A new, more powerful 6.2L V8 engine. A completely redesigned luxury interior featuring a new instrument panel, optional full third-row seating and DVD entertainment system. Plus, new safety features like Panic Brake Assist and head curtain side air bag* tell you — the new H2 is here.

*Always use safety belts and the correct child restraints for your child’s age and size. Even in vehicles equipped with air bags, children are safer when properly secured in the rear seat. If this vehicle is equipped with active head restraints and they are not equipped with air bags, children should ride in the rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner’s Manual and child safety seat instructions for more safety information.

One-third of the earth beckons.

Whether it’s the 2008 H2 SUV or SUT, owning a HUMMER affords you the ultimate freedom to go just about anywhere and do just about anything. While allowing you to reconnect to all those things that make you feel like yourself again.

When designing the H2, our task was absolute — create the leader in the Sport Utility category. By wrapping our iconic HUMMER exterior around a luxurious new interior and more powerful 6.2L V8 engine — capable of generating 393 hp and 415 lb-ft of torque, we did just that. And created another vehicle that is truly Like Nothing Else.
Every HUMMER is designed to do something remarkable. Choose the one that is right for you and then make it your own through a variety of trim packages, color and interior options.

H2 True to the HUMMER lineage. The SUV that strikes the perfect balance between off-road capability and on-road comfort. Featuring a new Vortec 6.2L V8 engine, 6-speed Hydra-Matic 6L80 automatic transmission and completely redesigned interior.

H2 SUT It's the H2, only slightly modified. Featuring a foldable midgate that creates a pick-up length of six feet, extending the possibilities of what you can do with your H2.
2008 H2 TRIM LEVELS

**H2 ADVENTURE**
- Self-leveling rear air suspension system
- On-board air compressor
- Brush grille guard
- First-aid and tool kit

IMPORTANT WORDS ABOUT THIS CATALOG: We have tried to make this catalog comprehensive and factual. However, we cannot guarantee that all information is correct, complete, or up-to-date. We reserve the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, availability, dimensions, specifications, and other information. Your vehicle may differ due to variations in manufacture and equipment. Some information may have been updated since the time of printing, please check with your HUMMER dealer for complete details. HUMMER reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times.

ASSEMBLY: HUMMER vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce HUMMER vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES: HUMMER products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in HUMMER products may also be used in other GM makes and models.

A NOTE ABOUT CHILD SAFETY: Always use safety belts and the correct child restraint for your child’s age and size. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner’s Manual and child safety seat instructions for more safety information.

ONSTAR: OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscriptions are offered on a fully-deductible, annual basis. Call 1.888.4.ONSTAR (1.888.466.7827) or visit onstar.com for OnStar’s Terms and Conditions, Privacy Policy, and system limitations and details. For coverage maps, visit onstar.com and click on “OnStar service and coverage map.”

REVISED AGAIN: Changes are being made to the 2008 model year vehicles. Check your local GM dealership for details.
