Experience the intimacy of a unique and personal expression.
## Power

### Engine
3.7-liter (3,696cc) 24-valve V6, aluminum-alloy block and heads

### Valvetrain
Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake valves. Variable Valve Event and Lift (VVEL®) for intake valves improves performance, emissions and fuel efficiency

### Intake
High-flow tuned induction system

### Horsepower
325 hp @ 7,000 rpm

### Torque
267 lb-ft @ 5,200 rpm

### Transmission

### Drive Type
Rear-wheel drive

### Handling

#### Steering
Type: Vehicle-speed-sensitive power steering
Turning diameter: 34.8 feet
Turning diameter: 36.0 feet

#### Suspension
Front: Independent, double-wishbone with coil springs over shock absorbers, stabilizer bar
Rear: Independent, multi-link with coil springs over shock absorbers, stabilizer bar

#### Brakes
Front/Rear: 12.6 x 1.3-inch ventilated discs/12.1 x 0.6-inch discs; 4-wheel, 4-channel ABS

#### Wheels and Tires
- **Standard**: 18 x 8.0-inch, 8-spoke aluminum-alloy wheels with 225/55R18 all-season tires
- **Deluxe Touring Package**: 19 x 8.5-inch, split 5-spoke aluminum-alloy wheels with 245/45R19 all-season tires
- **Spare tire**: Temporary use

### Standard - Standard features

### Available - Available features
**Options**

**Premium Package**
- Infiniti Hard Drive Navigation System with touch-screen display, Lane Guidance and 3-D building graphics
- Infiniti Voice Recognition for audio, navigation, and vehicle information systems
- NavTraffic with Real-Time Traffic information
- NavWeather with Real-Time Weather and 3-day forecast
- Zagat Survey® Restaurant Guide
- Around View® Monitor with Front and Rear Sonar System
- Bose® 11-speaker Premium Audio system, including AM/FM/CD/DVD with MP3 playback capability, Radio Data System (RDS) and speed-sensitive volume control
- Streaming audio via Bluetooth® wireless technology
- Advanced Climate Control System with auto-recirculation, Plasmacluster® air purifier and Grape Polyphenol Filter
- Aluminum roof rails

**Deluxe Touring Package**
- (Requires Premium Package.)
- 19 x 8.5-inch, split 5-spoke aluminum-alloy wheels with 245/45R19 all-season tires
- Adaptive Front lighting System (AFS) with High Intensity Discharge (HID) xenon auto-leveling headlights
- Dual-occupant memory system for driver’s seat, steering wheel and outside mirrors, linked to individual Intelligent Keys
- Entry/exit assist for driver’s seat and steering wheel
- Outside mirrors with reverse tilt-down feature
- 2-way driver’s seat power lumbar support
- Coat hanger on driver’s head restraint
- 8-way power front-passenger’s seat
- Power up-folding 2nd-row seats
- Premium stitching on meter hood

**Technology Package**
- (Requires Deluxe Touring Package.)
- Intelligent Cruise Control (Full-Speed Range)
- Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)
- Distance Control Assist (DCA)
- Intelligent Brake Assist (IBA) with Forward Collision Warning (FCW)
- Blind Spot Warning (BSW)

**Dimensions and Figures**

**Exterior**
- Overall length (inches) 182.3
- Overall width (inches) 71.0
- Overall height without roof rails (inches) 61.9
- Overall height with roof rails (inches) 62.6
- Wheelbase (inches) 110.2
- Track width (inches)—front 62.7
- Track width (inches)—rear 64.6
- Coefficient of drag 0.32

**Interior**
- Headroom with moonroof (inches)—front 38.7
- Headroom with moonroof (inches)—rear 37.7
- Headroom without moonroof (inches)—front 40.5
- Headroom without moonroof (inches)—rear 38.4
- Legroom (inches)—front 44.3
- Legroom (inches)—rear 28.5
- Shoulder room (inches)—front 54.8
- Shoulder room (inches)—rear 55.1
- Hip room (inches)—front 52.9
- Hip room (inches)—rear 50.0

**Weight and Capacity**
- Passenger volume (cubic feet) 91.7
- Cargo volume (cubic feet) 18.6
- Curb weight (lbs) 3,790
- Weight distribution (percent)—front/rear 53/47
- Fuel capacity (gallons) 20.0
- EPA Estimated Fuel Economy (mpg) 16/17

This specification sheet is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with Infiniti before relying on it to make a purchase decision. Nissan North America, Inc. reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. For additional information on availability, options or accessories, see your Infiniti retailer or contact Nissan North America, Inc.

Infiniti has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local Infiniti retailer.
Beyond being visually appealing, Infiniti color is designed to create energy and elicit emotion.

Creating hues that change in response to light and angle, offering a new, intriguing look every time a vehicle is seen to create a more lasting allure. Or matching exterior and interior colors to reflect the distinctive energy and mood of the seasons. These are just two ways Infiniti designs color to evoke feeling, express character, and shape the emotional essence of a vehicle.
GENUINE INFINITI
ACCESSORIES

Genuine Infiniti Accessories are crafted with the same exacting standards as the rest of the vehicle. With a wide array of quality products designed to integrate seamlessly, from versatile roof rail crossbars to stylish stainless steel illuminated kick plates, you can be assured of a custom fit and finish. Color-matched for consistency, and built to Infiniti’s exacting standards, you can enjoy the sense of confidence that results from a stringent inspection and testing process.

InfinitiUSA.com/accessories

Infiniti also offers a wide range of luxury apparel, lifestyle and other items which can give every day the touch of inspired performance.

Roof rail crossbars, moonroof wind deflector, hood protector

Also available:
- Aerodynamic kit
- Vehicle cover cable lock
- Wheel locks
- Carpeted floor mats
- License plate frames
- Emergency road kit
- First aid kit
- Air bag anti-theft bolts
- Infiniti valve stem caps
- Touch-up paint
- All-season floor mats
- Infiniti chrome license plate frame and valve stem caps package

- Genuine Infiniti Accessories are covered by a 4-year/60,000-mile limited warranty when installed at the time of new vehicle purchase
- Finance Genuine Infiniti Accessories when you finance your vehicle
- Custom-fit, custom-designed and durability-tested to meet Infiniti standards
Safety

Infiniti Safety Shield® is our comprehensive approach to safety. It includes rigorous crash testing, over 50 standard safety features on every vehicle and available advanced safety technologies. Infiniti Safety Shield® is designed and developed into every vehicle we build to help protect you and your passengers.

Infiniti Advanced Air Bag System (AABS)®

Infiniti Advanced Air Bag System (AABS) includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor. Air bag inflation rate is adjusted depending on crash severity and seat belt usage. If the front-passenger's seat is empty, a sensor will deactivate the front-passenger air bag.

Front Seat-mounted Side-impact Supplemental Air Bags®

These air bags are placed in the front seat side bolsters so they can move with the seat to help maintain optimal positioning.

Roof-mounted Curtain Side-impact Supplemental Air Bags®

Tied into the side-impact sensors, these air bags help give outboard occupants enhanced head protection in the case of a side impact.

Electronic Brake force Distribution (EBD)®

To help optimize braking performance for a variety of vehicle loads, EBD adjusts the amount of brake force applied to the rear wheels for improved braking performance, reduced front-end “dive” during braking and more even brake wear.

Brake Assist (BA)®

In emergency braking situations, some drivers may not brake hard enough, soon enough. Brake Assist monitors how you apply the brakes, and sensing emergency braking, works with the standard ABS system to apply maximum brake pressure for potentially shorter stops.

Intelligent Brake Assist (IBA)®

This available active safety feature continuously monitors and analyzes closing speeds to a vehicle ahead. If the driver does not adequately respond to the Forward Collision Warning and a collision cannot be avoided, IBA will automatically engage the brakes to help reduce collision speed and impact, helping to mitigate the consequences of the accident.

Forward Collision Warning (FCW)®

Using the EX’s radar rangefinder, this available feature helps alert the driver of an imminent collision while providing a visual and audible warning.

Blind Spot Warning (BSW)®

Blind Spot Warning helps alert the driver, when attempting to change lanes, to the presence of a detected vehicle in the blind spot area. An indicator light illuminates, followed by an audible warning if the driver engages the turn signal.

Lane Departure Warning (LDW) and Lane Departure Prevention (LDP)®

LDW sounds an audible warning when you start to drift out of your lane and LDP selectively applies the brakes to help ease you back between the lines.

Traction Control System (TCS)®

To help enhance grip when accelerating, the Traction Control System senses wheelspin and automatically reduces engine output and/or braces the spinning wheel to help improve traction.

Vehicle Dynamic Control (VDC)®

Acting in tandem with the Traction Control System, VDC compares actual vehicle cornering performance to the driver’s input, adjusting engine power and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.

Snug Kids®

The first venture of its kind, Snug Kids is our online guide to selecting and correctly installing a child restraint seat for your Infiniti automobile. Our safety engineers evaluated numerous child restraint seats, installing them in every Infiniti car and SUV. Visit InfinitiUSA.com/snugkids to view or download the results.

Additional Safety Features:

- Front-seat Active Head Restraints (AHR)
- 3-point height adjustable front seat belts with pretensioners and load limiters, driver’s seat Emergency Locking Retractor (ELR) and passenger’s seat ELR and Automatic Locking Retractor (ALR)
- Second-row 3-point seat belts with ELR and ALR
- Zone Body construction with reinforced passenger compartment and front and rear crumple zones
- LATCH System (Lower Anchors and Tethers for Children) helps simplify proper installation of compatible child restraint seats
- Tire Pressure Monitoring System (TPMS)®
- Slide-away brake pedal assembly
- Remote keyless entry system with selective unlocking of driver’s door or all doors
- Infiniti Vehicle immobilizer System embeds an encoded transponder chip into the Infiniti Intelligent Key. The engine control computer will not allow the engine to start without the correct key and transponder
- Vehicle Security System
- Remote power-opening of windows; closing via key in exterior door lock
- HomeLink® Universal Transceiver offers control for compatible garage doors and home security systems

1 Estimated figures. Real numbers may vary.
2 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle’s interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.
3 Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner’s manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Infiniti is under license.
4 Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See Retailer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod® not included.
5 Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic and NavWeather service available only to those 18 or older in the 48 contiguous states and in Canada.
6 SUBSCRIPTIONS NOT INCLUDED. Subject to change. Statement of Privacy available at siriusxm.com.
7 iPod® not included. 5 Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic and NavWeather service available only to those 18 or older in the 48 contiguous states and in Canada.
8 Electronic Brake force distribution (EBD) monitors how you apply the brakes, and sensing emergency braking, works with the standard ABS system to apply maximum brake pressure for potentially shorter stops.
9 Local conditions may limit system performance. Please refer to your owner’s manual for more information.
10 IBA is not a collision avoidance system. It may not detect every object. Always check your mirrors and turn to check behind you before changing lanes.
11 FCW cannot prevent accidents due to carelessness or dangerous driving techniques. Always drive safely.
12 IBA is not a collision avoidance system. It may not detect every object and does not warn of moving objects. Always check your mirrors and turn to check behind you before changing lanes.
13 Front-end “dive” during braking and more even brake wear.
14 Blind Spot Warning helps alert the driver, when attempting to change lanes, to the presence of a detected vehicle in the blind spot area. An indicator light illuminates, followed by an audible warning if the driver engages the turn signal.
15 Lane Departure Warning (LDW) and Lane Departure Prevention (LDP) selectively applies the brakes to help ease you back between the lines.
16 Traction Control System (TCS) helps enhance grip when accelerating, the Traction Control System senses wheelspin and automatically reduces engine output and/or braces the spinning wheel to help improve traction.
17 Vehicle Dynamic Control (VDC) compares actual vehicle cornering performance to the driver’s input, adjusting engine power and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.
18 Roof-mounted Curtain Side-impact Supplemental Air Bagsare tied into the side-impact sensors, these air bags help give outboard occupants enhanced head protection in the case of a side impact.
19 Electronic Brake force Distribution (EBD) adjusts the amount of brake force applied to the rear wheels for improved braking performance, reduced front-end “dive” during braking and more even brake wear.
20 Traction Control System (TCS) helps enhance grip when accelerating, the Traction Control System senses wheelspin and automatically reduces engine output and/or braces the spinning wheel to help improve traction.
21 Vehicle Dynamic Control (VDC) compares actual vehicle cornering performance to the driver’s input, adjusting engine power and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.
