Life’s twists and turns will take you to unexpected places… and what could be better than that? The 8-passenger Pilot was designed to make every drive, day trip and extended vacation even more fun. So load up your family and friends and take full advantage of its impressive 25-mpg highway rating. The Pilot is ready and waiting, no matter where you and yours are headed next.

ADVENTURE FOR ALL.
EVERYONE’S INVITED.
Everything’s more exciting when you’re with your favorite people, which is why the Pilot offers a spacious interior with seating for eight. Tri-zone automatic climate control keeps everyone comfortable, whether they run hot or cold. And with seats that fold into 16 different positions, your cargo just might feel a little pampered, too.

60/40 SEATING
Stowing longer items while carrying passengers is no problem. Just pick a side.

UNIQUE CONFIGURATIONS
Enjoy even more options when you fold down the second or third row.

FOLD-FLAT CONVENIENCE
With both second and third rows folded, 4-foot-wide sheets of plywood can be carried completely flat.*
Driving a Pilot means you’re fully equipped for every journey. The available Honda Satellite-Linked Navigation System<sup>TM</sup> keeps you on track with turn-by-turn directions,* while the free FM Traffic feature helps you avoid gridlock. Two GB of internal storage lets you access your favorite tunes instantly. Navigation-equipped models also offer 15 GB* (about 3,500 songs) and Song By Voice.* Simply say the song title to hear it play. And the intelligent Multi-Information Display (i-MID) lets you upload a wallpaper photo, scroll through your phone book and keep tabs on fuel economy.

*Some roads unverified. Please see your Honda dealer for details.
PERFORMANCE ART.

There’s an art to engineering a 3.5-liter i-VTEC® V-6, and Honda’s best and brightest did just that. A robust and efficient 250-hp* engine pumps out 253 lb-ft of torque.* Variable Cylinder Management™ (VCM*) technology activates or deactivates up to three cylinders, giving you more power when you need it, and better fuel efficiency when you don’t. And we all can applaud the fact that the Pilot is an Ultra-Low-Emission Vehicle (ULEV-2).*

25

MPG / HWY RATING*
Honda is committed to helping provide safety for everyone. That means crash protection that focuses not only on our own drivers and passengers, but also on the occupants of other vehicles, as well as injury mitigation for pedestrians. We are dedicated to identifying and implementing new, advanced designs and features that help enhance safety on the road.

CONFIDENCE IS COMFORTING.
Pilot 4WD Touring shown with Gray Leather.

Airbags inflated for display purposes.

Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in a rear seat. (Depicted top left.)

ACE BODY STRUCTURE
The Honda-exclusive Advanced Compatibility Engineering™ (ACE™) body structure enhances occupant protection and crash compatibility in frontal collisions. (Depicted top left.)

TIRE PRESSURE MONITORING
The Tire Pressure Monitoring System (TPMS)* alerts the driver when pressure in any tire becomes significantly low. Navigation-equipped models display the current pressure of each tire.

CHILD SAFETY FEATURES
The Pilot is equipped with LATCH (Lower Anchors and Tethers for Children) in all three second-row seating positions and the passenger side third-row position.

SIX AIRBAGS
Every Pilot has standard front, front side, and side curtain airbags* that can help reduce the likelihood of injury in a collision.

VEHICLE STABILITY ASSIST
Vehicle Stability Assist™ (VSA)† helps sense oversteer or understeer, and brakes individual wheels and/or reduces engine power to help keep you on your intended course.

BRAKE ASSIST
Brake Assist, a component of the anti-lock braking system (ABS), helps apply full braking force in some emergency situations.

ACE BODY STRUCTURE

BRAKE ASSIST
Brake Assist, a component of the anti-lock braking system (ABS), helps apply full braking force in some emergency situations.

*Honda reminds you and your passengers to always buckle up. Children 12 and under are safest when properly restrained in a rear seat. VSA is not a substitute for safe driving. It cannot correct the vehicle’s course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.
With 8 inches of ground clearance and available 4-wheel drive, city potholes and country roads are no match for the Pilot. Its 4,500-lb (4WD) towing capacity is plenty capable whether you're hauling personal watercraft, motorcycles or more. A full-size SUV with exceptional strength, the Pilot will take you just about anywhere you want to go, whenever inspiration strikes.

Pilot LX
- 250-hp, 3.5-liter i-VTEC V-6 engine
- 5-speed automatic transmission
- ULEV-2 CARB emissions rating
- EPA mileage ratings (city/highway/combined): 2WD: 18/25/21 mpg; 4WD: 17/24/20 mpg
- Hill start assist
- Variable Torque Management (VTM-4) 4-wheel-drive system (available)
- MacPherson strut front suspension/multi-link rear suspension with trailing arms
- Six airbags
- Advanced Compatibility Engineering (ACE) body structure
- Vehicle Stability Assist (VSA) with traction control
- Daytime Running Lights (DRL)
- Remote entry
- Acoustic windshield
- Rear privacy glass
- Integrated Class III trailer hitch
- Pre-wired for trailer harness
- Multi-reflector halogen headlights with auto-off
- Tri-zone automatic climate control system
- i-MID with 8-inch screen, customizable feature settings and rearview camera with guidelines
- Bluetooth HandsFreeLink®
- Power window, door and tailgate locks
- Cruise control
- Illuminated steering wheel mounted cruise, audio and phone controls
- Tilt and telescopic steering column
- Map lights (all rows)
- 60/40 split, flat-folding, sliding and reclining 2nd-row bench seat
- 60/40 split, flat-folding 3rd-row bench seat
- 12-volt power outlets (front, 2nd-row and cargo area)
- 229-watt AM/FM/CD audio system with 7 speakers, including subwoofer
- 2-GB CD library
- USB Audio Interface
- Bluetooth® streaming audio
- MP3/auxiliary input jack

Pilot EX
(Adds to or replaces LX features)
- 18-inch alloy wheels
- Security system
- Body-colored power side mirrors (heated on 4WD models)
- Fog lights
- Multi-reflector halogen headlights with auto-on/off
- HomeLink® remote system
- Driver’s seat with 10-way power adjustment, including power lumbar support
- Tilt and telescopic steering column
- One-touch power moonroof with tilt feature
- Automatic-dimming rearview mirror
- Passenger’s seat with 4-way power adjustment
- Leather-trimmed interior
- Heated front seats
- SiriusXM® Radio

Pilot SE
Available summer 2014.
(Adds to or replaces EX features)
- Unique 18-inch alloy wheels
- One-touch power moonroof with tilt feature
- SiriusXM® Radio
- Honda DVD Rear Entertainment System (RES®) with 115-volt power outlet

Pilot EX-L
(Adds to or replaces EX features)
- Honda Satellite-Linked Navigation System™ with voice recognition, FM Traffic and multi-angle rearview camera with guidelines and compass
- i-MID with 8-inch high resolution screen, customizable feature settings and interface dial
- 246-watt AM/FM/CD audio system with 7 speakers, including subwoofer
- Hard disk drive (HDD), including 15-GB audio memory
- Bluetooth® Streaming Audio
- Multi-Information Display (i-MID)
- HomeLink®
- Memory-linked side mirrors
- Power tailgate
- Automatic-dimming rearview mirror
- Passenger’s seat with 4-way power adjustment

(Adds to or replaces EX-L features)
- Honda DVD Rear Entertainment System (RES®) with 115-volt power outlet

Pilot EX-L with Navigation
(Adds to or replaces EX-L features)
- Honda Satellite-Linked Navigation System™ with voice recognition, FM Traffic and multi-angle rearview camera with guidelines and compass
- i-MID with 8-inch high resolution screen, customizable feature settings and interface dial
- 246-watt AM/FM/CD audio system with 7 speakers, including subwoofer
- Hard disk drive (HDD), including 15-GB audio memory
- Bluetooth® Streaming Audio
- Multi-Information Display (i-MID)

Pilot Touring
(Adds to or replaces EX-L with Navigation features)
- Tire Pressure Monitoring System (TPMS) with location and pressure indicators
- Memory-linked side mirrors with integrated turn indicators
- Trailer harness
- Roof rails
- Body-colored parking sensors (front/rear)
- Honda DVD Rear Entertainment System (RES®) with 115-volt power outlet
- Integrated sunshades (2nd-row)
- Driver’s seat with two-position memory
- 650-watt AM/FM/CD premium audio system with 10 speakers, including subwoofer

All 2015 Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-year/36,000-mile limited warranty. Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

Customers who purchase a Honda Finance plan should refer to their contract for information about interest rates, term length, and other charges. Information is also available at HondaFinancialServices.com.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

 Honda Care® is not available in some states. Selection of plan features may vary by state. Includes services for engine, transmission, drive train, steering, brakes, and Suspension, and more. Availability based on plan features.

All Honda Genuine Accessories - whether purchased at the time of vehicle purchase or in the future - are backed by a 3-year/36,000-mile Limited Warranty. Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Honda Financial Services is a trademark of Honda Motor Co., Ltd. Honda is the official vehicle of the NHL®.
18 city/25 highway/21 combined mpg rating for 2WD models. 17 city/24 highway/20 combined mpg rating for 4WD models. Based on 2015 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle. 2 Carrying too much cargo or improperly storing it can affect the handling, stability and operation of this vehicle. Follow applicable load limits and loading guidelines. 3 The Honda Satellite-Linked Navigation System is available on EX-L models and standard on Touring models in the United States, Canada and Puerto Rico. (FM Traffic service only available in the United States, except Alaska.) Please see your Honda dealer for details. 4 Audio memory is a component of navigation system's hard disk drive (HDD). 5 The Honda Satellite-Linked Navigation System and DVD Rear Entertainment System are only available separately on EX-L models. 6 SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. XM satellite service is available only to those at least 18 years and older in the 48 contiguous United States and D.C. ©2014 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. 7 Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. 8 ULEV-2 (Ultra-Low-Emission Vehicle) models as certified by the California Air Resources Board (CARB). 9 For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details. 10 Maximum towing capacity for 4WD models is 4,500 lbs. Premium unleaded fuel is recommended when towing above 3,500 lbs. Maximum towing capacity for 2WD models is 2,000 lbs. Towing requires the addition of the Honda accessory towing kit, trailer harness and hitch ball. Trailer harness is standard on Touring models. Please see your Honda dealer for details. 11 250-hp @ 5700 rpm (SAE net). 12 The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license. 13 The USB Audio Interface is used for direct connection to and control of some current digital audio players and other USB devices that contain MP3, WMA or AAC music files.
