PUT YOUR BUSINESS IN THE FAST LANE.

Click to experience the Transit lineup
THE ALL-NEW TRANSIT.
FROM AMERICA’S FULL-SIZE VAN LEADER.

We know vans. Our 35 years' at the top of the Full-size Van sales charts had to be earned. We did it the hard way. By making our vans dependable and versatile. Able to put in a punishing shift. And then come back ready for more.

A genuine game-changer. Transit is as tough as any Ford Truck and can be configured to match the precise needs of your job.

Choice of vehicle configuration is best-in-class thanks to 3 roof heights: Low Roof (LR), Medium Roof (MR) and High Roof (HR). 2 wheelbases, 3 body lengths. You also get 3 engine options. Door and window options. Advanced technologies. On top of that, Transit Cutaway and Chassis Cab are available with 3 wheelbases or frame lengths.

View Transit choices

1Based on Full-size Van CY sales 1978–2013. 1Class is Full-size Vans. Based on body type, body length, wheelbase and roof height.
Since we launched it 49 years ago, Transit has been a driving force in the European van market. With more than 7 million units sold, it has earned the loyalty of people who rely on it, day in and day out, to get their jobs done. Its two “International Van of the Year” awards prove that Transit is a winner with the top professional commercial vehicle journalists too.

Built Ford Tough® is built into the DNA of the all-new Transit. Every technological advance found in Transit must pass our exhaustive engineering standards.

Our obsession with durability is what drove us to punish Transit development vehicles for more than 7 million customer-equivalent miles. We started test vehicles at -40°F and at over 14,500 ft. We had them tow fully laden trailers up long inclines in 120°F heat. Transit underwent 250,000 door slam testing cycles. That’s nearly 3 times as much testing as a traditional retail vehicle. This all adds up to a Transit that is designed to do its job all day, every day, and for many years to come.
STANDS HEAD AND SHOULDERS ABOVE THE COMPETITION.

Transit is always up to the task. Whatever trade you’re in or job you do, you can configure a Transit that’s perfect for how you work.

**Best-in-class cargo height**¹ in the HR Van lets you carry the biggest items. And 270° swing-out rear cargo doors² offer quick and easy access.

**Max. payload increases 600 lbs.** or more, across the board, in Transit Van versus comparable E-Series vans. At up to 4,650 lbs.,¹ this increase in hauling capacity helps Transit master even the toughest of challenges. And an impressive gross vehicle weight rating (GVWR) of up to 10,360 lbs. comes in handy when extra muscle is required.

¹When properly equipped. ²Available feature.
Transit is available in 3 roof heights – LR, MR and HR – so you can take on loads that others would have to leave behind.

**Choose the Transit Van that’s best for where and how you work.** When you’re working in urban areas, the Transit LR Van fits under the 7-ft. clearance in public parking garages. When you need to transport bigger volumes, Transit Van offers a best-in-class gas-powered max. cargo capacity.¹

75% more cargo capacity than Ford E-Series Van. That equates to an extra 209 cu. ft. in Transit HR Extended Length Van – or the equivalent of a 6-ft. stack of 4’ x 8’ sheets of insulated foam boards. Transform your productivity overnight by saving yourself an extra trip – or possibly even a day of work.

¹Class is Full-size Vans. Excludes diesel competitive models. When properly equipped. ²When properly equipped.
PROVEN GASOLINE ENGINES.

We know how hard your van works for you 24/7. You need power. Reliability. And efficiency. The 2 gasoline engines that power Transit have been designed, built and tested to our uncompromising Built Ford Tough® standards – already proving their hard-working ability in over 700,000 Ford F-Series trucks.

Towing and hauling are made easy by the standard 6-speed SelectShift® automatic transmission. It has selectable tow/haul mode1 to compensate for grade and load, while also reducing gear hunting when towing or hauling heavy cargo.

46% better EPA-estimated highway fuel economy rating than the Ford E-Series premium gas engine. Instantaneous low-end torque and 310 hp are the result of direct injection, which delivers a precise amount of fuel to optimize efficiency and power. Twin intercooled turbochargers spool up far more quickly than a conventional single turbo.

A best-in-class gas torque rating of 400 lb.-ft. makes the 3.5L EcoBoost® the perfect choice if your work requires extra cargo-hauling capacity.

EPA-estimated rating of 14 city/19 hwy/16 combined mpg (LR/MR RWB Wagon). Actual mileage will vary.

3.7L Ti-VCT V6

19% better EPA-estimated highway fuel economy rating than the E-Series standard gas engine, with much of the credit due to twin independent variable camshaft timing (Ti-VCT) technology. Ti-VCT optimizes combustion at all engine speeds to increase low-speed torque and top-end power, while also boosting fuel efficiency and improving cold-start operation.

You can choose the flexibility offered by E85 flex-fuel capability or a compressed natural gas/liquid petroleum gas CNG/LPG Gaseous Engine Prep Package.1

EPA-estimated rating of 14 city/9 hwy/16 combined mpg (LR/MR RWB Wagon). Actual mileage will vary.
When the work demands that your engine must run for many hours a day under constant idling and stop-and-go conditions, then our 3.2L Power Stroke I-5 Turbo Diesel\textsuperscript{1} delivers. It’s the latest generation of an engine that has proven itself worldwide for years.

For maximum flexibility, 90\% of the 3.2L’s peak torque is available from 1,500 to 2,750 rpm. Quick-start glow plugs offer fast startups at temperatures as low as -10°F. A Variable Geometry Turbocharger helps deliver instantaneous power. A precise amount of fuel is injected directly into each cylinder to optimize efficiency. And when you’re on the move, common-rail piezoelectric fuel injectors deliver multiple injections per combustion cycle for improved performance.

Rigorous testing proved this engine is ready for heavy-duty assignments. This included more than 4,000 hours of dyno-testing. In one of these dyno tests, 750 hours were conducted at max. engine power – the equivalent of 14 non-stop round-trips from New York to Los Angeles. Testing simulated 10 years of service over 150,000 miles, including climbing tough grades and testing in hot and cold ambient temperature conditions.

\textsuperscript{1}Available feature.
PUTS YOU IN COMMAND.

Transit delivers for its driver too. Rack-and-pinion power-assisted steering provides confidence-inspiring driver feel. The standard 6-speed SelectShift® automatic transmission allows manual gear changes by simply sliding the lever to the “M” position, and then selecting the gear you want with the toggle shifter.

The excellent view out of the cab – thanks to its large windshield, side windows and sideview mirrors – helps make maneuvering in tight spaces easy.

Our optional lane-keeping alert can detect lane markings with a forward-facing camera, and can vibrate the steering wheel to alert you to steer the vehicle back toward center if needed.

Lane-keeping alert does not control steering. Driver-assist features are supplemental and do not replace the driver’s judgment.
MORE COMFORTABLE. HARDER WORKING.

The all-new cab has a stylish and functional instrument panel. It’s extremely spacious, with ample head clearance and shoulder room. And it helps you find your preferred driving position with a tilt(telescoping steering column.

Stay comfortable on the road with standard front air conditioning, power windows and door locks, an AM/FM stereo with 2 front speakers, and an auxiliary audio input jack. The front bucket seats include adjustable head restraints, and the driver’s seat has an inboard armrest. Extra convenience is available at the touch of a button with 10-way power driver and front-passenger seats, as well as long-arm, power, heated sideview mirrors with turn signal indicators.

Work at peak efficiency wherever your work takes you with a 110V power outlet that can help keep your laptop and other electrical equipment charged.
CONNECTS YOU TO THE WORLD.

Simply talk to the voice-activated SYNC® with MyFord®, and the system delivers hands-free calls, music and more with simple voice commands. Once paired with your phone, it can download your contacts and play Bluetooth®-streaming music. Or, plug in your MP3 player, USB or iPod® to listen to your favorites.

Your fingertip controls the 6.5" color LCD touch screen.® media hub, and more when you opt for SYNC with MyFord Touch®. Control the system by voice or touch, whichever is more comfortable for you.

SiriusXM® lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.® The voice-activated Navigation System® also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services.® These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

Transit XLT Wagon. Available equipment.

1 Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2 Available feature. 3 Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
THE FUTURE OF FULL-SIZE VANS.

Transit is designed to raise your expectations of what a van can bring to your business. Why be forced to adapt your job to suit your van? With Transit Van, you can choose the exact configuration that suits the way you work. The height you want. The length you want. The cargo doors you want.

Power to choose. With multiple choices of wheelbase, length, height, engine, door and window, there’s a Transit Van for virtually any application. Select dual rear wheels (DRW) for heavy loads. The Low Roof allows parking where height restrictions apply. The High Roof lets you carry the tallest cargo of any van. Or max out your cargo room with the Extended Length. Whatever you choose, Transit is ready to haul.

MAX. PAYLOAD 4,650 LBS.¹

CONTROLS

SWAY

7,500 LBS. MAX. TOWING¹

¹When properly equipped. Passenger and cargo capacity limited by weight and weight distribution.
EASY ACCESS SAVES TIME.
AND TIME IS MONEY.

Transit Van is designed to allow quick pickups and drop-offs. There’s a built-in rear bumper step to help you hop in and hop out. The cargo box floor is flat, with nearly-vertical sides for maximum usable space.

**Configure the cargo doors to suit your job** with a single sliding passenger-side door, dual sliding side doors, or 60/40 swing-out passenger-side doors! The swing-out rear cargo doors check at 90° and can be opened to a full 180° with a Regular Wheelbase or 270° with a Long Wheelbase.

**Secure when and how you need it.** The standard Remote Keyless Entry System is configurable to suit how and where you work. Your Ford Dealer can program the remote control in your Transit to lock and unlock a number of different combinations of doors to better suit your needs.

**Multiple tie-down hooks** help you secure your load in place quickly and easily. We’ve mounted them on the sidewalls to leave the cargo box floor free from obstructions.
Transit Van is ideal for the custom storage and shelving systems available through your local Ford Dealer.

**11 upfit ship-thrus make it easy** – and 8 of these are located within 20 miles of the Kansas City Assembly Plant where Transit is built. Take your pick of the vocation-specific products available from some of the largest upfitters in the business – including Leggett & Platt CVP, Adrian Steel®, Sortimo by Knapheide, MobilityWorks®, and more – at transitupfits.com. You can also use the upfit configurator to see how easily you can adapt your Transit to suit your individual needs.

**Choose from a wide range of products** designed to suit different trades, such as cargo dividers, multi-racks, bulkheads and sliding platforms. Use your imagination by combining a generous cargo space with these innovative storage solutions to create one hard-working vehicle for yourself.
TRANSIT WAGON

TAKES CARE OF YOU AND YOUR PASSENGERS.

Transit Wagon is designed to maximize your productivity while keeping your passengers happy. A center aisle for most configurations combines with easy access through wide-opening side doors and ample leg room to allow fast and hassle-free pickups and drop-offs.

Safety takes top priority in Transit Wagon with standard front and front-seat side airbags for the driver and front passenger, side-curtain airbags for all seating rows. And the 15-passenger wagon features the industry’s first 5-row side-curtain airbag.

Always wear your safety belt and secure children in the rear seat. When properly equipped. Passenger and cargo capacity limited by weight and weight distribution. 12- through 15-passenger vehicles may be classified as buses and may require appropriate licensing.

ADVANCETRAC® WITH RSC®
2 WHEELBASES & 3 ROOFS
5,100 LBS. MAX. TOWING

1Always wear your safety belt and secure children in the rear seat. 2When properly equipped. Passenger and cargo capacity limited by weight and weight distribution. 12- through 15-passenger vehicles may be classified as buses and may require appropriate licensing.
COMFORT.

Transit Wagon is comfortable for drivers and passengers alike. Drivers benefit from cruise control1 and automatic headlamps! Passengers will appreciate full carpeting throughout on XLT. Ample head, shoulder and hip room for every passenger make short and long journeys equally enjoyable. And to keep everyone feeling good, rear air conditioning and heating is standard in all XLT and Long Wheelbase versions.

HEIGHT.

Transit Wagon is available in Low Roof, Medium Roof or High Roof configurations. Best-in-class passenger compartment height2 makes it easier to find a seat in the back of Transit High Roof Wagon without bumping your head – even if you’re 6’4” tall. And available 270° swing-out rear cargo doors offer easy access.

SEATING.

You can choose from 8-, 10-, 12- or 15-passenger versions of Transit Wagon to suit your specific requirements. When you need to carry extra luggage, 15-passenger versions of Transit Wagon Extended Length offer best-in-class factory-built cargo capacity – 100.5 cu. ft. – behind the last row of seats.

1Available feature. 2When properly equipped.
BACKBONE OF YOUR BUSINESS.

Whether you need a shuttle bus, flatbed or cube truck, Transit Cutaway or Chassis Cab provides the perfect base on which to build a tough work vehicle customized to your needs.

**Cutaway** has an open passenger compartment so it can be paired with specialty body modules, such as shuttle bus or school bus bodies.

**Chassis Cab** has an enclosed passenger compartment and bare frame ready to accept aftermarket body modules, ranging from custom cargo delivery to utility body.

A fully welded platform underpins the entire cab area. Frame rails are reinforced with boron steel to add strength and save weight. And there's a completely clean box section. Frame rail extension adapters enable an 18' frame upfit providing even more opportunities to build exactly the Transit you want.

Expert care for your Transit is available from over 3,000 Ford Dealers nationwide – with additional dedicated commercial vehicle expertise provided by over 600 Ford Business Preferred Network (BPN) Dealers.

**Exterior**
- Antenna – Front fender-mounted
- Bumper – Black-molded front with lower valance
- Easy Fuel® capless fuel filler
- Tinted glass (optional with RV Prep Package on Wagon XLT)
- Wipers – Variable-intermittent

**Safety & Security**
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Airbags® – Driver and front-passenger front
- Brakes – Power 4-wheel disc with Anti-Lock Brake System (ABS)
- Safety belts – 3-point, all positions
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare; SRW only)

**Interior**
- 12V powerpoints – 1 in instrument panel; 1 in center console
- Auxiliary audio input jack
- Center stack console with integrated gear shifter
- Driver/front-passenger sun visors – Vinyl-trimmed
- Front overhead console (n/a on Low Roof models)
- Glove compartment
- Grab handle on passenger-side A-pillar
- Instrumentation – Speedometer (mph/kph) with tachometer, coolant temperature and fuel level
- Lighting – Accessory delay (10-minute) and configurable with 30-minute auto shut-off
- Power windows and door locks (includes autolocking-on-drive feature)
- Remote Keyless Entry System with 2 key fobs
- Seating – Front bucket seats with adjustable head restraints (includes driver’s side inboard armrest)
- Steering wheel – 4-spoke polyurethane
- Tilt/telescoping steering column

Airbags
- Front-side seat
- Side-curtain for all rows

16" white steel wheels with mini-cap and lug nut covers (SRW only)
16" black steel wheels with silver-style covers (SRW only)
Pewter cloth seating surfaces
Charcoal cloth, 10-way power driver and 2-way manual front-passenger seats with manual recline, inboard armrests and driver's manual lumbar
Charcoal cloth, 10-way power driver and 2-way manual front-passenger seats with inboard armrests
10-passenger (optional on RWB)
15-passenger (optional on LWB)

AM/FM stereo with single-CD player, 4" multifunction display, message center, SYNC with MyFord, HD Radio, SiriusXM Satellite Radio with 6-month trial subscription and 8 speakers (4 front and 4 rear); leather-wrapped steering whee with controls for audio and multifunction display (requires cruise control)
AM/FM stereo with single-CD player, 6.5" color LCD touch screen in center stack, SYNC with MyFord Touch® and Navigation including SiriusXM Traffic and Travel Link with 5-year trial subscription, HD Radio, SiriusXM Satellite Radio with 6-month trial subscription and 8 speakers (4 front and 4 rear); leather-wrapped steering wheel with controls for audio and multifunction display; lane-keeping alert with driver alert (requires cruise control)
Crew Chief™ powered by Telogis® (late availability)

Power inverter (restrictions apply) – 12V to 110V (requires dual heavy-duty batteries)
Reverse Sensing System
User-defined upfitter switches (4; requires heavy-duty alternator and dual batteries; includes Modified Vehicle Wiring System and customer connection point)
Front license plate bracket (standard in states requiring 2 license plates and optional in all others)
Mirrors – Short-arm, power, heated sideview with turn signal indicators (late availability)
Mirrors – Long-arm, power sideview
Mirrors – Long-arm, power, heated sideview with turn signal indicators
Privacy glass (includes rear-window defroster)
Privacy glass (requires rear-window defroster)
Remote Start System
Running board (sliding passenger-side door area only)
Sliding passenger-side door (LR)
Windows – All-around with 2nd-row driver’s side flip-open glass and fixed 60/40 swing-out side door glass (optional with LR only; requires privacy glass)
Windows – All-around with 2nd-row flip-open glass and 4th-row flip-open glass (optional on LWB EL; requires privacy glass)
Windows – All-around with 2nd-row flip-open glass (LWB SRW with sliding passenger-side door only; requires privacy glass; n/a on LR model)

Safety & Security
Backup alarm2 (available Winter 2014)
Keys – 2 additional (4 total; manual keys with manual door locks; remote keyless entry key fobs included if equipped with power door locks)
MyKey® (restrictions apply; requires SecuriLock® Passive Anti-Theft System; includes level 2 instrument cluster; n/a with speed-limiting options, keyed-alike keys, radio delete, Radio Prep Package or Ford Customer Service Division remote start)
Perimeter anti-theft alarm (requires SecuriLock Passive Anti-Theft System; n/a with manual windows and door locks)
SecuriCode® keyless entry keypad (n/a with manual windows and door locks)
SecuriLock Passive Anti-Theft System

Optional Packages
Auxiliary Heater/AC Prep Package without rear controls
Builder’s Prep Package (late availability)
CNG/LPG gaseous Engine Prep Package
Heavy-Duty Trailer Tow Package
Modified Vehicle Wiring System
Radio Prep Package
RV Prep Package (XL; late availability)
Smoker’s Package
Trailer Wiring Provisions Package

Available Fleet-Only Options
Daytime running lamps
Keys – Keyed-alike (Fleet only)
Manual windows and door locks (restrictions apply; deletes power windows and door locks; does not include remote keyless entry fob)
Mirrors – Short-arm, manual sideview (requires manual windows and door locks)
Mirrors – Long-arm, manual sideview (requires manual windows and door locks)
Speed limitation (65- and 75-mph governed top speed options)

*Row availability varies by seating configuration.*
**Standard Features**

Includes all standard features, plus:

**Mechanical**
- Frame rail extension adapters
- Modified Vehicle Wiring System includes underhood powertrain circuit tap-ins and modified vehicle connections for customized wiring harness provisions; requires heavy-duty alternator and dual heavy-duty batteries
- 16" silver steel wheels with black hubcaps (silver front on DRW)
- Full-size spare tire and wheel delete

**Interior**
- AM/FM stereo with 2 speakers and digital clock
- Air conditioning
- Dome light with theater-dimming
- Flooring – Vinyl
- Headliner – Cloth
- Rearview mirror delete (Cutaway)
- Rearview mirror (Chassis Cab)
- Window – Rear (Chassis Cab)

**Exterior**
- Grille – Black with black surround
- Headlamps – Halogen with black trim
- Sideview mirrors delete
- Rear taillamp wiring – LED-capable
- Roof marker lamps

**Safety & Security**
- Passenger-side airbag deactivation switch (n/a with passenger side door delete options)

---

**Available Options**

**Mechanical**
- 3.2L Power Stroke® I-5 Turbo Diesel engine (includes cruise control with message center, dual batteries and PTC heater)
- Alternator – Heavy-duty 220-amp with gasoline engine; 210-amp with diesel engine (includes with Ambulance [Cutaway], Motorhome [Cutaway], Shuttle Bus [Cutaway], School Bus [Cutaway] and Multifunctional School Activity Bus [Cutaway] Prep Packages)
- Battery – Dual heavy-duty (standard with diesel engine and included with Ambulance Prep Package [Cutaway])
- Manual Regenerative Initiation (requires diesel engine)
- Manual Regenerative Initiation with Active Regenerative Inhibitor (requires diesel engine)
- Trailer brake controller (requires Heavy-Duty Trailer Tow Package and Trailer Wiring Provisions Package)
- 16" white steel wheels with mini-caps and lug nut covers (SPW only)
- 16" black steel wheel with silver-styled covers (SPW only; included with Exterior Upgrade Package)
- 16" aluminum wheels (n/a with 9,500 lbs. GVWR or greater; includes locking lug nuts)
- Air conditioning
- Dome light with theater-dimming
- Flooring – Vinyl
- Headliner – Cloth
- Rearview mirror delete (Cutaway)
- Rearview mirror (Chassis Cab)
- Window – Rear (Chassis Cab)

**Seating**
- 2-passenger
- 2-way manual driver and passenger seats with manual recline and driver’s armrest
- Pewter vinyl seats

**Interior**
- AM/FM stereo with single-CD player, 4" multifunction display, message center, SYNC® with MyFord®

Vehicle Security System
New Vehicle Limited Warranty. We want your Ford Transit ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. The Ford 3.2L Power Stroke® I-5 Turbo Diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Business Preferred Network. Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly.

Financial Services. Our commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLease™ programs offer a wide variety of package options to meet your needs. For additional information, please visit our website at fordcredit.com/comlend.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 24 months unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive Full-Size Vans, publicly available information and Ford certification data at time of release. Some features may be optional. Vehicles may be shown with optional and aftermarket equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions/capability ratings shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account. After trial period expires, SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions are sold separately or as a package, and are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. SiriusXM Traffic and Travel Link available in select markets.
