LIVE LIKE A PRO
When you’re a pro, moving ahead means hitting the ground running and making every hour count. Then getting up tomorrow and doing it all over again, only better. This purpose-driven spirit lives at the very core of Yukon. With spacious seating for up to nine, distinctive styling and an unmistakable never-say-never identity, Yukon endures as the pinnacle of large SUVs.

Experience the SUV for you—the 2020 GMC Yukon and Yukon XL.
IT’S MORE THAN AN INTERIOR;  
IT’S A LEATHER-TRIMMED 
DIGITAL PLAYGROUND

Yukon Denali’s advanced technologies keep your life mobile.

Apple CarPlay™ and Android Auto™ compatibility enable hands-free phone integration, while wireless charging cuts the cord on powering up.

The color Head-Up Display projects useful information onto the windshield to help keep you focused on the road ahead.

Everyone stays entertained, simply by hitting “Play” on the infotainment system, Bose® Centerpoint® Surround Sound and the available Rear-Seat Entertainment System.

Wrapping all of this in tranquility is Bose Active Noise Cancellation, which lets you and your passengers stay informed and entertained while enjoying peace and quiet.

Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan; Apple CarPlay is a trademark of Apple, Inc., registered in the U.S. and other countries; and Apple Music requires a subscription. For details, visit support.apple.com. Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. Apple CarPlay is a trademark of Apple, Inc. Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. Android Auto 1 requires the Android Auto app on Google Play and an Android™-compatible smartphone running Android 5.0 or higher. Data plan rates apply. Android Auto is a trademark of Google LLC. 2The system wirelessly charges one compatible mobile device. To check for phone or other device compatibility, see my.gmc.com/learn or consult your carrier. 3Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.
In Yukon Denali, inspiring accommodations are provided by pleasurable seating and uncompromised materials designed and selected to comfort you—body and soul. Authentic burnished aluminum trim and Mamagique Ash wood grains, along with perforated first- and second-row leather-appointed seating, do exactly that.

CHOOSE YOUR SURROUNDINGS WELL. WE DID.
YOUR ADVENTURE AWAITS, WITHOUT LIMITS

No matter how you use it, Yukon and Yukon XL provide generous cargo room. To access all of it, the second-row seats offer an available power-release fold-and-tumble feature, while available third-row power fold-flat seats complete the transition from passengers to cargo. With both rows down, Yukon offers up to 94.7 cu. ft. and Yukon XL delivers up to 121.7 cu. ft.*

- FLAT, EASY-TO-LOAD CARGO FLOOR
- UNDER-FLOOR CARGO MANAGEMENT SYSTEM
- HANDS-FREE PROGRAMMABLE POWER LIFTGATE IS AVAILABLE
From effortless cruising to adventurous exploring, Yukon’s 5.3L V8 generates an overwhelming feeling of confidence with 355 hp, 383 lb-ft of torque and up to 22 mpg highway. Accelerate the performance and Yukon Denali’s 6.2L V8 engine paired with the 10-speed automatic transmission produces 420 hp, 460 lb-ft of torque and 23 mpg highway. Each engine is Direct Injection, Active Fuel Management and continuously Variable Valve Timing to deliver exceptional power, efficiency and reliability.

THE SECRET TO POWER IS HOW YOU USE IT
Everything about Yukon is designed and engineered for confident trailering so you don’t have to leave your boat, your camper and, especially, your passions at home.

Choose Yukon Denali with the 6.2L V8 and the 10-speed automatic transmission and pull up to 8,400 lbs.1 Yukon SLE and SLT models offer a maximum trailer rating of up to 8,500 lbs with the 5.3L V8 and the available Heavy-Duty Trailering Package.

Some of the technologies that make this all possible:

**TOW/Haul Mode**: This feature raises transmission upshift points to help accelerate and improve drivability when trailering or hauling heavy loads.

**Trailer Sway Control**: Helps keep your Yukon and your trailer heading in the same direction, automatically. The system uses StabiliTrak sensors to detect a swaying trailer, applying both Yukon’s and the trailer’s brakes (if properly equipped) to help bring it back in line.

**Integrated Trailer Brake Controller**: For fingertip control of your trailer brakes, an integrated trailer brake controller is available. Conveniently located to the left of the steering wheel, it displays the level of brake force, or “gain,” in the Driver Information Center.

---

Yukon color shown has limited availability.

---

6.2L + 10 SPEEDS + = 8,400 lbs¹

TRAILERING CAPABILITY

---

¹ To achieve maximum trailer rating, Yukon Front Suspension 4WD models with 6.2L V8, Yukon Front Suspension 4WD models with 5.3L V8 and Yukon models with 4WD are available with Heavy-Duty Trailering Package. Before you buy your vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
YUKON OFFERS AVAILABLE:
- FORWARD COLLISION ALERT
- AUTOMATIC EMERGENCY BRAKING
- SAFETY ALERT SEAT
- REAR CROSS TRAFFIC ALERT
- LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT
- ONSTAR® SAFETY & SECURITY COVERAGE

Helping you and your companions feel safe, secure and confident while riding in Yukon is our unwavering commitment.

That’s why Yukon offers a comprehensive collection of available safety and driver-assistance technologies. Drive confidently knowing that Yukon is engineered with the idea that the best way to handle a collision is to avoid it.

Discover more of Yukon’s available safety features at gmc.com/yukon/safety.

Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. See onstar.com for details and limitations.
TRAVEL FAR, STAY CLOSE

YUKON OFFERS:

- APPLE CARPLAY™ COMPATIBILITY (SHOWN TOP LEFT)
- ANDROID AUTO COMPATIBILITY™
- 4G LTE Wi-Fi® HOTSPOT®
- GMC CONNECTED SERVICES PLANS4 ARE AVAILABLE

GMC CONNECTED SERVICES4

Your new Yukon offers a host of in-vehicle benefits. Connected Access5 offers the latest technology to help you make the most of every drive—and you get standard connectivity for 10 years, giving you access to current features like monthly diagnostic emails and the ability to order and pay for takeout food and purchase fuel through your vehicle’s infotainment system with Marketplace (if properly equipped). You can also take your ownership experience to new levels by upgrading to other GMC Connected Services.

myGMC APP6

When you download the available myGMC app, you have access to features like scheduling service at participating dealerships, getting tips to help improve your driving, instant offers from select nearby merchants and other ways to simplify your ownership experience. When you upgrade to Remote Access,7 you can remotely start and stop the engine (if properly equipped), check fuel levels and even set and share notifications for vehicle arrivals and departures with Vehicle Locate.8 Discover how to stay connected at gmc.com.

YOUR YUKON STARTS HERE

GMC’s smart, comprehensive online tools elevate your shopping experience. Learn more about Yukon’s features, find the model that’s right for you and sign up for email updates at gmc.com/yukon.

THE REWARDS OF OWNERSHIP

As rewarding as driving a Yukon is, the rewards start long before getting behind the wheel. With My GMC Rewards, you can earn and redeem points on a wide array of GMC products and services, including the purchase of a new Professional Grade GMC vehicle. To enroll and learn more, visit mygmcRewards.com or use the MyGMC app. Then once you’re behind the wheel, a GMC Certified Service Dealer is there to help your Yukon live up to its performance promise. GM-trained technicians build upon their meticulous skill with Vehicle Diagnostics and connected technologies to deliver the authentic expertise your GMC deserves.

1 Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third-party members in the United States (excluding Guam, Puerto Rico and U.S. Virgin Islands). Points may be earned on leases or contracts for vehicles sold in the United States (excluding Guam, Puerto Rico and U.S. Virgin Islands). Points are not earned on taxes or certain fees and expire 5 years from when points are earned. Any unused amount of the voucher will be forfeited. Some restrictions apply. Visit mygmcRewards.com for program Terms and Conditions. 2 Available on select Apple® and Android™ devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection may be required to access certain features. 3 Diagnostic capabilities vary by model and plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. See onstar.com for details and limitations.

GMC’s Quicksilver Metallic color shown has limited availability.
BEYOND PERSONALIZED PLATES

GMC Accessories are the only way to fully personalize your entire Yukon—inside and out. They’re engineered and tested to meet our Professional Grade standards for your Yukon, as well as your own.

Find a full selection of Yukon and Yukon XL accessories at gmc.com/accessories.

PROFESSIONAL GRADE IS OUR DNA
NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY (BTO). GMC will warrant each 2020 Yukon from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle. GMC will also warrant each new wheelchair-accessible Yukon from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details). GMC does not represent a motor vehicle as a vehicle designed and equipped for the transportation of persons with disabilities. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

POWERTRAIN LIMITED WARRANTY (BTO). GMC will also warrant each 2020 Yukon from bumper to bumper for 5 years/100,000 miles ( whichever occurs first; see dealer for details) for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty, subject to the manufacturer's exclusions. The Bumper-to-Bumper Limited Warranty and the Powertrain Limited Warranty are void if there has been any unauthorized modification of the powertrain or if the vehicle has been involved in a碰撞. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information at the time of printing. Excludes other GM vehicles.

TRAILERING AND OFF-ROAD DRIVING INFORMATION

Please go to gmc.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THE CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, instructions for more safety information.

GM CERTIFIED SERVICE

To help your Yukon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Yukon, GM-trained technicians have the expertise to help care for it.

ONSTAR ® AND GMC CONNECTED SERVICES

ONSTAR acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations. Connected vehicle services require a paid connected vehicle services plan or trial, connected hardware, vehicle electrical systems (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit onstar.com for coverage map, details and system limitations.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. GMC is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ADDITIONAL NOTES

Assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering changes, they are acceptable to you.

GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.
