There’s no better feeling than arriving in a car as beautiful and sleek as the all-new Honda Insight, except the satisfaction of knowing that it’s also a hybrid. With stunning design and an impressive fuel economy rating of 55-mpg city (LX and EX), the Insight always makes an entrance.

Looks That Impress
- Eye-catching alloy wheels
- LED headlights, taillights and brake lights
- Bold, aggressive grille and clean exterior lines

Insight Touring shown in Aegean Blue Metallic.

The hybrid that’s as beautiful as it is efficient.
The Insight features high-tech amenities and plenty of interior space. Once you enjoy them, you won’t be able to remember how you traveled without them.

Tech Made Easy
• Apple CarPlay™ integration*1
• Android Auto™ integration*2
• 8-inch Display Audio with high-resolution touch-screen, knob and hard keys*3
• HondaLink®*4
• Mobile hotspot capability*†
• 450-watt premium audio system*

*Available feature. Please refer to spec sheet for actual trim application.

Looking sharp never felt so smart.
With an airy, sporty aesthetic and elegant finishing details, the Insight is just as impressive inside. The spacious cabin provides a one-of-a-kind experience for drivers and passengers.

A Dash of Refinement
- Seating for 5
- Heated front seats*
- Perforated leather-trimmed seats *
- Dual-zone automatic climate control*

*Available feature. Please refer to specs for actual trim application.

Insight Touring shown in Crimson Pearl with Ivory Leather.
Sporty look, sporty feel.
Hold on tight. The available leather-wrapped steering wheel adds a touch of excitement to your drive. Plus, activate Sport Mode for an enhanced driving experience. It’s sure to make you feel the thrill of the road.

Start in style.
Want to get a jump on the morning? Available remote engine start will allow you to start the vehicle from up to 100 feet away. Then get behind the wheel and admire the intuitively designed Driver Information Interface. It displays phone call and audio data (EX, Touring) as well as trip information and driver-alertness reminders.

Plenty of space.
With a battery pack tucked out of the way under the rear seat, the Insight offers nearly 15 cubic feet of trunk capacity* for whatever you love. Plus, the 60/40 split rear seatback (EX, Touring) folds down to reveal a sizable pass-through, for those extra-large items.

Make a statement with LEDs.
The Insight comes with full LED headlights, including low-beam, high-beam, Daytime Running Lights and turn indicators, plus LED taillights and brake lights.

Honda reminds you to properly secure cargo items. *15.1 cu ft for LX and EX trims; 14.7 cu ft for Touring trim.
Even the most attentive of drivers can miss things. That’s why every Insight is equipped with Honda Sensing®, a full suite of safety and driver-assistive technologies designed to assist and help protect you and your passengers.

**Avoid misadventure.**

A - **Traffic Sign Recognition (TSR)**
TSR displays speed limit sign information to assist the driver while the vehicle is moving forward. The camera can recognize speed limit signs and display the information on the Driver Information Interface.

B - **Adaptive Cruise Control (ACC) with Low-Speed Follow**
ACC helps you maintain a set following interval behind detected vehicles for highway driving. If the detected vehicle slows to a stop, ACC is designed to slow and stop your vehicle as well. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

C - **Lane Keeping Assist System (LKAS)**
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Insight centered in a detected lane.

D - **Road Departure Mitigation System (RDM)**
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

**Collision Mitigation Braking System**
CMBS can help bring your Insight to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.
Where magnificent meets efficient. With a 55-mpg city rating (LX and EX): the Insight is more than just a beautiful ride. It’s an environmentally responsible vehicle that helps save on fuel.

Go the distance. With the exceptional fuel efficiency* of the two-motor hybrid system, this highly efficient vehicle can take you where you need to go, anywhere, every day, in style.

Digital display. Stay informed at a glance with the power flow monitor, which provides comprehensive details on hybrid performance.

Insight Touring shown in Crimson Pearl.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. All Honda Insight vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty.* Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty, too. Battery pack limited warranty may vary.* For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Honda Care® is an affordable comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer or call 1-800-33-Honda for details.

*For 2019 Insight models.

1. USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated Smartphone/Audio Interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.

2. AcuraLink Subscription Services come with complimentary trials of Security for one year and an Assist trial for three months. Enrollment is required to access the Assist trial and to access certain features of AcuraLink. 19 AcuraLink Subscription Services include: AcuraLink Security, AcuraFuel, AcuraLink Remote/Concierge, and AcuraLink Applications. Acura Applications include, but are not limited to, AcuraRemote, AcuraLink Security, HandsFreeLink, Hondawatch and HondaHouse.

3. Services are available in the contiguous United States and D.C. ©2018 SiriusXM Radio Inc. Sirius, XM and all related marks and logos are trademarks of SiriusXM Radio Inc. 15 HD Radio is a proprietary trademark of iBiquity Digital Corporation. 16 The Honda Satellite-Linked Navigation System is standard on the Touring trim in the United States, Canada and Puerto Rico. (Honda HD Digital Traffic service only available in the United States, except Alaska). Please see your Honda dealer for details.

4. Please see your Honda dealer for details. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. 12 The USB interface is used for playback of USB audio devices. Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google Inc. Google Maps and Google Now are trademarks of Google Inc. 11 “HondaLink” refers to the HondaLink® mobile application services for vehicle remote control and monitoring. HondaLink® services require a data plan and connection to the Internet. HondaLink® services are subject to terms of use and third-party terms of use and may require registration. Pricing, features and functionality may vary by area. Services may be subject to recording and monitoring for quality assurance and compliance with terms of use. HondaLink® services may be interrupted by equipment or network failure. Please see your Honda dealer for details.

5. City/Highway/Combined fuel economy ratings are based upon naturally aspirated engines, GPS data position, and estimates of typical driving. Rating reflects the city/highway/combined fuel economy rating for LX and EX trims. Helps save on fuel.

6. LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

7. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

8. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

9. CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.

10. 24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-967-2541.

11. HondaLink Subscription Services come with complimentary trials of Security for one year and a Remote/Concierge trial for three months. Enrollment is required to access the Remote/Concierge trial and to access certain features of HondaLink. HondaLink Security is an affordable comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer or call 1-800-33-Honda for details.

12. The USB interface is used for playback of USB audio devices. Apple CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google Inc.
