EMPOWER THE DRIVE

For those who dare to define themselves beyond the usual measures, there’s INFINITI — a spirit of doing that challenges the limits of what’s possible. See this take shape on the QX30, where dynamic design awakens your senses and innovative technologies know no bounds. Begin by defining your QX30 for your personal journey. Every selection is designed to move, inspire and empower the drive.

GO BEYOND THE CITY

When the road gets slick, QX30 AWD can adapt. On dry pavement, Intelligent All-Wheel Drive sends 100% of the power to the front wheels for fuel efficiency.1 But if road conditions require, the system automatically transfers up to 50% of the power to the rear wheels. The more in control you feel, the more confident you become — no matter how far out you go.

DESIGN TO EXCITE

With dramatic lines that stand out from the rest, QX30 makes an exhilarating statement. Take the thrill even further by choosing the SPORT trim.2 A lower sport-tuned suspension combines with 19-inch double 5-spoke aluminum-alloy wheels for a stance that exudes attitude. A gloss black grille evokes boldness, while aggressive front and rear fascias with LED front fog lights give you the confidence to push forward.
