LEAD WITH AUTHORITY
With dramatic curves, the Q70 form is punctuated by a double-wave hood that rises to meet the elevated front fenders. An INFINITI signature double-arch grille sets off its expressive, powerful LED headlights, whose eye-inspired design is echoed by the taillights. An Adaptive Front lighting System further illuminates your path by improving visibility around curves. The Sport Package enhances its elegant form with a sharper-edged front fascia and split 5-spoke 20-inch wheels.1

INTENSIFY EACH MILE
Unleash a potent force no matter which engine you choose. Its eager 3.7-liter V6 engine releases a stirring 330 hp. Or opt for our most powerful production engine ever: a 5.6-liter V8 that produces a rush of up to 420 hp with polish and precision to suit any scenario.
