Multi-Reflector Halogen Headlights with Auto-Off
Integrated Bed Lights
Heat-Rejecting Green-Tinted Glass
Security System

1 For 2008, Honda is complying with the new SAE standard for measuring horsepower and torque. SAE net (Rev 8/04). This new method slightly reduces a vehicle’s horsepower rating and torque due to more stringent testing procedures. Many manufacturers are still using the older standard of measurement. Horsepower and torque can only be fairly compared if both vehicles were calculated using the same SAE standard.

2 Towing requires the addition of the Honda accessory trailer hitch and harness. Refer to the owner’s manual for additional towing information. Based on 2008 EPA mileage estimates. Use for comparison purposes only. Your mileage may vary. Based upon internal Honda testing for frontal and side impacts. The Honda Satellite-Linked Navigation System is available only in the 48 contiguous United States on select RTL models. HomeLink® is a registered trademark of Prince Corporation, a wholly owned subsidiary of Johnson Controls. XM is a registered service mark of XM Satellite Radio, Inc.

3 A 3-Year/36,000-Mile Limited Warranty: Dealer maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. See your Honda dealer for terms and conditions of the warranty. Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat. Specifications, features, illustrations and equipment shown in this brochure are based upon the latest available information at the time of printing. Although descriptions are believed to be correct, accuracy cannot be guaranteed. American Honda Motor Co., Inc., reserves the right to make changes at any time, without notice or obligation, in colors, specifications, accessories, materials and models.
