
The HUMMER H3 — the midsize SUV that strikes a perfect balance between off-road capability, on-road comfort and efficiency, becomes more powerful.

Introducing the ultimate H3 — the H3 Alpha. Part of the higher echelon of HUMMER vehicles, the Alpha is versatile both on- and off-road and features a rippling 5.3L V8 engine with 300 well-domesticated horses to get you “out there” even faster. The V8 is coupled with an electronically controlled four-speed automatic transmission and enables you to tow up to 6,000 pounds. On the inside are newer refinements like a standard leather-appointed interior, optional rear vision camera system for parking assistance, and an in-dash 6-disc CD changer with a premium 7-speaker sound system. And on the outside, a prominent “Alpha” tailgate badge heralds your departure from the ordinary and your arrival into a whole new class.

The 2008 H3 Alpha. The perfect combination of performance, power, capability and luxury in a midsize SUV. And a vehicle that is truly Like Nothing Else.
Every HUMMER is designed to do something remarkable. Choose the one that is right for you and then make it your own through a variety of trim packages, color and interior options.

H3 The midsize HUMMER that is fully off-road capable. Its smaller size makes it more nimble, more fuel efficient* and easier to drive than any HUMMER before it.

H3 ALPHA The H3. Only more powerful. Featuring more horsepower, more torque, more towing capacity. The H3 Alpha excels both on- and off-road. Also available in combination with the H3X.

H3X It’s the H3 remixed. A HUMMER that takes its inspiration from the city. With chrome accents, chrome wheels, bright roof rack crossbars and a host of other accessories.

*EPA estimated mpg 14 city/18 highway.
2008 H3 TRIM LEVELS

**H3 ADVENTURE**
Includes fully locking electronic rear differential, 4.03:1 2-speed transfer case, 33-in. LT285/75R16C on-road/off-road tires, in-dash 6-disc CD changer with 7-speaker Monsoon® sound system.

### H3 and H3 Alpha Technical Specifications

#### Engine
- **Type**
  - H3: Vortec 3700 3.7L cast-aluminum block and cylinder head
  - H3 Alpha: Vortec 5.3L V8 cast-aluminum block and cylinder heads
- **Horsepower**
  - H3: 242 hp @ 5600 rpm (SAE)
  - H3 Alpha: 300 hp @ 5200 rpm (SAE)
- **Torque**
  - H3: 242 lb-ft @ 4600 rpm
  - H3 Alpha: 320 lb-ft @ 4000 rpm
- **Fuel Injection Type**
  - Multi-point sequential fuel injection
  - Multi-point sequential fuel injection
- **Displacement**
  - H3: 223 cu. in.
  - H3 Alpha: 325 cu. in.
- **Bore and Stroke**
  - H3: 3.76 x 4.00
  - H3 Alpha: 3.78 x 3.62
- **Compression Ratio**
  - H3: 10.0:1
  - H3 Alpha: 9.9:1
- **Crawl Ratio**
  - Base Vehicle: 45.0:1
  - With Optional Off-Road Suspension Package: 69.0:1
- **Transmission**
  - Manual: 13 mpg city / 18 mpg highway
  - Automatic: 14 mpg city / 18 mpg highway
- **Recommended Fuel**
  - Regular unleaded
- **Fuel Consumption**
  - Manual Transmission: 13 mpg city / 18 mpg highway
  - Automatic Transmission: 13 mpg city / 14 mpg highway
- **Transmission Control System (TCS)**
  - Brake-controlled, single-wheel control capability
  - Brake-controlled, single-wheel control capability
  - with rear axle electronic locking differential
  - with rear axle electronic locking differential
- **Steering**
  - Power-assisted, rack-and-pinion
  - Power-assisted, rack-and-pinion
- **Brakes**
  - Electro-hydraulic power brake booster, 4-wheel anti-lock, 4-piston opposed fixed front caliper, and single-piston sliding rear caliper with Dynamic Rear Proportioning
  - Electro-hydraulic power brake booster, 4-wheel anti-lock, 4-piston opposed fixed front caliper, and single-piston sliding rear caliper with Dynamic Rear Proportioning
- **Front Suspension**
  - Independent SLA torsion bars, 46 mm monotube gas-charged shocks, and 36 mm tubular stabilizer bar
  - Independent SLA torsion bars, 46 mm monotube gas-charged shocks, and 36 mm tubular stabilizer bar
- **Rear Suspension**
  - Multi-leaf, semi-elliptic dual-stage leaf spring, 36 mm monotube gas-charged shocks and 25 mm rear stabilizer bar
  - Multi-leaf, semi-elliptic dual-stage leaf spring, 36 mm monotube gas-charged shocks and 25 mm rear stabilizer bar
- **Frame**
  - Fully welded frame
  - Fully welded frame
- **Wheels & Tires**
  - 16 x 7.5-in. aluminum wheels, 32-in. P265/75R16 steel-belted tires with full-size spare tire
  - 16 x 7.5-in. thin spoke chrome wheels, 32-in. P265/75R16 steel-belted tires with full-size spare tire

#### Weights & Capacities
- **GVWR**
  - H3: 6,001 lb.
  - H3 Alpha: 6,001 lb.
- **Curb Weight**
  - H3: 4,700 lb.
  - H3 Alpha: 4,851 lb.
- **Payload, Maximum**
  - H3: 1,150 lb.
  - H3 Alpha: 1,150 lb.
- **Towing, Maximum**
  - H3: 4,500 lb.
  - H3 Alpha: 6,000 lb.
- **Fuel Tank Capacity**
  - H3: 23 gal.
  - H3 Alpha: 23 gal.
## STANDARD FEATURES

### Power windows
- Including "express down" driver window

### Power door locks

### OnStar®
- With a 1-year Safe & Sound service plan

### Dual front air bags with Passenger Sensing System

### Power door locks

### Seating for five

### Cloth seats

### Fold-down 60/40 split rear seat

### Electric rear window defogger

### Manually controlled front air conditioning system with electronic controls

### AM/FM stereo with CD player

### Driver Information Center with up to 22 alerts

### Two 12-volt auxiliary covered power outlets in front; one covered outlet in the rear cargo area

### StabiliTrak Stability Enhancement System

### Traction Control System (TCS)

### Content alarm theft deterrent system

### PASSLock™ theft deterrent vehicle security system

### Chrome Appearance Package
- Includes door handles and mirror caps

### Trailer hitch and wiring harness

### 16 x 7.5-in. chrome wheels

### In-dash 6-disc CD changer with premium 7-speaker Monsoon® audio system

### 4-wheel disc brakes with ABS

### 2.64:1 2-speed transfer case

### 33-in. LT285/75R16C on-road/off-road tires

### Rear vision camera system

### Learn more at www.HUMMER.com

## OPTIONAL EQUIPMENT

### Auxiliary 12-volt outlet in the rear cargo area

### XM Radio with 3 trial months of service

### Hydra-Matic 4L60-E 4-speed automatic transmission

### 4.03:1 2-speed transfer case

### 33-in. LT285/75R16C on-road/off-road tires

### Additional exterior lighting:
- Headlamp washers
- Front fog lamps

### Optional interior lighting:
- Dome light

### Heated/leather seats:
- No additional charge

### In-dash 6-disc CD changer with premium 7-speaker Monsoon® audio system

### 4-wheel disc brakes with ABS

## PERFORMANCE

### 0–60 MPH: 12 sec.

### Grade capability: 60%

### Side slope capability: 40%

### Water fording depth: 36 in.

### Vertical scaling height: 16 in.
IMPORTANT WORDS ABOUT THIS CATALOG: We have tried to make this catalog comprehensive and factual. However, we reserve the right to change prices, model availability, vehicle features, and specifications at any time, without notice. The colors and finishes shown are approximate. Colors and finishes may vary from the actual colors of your vehicle. Your vehicle may differ due to variations in production processes, available options, and/or applicable laws. Since some information may have been updated since the time of printing, please check with your HUMMER dealer for complete details. HUMMER reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times.

ASSEMBLY: HUMMER vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce HUMMER vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES: HUMMER products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in HUMMER products may also be used in other GM vehicles and models.

A NOTE ABOUT CHILD SAFETY: Always use safety belts and the correct child restraints for your child's age, weight and height. Children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information.

ONSTAR: OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement is required. Call 1.888.4.ONSTAR (1.888.466.7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy, and system limitations and details. For coverage maps, visit onstar.com and click on "OnStar service and coverage map." 

REVISED ESTIMATED FUEL ECONOMY: Commencing with 2008 model year vehicles, EPA revised its methods for estimating vehicle fuel economy. The new test methods will likely lower MPG estimates as compared to 2007 and previous model year vehicles. These new methods are intended to better represent current driving styles, varying road and weather conditions, and other external factors.

ADDITIONAL NOTES: Monsoon is a registered trademark of Delphi Corporation. OnStar is a registered trademark of OnStar Corporation. Safe and Sound is a service mark of OnStar. Tufl or is a registered trademark of Collins & Aikman Corporation. PASSlock is a registered trademark of General Motors Corporation. The XM name and related logo are registered trademarks of XM Satellite Radio, Inc. Pictured vehicles may vary from actual production models and may feature optional accessories or equipment. Details and specifications may vary according to local regulations and conditions. The photography in this brochure features the HUMMER in environmentally approved areas for off-road use.
