You can't stand still if you want to stay on top.

Applause from automotive experts and car lovers only encourages us to keep making the Accord better. So for 2006, styling has been significantly refreshed outside and in. Every model has more horsepower, numerous refinements and added features. And for sporting drivers, there's now an available Accord EX V-6 Sedan with a close-ratio 6-speed manual transmission to make the most of that big V-6 torque. So staying ahead of the pack should be even easier.
