This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not contain or imply a warranty (express or implied) by Nissan North America, Inc. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with an INFINITI Retailer before relying on it to the extent that it is relied upon. Nissan North America, Inc., reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in Hawaii, U.S. territories and other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI website.

Final production vehicle may vary. Always wear your seat belt, and please don’t drink and drive. ©2018 INFINITI. IN-21570 Reorder #19502i (3/18, 50K, CG)

Reducing our environmental footprint is an important goal at INFINITI. That’s why this brochure uses paper stock that is certified to contain a minimum of 10% post-consumer waste materials.
EMPOWER THE DRIVE

For those who dare to define themselves beyond the usual measures, there’s INFINITI—an experience that challenges the limits of what’s possible. See this take shape on the all-new INFINITI QX50, where design is elevated to an inspirational aesthetic and innovative technology empowers you to do more than you thought possible. Begin by crafting your QX50 for your personal journey. Every selection is designed to move, inspire and empower the drive.

START WITH A BLANK CANVAS

It’s the only way to create something that the world has never seen—a premium crossover that embodies the perfect balance of dynamism and purpose. A new clamshell hood design wraps over the fenders. The large wheel-to-body ratio translates into daring proportions, while eye-inspired I-LED headlights in the Sensory Package speak to the future through angled geometric shapes.

REFUSE TO COMPROMISE

The biggest revolution in the internal combustion engine since its invention, the INFINITI VC-Turbo™ is the world’s first production-ready engine that continuously transforms to optimize both power and efficiency. The multi-link system flexes to lower the compression ratio when more power is needed and relaxes to raise the compression ratio when greater fuel efficiency is desired.

EXTERIOR COLORS

INFINITI has taken care to ensure that the color swatches presented here are the closest possible representations of the actual colors slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local INFINITI Retailer. *Additional cost applies for this option.

19 X 7.5-INCH SILVER-PAINTED ALUMINUM-ALLOY WHEELS

LUNAR WHITE

MAJESTIC WHITE OLL12

BASE LINE BLACK (P11)

START WITH A BLANK CANVAS

As the only way to create something that the world has never seen—a premium crossover that embodies the perfect balance of dynamism and purpose. A new clamshell hood design wraps over the fenders. The large wheel-to-body ratio translates into daring proportions, while eye-inspired I-LED headlights in the Sensory Package speak to the future through angled geometric shapes.

REFUSE TO COMPROMISE

The biggest revolution in the internal combustion engine since its invention, the INFINITI VC-Turbo™ is the world’s first production-ready engine that continuously transforms to optimize both power and efficiency. The multi-link system flexes to lower the compression ratio when more power is needed and relaxes to raise the compression ratio when greater fuel efficiency is desired.
How will your QX50 come to life? Start with a modern interior that offers a semi-aniline leather-appointed seats, striking Ultrasuede® accents and open pore Natural Maple Wood trim. Press a button and command the road with a newfound ease. Select advanced technologies that help empower you to do more, mile after mile.

**ADAPT TO ANYTHING.** Whatever comes your way, know that you are ready. Sliding and reclining rear seats move forward and back almost 6 inches to enhance leg room or cargo capacity. A standard power liftgate effortlessly opens, allowing you to store most child strollers lengthwise with the seats upright. Opt for the Sensory Package and step up to greater support the driver, a Head-Up Display ensures information is in your line of sight.

**PUSH FOR LESS STRESS.** When technology advances to enhance the driver, you can help reduce the stress of highway traffic. Introducing INFINITI ProPILOT Assist1, a suite of drive assist technologies that can empower the driving experience. Push a button and technology is at your command. Align and set speed and distance, and flow with traffic. ProPILOT Assist can also slow down your vehicle to a complete stop when necessary and then automatically accelerate when traffic clears. To further support the driver, a Head-Up Display1 ensures information is in your line of sight.

**STEER WITH EASE.** As a single-lane drive assist technology, INFINITI ProPILOT Assist works with a world’s first Direct Adaptive Steering1 to help keep your vehicle centered within a lane, even around gentle curves. Choose the ProACTIVE Package1 and the digital steering system can enhance steering when traveling along highways. The technology also offers effortless steering at low speeds for easier parking.

**EXTEND YOUR AWARENESS.** Heighten your abilities with leading safety technologies. For example, Predictive Forward Collision Warning5 an INFINITI world’s first technology, monitors not only the vehicle directly in front of you but also the vehicle in front of that one, to help warn you of sudden deacceleration.

GENUINE INFINITI ACCESSORIES

The same exacting standards applied to the creation of an INFINITI vehicle go into designing and manufacturing Genuine INFINITI Accessories. With a wide array of quality products designed to integrate seamlessly, you can be assured of a custom fit and finish.²² For more information and to shop online for Genuine INFINITI Accessories, go to parts.infinitiusa.com.

ACCESSORIES SHOWN: Chrome Body Side Moldings, Roof Rail Crossbars, Silver Grille, Welcome Lighting, 20” Wheels and Splash Guards

CARGO BLOCK STABILIZERS AND CARGO MAT
Two L-shaped cargo stabilizer blocks keep tools, supplies, groceries and sports gear from tipping over and sliding around. Versatile blocks fasten to the carpeted cargo mat with Velcro® for a secure hold. High-density, cut-pile carpet mat helps guard your cargo area from spills and damage.²³

ALL-SEASON FLOOR MATS
Custom-made of durable and long-wearing material — they are designed to protect the interior footwells and capture dirt, sand and other debris while staying securely in place.

LIFESTYLE RECEIVER MOUNT
Secure every adventure with confidence. From bikes to skis to cargo, this custom frame-mounted design supports modern busy lifestyles.

STAINLESS STEEL REAR BUMPER PROTECTOR
While you load, unload and handle all your cargo, scuffs and scrapes can happen. This protector not only adds a sophisticated look, it’s durable enough to resist the wear and tear of everyday life.

INFINITI WI-FI
Seamlessly and securely conduct internet activities in stationary or moving vehicle. Turn your QX50 into a roving Wi-Fi hotspot, connecting up to five Wi-Fi-enabled compatible devices to the internet in and around the car.⁹

INFINITI RADIANT ILLUMINATED KICK PLATES
The INFINITI logo glows softly along the bottom of the front and rear door sills — a signature flourish you and your passengers will appreciate every time you get in.

INFINITI ACCESSORIES
SHOW YOUR SIGNATURE: THE AUTOGRAPH PACKAGE

Express your unique outlook with an interior as modern as you are. Choose the exclusive look of white quilted semi-aniline leather-appointed seats, a brown Ultrasuede® headliner with blue Ultrasuede® and Natural Maple Wood interior trim accents in the Autograph Package.* By bringing together premium materials and tailoring the combination to bring out their best characteristics, you experience a quiet, hand-crafted feel that articulates the essence of human artistry. This approach to luxury creates an upscale appearance and ambiance, reflecting who you are — and who you can be.

TECHNICAL SPECS

All dimensions are measured in inches. Roof clearance is measured with the top in the fully retracted position. The maximum allowable towing load capacity rating is based on the maximum gross vehicle weight rating. The maximum Gross Axle Weight Rating (GAWR) is based on the Gross Vehicle Weight Rating (GVWR). The GVWR is the maximum permissible weight rating for the new vehicle when it is fully loaded with passengers, cargo, and equipment. It is measured on the curb with the wheels inflated.

*See infinitiusa.com for complete list of specifications.

1. Intelligent Surround View® System and ProPILOT® Technology with Direct Lane Intervention are intended to assist the driver in keeping the vehicle centered in its lane. The system is not a collision avoidance or warning system. The system’s effectiveness depends on the driving environment and the driver’s input. The driver is ultimately responsible for the safe operation of the vehicle. Always drive safely, keep your eyes on the road, and your hands on the wheel. See Owner’s Manual for safety information.

2. Towing capacity varies by configuration. See INFINITI Towing Guide and Owner’s Manual for additional information.

3. The Advanced Climate Control System uses small amounts of ultraviolet (UV) light to help enhance air quality by breaking down and neutralizing pollutants and odors in the vehicle interior. The system is designed to eliminate unpleasant odors, stop the inflow of external odors and help keep the cabin smelling fresh, but does not always eliminate odors.

4. Lane Departure Warning/Lane Departure Prevention Systems only operate when lane markings are able to be detected. See Owner’s Manual for safety information.

5. Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information.

6. Blind Spot Warning/Blind Spot Intervention Systems cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner’s Manual for safety information.

7. The Rear Cross Traffic Alert system is designed to assist the driver in detecting and warning of vehicles approaching from the rear side of the vehicle when reversing out of a parking space or when backing up. The system may not detect all vehicles. See Owner’s Manual for safety information.

8. RearView Monitor may not detect every object.

9. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner’s Manual for safety information.

10. Backup Collision Intervention may not detect all objects or avoid collisions and may not prevent all collisions.

11. Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner’s Manual for safety information.

12. Lane Departure Warning may not detect every object. Driver should always monitor traffic conditions and use in conjunction with lane markings.

14. Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information.

15. Wireless phone usage may be restricted depending on jurisdictions. Always drive safely, keep your eyes on the road, and your hands on the wheel. See Owner’s Manual for safety information.

16. The system senses exterior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

17. Intuitive AWD (available with PURE / LUXE / ESSENTIAL trim levels) uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information.

18. Lane Departure Warning/Lane Departure Prevention Systems only operate when lane markings are able to be detected. See Owner’s Manual for safety information.

19. Intelligent cruise control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner’s Manual for safety information.

20. The Advanced Climate Control System uses small amounts of ultraviolet (UV) light to help enhance air quality by breaking down and neutralizing pollutants and odors in the vehicle interior. The system is designed to eliminate unpleasant odors, stop the inflow of external odors and help keep the cabin smelling fresh, but does not always eliminate odors.

21. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner’s Manual for safety information.
