QX80

INFINITI

CAN YOU LEAD WITH PRESENCE YET SHARE WITH PASSION?

While its design and refinement stand alone, we believe it is best experienced with others. Because true luxury invites everyone along for the ride; literally and figuratively. In the audaciously luxurious QX80, everyone who joins you on your journey is treated to a driving experience unlike any other. Good for a night on the town or a day of exploration, this full-size SUV comes equipped to adapt to every facet of your life. You'll feel your pulse race from the first rev of the 5.6-liter V8 engine, which has the power to tow your biggest toys.¹ In traffic, you'll enjoy the intelligence of INFINITI drive assist technologies² that can help expand your awareness and ability to navigate the unexpected. Beyond the driver's seat, craftsmanship and capability can help indulge you and up to seven guests³ in an exquisitely refined interior that can also accommodate vast amounts of cargo.⁴ This is luxury that entices everyone to join the journey.

LUXURY SHOULD BE LIVED IN

^ A COMMANDING LOOK YOU CAN'T IGNORE

To see the QX80 glide past is a truly arresting experience. What stops you is its perfect union of strength and sophistication, resonating from its aggressive front fascia and refined, yet muscular, lines. Subtle touches bring further balance, like the unique LED headlights. Add even more polish with chrome mirror caps and other accents by opting for the SENSORY model. This selection also enhances the stature of your INFINITI with 22-inch aluminum-alloy wheels, for a QX80 at its most commanding.³

^ MOVE WITH DISTINCTION **1** 20 X 8.0-inch Aluminum-Alloy Wheels **2** 22 X 8.0-inch Dark Chrome Aluminum-Alloy Wheels**

^ POWERED BY POSSIBILITIES

Great power should be matched with even greater opportunities for where you go and what you tow.¹ Perform above your expectations with an impressive 5.6-liter V8 that generates 400 hp and 413 lb-ft of torque⁵ – with more than enough oomph for highway sprinting or passing. The QX80 can flex its "muscles" further by allowing you to tow up to 8,500 pounds.⁶ But confidence is strengthened in knowing that you can tow not just capably, but also intelligently. As you're pulling, a rear automatic self-leveling suspension adjusts to help maintain an ideal ride height, and trailer sway control helps minimize side-to-side movement.¹ Towing or not, you get a smooth ride with Hydraulic Body Motion Control,³ which counteracts body lean and helps absorb road bumps for a controlled cornering feel. Altogether, this is potential refined to take you as far as you desire.

INNOVATION DESERVES A LUXURIOUS SPACE TO WORK

Technology can heighten the luxury experience rather than distract from it, and in QX80, this has never been truer. As you and your guests relax into leather-appointed seats, including captain's chairs in the first two rows, premium materials engage the senses further. Charcoal Burl trim stimulates the eye while a heated, leather-wrapped steering wheel rewards your touch.³ Elevating the ride even further, climate-controlled front seats³ create the ideal temperature, as second-row seating warms up for rear passengers.^{3,7} Add in other technological wonders, plainly visible in the oversize center screen,⁸ and this space becomes a premium experience to revel in together.

Smart Rearview Mirror¹⁰

AWARENESS FROM MORE ANGLES

A night out with places to be and people to see shouldn't mean your vision is obscured by a lively second- and third-row. With a flip of the toggle, the Smart Rearview Mirror displays high-definition video of what's behind you – enhanced by a wider angle than what a traditional mirror offers.¹⁰ While seeing beyond passengers and cargo takes visibility further, QX80's innovative driver assist technologies² can also heighten awareness. Whether it's keeping an eye on your blind spot and warning¹¹ you if it detects a car hiding there, or watching your lane and providing gentle haptic feedback through the steering wheel¹² if you begin to stray, QX80 helps look out for you from all sides.

PACKED WITH UNLIMITED POTENTIAL

Possibilities have a way of presenting themselves unannounced. In the QX80, you'll be ready. With seating for 7, or 8 if you opt for the Split Bench Seat Package, you can make spontaneous plans with friends. The center console armrest can be opened from the front or rear, giving first- and second-row passengers easy access for storage. But versatility can unfold on an even grander scale. Push a button on the rear liftgate, and the Power Rear Liftgate smoothly opens for you. Press the buttons in the cargo area, and the third-row lays itself flat. Bring down both back rows for a maximum of 95.1 cu. ft. of cargo space – generous room for whatever you might need, or unexpectedly find.⁴

▼ INTERIOR CONNECTIVITY The 2023 QX80 brings an intuitive interface to the model, featuring a 12.3" horizontal display.⁸ Beyond the bold touch-screen, our designers moved the console up to be closer to your line of sight – and we added support for wireless Apple CarPlay[®] in all trims, so bringing the iPhone[®] experience to your commute is more effortless.^{8,9} Powering up is more seamless, too, with a wireless charging station hidden artfully behind the center-console panel.⁹

22-inch Dark Chrome Wheels

Black Exterior Mirror Caps

^ POLISH YOUR PRESENCE

Available dark-finished, 22-inch aluminum-alloy wheels grant you greater stature and understated shine. And with black mirror caps, your side mirrors reflect the style that's within you as well as the vision that's around you.³

STYLE AS TRUE AS YOURS THE QX80 PREMIUM SELECT

Fashion is as individual as you are. Express your unique tastes by choosing the QX80 PREMIUM SELECT and its distinctive style elements. Black will always make a strong statement, and the PREMIUM SELECT leads with it by featuring a black grille mesh. Variation on the theme comes in the form of dark chrome accents around the grille, front fender vents and the liftgate finisher. Finally, your color palette becomes uniquely yours as this trim level gives you two additional interior options: soothing Sahara Stone or sophisticated Truffle Brown leather appointments.
