65R17 tires

TAURUS X EDDIE BAUER includes SEL content, plus:
- Pueblo Gold cladding
- Automatic headlamps with on/off delay and wiper-activated headlamps feature
- Dual-zone Electronic Automatic Temperature Control
- AM/FM stereo/6-disc in-dash CD changer with MP3 capability
