TRUCK

CABALLERO

Available Amarillo trim with distinctive two-tone paint

Diablo...dashing, sporty pickup. Tires are supplied by various manufacturers.

GMC TRUCK

CABALLERO

A truck you can live with

Caballero definitely doesn't look like a truck. Indeed, Caballero's sleek aerodynamic exterior, luxurious interior, and responsive performance are features usually associated with full-size passenger cars.

Nevertheless, Caballero's standard 4.3 Liter Vortec V6 and available 5.0 Liter V8 gasoline engines provide power and torque to haul a 1250-lb payload (including passengers, equipment, and cargo). And, properly equipped, Caballero can move up to 9000 lb, including itself, passengers, trailer, cargo, and equipment (for complete details, ask your GMC Dealer for a copy of the 1986 Trailing Guide). That's pretty impressive for an "untruck."

There are three beautiful Caballeros to choose from. Caballero is the standard model whose features are listed on the back cover.

Available Amarillo has all the standard features plus special bright moldings and a distinctive two-tone paint treatment with a choice of five color combinations.

Diablo is equipped with a sporty front air dam, new-style sport mirrors, Rally wheels, lower body accent paint in a choice of five two-tone combinations, black quarter-window moldings, and vinyl pinstriping decal over the paint break lines.

All Caballero models have rugged truck construction, extensive anti-corrosion treatment, coil-spring suspension, air-adjustable rear shock absorbers, and the built-in quality that's the hallmark of GMC Trucks.

Diablo...harmonious blend of style and practicality. Tires are supplied by various manufacturers.

— complimentary 3000-mile maintenance service including oil change and filter at no extra charge.

GMC Truck and GMC Dealerships are truly committed to making GMC Light Duty Trucks easy to live with. Our customers' total satisfaction is indeed our goal!

Applies to retail sales only.

COMMITMENT PLUS QUALITY GMC TRUCKS

Commitment Plus is one of the most complete joint sales and service customer satisfaction programs available on light-duty trucks today. It offers the following benefits:

- a thorough new-vehicle inspection
- one full tank of fuel
- complimentary 1000-mile inspection

Available 55/45-split bench seat with new knit velour cloth upholstery

LUXURIOUS INTERIORS

You'll know for sure Caballero is no ordinary truck when you step inside and relax in the cushiony standard 3-passenger notchback bench seat with fold-down center armrest. The standard knit velour cloth upholstery is new this year and there's a choice of five colors. Available vinyl trim comes in four colors.

Grasp the new color-keyed steering wheel and notice the handy column-mounted multifunction switch at your fingertips. Also, note the newly styled instrument panel with its highgloss black trim plates. Instruments have new graphics and control knobs, and a "Service Engine Soon" light warns when your engine needs attention.

Don't overlook the luxury of full-floor carpeting, stylish door trim panels with padded armrests and door pull straps, dual padded sunshades, and generous luggage and storage space behind the seat. If you prefer individual seating, you can order your Caballero with available 55/45-split bench seat with new cloth trim or choose the special CL (custom level) pillow-back style with new custom cloth trim. Or, you may select the ultimate luxury of high-back bucket seats with new cloth trim plus adjustable backs and headrests. With bucket seats, you may also choose the new-style console with a convenient utility tray.

See page 4 for available trim and accessories and back cover for more standard features for Caballero.

Available high-back bucket seats with new cloth trim. Shown with available new-style center console.

Newly-styled instrument panel with new color-keyed steering wheel

A WORD ABOUT ENGINES

GMC Trucks are equipped with engines produced at facilities operated by GM car and truck groups, subsidiaries, or affiliated companies worldwide.

IMPORTANT! A WORD ABOUT THIS CATALOG

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information you'll find here may have been updated. Also, some of the equipment shown or described throughout this catalog is available as factory-installed options, as dealer accessories, and as specialized equipment from various independent suppliers at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date.

The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, and models. Check with your GMC Dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS, AND OPTIONAL EQUIPMENT IN THESE GMC PRODUCTS

The GMC Trucks described in this catalog are assembled at facilities operated by General Motors. These vehicles incorporate thousands of different components produced by car and truck groups and various component divisions of GM and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety, and fuel economy requirements, or for other reasons, to

produce GMC products with different components or differently sourced components than initially scheduled. All such components have been approved for use in GMC products and will provide the quality performance associated with the GMC name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your truck is built. Your dealer receives advice regarding the current availability of options. You may ask the dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your truck includes the optional equipment you ordered, or if there are changes, that they are acceptable to you.

These vehicles also are available under the Chevrolet nameplate El Camino.

A WORD ABOUT UPDATED SERVICE INFORMATION: GMC Truck & Coach Operation regularly sends its dealers useful service bulletins about GMC Truck products. GMC Truck & Coach Operation monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll free 1-800-551-4123.

EXTERIOR COLORS — For accurate colors, ask your GMC Dealer to show you paint color chips. (M) - Metallic.

Let's Get It Together... Buckle Up

Every new 1986 GMC Light Duty Truck delivered by a GMC Truck Dealer in the United States comes with a one-year, \$10,000 safety belt insurance certificate from MIC General Insurance Corporation at no additional charge. \$10,000 will be paid to the estate of any occupant who suffers fatal injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

GMAC

At your GMC Truck Dealer, financing or leasing your new GMC Truck is as easy as saying GMAC...the financial services people from General Motors.
