The 1997 Honda lineup is more diverse than ever. Yet it's this diversity that makes the decision to buy a Honda so simple. Because you know that the engineering is unparalleled. That the attention to detail is meticulous. That everything will work exactly as it should. And the best part of all is there are now eleven Honda bodystyles to choose from. So you can be sure there's one to match your needs. From the ever-popular Accord to the exciting all-new Prelude and CR-V, it's simply a matter of which fits best into your life.
Powerful. Luxurious. The V-6 Sedan is a truly different class of Accord. A solid 170-horsepower V-6 engine provides the power. While an incredibly refined 4-wheel double wishbone suspension system makes the ride extremely smooth. And amenities are everywhere to ensure that one of the smoothest-performing, quietest-riding automobiles in its class is irresistible.
The Accord Sedan is the essence of Honda simplicity. It took the most advanced engineering and strict attention to detail to achieve this, of course. A strong 145-horsepower VTEC engine (EX), an extremely smooth ride and intelligently designed controls in a luxurious and spacious interior. What more could someone with a complex life want?
Sporty, self-assured, sophisticated. The Accord Coupe has a distinctive style to complement your own. The refined 4-wheel double wishbone suspension system, quiet ride and comfortable cabin let you fully enjoy the engine's performance. And there are two different models to choose from. One of which will look really nice parked in your life.

Driver's Seat with 6-Way Power Adjustment

Standard Dual Airbags

*In EX with available leather trim.

†Honda reminds you and your passengers to always buckle up.
The Accord Wagon provides the space you need, as well as the style, luxury and performance you want. The way it drives reminds you it’s an Accord. Thoughtful details inside—like a split fold-down rear seat and retractable cargo cover—remind you it’s a Honda. It’s a vehicle that’s designed to handle your family and your cargo as well as it handles the road.
The Civic Sedan delivers all that you want, and more than you expect. The powerful performance of a 127-horsepower VTEC engine (EX). The smooth ride and adept handling of a 4-wheel double wishbone suspension system. Classy, aerodynamic styling. And a roomy, ergonomic interior. You really must drive one for yourself.

Anti-Lock Braking System (EX)

Spacious/Versatile Interior
Sleek and refined, you’ll appreciate the Civic Coupe for its sense of style. You’ll also like the available continuously variable transmission (HX only), which combines the convenience of an automatic with the efficiency and performance of a manual. And the cabin is so well-appointed, you’ll feel indulged. For such a practical car, this is quite an ego-boosting experience.
What you want from the Civic Hatchback is all here. Versatility. Reliability. A lasting value. But there's more. Like an engine that defines the relationship between power and fuel economy. A suspension system that can handle just about everything. A very user-friendly interior. An easy-open hatch. And a sense of pride that you chose a car with all of this.
If you're looking for a minivan that does it all, the Odyssey fulfills even the highest expectations. It accelerates quickly and handles curves well. Like a car. The four doors open out and power windows roll down. Also like a car. And, with a third-row seat that folds into the floor, the seating and loading options abound. For just the kind of versatility you need.

Four-Door Design

Fold-Down Third-Row Seat
Whether you are going off-road or just off to work, you are in complete command with a Passport. A 190-horsepower V-6 engine, available shift-on-the-fly 4-wheel drive and plenty of ground clearance let you take in the great outdoors whenever you want. While rugged good looks and an attractive, roomy interior let you do it in style. So go to it.
Just when everyone thought they knew what to expect from a four-wheel-drive vehicle, along comes the exciting new Honda CR-V. Because it’s so much fun to maneuver, you might be surprised at all the room inside. Innovative features like Real Time™ 4-wheel drive and a handy removable picnic table make it seriously playful. It’s up to you to do it justice.

Cargo/Passenger Versatility

Removable Picnic Table
The all-new Prelude is infused with a 2.2 liter, 195-horsepower DOHC VTEC engine (manual), plus incredible handling, which makes you wonder about the laws of gravity. Thrilling performance. Advanced styling. A well-thought-out interior. It’s the embodiment of Honda’s promise to remain on the cutting edge of automobile technology.
A racing-inspired, 4-wheel double wishbone suspension system. An available 160-horsepower, dual overhead cam VTEC engine. Firm, contoured seats with moisture- and UVA-resistant fabric. And one very slick, lightweight, removable feature—the roof. The world is a present that’s wrapped in ribbons of road. It’s up to you to open it up. Have fun.
Honda has a long history of building safety into its vehicles. Company founder Soichiro Honda was deeply dedicated to developing engineering and technology that were superior to any other available. His philosophy continues to guide Honda. It demands that our engineers develop the very latest materials and technology so they can design vehicles that are safe, reliable and comfortable.

To help protect its occupants, every Honda vehicle has front and rear crush zones which help to absorb energy from severe full-frontal, offset-frontal and rear impacts. Every Honda vehicle also has a reinforced body and sturdy steel beams in each door to help provide side-impact protection.

Inside every 1997 Honda are standard dual airbags, 3-point seat belts at all outboard seating positions, plus child-proof rear door locks in four-door models. Together, all these components create an integrated safety system.
Active safety refers to how well a vehicle can avoid trouble. Toward this goal, Honda vehicles have a pronounced advantage. Sweeping outward visibility helps the driver see in all directions. Double wishbone suspension and precise steering allow for quick maneuvers. And anti-lock braking systems, available on a range of Honda vehicles, help to retain steering control when braking hard.

Passive safety is that which provides protection in the event of an impact. In addition to having front and rear crush zones, steel door beams, dual airbags, plus 3-point seat belts at all outboard seating positions, Honda vehicles have other safety features, like a collapsible steering column, a padded instrument panel, and front and rear impact-absorbing bumpers.

The available Anti-Lock Braking System (ABS) helps the driver retain steering control during hard braking, especially on slippery surfaces.

Sturdy Steel Door Beams and a reinforced body and frame help protect the vehicle's occupants in the event of a side impact.

Front and Rear Crush Zones help to provide protection for the vehicle's occupants by progressively folding to absorb energy from full-frontal, offset-frontal and rear impacts.
From the company's earliest days, Honda has been involved in racing and has won numerous championships. Currently, our engines are competing and winning in the PPG Indy Car World Series. Racing teaches Honda engineers how to quickly respond to challenges. It helps them develop new technologies, which frequently find their way into our production vehicles and engines, making them more powerful, durable and reliable.

In emission control, Honda is on the leading edge with its advanced engineering. The 106-hp Civic CX, DX and LX models that are available in California are the first mass-produced, gasoline-powered vehicles that meet that state's stringent Low-Emission Vehicle (LEV) emission standard.

The future will bring more innovative ideas from Honda, such as an electric car and a clean-burning natural gas vehicle, both now in development.
You don't have to look far into the future to find examples of Honda's advanced technology. Every new Honda has an aluminum-alloy engine block, cylinder head and pistons, plus has a 4-valve combustion chamber. Using aluminum alloy helps to reduce weight, which improves a vehicle's acceleration, handling and fuel economy. Honda engines also have sturdy forged-steel crankshafts and connecting rods for increased durability.

Some Honda engines use VTEC, a variable valve timing and lift electronic control system, to switch between two different sets of camshaft lobes to make more high-rpm power, yet maintain low-rpm fuel economy. VTEC is like having two engines in one.

For precise handling, all Honda vehicles have a 4-wheel double wishbone suspension, except the Passport, which has a front double wishbone and rear live axle suspension for its rugged, off-road capability.

The Continuously Variable Transmission (CVT), available on the Civic HX Coupe, uses variable ratio pulleys and a steel drive belt to deliver manual-like fuel economy, but provides shift-free operation by automatically changing the pulleys' ratios to match driving conditions.

*See specifications page for availability.*
Specifications and Features

Accord V-6 Sedan [LX, EX]

**Specifications**
- 2.7 Liter, 170-hp, 24-Valve V-6 Aluminum-Alloy Engine with PGM-FI
- Automatic Transmission: 4-Speed with Grade Logic Control System
- 4-Wheel Double Wishbone Suspension
- Front and Rear Stabilizer Bars
- 4-Wheel Disc Brakes with Anti-Lock Braking System (ABS)
- Power Rack-and-Pinion Steering
- 15" Wheels with Full Covers [LX]
- 15" Alloy Wheels [EX]
- P205/60 R15 91V All-Season Tires

**Features**
- Power Moonroof [EX]
- Leather-Trimmed Seats and Door Panel Inserts and Leather-Wrapped Steering Wheel [EX]
- Driver's Seat Adjustable Lumbar Support [EX]
- Driver's Seat with Power Adjustment: 8-Way [EX]; 6-Way [LX]
- Air Conditioning
- Power Door Locks
- Power Windows with Auto-Down Driver's Window
- AM/FM High-Power Stereo Cassette [LX]; with 6 Speakers [EX]
- Dual Airbags
- Cruise Control
- 2-Speed/Variable Intermittent Wipers
- Rear Window Defroster with Timer
- Body-Colored Dual Power Mirrors
- Body-Colored Side Moulding [EX]
- Dual Illuminated Vanity Mirrors
- Courtesy Door Lights
- Center Console Armrest with Storage Compartment
- Beverage Holder
- Adjustable Steering Column
- Trunk Pass-Through with Lock
- Fold-Down Rear Seatback with Lock
- Front Passenger Walk-In Seat
- Fold-Down Rear Seat Center Armrest
- Quartz Digital Clock
- Map Lights
- Lockable Glove Compartment with Light
- Tachometer
- Door-Pocket Storage Bins
- Cargo Area Light

**EPA Mileage Estimates** [City/Hwy]
- 4-Speed AT 19/25

For complete specifications and features, see individual product brochures.

Accord Sedan [DX, LX, EX]

**Specifications**
- 2.2 Liter, 130-hp, 16-Valve Aluminum-Alloy Engine with PGM-FI
  - [DX, LX]
- 2.2 Liter, 145-hp, 16-Valve VTEC Aluminum-Alloy Engine with PGM-FI [EX]
  - 4-Speed with Grade Logic Control System
- 4-Wheel Double Wishbone Suspension
- Front Stabilizer Bar [LX], Front and Rear [EX]
- 4-Wheel Disc Brakes with Anti-Lock Braking System (ABS) [EX]; Available on LX with AT
- Power Rack-and-Pinion Steering
- 14" Wheels with Full Covers [DX]; 15" Wheels with Full Covers [LX]
- 15" Alloy Wheels [EX]
- All-Season Tires: P185/70 R14 87S [DX], P185/65 R15 88S [LX], P195/60 R15 88H [EX]

**Features**
- Power Moonroof [EX]
- Available Leather-Trimmed Seats and Door Panel Inserts [EX]
- Leather-Wrapped Steering Wheel [EX with Leather]
- Driver's Seat with Adjustable Lumbar Support and Power Height Adjustment [EX]
- Driver's Seat with 6-Way Power Adjustment [EX with Available Leather]
- Air Conditioning
- Power Door Locks
- Power Windows with Auto-Down Driver's Window
- AM/FM High-Power Stereo Cassette [LX]; with 6 Speakers [EX]
- Dual Airbags
- Cruise Control
- 2-Speed/Variable Intermittent Wipers
- Rear Window Defroster with Timer
- Body-Colored Dual Power Mirrors
- Center Console Armrest with Storage Compartment
- Beverage Holder
- Tachometer
- Lockable Glove Compartment with Light
- Quartz Digital Clock
- Map Lights
- Cargo Area Light

**EPA Mileage Estimates** [City/Hwy]

### Specifications and Features

#### Civic Hatchback (CX, DX)

**Specifications**
- 1.6 Litre, 106-hp, 16-Valve Aluminum-Alloy Engine with PGM-FI
- Manual Transmission: 5-Speed
- Available Automatic Transmission: 4-Speed with Grade Logic Control System
- 4-Wheel Double Wishbone Suspension
- Power-Assisted Front Disc Brakes
- Rack-and-Pinion Steering (Power with AT)
- Styled Steel Wheels [CX]
- 14" Wheels with Full Covers [DX]
- P195/65 R15 82S All-Season Tires

**Features**
- Dual Airbags
- Reclining Front Seatbacks with Adjustable Head Restraints
- 50/50 Split Fold-Down Rear Seatback
- AM/FM High-Power Stereo with Clock [DX]
- Beverage Holder
- Impact-Absorbing Body-Colored Bumpers
- Adjustable Steering Column
- Rear Roof-Line Spoiler [CX]
- Body-Colored Rear Roof-Line Spoiler [DX]
- Driver’s Footrest
- Body Side Moulding
- Front and Rear 3-Point Seat Belts with Rear Center Lap Belt
- Remote Hatch Release
- Remote Fuel Filler Door Release
- Tinted Glass
- 2-Speed/Intermittent Windshield Wipers
- Coin Box
- Dual Manual Remote-Operated Mirrors
- Dual Vanity Mirrors
- Hatch-Open Warning Light
- Headlights-On Reminder
- Low-Fuel Warning Light [DX]
- Maintenance Interval Indicator
- Rear Window Defroster with Timer
- Rear Window Windshield Washer [DX]
- Removable Cargo Area Cover [DX]
- Seatback Pocket [DX]
- Trip Odometer
- Air Conditioning (Accessory)
- Front Center Armrest with Storage Compartment (Accessory)

**EPA Mileage Estimates** [City/Hwy]
- 5-Speed MT: 32/38
- 4-Speed AT: 29/35

#### Odyssey (LX, EX)

**Specifications**
- 2.2 Litre, 140-hp, 16-Valve Aluminum-Alloy Engine with PGM-FI
- Automatic Transmission: 4-Speed with Grade Logic Control System
- 4-Wheel Double Wishbone Suspension
- Front and Rear Stabilizer Bars
- 4-Wheel Disc Brakes with Anti-Lock Braking System (ABS)
- Variable-Assist Power Rack-and-Pinion Steering
- 15" Wheels with Full Covers [LX]
- 15" Alloy Wheels [EX]
- P205/65 R15 All-Season Tires

**Features**
- Power Sunroof [EX]
- Power Door and Tailgate Locks
- Remote Entry System [EX]
- Power Windows and Mirrors
- Air Conditioning, Front/Rear
- Dual Airbags
- AM/FM High-Power Stereo Cassette with 4 Speakers [LX]
- AM/FM High-Power Stereo Cassette with 6 Speakers [EX]
- Cruise Control
- Driver’s Seat with Power Height Adjustment [EX]
- Four Side Doors
- Front Bucket Seats with Armrests
- Removable Second-Row Bucket Seats with Inboard Armrests (6-Passenger)
- Retractable Fold-Down Third-Row Bench Seat
- Second-Row 50/50 Split Folding Bench Seat [LX] (7-Passenger)
- Beverage Holders (Front, Middle and Rear)
- Adjustable Steering Column
- Illuminated Vanity Mirrors (Driver and Front Passenger)
- Body-Colored Body Side Moulding [EX]
- 2-Speed/Variable Intermittent Windshield Wipers
- Rear Window Wiper/Washer and Defroster with Timer
- Rear Seat Heater Ducts
- Courtesy Door and Cargo Area Lights
- Map Lights [EX]
- Quartz Digital Clock
- Seatback Pocket
- Tailgate-Open Warning Light
- Coin Box
- Maintenance Interval Indicator
- Upper and Lower Glove Compartments
- Low-Fuel Warning Light

**EPA Mileage Estimates** [City/Hwy]
- 4-Speed AT: 21/26

#### Passport (2WD LX, 4WD LX, 2WD EX, 4WD EX)

**Specifications**
- 3.2 Litre, 190-hp, 24-Valve V-6 Engine with Multi-Point Fuel Injection
- Manual Transmission: 5-Speed; Available Automatic Transmission [LX, 4WD EX]
- Standard 4-Speed Automatic Transmission [2WD EX]
- Shift-on-the-Fly 4-Wheel Drive [4WD LX, 4WD EX]
- Limited-Slip Differential [4WD EX]
- Double Wishbone Front Suspension
- Semi-Elliptical Rear Suspension
- Front Stabilizer Bar
- 4-Wheel Disc Brakes
- Rear-Wheel Anti-Lock Braking System [LX, 2WD EX]
- 4-Wheel Anti-Lock Braking System [4WD EX]
- Variable-Assist Power Steering
- 16" Alloy Wheels [4WD LX, EX]; Styled Steel Wheels [2WD LX]
- P235/75 R16 M+S All-Season Tires [LX]
- P245/70 R16 M+S All-Season Tires [EX]
- Ground Clearance: 8.5" [LX], 8.3" [EX]

**Features**
- Removable Tilt-Up Moonroof [EX]
- Power Windows and Door Locks
- Power Doors and Mirrors
- AM/FM Stereo Cassette with 6 Speakers and Clock
- Dual Airbags
- Leather-Wrapped Steering Wheel [EX]
- Reclining Front Bucket Seats with Adjustable Head Restraints
- 60/40 Split Fold-Down Rear Seatback
- Beverage Holder
- Body-Colored Heated Dual Power Mirrors [EX]
- Center Console with Storage Compartment
- 2-Speed Windshield Wipers
- Remote Tailgate Window Release
- Flared Wheelwell Mouldings and Splash Guards [EX]
- Rear Window Defroster
- Rear Privacy Glass [EX]
- Cargo Net [EX]
- Map Lights [EX]
- Adjustable Steering Column
- Cruise Control
- Rear Window Wiper/Washer [EX]
- Tachometer
- Child-Proof Rear Door Locks

**EPA Mileage Estimates** [City/Hwy]
- 5-Speed MT: 16/19
- 4-Speed AT: 15/19 [2WD]; 15/18 [4WD]
Specifications and Features

**CR-V**

**Specifications**
- 2.0 Liter, 162-hp, DOHC 16-Valve Aluminum-Alloy Engine with PGM-FI
- Automatic Transmission: 4-Speed with Grade Logic Control System
- Real Time* 4-Wheel Drive
- 4-Wheel Double Wishbone Suspension
- Front and Rear Stabilizer Bars
- Power-Assisted Front Disc/Rear Drum Brakes
- Available Anti-Lock Braking System (ABS)
- Variable-Assist Power Rack-and-Pinion Steering
- 15" Styled Steel Wheels
- Available 15" Alloy Wheels
- 205/70 R15 All-Season Tires

**Features**
- Power Windows, Door Locks and Mirrors
- Air Conditioning
- Micron Air Filtration System
- AM/FM Stereo
- Dual Airbags
- Reclining Front Bucket Seats with Adjustable Head Restraints
- Driver's Seat with Height Adjustment
- Center Walkthrough
- Cruise Control
- Beverage Holder
- 50/50 Split Fold-Down Rear Seatback with Center Armrests
- Removable Folding Picnic Table
- Rear Splash Guards
- Two-Way Rear Tailgate/Glass Hatch Combination
- Exterior Spare Tire Carrier
- Remote Glass Hatch Release
- Adjustable Steering Column
- Seatback Pockets
- Maps Lights
- Front and Rear Intermittent Wiper/Washer
- Rear Window Defroster with Timer
- Tachometer
- Cargo Hook
- Accessory Outlet

**EPA Mileage Estimates* [City/Hwy]**
- 4-Speed AT (TBD, see your dealer)

---

**Prelude** (Prelude, Type SH)

**Specifications**
- 2.2 Liter, 16-Valve DOHC VTEC Aluminum-Alloy Engine with PGM-FI
- 195-hp [MT], 190-hp [AT]
- Manual Transmission: 5-Speed, Available Automatic Transmission: 4-Speed Sequential SportShift with Grade Logic Control System [N/A on Type SH]
- Active Torque Transfer System (ATTS) [Type SH]
- 4-Wheel Double Wishbone Suspension
- Front and Rear Stabilizer Bars
- Power-Assisted 4-Wheel Disc Brakes with Anti-Lock Braking System (ABS)
- Variable-Assist Power Rack-and-Pinion Steering
- 16" Alloy Wheels
- 205/50 R16 RE92 All-Season Tires

**Features**
- Power Moonroof with Tilt Feature
- Immobilizer System (Electronic Key Code Security System)
- Power Windows and Door Locks
- Leather-Wrapped Steering Wheel
- Leather-Wrapped Shift Knob [Type SH]
- Air Conditioning
- Dual Airbags
- Rear Spoiler with Integral LED Stoplight [Type SH]
- AM/FM Stereo CD Player with Honda AFB Sound and 6 Speakers
- Cruise Control
- Driver's Seat with Manual Height Adjustment
- Reclining Front Seatbacks
- Beverage Holder (Front/Rear)
- Front Passenger Walk-In Seat
- Front Center Armrest with Storage Compartments
- Fold-Down Rear Seatback with Lock
- Adjustable Steering Column
- Body-Colored Dual Power Mirrors
- Dual Vanity Mirrors
- 2-Speed/Intermittent Windshield Wipers
- Map Lights
- Quartz Digital Clock
- Rear Window Defroster with Timer
- Tachometer

*Prelude available 10/96; Type SH available Winter '97.
Perhaps the last thing you should know about your new Honda is the first thing that went into it. Our philosophy. To build vehicles of the highest quality and value in the countries where they are sold. Five out of seven Hondas sold in the United States are built here. Today, over 14,000 American men and women design, develop, manufacture and distribute Honda products. And more than three billion dollars has been invested in the manufacturing plants in Ohio. Honda is also committed to our customers: It is our mission to meet and exceed your expectations at each and every turn. Over 1,000 dealers can answer your questions and explain financing and leasing options. As well as the 3-year/36,000-mile limited warranty** and available Honda Care vehicle service contract. It's just one more reason Honda owners come back to Honda time and time again.
