Vehicles shown with available equipment. Preproduction models shown.
Actual production models may vary.
It matters in every pound-foot of torque, every millimeter of fit and finish and every decibel of quiet. This drives us to reimagine solutions and create rewarding driving experiences. That’s precisely why the new 2017 Canyon, powered by the available Duramax 2.8L I-4 Turbo Diesel engine, produces remarkable efficiency. And why the new 2017 Canyon Denali takes everything you want in a premium midsize pickup a step further by adding distinctive styling, a luxurious interior and exceptional standard features to make it truly the only one of its kind.
DENALI
THE ONE AND ONLY.

That’s quite a statement. Yet when you combine precision engineering with premium design, materials and appointments, the result is truly unique: the first-ever 2017 Canyon Denali. The iconic grille signals something special, while the tasteful use of chrome artfully elevates Canyon Denali to the sole position of premium midsize pickup. These additional features provide further proof.

+ 20” ULTRA-BRIGHT MACHINED ALUMINUM WHEELS
+ 5” CHROME ASSIST STEPS
+ SPRAY-ON BEDLINER WITH DENALI LOGO
+ CHROME FOG LAMP BEZELS
+ POLISHED EXHAUST TIP [V-6 ONLY]
CANYON DENALI IN RED QUARTZ TINTCOAT (color available December 2016)
shown with available equipment.
THE ENVY OF MOST SEDANS.

In here, you’ll find Denali everywhere you look and feel since our objective was to create comfort that’s hard to leave. The results are embroidered Denali front head restraints and supportive heated and ventilated leather-appointed front seats accentuated by unique contrasting stitching. We selected the Denali-exclusive leather specifically for its smooth, premium feel. And because it’s a Denali, many other premium features are standard.

+ HAND-STITCHED AND HEATED LEATHER-WRAPPED STEERING WHEEL
+ COLOR TOUCH-SCREEN NAVIGATION SYSTEM¹ WITH INTELLILINK²
+ BOSE® PREMIUM SEVEN-SPEAKER AUDIO SYSTEM
+ BURNISH ALUMINUM TRIM
+ CENTER CONSOLE WITH WIRELESS CHARGING MAT³

¹Map coverage available in the United States, Puerto Rico and Canada. ²Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. Data plan rates apply. ³The system wirelessly charges one PMA- or QI-compatible mobile device. Some devices require an adapter or back cover. To check for phone or other device compatibility, visit my.gmc.com/learn for details.
SLT

MIDSIZE. FULLY PREMIUM.

To complement its well-appointed cabin, Canyon SLT displays distinctive halogen projector-beam headlamps and signature GMC lighting as well as purposefully designed body lines sculpted for efficiency and a quiet interior. To personalize your Canyon, a long list of accessories is available to help enhance its function and appearance. Canyon SLT also features these additional appointments.

+ 18” POLISHED ALUMINUM WHEELS
+ SLIDING REAR WINDOW
+ CHROME DOOR HANDLES AND MIRROR CAPS
+ FOR AVAILABLE GMC ACCESSORIES, SEE PAGE 36
CANYON CREW CAB SLT IN DARK SLATE METALLIC shown with available equipment.

BED-MOUNTED BICYCLE CARRIER AND 5" CHROME RECTANGULAR ASSIST STEPS are available dealer-installed accessories.
BEST OF ALL, IT’S A TRUCK.

Trucks are built to be rough and tough. But there’s no rule that says they have to sound, feel and look that way on the inside. In Canyon SLT, you’ll find an exceptionally quiet and roomy interior; supportive, comfortably sculpted dual-firmness foam seats; premium materials such as aluminum trim, a soft-touch instrument panel and hand-stitched leather-wrapped steering wheel, and additional premium features.

+ LEATHER-APPOINTED HEATED FRONT SEATS
+ REMOTE VEHICLE START
+ POWER DRIVER AND PASSENGER SEATS WITH POWER LUMBAR
+ AUTOMATIC CLIMATE CONTROL
LOAD IT UP. WE DID.

Even before you fill it up with all your gear, Canyon SLE packs a lot. It puts a long list of standard features in one smart-sized package. Those design elements include a chrome grille surround and 17” aluminum wheels, as well as functional equipment such as power mirrors, remote keyless entry and these additional SLE features.

+ FOG LAMPS
+ BODY-COLOR DOOR HANDLES AND MIRROR CAPS
+ EZ-LIFT AND LOWER TAILGATE
+ DRIVER-SIDE SPOTTER MIRROR
5" CHROME RECTANGULAR ASSIST STEPS are available dealer-installed accessories.

CANYON CREW CAB SLE IN QUICKSILVER METALLIC shown with available equipment.
PLACES A PREMIUM ON MATERIALS.

At GMC, we believe in an inherent truth in materials. Not only must they look good, they must also feel good and provide durability. We made sure that Canyon SLE surrounds you with wear-resistant materials that are easy to maintain. You’ll also find hidden storage areas plus well-appointed features throughout the truck.

+ **8” DIAGONAL COLOR TOUCH-SCREEN AUDIO SYSTEM WITH INTELLILINK**
+ **SOFT-TOUCH INSTRUMENT PANEL WITH ALUMINUM TRIM AND CONTRASTING STITCHING**
+ **TELESCOPIC STEERING COLUMN**
+ **HEATED FRONT SEATS [AVAILABLE]**
+ **FOUR USB PORTS**

*Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. *Not compatible with all devices.*

shown with available equipment.
ALL TERRAIN

THE TRUCK FOR ALL SURFACES.

Living life to its fullest means not letting unpaved terrain stop you. That’s why Canyon All Terrain gives you the ability to make your own path. Add a unique interior and you get a truck designed and engineered to meet your high standard of capability. But why stop there? For 2017, the new available All Terrain X Package allows you to take on even more rugged conditions.

+ AUTOMATIC LOCKING REAR DIFFERENTIAL
+ HILL DESCENT CONTROL
+ TRANSFER CASE SHIELD
+ Z71 OFF-ROAD SUSPENSION
ALL TERRAIN X PACKAGE To help you conquer more challenging environments with confidence, the 2017 Canyon now offers the new available All Terrain X Package. It starts with the Canyon All Terrain and adds black 3” round off-road step bars, all-weather floor liners, spray-on bedliner and Goodyear® Wrangler DuraTrac® all-terrain tires.

TRANSFER CASE SHIELD Venturing off-pavement means encountering just about anything. Canyon All Terrain has the added protection to help safeguard vital components under the truck.

ALL TERRAIN WHEELS Dark Argent metallic cast-aluminum wheels have painted accents.

AUTOMATIC LOCKING REAR DIFFERENTIAL It directs power to the wheel with the most traction on loose gravel or slippery surfaces.

BODY-COLOR ACCENTS Front and rear bumpers, as well as the grille surround, match the vehicle body color.

HILL DESCENT CONTROL This feature uses antilock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal.
ALL TERRAIN OUTSIDE.
ALL COMFORT INSIDE.

Venturing off the beaten (and often unpaved) path in Canyon All Terrain means you’re doing it all from the comforts of a supportive, precision-crafted interior. You’ll only find these premium features in the All Terrain cabin.

+ ALL TERRAIN-EXCLUSIVE CONTRASTING RED STITCHING
+ UNIQUE ALL TERRAIN SEATING WITH ALL TERRAIN LOGO
+ SPECIAL DARK ALUMINUM ON THE INSTRUMENT PANEL
+ CARBON-FIBER-INSPIRED INTERIOR ACCENTS
CANYON ALL TERRAIN CREW CAB INTERIOR IN JET BLACK
shown with available equipment.
THE ONLY THING STEALTH ABOUT IT IS THE COLOR.

The Canyon Nightfall Edition offers a striking combination of black and bright exterior styling elements. Available with the SLE Crew Cab, it tells the world something unique is coming their way.

**BODY-COLOR DESIGN** Its monochromatic appearance is created with a body-color front bumper, grille, door handles and mirror caps.

**EXCLUSIVE SATIN GRAPHITE PAINTED ALUMINUM WHEELS** These 18” Satin Graphite painted aluminum wheels feature a multi-spoke design with black caps and raised GMC logos.

**RUGGED SPRAY-ON BEDLINER** It provides a durable nonskid surface. The black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

**POLISHED EXHAUST TIP** This dual-walled, angle-cut exhaust tip complements the chrome CornerStep rear bumper (gas engines only).

**REMOTE START** A bold attitude doesn’t mean having to give up the convenience of starting your Canyon from up to 197’ away.

**AUTOMATIC CLIMATE CONTROL** This heating and air-conditioning system allows you to set your desired temperature and have it maintained automatically.
CANYON CREW CAB NIGHTFALL EDITION IN ONYX BLACK shown with available equipment. Preproduction model shown. Actual production model may vary.
PRECISION ENGINEERING RUNS IN THE FAMILY.

SIERRA 1500 ALL TERRAIN CREW CAB SLT IN DARK SLATE METALLIC (right)
All vehicles shown with available equipment.
In Canyon, your always-connected life shouldn’t stop because you’re on the go. Connect from almost anywhere with an available 4G Wi-Fi® hotspot¹ and stay in touch.

4G WI-FI HOTSPOT The available built-in Wi-Fi hotspot means a fast internet connection for up to seven devices when Canyon is on. It’s reliable, powerful and easy to use, and can connect up to 50 feet away from Canyon. Enjoy a 3-month or 3GB data trial (whichever comes first).

DRIVER INFORMATION CENTER To make information easy to view at a glance, GMC designers created an available 4.2" diagonal multicolor Driver Information Center (DIC). Canyon’s DIC menu can be navigated with steering-wheel-mounted controls.

REAR-SEAT REMINDER This new feature activates when the rear doors are opened and closed up to 10 minutes before a trip or anytime while your vehicle is on. When Canyon is turned off, an audible alert and a message in the Driver Information Center remind you to check the second row.²

¹Requires a compatible mobile device, active OnStar service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T.²Does not detect people or items. Always check rear seat before exiting.
³Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply.⁴Map coverage available in the United States, Puerto Rico and Canada.⁵If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. For more information about Travel Link, visit siriusxm.com/trafficlink. Sirius, XM, SiriusXM and all related marks and logos are trademarks of SiriusXM Radio, Inc.
INTELLILINK Canyon’s available 8” diagonal color touch-screen is the perfect display for the available IntelliLink system. A separate system is also available with Navigation, which displays 2-D or 3-D map graphics on the center-mounted screen. NavTraffic (3 trial months of SiriusXM) incorporates real-time traffic and road conditions, directing you toward the most efficient route. Both feature natural voice recognition.

REAR VISION CAMERA SYSTEM Its available dynamic grid lines provide the perfect guide when backing up or hitching a trailer. Shown with the available 8” diagonal Color Touch Radio.

BOSE PREMIUM SOUND The optional Bose audio system is engineered to get you closer to the realism of a live performance with seven speakers to make sure you hear every note.
WE FILLED IT WITH SMART IDEAS.

The thought was, “How can a cargo box do more than just carry your gear?” That’s how we arrived at innovations that help you easily get into the bed as well as organize and secure cargo. In addition, Canyon is engineered to deliver exceptional payload capability, thanks to its large cargo box.

SPRAY-ON BEDLINER To provide a permanent, nonskid surface, the available black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

EZ-LIFT AND LOWER TAILGATE Loading the cargo box takes less effort thanks to an available EZ-Lift and Lower Tailgate.

REMOVABLE AND LOCKING TAILGATE The tailgate can be removed easily when you need a wide-open cargo box. It locks to secure cargo and help prevent tailgate theft.

HIGH-STRENGTH STEEL Unlike the stamped-steel approach, a roll-formed process is used in Canyon’s cargo bed, which allows for a higher-grade steel that’s stronger, lighter and more durable.

CORNERSTEP REAR BUMPER Integrated into the corners, the bumper steps make it easy to access the cargo box. The deep tread of the step accommodates large boots, and hand assists on the top of the side rails help give you a boost into the bed.

RAIL PROTECTORS Box rail protectors at the top of the box and across the top of the tailgate improve damage resistance.

TWO-TIER LOADING Standard two-tier loading allows a platform to split the load into upper and lower sections, making it easier to haul and store items.

MOVABLE TIE-DOWN HOOKS Four patented, load-bearing upper tie-down hooks are available. They can be repositioned in 13 locations around the box depending on the cargo being secured.
Canyon’s available Duramax 2.8L I-4 Turbo Diesel engine delivers abundant torque and horsepower—doing it all with remarkable efficiency. All of Canyon’s engine options combine efficient power and torque. Learn more about Canyon’s powertrain technologies at gmc.com.

+ **DURAMAX 2.8L I-4 TURBO DIESEL ENGINE [AVAILABLE]**

+ **3.6L V-6 VVT ENGINE [AVAILABLE]**

+ **2.5L I-4 VVT ENGINE**
3" BLACK ROUND OFF-ROAD STEP BARS
are available dealer-installed accessories.

CANYON CREW CAB SLT IN SUMMIT WHITE
shown with available equipment.
Another benefit of Canyon’s midsize efficiency is its ability to move nimbly in and around tight turns, spaces and switchbacks. That’s precisely why we engineered Canyon with electric power steering and an available automatic locking rear differential to help you maximize traction. There’s also an available AutoTrac 4WD transfer case so all wheels become empowered.

**Automatic Locking Rear Differential** Canyon offers this available feature that can lock both rear wheels so they can gain traction on loose gravel or slippery surfaces.

**Electric Power Steering** This feature helps improve efficiency versus engine-powered systems. The variable assist is tuned to provide less assist at highway speeds for a solid on-center feel, and more assist for less steering effort when you’re maneuvering in tight spaces.

**Active Aero Grille Shutters** Included on SLE and SLT models with a gas engine, grille shutters automatically close to maximize aerodynamic efficiency when conditions are right. The shutters are designed to remain open in situations where max airflow is needed.

**Corrosion-Resistant Duralife Brake Rotors** Engineers invented a patented, GM-exclusive corrosion protection process designed to help double rotor life—which can help reduce maintenance costs—by hardening rotor surfaces. It helps protect against rust to prevent steering-wheel shudder during braking.

**AutoTrac 4WD Transfer Case** This available 4WD system is ideal when traction conditions are variable. When driving in AUTO, the front axle is engaged and power is sent to the front and rear wheels automatically based on the driving situation.

**Hydraulic Engine Mounts** These mounts reduce engine vibrations for a smoother, quieter ride.
DIRECT INJECTION (DI) By injecting fuel directly into the combustion chamber at high pressure, fast and efficient combustion is achieved. DI enables higher torque and power and improved vehicle performance while improving efficiency.

VARIABLE-GEOMETRY TURBOCHARGER The variable-geometry turbocharger on the Duramax 2.8L I-4 boasts power and efficiency and features exhaust braking capability to help slow the truck down.

DURAMAX 2.8L I-4 TURBO DIESEL The available Duramax 2.8L I-4 Turbo Diesel packs 181 hp at 3400 rpm and 369 lb-ft of torque at 2000 rpm. It’s 82% biodiesel capable and mated to a 6-speed automatic transmission that features a Centrifugal Pendulum Vibration Absorber (CPVA) in the torque converter designed to control vibration and noise. When this absorbing damper is energized, it helps to cancel out the Duramax diesel’s torsional vibrations.

3.6L V-6 VVT For 2017, the new available 3.6L with Active Fuel Management (AFM) is engineered for responsiveness with the ideal blend of horsepower (308), torque (275 lb-ft) and efficiency. Its direct-injected 24-valve, dual-overhead-cam design allows it to accelerate smoothly and quickly for confident highway passing and merging, and AFM switches to four cylinders when less power is needed. Included with the available V-6 is Canyon’s new 8-speed automatic transmission.

2.5L I-4 ENGINE The large-displacement four-cylinder engine generates surprising horsepower (200) and torque (191 lb-ft) to produce greater capability. The engine is also tuned to deliver more torque at a lower rpm for strong acceleration.
Canyon defies its size by being strong enough to trailer up to 7700 lbs¹ when equipped with the Duramax 2.8L I-4 Turbo Diesel. It trailers up to 7000 lbs with the V-6 engine and the available Trailering Package. The gas I-4 and V-6 models can trailer up to 3500 lbs with a bumper-mounted ball hitch. Choose the Duramax engine, and an integrated Trailer Brake Controller and Diesel Exhaust Brake are included to make Canyon the first in its class to offer these vital control features.

FULLY BOXED FRAME Canyon’s frame is constructed with at least 70 percent high-strength steel for maximum people- and cargo-carrying capability.

AUTO GRADE BRAKING Included with the available automatic transmission, it senses when you want to slow your Canyon and engages a Grade Braking shift pattern to help maintain your desired speed.

TRAILERING PACKAGE On V-6 and Duramax Diesel models, achieve max trailering capacity with this available feature. Includes trailer hitch and seven-pin and four-pin connectors.

HILL START ASSIST Sensors automatically detect when Canyon is on a 5 percent grade or more. The system holds the brakes momentarily or until the accelerator is pressed, preventing rollback.

TOW/HAUL MODE To give you even more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode on V-6 and Duramax Diesel models raises automatic-transmission upshift points.

DIESEL EXHAUST BRAKE SYSTEM The available Diesel Exhaust Brake System works with Tow/Haul mode and Automatic Grade Braking to reduce the amount of braking needed while towing or traveling downhill.

TRAILER SWAY CONTROL This feature helps keep both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies both Canyon’s and the trailer’s brakes (if properly equipped) to help bring it back in line.

TRAILER BRAKE CONTROLLER For control and easy monitoring of your trailer brakes, Canyon offers an integrated Trailer Brake Controller. It’s located within easy reach of the steering wheel for quick adjustments. We include it with the available Duramax Diesel, and it is available with the 3.6L V-6 engine equipped with the available Trailering Package.

HILL DESCENT CONTROL Activated by pushing a button within easy reach, it uses antilock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal. (All Terrain models only.)

TAPSHIFT For command over Canyon’s shifting, TapShift puts controls on the shift lever. It’s available only on automatic-transmission models.

¹Canyon’s 7700-lb rating requires 2WD Crew Cab model, available Trailering Package and Duramax 2.8L I-4 Turbo Diesel engine. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
CANYON CREW CAB SLT IN QUICKSILVER METALLIC shown with available equipment.
Canyon’s available collision-avoidance technologies are engineered to help enhance your awareness of the road and surrounding vehicles. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Canyon Owner’s Manual for important feature limitations and information.

### Protection

#### Theft Deterrence
To help ensure that it remains in your possession, Canyon offers theft-deterrent technologies to keep potential thieves at bay.

#### Rear Vision Camera System
The center screen serves as your monitor for the rear camera. It helps you see what’s behind Canyon when backing up.

#### Tire Pressure Monitoring System
It uses sensors inside the wheels to alert you to the tires’ status and inflation level through the Driver Information Center.

---

**A NOTE ON CHILD SAFETY:** Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.
STABILITRAK — Canyon’s electronic stability control system helps improve stability by detecting and reducing traction loss.

LANE DEPARTURE WARNING — This available technology alerts you if you wander from your lane without signaling while traveling at speeds faster than 35 mph.

FORWARD COLLISION ALERT — The available Forward Collision Alert helps warn you if the system detects that a front-end collision situation is imminent while following a detected vehicle.

AIR BAGS — Six standard bags provide protection, including dual-stage frontal, head-curtain side with rollover protection, front-seat-mounted side-impact and a 360-degree sensor system to ensure proper bag deployment.

P 33 | PROTECTION
PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every 2017 Canyon. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES¹
3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²
5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY²
5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION²
WE’RE AS CLOSE AS THE BLUE BUTTON.

Standard for a limited trial period on most trims (available on the Canyon trim; not available on Canyon SL), the OnStar Guidance Plan1 (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your Canyon.

4G BUILT-IN WI-FI HOTSPOT® Canyon has an available built-in Wi-Fi hotspot for connecting up to seven tablets, laptops or other devices at 4G speed, so the content you crave is always headed where you are. Requires a data plan2 after the 3-month or 3GB data trial (whichever comes first).

ONSTAR BASIC PLAN® With the Basic Plan (available on the Canyon trim; not available on Canyon SL), you’ve got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You’ll have access to select services, which include limited features of the myGMC mobile app3 that lets you remote-start your vehicle (if equipped), pinpoint your vehicle on a map on your device and manage your vehicle’s Wi-Fi hotspot (if equipped). Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Advanced Diagnostics can help you monitor your vehicle’s key operating systems and simplify maintenance scheduling.

AUTOMATIC CRASH RESPONSE® In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can’t ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you’re never alone.

ROADSIDE ASSISTANCE® If you’re stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE® If your vehicle is stolen, once reported, OnStar can use GPS technology to pinpoint it and work with authorities to quickly help recover it. On many models, an Advisor can send a Stolen Vehicle Slowdown signal to slow the vehicle or a Remote Ignition Block signal to prevent it from being started. And with the new Theft Alarm Notification (if equipped), once locked, if your car alarm sounds, we can notify you.

TURN-BY-TURN NAVIGATION® Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myGMC mobile app.

ONSTAR 4G CONNECTION® With powerful 4G connectivity built right into your Canyon, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

myGMC MOBILE APP® You can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights (if properly equipped). You can also send destinations to your vehicle through your smartphone.

REMOTE ACCESS® A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights, or to remote-start/stop your vehicle {requires factory-installed remote start}. It’s technology hard at work to get you back on the road.

HANDS-FREE CALLING® Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn’t available. Choose from minute bundles or a minutes-per-month plan.

ONSTAR ATYOURSERVICE® This feature helps you discover value on everyday purchases along your daily routes. When you push your blue OnStar button, a friendly Advisor can send you offers to your favorite stores or restaurants, or find a hotel and book a room. You can also use the myGMC mobile app° to find deals near you.

ADVANCED DIAGNOSTICS® Your vehicle can run a check on key vehicle systems and send you a monthly diagnostics report or a real-time Diagnostic Alert available by email or text. You’ll know more and worry less with Advanced Diagnostics.

DEALER MAINTENANCE NOTIFICATION® Is it time for a tire rotation? An oil change? Or a new air filter? You’ll always know because your vehicle can email your diagnostics report to the dealer when it’s time, and the dealer will contact you to set up a service appointment.

ONSTAR SMART DRIVER® Now your vehicle can help make you a smarter driver. OnStar Smart Driver provides information about your driving behavior to help maximize your vehicle’s overall performance, reduce wear and tear, enhance fuel efficiency and help you become a better driver. You can review your assessment and share it with participating insurance carriers for potential discounts.

DATA PLAN

ACCESSORIES

CANYON CREW CAB SLT IN DARK SLATE METALLIC shown with available dealer-installed accessories.
GLOSS-BLACK GRILLE WITH BODY-COLOR SURROUND Personalize your vehicle with the gloss-black grille featuring a body-color surround (shown above). Available in a variety of exterior colors, it’s designed for a perfect fit and easily replaces the existing grille.

BED-MOUNTED BICYCLE CARRIER This is the upright bike carrier that sets the standard for bike-carrying flexibility and ease of use. It accommodates bike frames up to 3¹/₈" in diameter. Requires GearOn Cross Rails. Non-GM warranty. Warranty by Thule.®

ASSIST STEPS Stylish steps with textured step pads make it easier to get into and out of your Canyon. They’re available in 3” round step bar in black finish or 5” rectangular, with either chrome or black powder-coat finish. Both finishes add great style and excellent corrosion protection.

GearOn PACKAGES Canyon is all about helping carry more of your gear with you, so GearOn combines individual accessories into comprehensive packages. For enhanced cargo versatility, the new GearOn Rack System features interchangeable parts to meet your lifestyle and work needs. Your dealer can provide the specifics for the following packages:

GearOn Divider Package—Cargo tie-down rings and a bed cargo divider allow you to divide gear into compartments.

GearOn Bar Package—Cargo tie-down rings and tiered storage cross rails help you secure cargo of varying shapes and sizes.

BEDLINER Protect the bed of your Canyon with this durable bedliner. It’s fully ribbed, with a skid-resistant floor to help minimize load shifting. Black with GMC logo.

PREMIUM FLOOR LINERS Canyon’s floor liners take all-weather floor-mat coverage further with raised edges to protect floor and trim contours (shown above). The rear liners feature an easy-to-install and -remove two-piece design.

TOOLBOX Canyon’s hardworking toolbox can handle up to 250 lbs of storage. It mounts securely to the bed of your Canyon without drilling. It features a removable sliding tray and an integrated handle that make it easy to remove and carry.

HOOD PROTECTOR Canyon’s custom-designed and -molded hood protector deflects road debris while helping to shield the hood of your Canyon. It provides a precise fit by following the contour of the hood.

TONNEAU COVER The soft folding tonneau cover is constructed of durable, lightweight black-grained vinyl to help protect truck bed cargo from the elements. The tri-folding design allows for quick and easy installation and removal.

18" WHEELS Personalize your Canyon with 18" wheels. Stand out from the crowd with accessory wheels (shown on page 40) designed, engineered, tested and approved by GMC Accessories. All wheels feature a brilliant, durable finish and GMC logo center caps.

POLISHED EXHAUST TIP Add a sporty appearance to your Canyon with a dual-walled, angle-cut exhaust tip. Available for gas engine models only.

BED MAT Reduce cargo shifting with this easy-to-install, nonskid, nylon-reinforced rubber bed mat designed to fit the contours of your Canyon. Fully ribbed construction helps protect your cargo and the truck bed and simplifies cleaning. Withstands extreme temperatures. Tailgate liner available separately.

'1Cargo and load capacity limited by weight and distribution.  2Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For approved tire and wheel combinations and other important information, go to gmcaccessories.com or see your dealer for details.

SHINING EXAMPLES OF PREMIUM.

Building the Professional Grade 2017 Canyon means precisely engineering every inch of it from the ground up—including its wheels. That’s why you’ll find GMC wheels in a range of styles. See your dealer for more wheel availability details.

SELECTION

16" ULTRA-SILVER METALLIC (RS1)
Standard on SL and Canyon

17" BLADE SILVER METALLIC CAST ALUMINUM (Q5W)
Standard on SLE

17" DARK ARGENT METALLIC CAST ALUMINUM (R1U)
Included and only available on All Terrain

18" SATIN GRAPHITE PAINTED ALUMINUM (SKZ)
Included and only available on Nightfall Edition

18" ALUMINUM CHROME (SES)
Accessory Wheel

20" ULTRA-BRIGHT MACHINED ALUMINUM WITH PAINTED ACCENTS (RQ9)
Standard on Denali

18" POLISHED CAST ALUMINUM (RT5)
Standard on SLT

20" LOW-GLOSS-BLACK ALUMINUM (RZ0)
Accessory Wheel

Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For approved tire and wheel combinations and other important information, go to gmcaccessories.com or see your dealer for details.

1. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner’s Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver’s door jamb.

2. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

3. Requires Trailering Package.

4. Cargo and load capacity limited by weight and distribution.

5. When properly equipped; includes weight of vehicle, passengers, cargo and equipment.

**Mechanics**

- **Brakes**: 4-wheel antilock, 4-wheel disc with Duralife rotors
- **Cruise Control**: Electronic, automatic. On Canyon models, included and only available with Canyon Convenience Package.
- **Defogger**: Rear-window electric. On Canyon models, included and only available with Canyon Convenience Package.
- **Driver Information Center**: With monochromatic display. Provides warning messages, odometer, trip odometer and basic vehicle information.
- **Steering Wheel**: Manual tilt and telescopic. Tilt only on SL and Canyon trims.
- **Teen Driver Technology**:

**Interior Details**

- **Climate Control**: Single-zone manual climate control
- **Console Overhead**: Floor, includes front compartment
- **Floor Covering**: Color-keyed carpeting
- **Handles**: Door release, Jet Black Chrome
- **Mirror**: Inside rearview auto-dimming
- **Remote Keyless Entry**: On Canyon models, included and only available with Canyon Convenience Package
- **Remote Vehicle Start System**: On SLE models, included and only available with SLE Convenience Package
- **Windows**: Power with driver express-up and -down
- **Wireless Charging Mat**: Not compatible with all phones

**Exhaust Brake**: Switch-activated

**Engine Block Heater**: Included and only available with Duramax 2.8L Turbo Diesel engine

**Exhaust Brake**: Switch-activated

**Hill Descent Control**: Included with available Duramax 2.8L Turbo Diesel engine

**Integrated Trailer Brake Controller**: Requires available 3.6L V-6 and T railering Package. Included with available Duramax 2.8L Turbo Diesel engine.

**Stabilitrak**: Stability control system. Included with Trail Sway Control.

**DfW/HAUL Mode**: Included and only available with Duramax 2.8L Turbo Diesel or 3.6L V-6 engines

**Transfer Case**: Electric, 2-speed AutoTrac. Standard on 4WD models

**Transfer Case Shield**: Included and only available with 4.8L V-8 engine and automatic locking rear differential. On SL and SLE models, requires 3.6L V-6 or Duramax 2.8L Turbo Diesel engine and automatic locking rear differential. On All Terrain and SLT models, requires 3.6L V-6 engine or Duramax 2.8L Turbo Diesel engine. See your dealer for more availability details.

**Transmission**: 6-speed manual. Standard on SL and Canyon Extended Cab 2WD models only. On Canyon Extended Cab 2WD model, requires 2.5L I-4 engine.

6-speed automatic electronically controlled with overdrive. Includes Cruise Grade Braking and Powertrain Grade Braking. Standard on Canyon 4WD models with 2.5L I-4 engine. Included with Duramax 2.8L Turbo Diesel engine. 8-speed automatic electronically controlled with overdrive. Includes Cruise Grade Braking and Powertrain Grade Braking. Included with 3.6L V-6 engine only on Canyon and SLE trims. Standard on all Crew Cab Long Box models and 4WD Crew Cab SLE configurations.

**Engine**: 2.5L I-4, DI, DOHC, VVT. Not available on Extended Cab or Crew Cab configurations.

3.6L direct-injection V-6 VVT with Active Fuel Management. Standard on all Crew Cab Long Box models and 4WD Crew Cab SLE configurations.

**Eaton® Heavy-duty Automatic Locking Rear Differential**: Not available with Duramax Diesel

**Capless Fuel Fill**: Not available with Duramax Diesel

**Electronic Brake Control**: 4-wheel antilock, 4-wheel disc with Duralife rotors

**StabiliTrak**: Included with 3.6L V-6 engine only on Canyon and SLE models. Standard on all Crew Cab Long Box 4WD models and 4WD Crew Cab SLE configurations.

### KEY

- **Standard**
- **Available**
- **Not Available**

1. The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adapter or back cover. To check for phone or other device compatibility, visit mygmc.com/learn for details.
2. Not compatible with all devices.
3. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply.
4. Go to my.gmc.com/learn to find out which phones are compatible with the vehicle.
5. The OnStar Basic Plan is available for 5 years from the date of delivery of eligible 2015 model year and newer vehicles and is transferable, including Vehicle Diagnostics, Dealer Maintenance Notification and access to limited onStar apps.
6. The OnStar Basic Plan does not include emergency, security or navigation services. These and other services are available under a paid plan. Visit onstar.com for vehicle availability, coverage map, details and system limitations. Requires factory-installed remote start. Available 4G Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Requires factory-equipped vehicle navigation system. Ability to send a destination to a vehicle’s navigation screen through a smartphone is only available on 2016 model year and newer vehicles. Currently available to OnStar Guidance Plan subscribers in the U.S. only. Requires a compatible mobile device, active OnStar service and data plan. All services available in select markets. Visit onstar.com for coverage map, details and system limitations. Data plan provided by AT&T.
7. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-888-365-2345. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navigtraffic. For more information about Travel Link, visit siriusxm.com/travellink. Sirius, XM, SiriusXM and all related marks and logos are trademarks of SiriusXM Radio, Inc.
8. Requires IntelliLink and compatible iPhone running iOS 6 or newer. Map coverage available in the United States, Puerto Rico and Canada. Requires IntelliLink and compatible iPhone running iOS 6 or newer. Map coverage available in the United States, Puerto Rico and Canada. Requires active OnStar subscription and a data plan. Not all vehicles may transmit all crash data. Mobile app available on select iOS, Android™, BlackBerry® and Windows® devices. Services vary by device, vehicle and conditions. The OnStar Vehicle Locate Service can locate OnStar-equipped vehicles, not people. Requires an active OnStar subscription. OnStar Hands-Free Calling requires an existing OnStar service contract and available minutes. Not available in certain markets. Visit onstar.com for coverage map, details and system limitations. Available 4G Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Plus tax. Credit card payment required for monthly subscriptions. 9. NOTE: ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size in even an bare car. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active front restraint air bag. See your Owner’s Manual and child safety seat instructions for more information.

IMPORTANT WORDS

PRO GRADE PROTECTION

For 2017, Canyon comes with the Pro Grade Protection Plan, which includes two maintenance visits: 3-year/36,000-mile Bumper-to-Bumper Limited Warranty® and 5-year/60,000-mile Powertrain Limited Warranty.® Roadside Assistance and Courtesy Transportation. Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Canyon, to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE

Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION

Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight repair works. See your dealer for details.

GMC OWNER CENTER

A complimentary, one-stop resource to enhance your GMC ownership experience. It's easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage map, details and system limitations. Services vary by model and conditions.

SIRIUSXM SATELLITE RADIO

SiriusXM Satellite Radio® is standard on most Canyon models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-directed channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE

To help your Canyon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Canyon, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY

Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION

Please carefully review the Owner’s Manual for important safety information on trailering or off-road driving in your vehicle.

FLEET ORDERS

Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES

GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and GM Midsize Truck segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY

All GMC Canyon models come with a fully transferable, no-deductible 5-year/60,000-mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Canyon also comes with two maintenance visits within the first 2 years/24,000 miles (whichever comes first). See dealer for details.

ASSEMBLY

GM vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935)

GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
