INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX80, where presence, power, and artfully expansive space create experiences grand enough to be shared beyond yourself. Begin by crafting your QX80 for the journey you share, with selections designed to move, inspire and empower the drive.

PASS CONFIDENTLY Expect performance that pushes your boundaries and pulls whatever you desire. The QX80’s 5.6-liter V8 drives with commanding responsiveness, and maximizes power while prioritizing modern-day efficiency. With 400 hp and 413 lb-ft of torque yielding up to 8,500 lbs towing capacity, the confidence extends to towing what you desire.

CORNER WITH EASE Greater power requires greater capability, and the QX80 spares no innovation in elevating your command. The Deluxe Technology Package’s Hydraulic Body Motion Control (HBMC) actively adjusts suspension to counter body lean and bounce for a smooth ride and controlled cornering feel. Augment your hold of the road with INFINITI All-Mode 4WD®, which ensures you’re ready when pavement is wet, rainy, or not paved at all.

How will your QX80 come to life? Engineered for luxury without limits, it offers bold ideas for the driven. Indulge everyone in expansive comfort and entertainment, while empowering yourself with innovation that looks as far forward as you do.

JOURNEY IN GRAND COMFORT
Quilted leather-appointed seating and a heated, leather-wrapped steering wheel give the QX80 an atmosphere of luxury you can literally touch. To make it as most exquisite, the Deluxe Technology Package adds naturally soft semi-aniline leather seating, climate-controlled front seats, and a selection of new: Espresso or Charcoal Burl accents.

INVITE EVERYONE
The QX80 is an experience to be shared. Every seat abounds in legroom. Second-row captain’s chairs mean there is no coach class, while the Split Bench Seat Package can increase capacity to a grand-scale 8 passengers. When it’s cargo you want to accommodate, folding the second and third rows gives you 95.1 cubic feet of space.

EXPAND YOUR AWARENESS
The Driver Assistance Package gives you peace of mind on your journey by helping watch for — and avoid — danger on all sides. Drive with innovations such as Blind Spot Intervention® that can actively help avoid vehicles in your blind spot area, and Predictive Forward Collision Warning® that watches two cars ahead to help warn you of danger — sometimes before you even see it.

ENTERTAIN MORE OPTIONS
You are going places, but surely not alone. Extend to your guests their entertainment of choice with the Theater Package, which offers dual 8-inch monitors for second-row passengers to view their own movies or games while those in front enjoy their own music.

REFLECT ON YOUR VISION
Always forward-thinking, the all-new Smart Rearview Mirror® in the Deluxe Technology Package means your view need never be compromised by passengers, large cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera. So a full vehicle can still mean a full view behind you.

ACCESSORIES SHOWN
Roof Rail Crossbars, Moonroof Wind Deflector, Side Window Deflectors, Welcome Lighting, Chrome Mirror Caps and Chrome Body Side Moldings.

WIRELESS SMARTPHONE CHARGER®
Perfect for busy families on the go, INFINITI introduces wireless phone charging. Simply place your compatible phone in the charging unit and let it charge. No power cables. No USB ports. No plugs. Just easy-to-use inductive charging.

ALL-SEASON FLOOR MATS
Custom-made of durable and long-wearing material — they are designed to protect the interior footwells and capture dirt, sand and other debris while staying securely in place.

INFINITI 4G WI-FI®
Enables you to seamlessly and securely conduct internet activities in a stationary or moving vehicle. Your vehicle becomes a roving Wi-Fi hotspot, connecting up to five devices to the internet in and around the car.

CARPETED CARGO MAT WITH CARGO NET®
Made with high-density nylon and featuring a non-slip, moisture-resistant backing, the carpeted cargo mat helps guard the cargo area from scratches and damage. In addition, the high-quality net keeps packages and items from moving around during driving.

INFINITI RADIANT ILLUMINATED KICK PLATES
The INFINITI logo glows softly along the bottom of the front door sills — a signature flourish you and your passenger will appreciate every time you get in.

WEIGHT-DISTRIBUTING HITCH BALL MOUNT, CLASS IV
No matter what you choose to tow on your journey, this hitch ball mount helps even out heavy loads for safe travel, providing peace of mind along the way.
In the strength of its lines and fearless presence, the QX80 cannot be mistaken nor graced. Its grand statement of confidence is made more distinctive for 2018 with exterior styling refreshments that stand out and add even more new front design and rear fascia. Powerfully expressive new LED headlights bear the eye-inspired INFINITI® signature, while the chrome grille surround and available chrome side mirrors add an elegant touch. As athletic as the stance already is, you can make an even bolder statement with 22-inch forged aluminum alloy wheels that are available with the 22-inch Tire and Wheel Package.1 In the redesigned QX80, distinction makes an undeniable impression.

---

Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

---

AvM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at 0.8 mph to 19.9 mph. Always check surroundings and turn to look behind before moving vehicle.

---

PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner’s Manual for details.
