FROM EXCLUSIVE TO INCLUSIVE: QX80 LIMITED 4WD

Say the word LIMITED® and images of exclusive exterior and interior treatments come to mind. That, however, is just beginning. Upscale elements like specially designed dark machine-finished 22-inch forged aluminum-alloy wheels, stainless steel running boards, INFINITI® Welcome Lighting, and a satin chrome exterior further accentuate the appearance. Inside, you would picture a space devoted to modern luxury — a unique two-tone Stone and Graphite seat design with quilted semi-aniline leather-appointed and Alcantara® accents on the first two rows, and Matte Silver Open Pore Ash Wood trim plus a smooth leather-vinyl wrapped steering wheel. While craftsmanship and premium materials on the QX80 LIMITED 4WD go beyond, what truly defines it is the belief that luxury is better when shared. Which makes this exclusive vehicle one of the most inclusive full-size SUVs on the road today.
