WE PUT ELANTRA IN A CLASS ALL ITS OWN.

The auto industry likes to classify cars by size. At Hyundai, we decided to rethink that. So while our Elantra may
be seen as a compact sedan by some, what our designers created feels a lot more stylish and sporty outside. And
decidedly “un-compact” inside, as evidenced by the U.S. government classifying Elantra as a midsize sedan.

Honda Civic and Ford Focus? They’re classified as compacts. Elantra’s total interior volume even exceeds premium
sedans like the Acura ILX, Volkswagen CC and Nissan Maxima.¹

Drive it, and you may do a little reclassifying of your own. An all-aluminum 1.8-liter engine gives Elantra SE a potent
combination of power and efficiency. Available wraparound projector headlights with LED accents do more than look
stunning – they’re the leading edge of a Fluidic Sculpture design with a low 0.28 drag coefficient that masters the art
of aerodynamics. A new Style Package includes even more distinctive features for added value.

Elantra Sport moves the needle even higher with a new 2.0-liter Gasoline Direct Injection (GDI) engine and a
suspension tuned for more precise response. Want more bling for your buck? Check out Elantra Limited, a model
that offers a level of luxury as soothing as its price tag.

Whichever model you choose – SE, Sport or Limited – Elantra offers you peace of mind. It’s been ranked highest
among all compact cars in its class for residual value three of the past four years.² It’s earned a 5-Star Overall Safety
Rating from NHTSA and an IIHS Top Safety Pick in 2014.³ And it’s backed by America’s Best Warranty, part of the
Hyundai Assurance umbrella of services.

² Combined passenger and cargo area interior volume comparisons vs. 2014 competitive models. ³ ALG, 2011-2013. ⁴ Based on Insurance Institute for Highway Safety 40 mph
moderate overlap frontal crash test, 31 mph side-impact test, 20 mph rear-impact test and roof strength testing. Test performed by the Insurance Institute for Highway Safety.
For details, please visit iihs.org. Government star ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (safercar.gov).
⁴ The Hyundai Elantra received the lowest number of problems per 100 vehicles among compact cars in the proprietary J.D. Power 2014 Initial Quality Study.³ Study based on
responses from 86,118 new-vehicle owners, measuring 229 models and measuring opinions after 90 days of ownership. Proprietary study results are based on experiences and
POWER TO THE PAVEMENT  A sports sedan needs a powerful engine – and the perfect partner to transfer its power to the road. That’s where Elantra Sport’s available SHIFTRONIC® transmission comes in. It features a locking torque converter and Active ECO system that modifies engine and transmission control for improved fuel economy.

ENGINE INNOVATIONS  Elantra Sport’s new engine is an all-aluminum design whose light weight aids in fuel efficiency. To help ensure durability, our engineers designed the D-CVT valve train to be driven by a long-lasting steel chain (instead of rubber belts) and specified hydraulic motor mounts to minimize vibration in the chassis.
HILLSTART ASSIST CONTROL When you’re starting from a standstill on an uphill incline, the car’s weight tends to shift to the rear wheels rather than the front. Hillstart Assist Control helps counteract this effect for more surefooted acceleration.

THE INSIDE STORY Modern conveniences are a driving force behind Elantra Sport’s interior design. It features proximity key entry with push-button start. A 4.3” audio display with rearview camera. Leather seating surfaces, steering wheel and shift knob. Heated front seats with power driver’s seat and lumbar. Aluminum pedals underfoot, a power sunroof overhead, and more.

TO BRING YOUR A-GAME, USE THE RIGHT EQUIPMENT.

Some sedans just aren’t content to be sedans. They want to be a sports sedan, built with specific features intended to put some extra oomph in your daily commute.

In the Elantra Sport, those features start with a compact-yet-potent 173-HP, 2.0-liter engine. Performance technologies like Gasoline Direct Injection and Dual Continuously Variable Valve Timing (D-CVVT) deliver highly responsive power along with optimal fuel efficiency.

Take Elantra Sport to your favorite road, and you’ll feel its more nimble and agile handling response – the result of a suspension and steering system specially tuned for sporty driving characteristics.

Those big 17˝ alloy wheels and tires do more than look great, too. Their size helps deliver added traction – a job aided by advanced features like Vehicle Stability Management, Electronic Stability Control and a Traction Control System. It’s all there to take Elantra Sport’s performance – and your enthusiasm for driving – to the next level.

1 166 HP with PZEV (Partial Zero Emissions Vehicle) rating. 2 Electronic Stability Control (ESC) cannot control your vehicle’s stability under all driving situations. ESC is not a substitute for safe driving practices. No system, no matter how advanced, can overcome physics or correct poor driving. The driver is always responsible for controlling the vehicle and must use caution to avoid loss of control in all driving conditions. Speed, road conditions and driver steering input will affect whether ESC can help prevent loss of control. See Owner’s Manual for details. The Traction Control System is meant to enhance conscientious driving habits and is not a substitute for safe driving practices. 3 Shown with available rear lip spoiler.
MAGIC TOUCH An available 7” touchscreen lets you navigate all kinds of things, not just roads. Tune the 360-Watt premium audio system to your liking and chart a course to new music mixes thanks to Pandora® integration. The touchscreen also serves as a monitor for Elantra’s rearview camera, which makes backing out of tight parking spaces easier.

HYUNDAI BLUE LINK Our innovative telematics let you search for points of interest using voice commands and download them to the navigation system. If your Hyundai is stolen, Blue Link can immobilize it. A mobile app even lets you lock, unlock and start your car remotely. For a full list of features, visit HyundaiBlueLink.com.

Elantra Limited

PROOF THAT LUXURY IS NOT ONLY FOR THE RICH.

Elantra Limited is proof that Hyundai designers did not exhaust their ideas about comfort, convenience and style on our luxury sedans.

Just look at all it offers. Its sleek design is enhanced by projector headlights with LED accents, LED taillights and 17˝ alloy wheels. Now step inside. That seductive aroma? Leather. Elantra Limited comes with heated front and rear leather seating surfaces.

Dual automatic temperature control is also available, which allows the driver and front passenger to each enjoy separate climates. And with the available sunroof, you can invite the outside in at the touch of a button.

Elantra Limited earns its name when it comes to technology, too. A standard Bluetooth® hands-free phone system lets you control a variety of functions using simple voice commands, and stream songs from the playlists stored on your smartphone through the car’s audio system. Also standard: Our award-winning Blue Link® telematics that help you stay secure and connected when you’re on the move.¹

For the ultimate in convenience, there’s our Ultimate Package. It includes a navigation system with a big 7˝ touchscreen that makes interacting with features like Pandora® Internet radio all the more entertaining.² There’s no limit to the pleasure that awaits you.

¹ Only use Blue Link and corresponding devices when it is safe to do so. Blue Link is available on most 2014-2015 Hyundai vehicles. Blue Link subscription service agreement required. Features vary by subscription plan. Blue Link service works using CDMA-based cellular networks in the 50 United States. Blue Link service is not available where there is no cellular coverage, particularly in enclosed or remote areas. Service availability may be affected by signal strength, foliage, weather, topographical conditions (mountains) and nearby structures (tall buildings, tunnels) and other factors. For additional details and system limitations, visit HyundaiBlueLink.com. ² Requires iOS-compatible smartphone.All SiriusXM services require a subscription, sold separately by SiriusXM after a free 3-month trial period. Fees and taxes apply. All fees and programming are subject to change. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³ Remote Vehicle Start is only available for push-button start equipped vehicles with an automatic transmission. Not available on all models.
