YOUR PERFECT PARTNER. FOR WORK OR PLAY.

The 2016 Ford Transit Connect Van can help bring your business to life. Or, with up to 7 seats and new BLIS® (Blind Spot Information System) with cross-traffic alert, Transit Connect Wagon keeps you on the go. Either way, this Built Ford Tough® workhorse gets the most important job – your job – done.

1Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
WORK PROVEN. TRAVEL READY.

With the 2016 Ford Transit Connect, available in Van and passenger Wagon, you’ve got work or play covered.

The ideal tool to help bring your business to life, Transit Connect Van features abundant cargo room, plus a flat load floor behind the front seats. With its durable vinyl floor covering and easy access to the cargo area, deliveries or on-site business calls are a snap.

With seating for up to 7, Transit Connect Wagon is the ideal space for busy families on the go. Plus, Transit Connect Wagon received the government’s highest safety rating: a 5-star Overall Vehicle Score!

Get an unsurpassed in its class EPA-estimated rating of 29 mpg highway when equipped with the 1.6L EcoBoost® engine. Whether building your business or making memories, Transit Connect helps you go further.

1Government’s 5-Star Safety Ratings are part of the U.S. Department of Transportation’s (NHTSA’s) New Car Assessment Program (www.safercar.gov).
2Class is Small Vans based on Ford segmentation. EPA-estimated rating of 22 city/29 hwy/25 combined mpg. 1.6L EcoBoost. Actual mileage will vary. 3Available feature.
COMMAND IT WITH YOUR VOICE.

Voice-activated SYNC\(^{6,12}\) technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.\(^{2}\)

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth\(^{8}\) audio” to stream content from your phone.
- **SYNC AppLink\(^{1,6,3}\)** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist\(^{4}\)** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

Upgrade to SYNC with MyFord Touch.\(^{1,2}\)

- **An LCD screen** lets you easily read and control the things you want.
- **Voice-activated navigation**\(^{1}\) features voice-recognition technology that lets you say commands as conversational as “find a restaurant.” The system then helps guide you to your destination with audible turn-by-turn directions.
- **Voice control climate** lets you use your voice to adjust the climate, so you can stay comfortable without having to lift a finger.

\(^{1}\)Available feature. \(^{2}\)Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. \(^{3}\)SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. \(^{4}\)The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.
The 2016 Transit Connect Wagon surrounds you in comfort, style and safety. Outside, take a liking to new 17” premium aluminum wheels¹ (see cover for reference). Inside, new second-row fold-flat bucket seats² (shown above) give you the space you need to relax.

In stylish leather-trimmed seats,¹ your coffee or H₂O stays close at hand thanks to cupholders in each row, including 2 in the 2nd-row bench armrest.¹ Watch passengers in rows 2 and 3 with a convenient observation mirror.¹

**Charge your mobile phone** with the center console’s 12-volt powerpoint. For passengers, there are also 2 powerpoints in back.

**With a 5-star Overall Vehicle Score,** the Transit Connect Wagon received the government’s highest safety rating.² Six standard airbags³ include a Safety Canopy® System with rollover sensor and side-curtain airbags for all outboard passengers. Safety, after all, is always in style.

**SiriusXM® Satellite Radio¹** welcomes you to the World of SiriusXM.⁴ Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.⁴

**Navigation¹ with SiriusXM Traffic and Travel Link®** includes a 5-year complimentary SiriusXM Traffic and Travel Link® trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

¹Available feature. ²Government’s 5-Star Safety Ratings are part of the U.S. Department of Transportation’s (NHTSA’s) New Car Assessment Program (www.safecar.gov). ³Always wear your safety belt and secure children in the rear seat. ⁴SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.
Through the doors of Ford Transit Connect Wagon. Enjoy easy entry and exit thanks to its dual sliding side doors, as well as your choice of a rear liftgate (shown above) or 180° swing-out rear cargo doors.¹

New BLIS® (Blind Spot Information System) with cross-traffic alert²,³ helps you stay aware of traffic detected in your blind spots. The system works as you drive forward, or when traffic nears either side of the vehicle as you slowly back up. Lights embedded in the sideview mirrors help warn you.

Enjoy a panoramic fixed-glass Vista Roof² with power sunshade, plus power 2nd-row windows with one-touch-up/-down.² In short-wheelbase models, 2nd-row seats fold forward or can be removed. In long-wheelbase models, 2nd- and 3rd-row seats fold down to create a flat load floor.

With more available configurations on the long-wheelbase Wagon than any other vehicle in its class, your options are wide open. Carry passengers. Personal gear. Or carry it all together. No worries here.

¹Available feature. ²Available feature. Wagon models only. ³Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
FUEL YOUR ENTHUSIASM.

Ford Transit Connect is the perfect match for high-energy lifestyles.

Unsurpassed performance comes from the turbocharged, direct-injection 1.6L EcoBoost™ engine that delivers 178 hp, 184 lb.-ft. of torque and a maximum towing capacity of 2,000 lbs. To maximize aerodynamic efficiency and maintain ideal EcoBoost engine temperatures, Transit Connect automatically opens and closes its Active Grille Shutters.

Shift for yourself, or leave it to Transit Connect, with the 6-speed SelectShift® automatic transmission that’s mated to both engines, including the standard 2.5L. Torque Vectoring Control™, Curve Control™ and trailer sway control¹ add additional layers of driving and trailer-towing confidence.

Throw additional light alongside the vehicle with cornering fog lamps¹, which are great for pre-dawn adventures. And quickly clear fog, snow, sleet and ice with the Quickclear™ electric windshield defroster.

Unsurpassed in its class EPA-estimated rating 29 HWY MPG²

¹Available feature. ²Tested with 93-octane fuel. ³When properly equipped. ⁴Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁵EPA-estimated rating of 22 city/29 hwy/25 combined mpg, 1.6L EcoBoost. Actual mileage will vary.
DELIVERS THE GOODS. 24/7.

With the front-passenger seat folded down, Transit Connect Van swallows up to 149.0 cu. ft. of cargo.¹

Access is easy through dual sliding side doors, or through your choice of rear doors: 180° swing-out cargo doors (great when you have a ladder rack up top) with or without fixed glass, or a single liftgate with fixed glass that’s easy to raise and lower (even providing some rain protection when loading). With the room you need to stay on schedule, Transit Connect Van has a huge appetite for work.

Showcase your company name and details on Transit Connect Van’s large exterior panels, letting others quickly know your business.

Thanks to a low load floor height (under 2’), moving things in and out is no sweat. Add in a 36.1’ curb-to-curb turning diameter³ for negotiating tight places, along with a rear view camera² ⁴ and Forward and Reverse Sensing Systems² ⁴ for help in parking, and you’ve got a vehicle that helps you get more done – each and every day.

¹Long-wheelbase model. Cargo and load capacity limited by weight and weight distribution. ²Available feature. ³Short-wheelbase Van. Long-wheelbase Van is 40.0’ ⁴Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

EASILY HANDLE BIG EXPECTATIONS.

Behind its comfortable front seats, trimmed in durable vinyl or rugged cloth, Transit Connect Van holds the long, tall and short of your business. Starting with a maximum payload rating of 1,620 lbs. In the long-wheelbase Van, fold the passenger seat down for up to 149.0 cu. ft. of cargo room. Items up to 4’ wide, 4’ tall, or over 9’ long will fit inside.

The flat load floor, durable vinyl floor covering, cargo tie-down hooks and near-vertical walls help you make the best use of all that room to transport larger loads, and it’s washable for quick cleanup after the work is done. With low side and rear load-floor heights, sliding side door access from either side, plus 180° swing-out rear cargo doors, Transit Connect Van performs like your warehouse on wheels.

1 Available feature. 2 When properly equipped. Cargo and load capacities limited by weight and weight distribution. 3 101.1”/116.9” (Van SWB/LWB) with passenger seat folded down.
Dejana offers rear and side Katerack® shelving systems with heavy-duty pull-out drawers. Standard 6" and 10" shelves; plus trade-ready packages for a wide variety of vocations, including contractors and service technicians.

Leggett & Platt CVP offers Masterack® cargo management systems: steel racks & bins, lightweight composite SmartSpace™ shelving packages, drawer storage cabinets, ladder racks, window screens, and accessories.

Adrian Steel offers wire and steel bulkheads; cargo management packages with adjustable shelving, versatile ladder racks, floor drawers for lockable storage, and window screens for security.

Sortimo By Knapheide offers ABS Protexx Partitions® (with and without a window); Exxpand® base shelving packages for either the street side, curbside or both; and a variety of Boxxes® and Axxessories® to upgrade the base packages to meet the vocational needs of today’s contractors.

ENHANCE PRODUCTIVITY. ALWAYS GOOD BUSINESS.

Which Ford Transit Connect is right for you? Van? Wagon? Short or long wheelbase? XL, XLT or Titanium trim? By offering a full lineup of Built Ford Tough® vehicles, Transit Connect offers exceptional versatility. A hard worker right from the factory, Transit Connect Van can do even more with upfits for your line of work – like the cargo management packages shown at right. Durable bulkhead partitions and flexible interior storage systems can help create a Transit Connect Van that’s tailored to you.

1 Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Transit Connect ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repair. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Small Vans based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
