Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in an appropriate infant, child or booster seat.

Visiting gm.com/e85 to see if there is an E85 station near you.

†When properly equipped; includes weight of vehicle, passengers, cargo and equipment.

††Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. See the GMC Trailering Guide for further details. **E85 is 85 percent ethanol and 15 percent gasoline.

In GM-approved wheel and tire combinations. For important tire and wheel information, visit gmaccessorieszone.com.
