

Can your car complement your life? It can—if you choose one that reflects your style, sense of fun, and concern for the environment.

steer your course

Presenting the 2012 Insight:

a hybrid that's designed—
and priced—for those of us
who count the miles, as well
as make the miles count.

#### Find your way. With over 10 million points of interest\* to quickly find your destination and FM Traffic to help avoid slow spots, the available Honda Satellite-Linked Navigation System<sup>™1</sup> can efficiently get you where you need to go. Plus, the rearview camera with guidelines

\*Some roads unverified. Please see your Honda dealer for more details.

can assist you with parking once you arrive.

#### Make a connection.

If better mpg translates into longer trips, the Insight is equipped to keep you in the comfort zone. Connect your iPod®\*\* to the USB Audio Interface2 and find the perfect song using the steering wheel-mounted audio controls (LX and above). Or make a call using Bluetooth®3 HandsFreeLink® (EX and above) while keeping both hands on the steering wheel."

### dash inside

It's a Honda, so "fun to drive" is built right in. The leatherwrapped steering wheel and racing-inspired paddle shifters (EX and above) will put the joy back into any commute. Or simply keep it in Drive and let the smooth continuously variable transmission (CVT) do all the work.

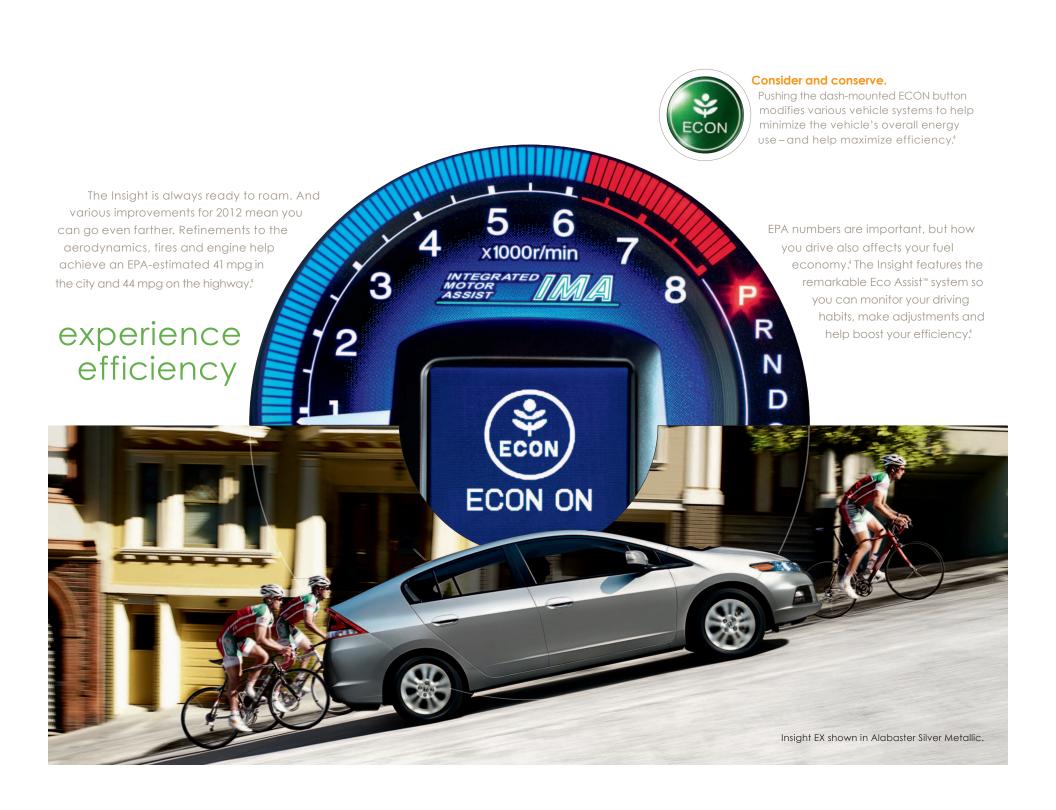

SATELLITE NAVIGATION SYSTEM

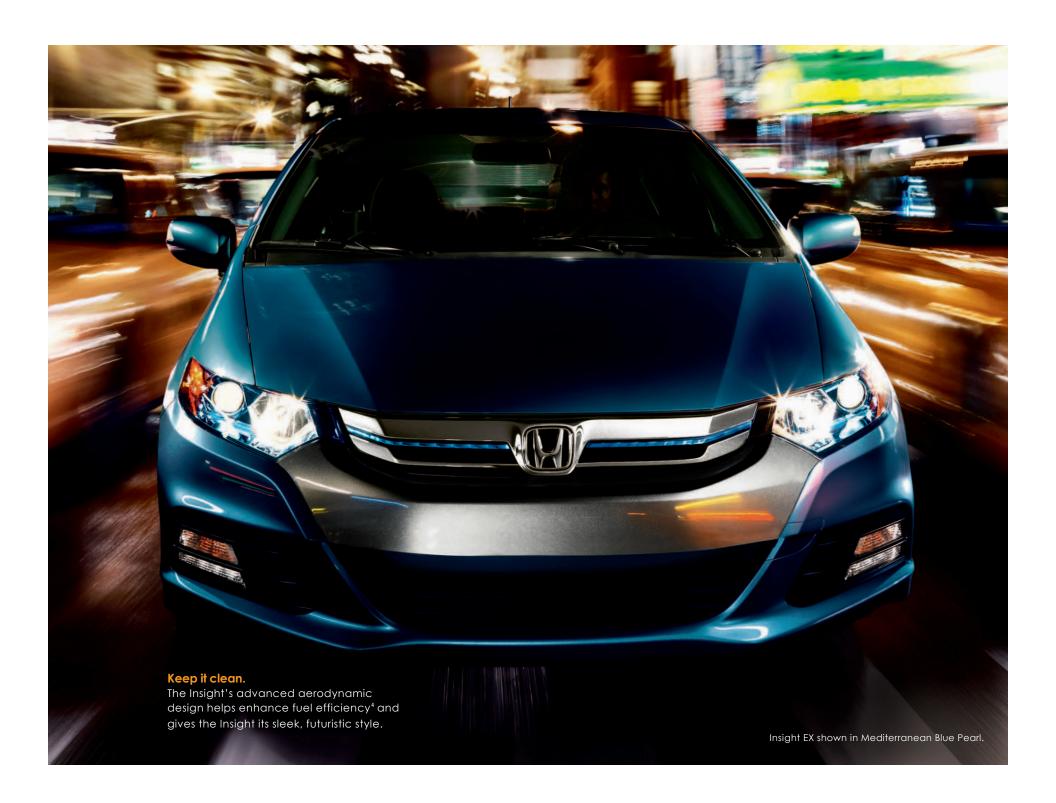

\*\*iPod classic® is a registered trademark of Apple Inc. ††Drive responsibly. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. For safety reasons, always launch your audio application or perform any other operation on your phone or audio device only when the vehicle is safely parked.

#### Be flexible.

The 60/40 split rear seat folds down to maximize cargo space and make it easier to slide in long objects! Enhancements for 2012 include upscale seating materials and extra rear-seat headroom.

†Honda reminds you to properly secure items stored in the cargo area.

#### Take a brake.

The hybrid engine makes for smooth starts. The standard anti-lock brakes with Electronic Brake Distribution (EBD) do the same for the stops.

## go safely

Along with advanced engine technology, Honda is dedicated to designing advanced safety technology. This includes active front head restraints, which move forward and up in a moderate-to-severe rear-end impact, reducing the likelihood of neck injury.

Also on the standard safety list: six airbags, a Tire Pressure Monitoring System (TPMS) and Vehicle Stability Assist (VSA®) twith traction control. And those are just a few of the standard safety features found on the 2012 Insight.

\*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in the rear seat. 4VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

<sup>\*</sup>Does not apply to fluid and filter changes. Will vary with driving conditions. Please see your Honda dealer for details.

All 2012 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by the 3-year/36,000-mile New-Vehicle Limited Warranty.\*

Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,\* too. The Battery Limited Warranty\* is 8 years/100,000 miles (ULEV rating) (non-CARB states).

For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

# **®HONDA**Financial Services

Whether you wish to buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

GENUINE ACCESSORIES

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

The Honda Insight is J.D. Power and Associates<sup>10</sup> "Highest Ranked Compact Car in Initial Quality in a Tie" in their 2011 Initial Quality Study<sup>50</sup> (IQS) (tied with Civic). Also, for the third consecutive year, the Insight was named a 2011 Top 10 Green Car by Kelley Blue Book's kbb.com.<sup>11</sup> Read about these awards and more at insight.honda.com.

Over 40 years ago, Honda took on the challenge of air pollution. Reports in the late '60s clearly showed the harmful effects of pollution on young people. "Blue Skies For Our Children" became the rallying cry for Honda engineers and soon, new technology was developed leading to cleaner automobile engines. This rallying cry remains an integral part of Honda culture, as we take on today's environmental challenges. By following this path, we have achieved major breakthroughs for the road, the home and the skies. And step by step we get closer to fulfilling our promise to the next generation.

¹The Honda Satellite-Linked Navigation System is available on the EX model in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.)
