**Valvetrain**

Double overhead camshaft (DOHC), 4 valves per cylinder with microfinned camshafts. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake and exhaust valves. Variable Valve Event and Lift (Vvel®) for intake valves improves performance, emissions and fuel efficiency.

#### Horsepower

- 330 hp @ 7,000 rpm
- 348 hp @ 7,400 rpm

#### Torque

- 270 lb-ft @ 5,200 rpm
- 276 lb-ft @ 5,200 rpm

#### Transmission

Electronically controlled 7-speed automatic transmission with Adaptive Shift Control (ASC) and Drive Sport (DS) mode. Driver-adaptive learning algorithm senses driving style and adjusts automatic shifting accordingly. Manual shift mode offers sequentially selectable manual gears and Direct Rev Matching (DRM)

Close-ratio 6-speed manual with short-throw shifter

#### Drive Type

- Rear-wheel drive
- Intelligent All-Wheel Drive (AWD)
- Snow Mode helps driver control throttle response
- Viscous Limited-Slip Differential (VLSD)

#### Handling

**Steering**

- Vehicle speed-sensitive power steering
- 14.7:1 Sport-tuned steering gear
- Tuning diameter: 36.1 feet
- 36.7 feet

**Suspension**

- Front: Independent double-wishbone with coil springs over Dual Flow Path® shock absorbers, stabilizer bar
- IPL-tuned independent double-wishbone with coil springs over Dual Flow Path® shock absorbers, stabilizer bar

- Rear: Independent multi-link with coil springs over Dual Flow Path® shock absorbers, stabilizer bar
- IPL-tuned independent multi-link with coil springs over Dual Flow Path® shock absorbers, sport stabilizer bar

**Brakes**

- Front/Rear: 13.0 x 1.3-inch ventilated discs/13.0 x 0.6-inch ventilated discs; 4-wheel, 4-channel ABS
- Aluminum 4-piston opposed front calipers with 14.0 x 1.3-inch ventilated discs/2-piston opposed rear calipers with 13.8 x 0.8-inch ventilated discs; 4-wheel, 4-channel ABS

EXTERIOR/INTERIOR COLOR AND TRIM
Infini-G Coupe is available in eight exterior and four interior colors, with three interior accents.
View and select colors, and check availability at your Infini Retailer or at: InfiniUSA.com/g_coupe/colors
Safety

Infiniti Safety Shield® is our comprehensive approach to safety. It includes rigorous crash testing, over 50 standard safety features on every vehicle and available advanced safety technologies. Infiniti Safety Shield® is designed and developed into every vehicle we build to help protect you and your passengers.

Infiniti Advanced Air Bag System (AABS)® Includes dual-stage front supplemental air bags with seat belt sensors and an occupant-classification sensor which adjust their inflation rate depending on crash severity and seat belt usage. If the front passenger’s seat is empty, a sensor will deactivate the air bag.

Front Seat-mounted Side-impact Supplemental Air Bags® These air bags are placed in the front seat side bolster so they can move with the seat to help maintain optimal positioning.

Roof-mounted Curtain Side-impact Supplemental Air Bags® Tied into the vehicle’s side-impact sensors and deployed from the headliner above the side windows, these air bags help give outboard occupants enhanced head protection in the case of a side impact.

4-wheel Anti-lock Braking System (ABS) The large, 4-wheel ventilated disc brakes include a 4-wheel, 4-channel Anti-lock Braking System (ABS) to help the driver maintain steering control while braking.

Brake Assist (BA) In emergency braking situations, some drivers may not brake hard enough, soon enough. Brake Assist monitors how you apply the brakes and, sensing emergency braking, works with the standard ABS system to apply maximum brake pressure for potentially shorter stops.

Electronic Brake force Distribution (EBD) To help optimize braking performance for a variety of vehicle loads, EBD adjusts the amount of brake force applied to the front and rear wheels for improved braking performance, reducing front-end “dive” during braking and more even brake wear. Infiniti’s Electronic Brake force Distribution (EBD) system detects vehicle-load conditions, such as passengers and luggage, and distributes additional brake pressure to the rear brakes as needed.

Traction Control System (TCS) Integrated with Vehicle Dynamic Control, the Traction Control System (TCS) senses wheel-slip and automatically reduces engine output and/or brakes the spinning wheel to help improve traction.

Vehicle Dynamic Control (VDC)® Acting in tandem with the Traction Control System, VDC compares actual vehicle cornering performance to the driver’s input, adjusting power levels and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer, helping keep the vehicle on the steered path.

Snug Kids® The first venture of its kind, Snug Kids is our online guide to selecting and correctly installing a child restraint seat for your Infiniti automobile. Our safety engineers evaluated numerous child restraint seats, installing them in every Infiniti car and SUV. Visit infinitiUSA.com/snugkids to view or download the results.

Additional Safety Features:
· Zone Body construction with reinforced passenger compartment and front and rear crumple zones
· 3-point front seat belts with pretensioners and load limiters, driver’s seat Emergency Locking Retractor (ELR) and front passenger’s seat ELR and Automatic Locking Retractor (ALR)
· Second-row 3-point seat belts with ELR and ALR
· Front-seat Active Head Restraints (in certain rear collisions), move upward and forward to help cushion the head
· Tire Pressure Monitoring System (TPMS)®
· LATCH System (Lower Anchors and Tethers for Children) helps simplify proper installation of compatible child restraint seats
· Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into ignition key. The engine control computer will not allow the engine to start without the correct key and transponder
· Slide-away brake pedal assembly
Enhance, personalize and protect your INFINITI G Coupe with accessories that are crafted with the same exacting standards as the rest of the vehicle.

Genuine INFINITI Accessories are:

- Covered by a 4-year/60,000-mile limited warranty when installed at the time of new vehicle purchase
- Only a nominal additional fee to your monthly payment, when financed
- Custom-fit, custom-designed and durability-tested to meet INFINITI standards

19-inch 9-spoke aluminum-alloy wheels, midnight black grille, Aerodynamic kit (5-piece) front and rear fascia, side sills, rear decklid spoiler

Also Available:
- Nose mask
- R Spec™ High-friction Brake Pads
- Splash guards
- 18-inch, 9-spoke aluminum-alloy wheels
- Vehicle Alarm Impact Sensor
- Vehicle cover
- Vehicle cover cable lock
- Wheel locks
- Emergency road kit
- Carpeted floor mats
- All-season floor mats
- Trunk net
- Console tray
- First-aid kit
- License plate frames
- Touch-up paint
- Air bag anti-theft bolts
- Seat belt extender
- INFINITI valve stem caps

Premium carpeted floor mats

Trunk organizer
