YOUR OPTIONS ARE WIDE OPEN.
The all-new Transit Connect Wagon+Van.
PROVEN AT WORK. NOW... IT’S PERSONAL.

A masterful combination of size, efficiency, cargo room and durability, Ford Transit Connect has secured its reputation as the ideal commercial vehicle. It’s no surprise, then, that the all-new Transit Connect Van was awarded 2014 “International Van of the Year” by a panel of automotive journalists from 24 countries. What is surprising? We’ve added a personal dimension to this Built Ford Tough® lineup for 2014: the all-new Transit Connect Wagon. A modern exterior and flexible interior make it the ideal space for busy families on the go. Plus, the 2014 Transit Connect Wagon has a best-in-class\(^2\) EPA-estimated rating of 29 mpg highway\(^3\) when equipped with the available 1.6L EcoBoost® I-4 engine. Whether making memories or building your business, you’ll go further in an all-new Ford Transit Connect.

\(^1\)Based on European-produced and sold model. \(^2\)Class is Small Cargo Vans. \(^3\)EPA-estimated rating of 22 mpg city/29 mpg hwy/25 combined mpg, 1.6L EcoBoost short-wheelbase wagon. Actual mileage will vary.
FOCUSED ON FLEXIBILITY.

Transit Connect Wagon lets you exercise your creativity inside. With more available configurations on the long-wheelbase model than any other vehicle in its class,¹ your options are endless. Carry passengers. A track bike. Personal gear. Or carry it all together. No worries here. With all seats up, Transit Connect Wagon can seat up to 7 people. Along the way, they can enjoy a panoramic fixed-glass Vista Roof² with power sunshade, power 2nd-row windows with one-touch-up/-down,² and 3rd-row seats² that slide to enhance leg room or storage space. To transport long items along with passengers, fold one side of the seating flat. Up above, a front overhead storage shelf keeps frequently needed items close at hand. For rear passengers, an aircraft-style mid-vehicle overhead console² features closeable bins — perfect for off-the-floor and out-of-view storage of personal items. Transit Connect Wagon. A multi-purpose vehicle for multi-motivated you.

¹Class is Small Cargo Vans. ²Available feature.
For work or play, you’ve got the perfect partner in Ford Transit Connect. Enjoy easy entry and exit thanks to dual sliding side doors, as well as your choice of a rear liftgate or 180° swing-out rear cargo doors. Transit Connect Wagon has the seating capacity and cargo space to carry your family to its next event. Transit Connect Van is the perfect tool to bring your business to life. Its best-in-class cargo room (8 cu. ft. more than its nearest competitor) and flat load floor behind the front seats make any job easy. With a durable vinyl floor covering and cargo tie-down hooks to help keep things in their place, deliveries or on-site repairs are a snap. Open the door to your adventure with Ford Transit Connect.
STANDS BY YOUR SIDE.

Everyone needs an ally in life. And with multiple configurations, there’s sure to be a Transit Connect Wagon that’s just right for you. And all your best friends. Choose from XL, XLT and Titanium trim levels. Short-wheelbase models feature 2 rows of seats for up to 5 people. In long-wheelbase models, 3 rows seat up to 7. Outside, bold metallic colors like Solar, Burnished Glow and Midnight Sky, as well as 4 wheel choices, help inspire your creative side. Inside, fold-forward or fold-flat seats and a vertical cargo net appeal to your DIY side. A mid-vehicle overhead storage bin, in-floor storage and 3 power outlets speak to your practical side. An observation mirror that helps you keep an eye on those in rows 2 and 3, and the MyKey programmable ignition key – that allows you to restrict maximum vehicle speed, audio volume, and more – speak directly to your protective side. Empower yourself in a 2014 Transit Connect Wagon.
MASTER OF ADAPTABILITY.

Transit Connect Wagon was designed around a guiding principle – be prepared for anything. Its functional interior is ready to adapt at a moment’s notice. If your day starts with passengers, a low step-in height makes entry and exit easy for everyone. Need to pick up equipment later? The 2nd-row seats fold forward or can be removed for more room in short-wheelbase models. In long-wheelbase wagons, 2nd- and 3rd-row seats fold down to create a flat load floor. Power 2nd-row windows with one-touch-up/-down¹ on the dual sliding side doors help keep the air (and hair) flowing. Whatever you’re moving — cargo, people or even pets — Transit Connect Wagon allows you to meet the challenges of your day. With complete confidence.

¹Available feature.
BRIGHTENS MARKET DAY.
AND EVERY DAY.

Whether you’re an early riser or night owl, Transit Connect Wagon has thoughtful features that enhance every trip. In back, the liftgate opens high for quick access, and features a grab handle for convenient closure. Plus, the low liftover height helps make loading easy. Up front, cornering fog lamps\(^1\) throw additional light to the sides of the vehicle — particularly helpful on pre-dawn market adventures. To quickly clear fog, snow, sleet and ice should bad weather move in, a press of the Quickclear™ electric windshield defroster\(^1\) button activates heating elements fused between layers of windshield glass. It works along with the heated windshield washer jets\(^1\). With Transit Connect, you can stay on task. All day. Every day.

\(^1\)Available feature.
OPEN THE LINES OF COMMUNICATION.

Keeping your “favorites” up to date on your ETA is easy in Transit Connect Wagon. Just speak your mind. Then marvel as voice-activated Ford SYNC® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your smartphone. It can also recognize your MP3 player, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: Sam Duff at home” or “Play playlist: Indie Rock.” SYNC AppLink™ even lets you control Pandora®, iHeartAuto™, SiriusXM® and select other apps by voice too. Taking command of your drive is easy in Transit Connect Wagon. SYNC. Say the word.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
SYNC® with MyFord Touch® lets you choose what to display on the homepage of the 6.5" color LCD touch screen. Control the system by voice or touch, whichever is most comfortable for you. Press “accept” on the screen or a button on the steering wheel to answer a call from your paired phone (without having to look for it). With HD Radio™ Technology, simply touch the shopping cart “TAG” icon while a new favorite song is playing and purchase it later on iTunes®. To further enhance your journey, SiriusXM® Satellite Radio includes a 6-month Sirius All Access trial subscription. Enjoy every premium satellite radio channel, including commercial-free music, plus sports, news, talk, and entertainment channels. Vehicles with a voice-activated Navigation System also receive SiriusXM Traffic and SiriusXM Travel Link services as part of the trial, so you’ll have the ability to look up fuel prices, check local and national weather, and get detailed traffic information.

Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. *Available feature.
Space for 7. Amenities for all.

Transit Connect Wagon surrounds you in comfort and safety. Optional on XLT and standard on Titanium, enjoy stylish leather-trimmed seats in Medium Stone. Everyone’s H₂O or coffee can stay close at hand thanks to cupholders in each row (including 2 in the 2nd-row center armrest¹). Your mobile phone can stay charged with the center console’s 12-volt powerpoint, while passengers in back can plug in their portable devices with powerpoints on the back of the center console and in the rear cargo area. Plus, it’s comforting to know that a Safety Canopy® System with rollover sensor and side-curtain airbags for all outboard passengers is part of 6 standard airbags² on Transit Connect Wagon. Safety, after all, is always in style.

¹Available feature. ²Always wear your safety belt and secure children in the rear seat.
Transit Connect is the perfect match for high-energy lifestyles. Starting with our turbocharged, direct-injection 1.6L EcoBoost I-4 engine. It delivers 178 hp, 184 lb.-ft. of torque and a maximum towing capacity of 2,000 lbs. All best in class. Plus, the 1.6L has an EPA-estimated rating of 29 hwy mpg. Twin independent variable camshaft timing (Ti-VCT) emphasizes fuel efficiency or power output as your input demands. To maximize aerodynamic efficiency and maintain ideal EcoBoost engine temperatures, Transit Connect automatically opens and closes its Active Grille Shutters. Both engines, including the standard 2.5L I-4, are mated to a 6-speed SelectShift automatic transmission for efficient operation. Shift for yourself, or leave it to Transit Connect. Torque Vectoring Control, Curve Control and trailer sway control add additional layers of driving confidence.
Impresses Its Most Demanding Customers.

Cab drivers. Fleet operators. Construction site managers. The Built Ford Tough® Transit Connect is certified to meet Ford Light Commercial Vehicle Durability standards. The equivalent of over 3 million miles were covered in arduous testing, including over 250,000 miles in demanding fleet conditions. Structural durability tests ensured Transit Connect would measure up in real-world conditions like stop-and-go taxicab use, constant loading and unloading, and fleet use at airports around the globe. Safety engineering includes a body shell reinforced with high-strength steel, plus AdvanceTrac® with RSC® (Roll Stability Control™) to help keep all 4 wheels planted in slippery conditions. Keeping tough customers happy. That’s just part of its job.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
DELIERS THE GOODS. 24/7.

With the front-passenger seat folded down, Transit Connect Van swallows up to 151.1 cu. ft. of cargo. That’s loads of room for whatever you’re loading: flowers, cakes, tools or supplies. Access is easy through dual sliding side doors, or through your choice of door in back: 180° swing-out rear cargo doors (great when you have a ladder rack up top) with or without fixed glass, or the ease of a single rear liftgate with fixed glass that’s easy to raise and lower (even providing some rain protection when loading). Large exterior panels supply the signage space to showcase your company name and details, so others will quickly know your business. With the room you need to stay on schedule, Transit Connect Van has a huge appetite for work. Get ready to be served.

¹Long-wheelbase model. ²When properly equipped. Cargo and load capacities limited by weight and weight distribution. ³Available feature.
ALIGNS WITH YOUR LINE OF WORK.

At just over 6’ tall, Transit Connect Van easily negotiates parking garages and other low-clearance areas. But don’t let its compact size fool you; this Built Ford Tough® truck can handle what you throw at it. Loading and unloading cargo, maneuvering through heavy traffic, and even parallel parking are no problem. Designed with a low load floor height (under 2’), moving things in and out is no sweat. Add in a 36.1’ curb-to-curb turning diameter¹ for negotiating tight places, along with a rear view camera² and Forward and Reverse Sensing Systems² for help in parking, and you’ve got a vehicle that helps you get more done — each and every day.

¹Short-wheelbase van. Long-wheelbase van is 40.0.’ ²Available feature.
MEASURES UP TO BIG EXPECTATIONS.

Starting with a best-in-class maximum payload rating of 1,710 lbs.¹ Behind its comfortable front seats, trimmed in durable vinyl or rugged cloth,² Transit Connect Van holds the long, tall and short of your business. There’s 151.1 cu. ft. of cargo room to fill with the passenger seat folded down, which means you can carry items up to 4’ wide or over 9’ long inside.³

The flat load floor and near-vertical walls help you make the best use of all that room to transport larger loads, and it’s washable for quick cleanup after the work is done. With low side and rear load-floor heights, plus 180° swing-out rear cargo doors, Transit Connect Van performs like your warehouse on wheels.

¹When properly equipped. Cargo and load capacities limited by weight and weight distribution. ²Available feature. ³Long-wheelbase van. ⁴Cargo length with passenger seat folded.
Dejana offers the Katerack® system of heavy-duty pull-out shelves; standard 6” and 10” shelves; plus trade-ready packages for a wide variety of vocations, including contractors and service technicians.

Leggett & Platt CVP offers wire, steel and solid bulkheads; Racks & Bins, QuietFlex® and Cargo Management interior packages; drawer storage cabinets; rooftop ladder racks; utility carriers; and window security systems.

Adrian Steel offers wire, steel and hybrid bulkheads; Base, Intermediate, Full and Premium Interior packages; flexible shelving; cargo dividers; drawer units; and literature holders.

Sortimo offers wire mesh and solid bulkheads (with and without a window); Cargo Management; Multi-Purpose Double Floor; Courier Services and Multi-Rack packages; Tufflex Wall Cladding; L-BOXX set; Sliding Platform; Safety Net and a Mobile Tower.

ENHANCES PRODUCTIVITY. ALWAYS GOOD BUSINESS.

Which Ford Transit Connect is right for you? Van. Wagon. Short or long wheelbase. XL, XLT or Titanium trim. By offering a full lineup of Built Ford Tough® vehicles, Transit Connect sets itself apart with unmatched versatility. A hard worker right from the factory, Transit Connect Van can do even more with easy upfits suitable for your line of work – like the cargo management packages shown here. Durable bulkhead partitions and flexible interior storage systems can help you create a Transit Connect Van that’s tailored to you. There’s nothing better than that.

1Ford Licensed Accessory. 2Available feature.
Available only on Wagon. Available only on Wagon with Taxi Package.
Colors are representative only. See your dealer for actual paint/trim options.
New Vehicle Limited Warranty. We want your Ford Transit Connect ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 24 months unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Cargo Vans), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages.
