Welcome to better.

Compare Accent Limited to its competitors, and you’ll see it’s filled with comfort and convenience features that make it stand out from other cars in its class. It’s a difference that begins the moment you approach the car: A Proximity Key lets you unlock your door without fumbling for keys. Approaching your vehicle with an armful of shopping bags? Accent Limited features a hands-free smart trunk that senses your presence and automatically pops the trunk release for easy access to a cargo area that swallows up to six carry-on sized suitcases. Accent’s 60/40 split-folding rear seats also give you the flexibility to carry people or oversized cargo.

Fingertip controls on Accent’s available tilt-and-telescopic steering wheel let you adjust audio and cruise control settings, or make calls using the car’s Bluetooth® hands-free phone system. Keeping your smartphone and other devices powered is easy, too – Accent comes standard with convenient front and available rear-seat USB charge ports.

You lead a busy life that keeps you on the move. And every step of the way, Hyundai Accent is with you. It’s the ideal size for a quiet, comfortable sedan. Accent is agile in traffic, easy to park – and doesn’t guzzle gas.

With its cascading chrome grille, available 17˝ alloy wheels and wraparound headlights and taillights, Accent looks as stylish as any luxury sedan holds. It welcome you into a spacious interior with tech-savvy features like Apple CarPlay®, Android Auto™ and Hyundai Blue Link® – all available to turn your smartphone into a powerful point of contact with your vehicle.¹

Onboard Accent Limited, heated front seats offer three levels of warming on frosty mornings. Automatic temperature control maintains your preferred climate in the cabin, while fingertip controls let you quickly set your preferred positions for the heated side mirrors and leather-wrapped, tilt-and-telescopic steering wheel.

Now look up – that’s a power tilt-and-slide sunroof overhead. Hyundai’s got your back, too – Accent comes with America’s Best Warranty and Hyundai Complimentary Maintenance for the first three years.² Now that’s living the dream.

Odyssey Accent Limited, heated front seats offer three levels of warming on frosty mornings. Automatic temperature control maintains your preferred climate in the cabin, while fingertip controls let you quickly set your preferred positions for the heated side mirrors and weather-unaffected, tilt-and-telescopic steering wheel. Now look up – that’s a power tilt-and-slide sunroof overhead. Hyundai’s got your back, too – Accent comes with America’s Best Warranty and Hyundai Complimentary Maintenance for the first three years. Now that’s living the dream.

Welcome to better.
1 Forward Collision-Avoidance Assist (FCA) is designed to assist drivers to help avoid, or reduce the severity of, collisions. FCA is an assist and does not replace the need for extreme care and attention by the driver. FCA may not stop the vehicle completely and will not avoid all collisions. See Owner’s Manual for details and limitations.

2 Claim based on comparison to the leading subcompact segment. Accent SE, SEL and Limited.

3 EPA estimate for vehicles equipped with a Smartstream Intelligent Variable Transmission. Estimates are for comparison only. Mileage may vary. Your actual mileage will vary with options, driving habits, weather and available safety features vary by model and trim level. See your Hyundai dealer or hyundaiusa.com for details.

When you take your test drive, listen to how quiet – and feel how calm – Accent is over rough roads. And be sure to note the steering precision in corners, too. The secret to why Accent is so satisfying to drive lies beneath its stylish exterior: The chassis is made with advanced high-strength steel. This gives Accent what engineers call torsional rigidity – a resistance to twisting forces.

It translates steering inputs and suspension reflexes into a smooth, substantial driving feel – the kind you’d expect could only come from a larger, more expensive sedan. The use of high-strength steel also helps enhance Accent’s ability to withstand impact forces in a collision. Of course, our hope is that you never have an accident in the first place.

Which is why Accent Limited comes equipped with safety technologies like Forward Collision-Avoidance Assist.

Accent is also the only car in its class available with 4-wheel disc brakes. Press the brake pedal, and it responds with swift, sure stopping power. Press the gas pedal, and you’ll feel the quick acceleration of a spirited 1.6L 4-cylinder engine and proprietary Smartstream Intelligent Variable Transmission. You’ll see advantages at the gas pump, too – Accent has an EPA-estimated 41 MPG highway rating.

ACCENT Safety Technologies

- 4-Wheel Disc Brakes
- Brake Assist
- Vehicle Stability Management
- Forward Collision-Avoidance Assist
- Tire Pressure Monitoring System
- Hillstart Assist Control

Rearview camera with dynamic guidelines
- LED headlights and Daytime Running Lights

ACCENT Limited in Pomegranate Red

17″ Alloy Wheels
- Vehicle Stability Management
Technology this amazing borders on magic.

Thankfully, there’s no trick to enjoying all of the innovations available with Accent. In fact, it’s easy. Apple CarPlay® and Android Auto™ turn your compatible smartphone with Accent’s 7” touchscreen audio system – standard on SEL and Limited. Using the car’s touchscreen or voice commands, you can access your phone’s messages, music, navigation and more.

With the MyHyundai app, life between your homes, your workplace and your Accent Limited is seamless. That’s the power of Hyundai Blue Link® technology. 2 While you’re preparing to leave, Blue Link lets you remotely start Accent Limited’s engine and warm or cool its interior touchscreen audio system – standard on SEL and Limited. 1 Using the car’s touchscreen or voice commands, you can set the cabin temperature and more.
