The 1979 Honda Prelude

To some, a sports car is a car that can accelerate away from a stoplight at blinding speed.

To others, a sports car is measured differently. The roofline should not exceed waist height, and it should be driven while lying nearly on one’s back with chin pressed to chest.

At Honda, we see things a little more simply.

Introducing the Honda Prelude. A sports car for grown-ups. People who are realistic about things like 55 mph speed limits and their personal comfort during a long trip.

But a sports car for grown-ups doesn’t have to be sedate. What with front-wheel drive, rack and pinion steering, steel-belted radial tires, and an advanced 4-wheel independent suspension system, it’s one of the most nimble Hondas we’ve ever made.

If you agree with our grown-up approach to designing this new automobile, we invite you to step inside a Honda Prelude.

Once you get in, you may never want to get out. And isn’t that really what a sports car should be?
The dash is simple to understand. The instrument cluster is within the perimeter of the steering wheel, for easy viewing. And the tachometer and speedometer are on the same axis, so both are large and easy to read.
The fully reclining front bucket seats are covered in a special handsome cloth seat fabric. The adjustable front seat headrests are also standard. And there is a stowage box in the center console as well as in the panel beside each rear seat.
A special standard feature of the new Prelude is the power-operated glass moonroof with manual sunshade. If you want fresh air, just press the button and the moonroof slides back. If you want shade, just slide the sunshade forward. Also standard is the athletic 1751cc version of Honda’s famous CVCC® Advanced Stratified Charge Engine.
Standard Features
A. Coin box, fresh air vent and electric rear window defroster switch
B. Trip odometer, maintenance reminder, coaxial tachometer with speedometer and electronic warning system
C. Digital clock and unique AM/FM stereo radio
D. Glove box with light
E. 5-speed manual transmission with console stowage box
   (manually-selected 2-speed Hondamatic transmission is optional)
F. Roomy trunk with convenient remote trunk lid release
G. Trunk stowage box
H. Power-assisted front disc brakes
I. Manually-operated sunshade
J. Power-operated tinted-glass moonroof

Accessories
A. Air conditioning, designed by Honda
B. Stereo cassette tape player
C. Trunk lid luggage rack
For a complete list of Honda quality accessories, see the following page.
Prelude Standard Features

CVCC® Advanced Stratified Charge Engine
Electronic Ignition
Front-Wheel Drive
Four-Wheel Independent Suspension
Rack and Pinion Steering
Negative Steering Roll Radius
Power-Assisted Front Disc Brakes
Dual Diagonal Brake Circuits
Lug Nuts
Steel-Belted Radial Ply Blackwall Tires
Bright Metal Wheel Trim Rings
Power-Operated Moonroof with Sunshade
AM/FM Stereo Radio with Unique Controls
Tachometer
Electronic Warning System
Maintenance Reminder
Low Fuel Warning Light
Digital Clock
Cigarette Lighter
Glove Box Light
Two Speed Plus Intermittent Wipers
Rear Window Defroster
Side Window Defrosters
Tinted Glass
Rectangular Headlights with Snow Drains
Trip Odometer
Day/Night Rearview Mirror
Coin Box with Lid
Stowage Boxes in Rear Seat Side Panels
Stowage Box in Center Console
Fully Reclining Front Bucket Seats
Full Carpeting
Combination Light Switch on Steering Column
Inside Hood Release
Remote Trunk Lid Release and Interior Light
Trunk Stowage Boxes
Protective Body Side Moldings
Plastic Corrosion-Resistant Fender Liners
Vanity Mirror—R. Sun Visor
Passenger Assist Handle—Right Windshield Post
Mud Flaps—Front Wheels

Prelude Accessories

Air Conditioning, Designed by Honda
Cassette Tape Deck with Power Booster and
4 Speakers
Aluminum Alloy Wheels 13" x 5"
Alloy Wheel Lock Set
Fender Well Trim
Illuminated Cigarette Lighter
Steering Wheel Covers, Grip Type
Trunk Lid Luggage Rack with Teak Inserts
Right-Hand Mirror
Door Edge Guards—Black
Front and Rear Sun Visor
Floor Mats—Rubber or Deluxe
Rear Mud Guard Set
