MIGHTY LIKE A PRO

Mighty defeats size. It conquers the odds. Mighty is how pros perform. The all-new 2018 Terrain is the compact SUV reimagined with you in mind. Expressive design, relentless engineering and purposeful technologies are the latest reminders that the same passion and purpose that drive you also drive us. We’re setting our own standards and proving that Professional Grade isn’t merely a label; it’s a way of life. Terrain is the newest example that we’re all pros. We take a bold, mighty stance for what we believe in and pursue it like a pro.

CREATING DESIRE UPON FIRST GLANCE IS OUR TRADEMARK. SO, TOO, IS AN UNMISTAKABLE CONFIDENCE THAT HINTS AT THE ENGINEERING EXCELLENCE WITHIN THE 2018 TERRAIN.
To create an interior you’d feel comfortable in, we drew inspiration from the worlds of aviation, architecture, furniture and even wristwatches. Their resistance to the typical and the ordinary helped us create an interior refined around you.

**Watches**  We looked at high-end watches. Watches that projected a sense of quality and precision rather than decadence. This approach we translated into our gauge cluster to set a high-tech yet intuitive tone. The gauge cluster has a clean and easy-to-read design, delivering rich information to the driver with advanced technology and user interface.

**Architecture**  Terrain’s cabin was influenced by architects such as Eero Saarinen and others. They used materials in unique, innovative ways, creating modern and bold new looks. Our design team adopted the same philosophy to make the interior bold and modern. It needs to feel just as inviting.

**Aviation**  When you look at state-of-the-art aircraft, such as the Lockheed Martin’s F-35 fighter aircraft, their beautifully sculpted surfaces have an athletic quality. The fit and finish are precise, high-tech and well-integrated. These elements were brought into our design, giving Terrain’s interior a sculpted look and feel.

**Furniture**  We were heavily influenced by modern design. To be specific, we drew inspiration from mid-century modern designs. The idea that shapes serve a purpose, nothing is frivolous or ostentatious. The placement of premium materials provides a sense of quality and attention to detail. The use of contrasting stitching and the feel of a soft-touch instrument panel give the sense the interior was designed just for you.
There's a design harmony flowing between Terrain's exterior and interior to create a sense of consistency, spaciousness and symmetry. You'll find a blend of contemporary styling, premium soft-touch materials and authentic aluminum trim throughout the cabin. From your first entry, Terrain elevates the experience.
EASY TO ENTER. HARD TO LEAVE.
SPEAKS VOLUMES.
SILENTLY.
We’ve elevated Terrain’s design to a major art form. It’s bold and confident. Distinctive features—such as C-shaped LED signature lighting surrounding the headlamps and taillamps, exclusive Denali grille and sculpted wheels—perfectly integrate beauty and purpose to catch your eye while optimizing functionality.
OVERACHIEVE LIKE A PRO

FROM THE BEGINNING, WE’VE RELENTLESSLY PUSHED THE BOUNDS OF PHYSICS, SCIENCE AND MATHEMATICS TO NOT SIMPLY RAISE THE BAR, BUT COMPLETELY REINVENT IT.
YOUR DRIVE.
TURBOCHARGED.
No matter how you drive, Terrain’s turbocharged engines generate their own performance personality to match your needs. The 1.5L offers efficiency without sacrifice; the 1.6L offers diesel low-end torque and efficiency; and the 2.0L produces strong acceleration and pulling power (3,500 lb1 max trailering capacity). Transferring all of this performance to the road are all-new 9-speed automatic transmissions on the 1.5L and 2.0L gas-engine models and a 6-speed automatic transmission on the 1.6L Turbo Diesel. In fact, Terrain is the only vehicle in its class to offer a standard turbocharged engine combined with a 9-speed transmission.

1
Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

2
Available late summer 2017.
We expect you to challenge Terrain with a variety of driving environments, surfaces and conditions. The Traction Select system is engineered to allow you to make real-time adjustments to how Terrain responds based on those ever-changing driving situations.

Front-Wheel-Drive (FWD) models feature Normal, Snow and available Tow/Haul modes, while available All-Wheel-Drive (AWD) models offer Off-Road, available Tow/Haul and an AWD Disconnect mode engineered to optimize efficiency.

TENACITY
In a world full of noise, Terrain fills the cabin with quiet. We’ve helped reduce unwanted engine noise with Active Noise Cancellation in every 2018 Terrain. This technology identifies and reduces undesirable sounds by constantly monitoring and measuring engine noise. Terrain works to cancel out unwanted engine sound while preserving those sounds you want to hear. In addition, Terrain features an acoustically laminated windshield to help minimize wind and other outside noise while driving.
PERFORM LIKE A PRO

EVERY ELEMENT IN TERRAIN GOES BEYOND ITS BOLD, CONFIDENT APPEARANCE. EACH ONE SERVES A HEIGHTENED PURPOSE—GIVING A WHOLE NEW MEANING TO THE UTILITY IN SUV.
Terrain includes many storage solutions. For 2018, we replaced the traditional center console-mounted transmission shifter with a class-exclusive push-button and pull-switch based Electronic Precision Shift System. This creates an expansive lighted center console pass-through storage along with side-by-side cupholders. There's also plenty of storage in the center console with an organizing system, upper and lower door panels and a compartment built into the passenger-side instrument panel. We've also carved out plenty of under-floor storage in the cargo area.
We designed Terrain to handle the varied demands of your life. It quickly goes from comfortably accommodating people to easily allowing you to use every inch of space for cargo. A front-to-back flat load floor includes new fold-flat front passenger and 60/40 split folding second-row seats so you can easily bring objects up to 8 feet tall and 8 feet long. The hard material on the back of the front seat helps protect it from damage. With the front-passenger seat folded down, you have up to 81 cubic feet of max cargo space.1 To access all of this space, Terrain offers an available hands-free power liftgate.

1 Cargo and load capacity limited by weight and distribution.
SETTLE IN. NEVER SETTLE.

Have a seat, but not just any seat. A major focus in designing the 2018 Terrain was seat comfort—no matter which row you choose. On Denali models, in addition to available heated and ventilated front seats, we offer available rear outboard heated seats. Plus, rear-seat passengers get to personalize their comfort with two seatback positions. The driver seat offers available eight-way power adjustments with two-way lumbar, and there is an available six-way front passenger seat.

Terrain achieves the ultimate in support and comfort with seats engineered to maintain their shape from day one to the long road ahead.
To increase awareness of surrounding traffic, Terrain offers available intuitive driver-assist and safety technologies. They help you avoid collisions by pointing out potential threats. And like a pro, no other competitor in its class offers a GM exclusive Safety Alert Driver Seat.

Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings, and road conditions at all times. Read the vehicle Owner’s Manual for important feature limitations and information.
Terrain’s infotainment system is familiar and easy to use. Smartphone integration projects your phone’s screen and select apps onto Terrain’s 7” or available 8” diagonal center screen—allowing you hands-free access to text, music, available real-time traffic updates, music and more. And to truly make listening a pleasure, choose the available Bose® premium seven-speaker sound system.

Available 8” Diagonal Center Multi-touch Screen Includes:

- Apple CarPlay™ Compatibility
- Android Auto™ Compatibility
- Bluetooth® for phone and audio streaming
- Advanced voice recognition
- 4G Wi-Fi® Hotspot (Available)
- Navigation (Available)

DEFINE YOUR TERRAIN
Add your own exclamation point to the 2018 Terrain. GMC Accessories are designed so you can personalize your Terrain to fit your style as well as your needs. These accessories are also engineered and tested to meet your standards.

PREMIUM CARPET MATS
Enhance the appearance of your vehicle while helping to protect the carpet from rain, mud, snow and other debris with premium carpeted floor mats, available in Jet Black with two different color bindings, to complement your vehicle’s interior.

ASSIST STEPS
Get in and out of your vehicle with ease with these stylish molded assist steps, featuring a textured pattern for more sure footing and the GMC logo in the center of the step.

CARGO PACKAGE
Enhance the functionality of your cargo area with the Cargo Package. This includes an integrated cargo liner in Jet Black with red GMC logo that covers both the cargo area floor and the back of the rear seat, providing enhanced protection when carrying items of various sizes. To keep items secure, the cargo net with integrated storage pouch prevents small items placed inside from shifting and the retractable cargo security shade, which mounts behind the tire seat and extends rearward above the cargo area when in use.

ROOF MOUNTED CARRIER
Conveniently and safely transport your bicycle with the versatile side mounted Sidearm Bike Carrier by Thule.® Accommodates disc brakes, thru-axles and other non-traditional frame styles, and offers maximum frame protection, making contact with only the wheel.

ROOF RACK CROSS RAILS
Add function and style to your vehicle with the Black Cross Rail Package. These cross rails are removable and are the base for mounting other cargo-management accessories.

ALL-WEATHER FLOOR MATS
Help protect the floor of your vehicle with premium non-skid backing, specifically designed for waterproofing your vehicle’s floor. The mats are available in Jet Black with two different color bindings, to complement your vehicle’s interior.

NON-POWERED TABLET HOLDER
Second-row passengers can easily use their tablets on the road with the universal tablet holder. It securely holds a single tablet against the front seatback in a choice of portrait or landscape orientations, attaching to the driver- or front-passenger-seat head restraint posts.

FLOOR LINERS
Get maximum protection for the interior of your vehicle with premium all-weather floor liners. Specifically designed for your vehicle, they provide precise coverage around the interior trim, driver pedals, seat tracks and door jambs for substantial carpet coverage.

ALL-WEATHER FLOOR MATS
Help protect the floor of your vehicle from mud, snow and other debris with premium all-weather floor mats, featuring the GMC logo on the front mat, making it easy to identify the GMC accessory. The mats are made from rubber, and the locks keep them in place. The custom pattern collects rain, dirt, snow and other debris for easy cleaning.

PHOENIX SUNSHADE
Enhance the appearance of your vehicle while helping to protect the carpet from rain, mud, snow and other debris with premium carpeted floor mats, available in Jet Black with two different color bindings, to complement your vehicle’s interior.

PEACE OF MIND
Pro Grade Protection is standard on every 2018 Terrain. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY

5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION

WE’RE AS CLOSE AS THE BLUE BUTTON
Connect to a specially trained OnStar® Advisor just by pushing the blue OnStar® button in your Terrain. Every 2018 Terrain includes the OnStar 5-year Basic Plan, plus a limited service trial of the Guidance Plan that includes a comprehensive suite of emergency, security, navigation and diagnostic services.

EMERGENCY: HELP WHEN IT MATTERS MOST. With Automatic Crash Response, you can be immediately connected to the help you need the moment you need it (even if you can’t ask for it). If you’re stranded, have a flat tire or need a tow truck, use Roadside Assistance® and an OnStar Advisor will locate a nearby service provider and direct them to your exact location.

SECURITY: PROTECTION YOU CAN COUNT ON. Breathe easy knowing a comprehensive suite of Theft Alarm Notification services is available to help protect your vehicle. With Theft Alarm Notification, if your vehicle’s alarm is sounding, OnStar will work with authorities to help locate and recover it quickly.

NAVIGATION: TRAVEL MADE EASY. Turn-by-Turn Navigation™ makes everywhere you go as familiar as your own neighborhood. And with OnStar AtYourService®, get valuable offers for better ways to eat, shop, work and play.

CONNECTIONS: FASTER AND SMARTER. Stay connected anywhere, anytime with the available built-in Wi-Fi hotspot and connect up to seven devices at 4G speed.

VEHICLE MANAGER: PREPARING YOU FOR WHAT’S AHEAD. Enjoy the ultimate ownership experience with your myGMC mobile app. Use Remote Access™ to start your engine, lock and unlock your doors, flash the horn and flash the lights from anywhere there is cell phone service. Get real-time Diagnostic Alerts™ or a monthly diagnostics report of the vehicle's engine, transmission and more with Advanced Diagnostics™.
