The Jaguar XF fuses sports car styling and performance with the refinement, features and space of a luxury sedan.
Some cars are built. Some are engineered. A Jaguar is created. A rare blend of art and performance, science and beauty. XF is one of the most powerful, technologically advanced and luxurious Jaguar cars ever made.

You see it in the dynamic face of the new XF. A face that, with its powerful chrome mesh grille flanked by technologically advanced, swept-back headlights, takes the XF in a thrilling, new design direction. You see it in its profile. Just gaze at the dramatic, gorgeous sweep of the roof and the curve of its side window frames highlighting the XF's stunning coupe inspired lines.

At Jaguar, designers and engineers work side-by-side to develop the perfect balance of seductive design and exhilarating performance. As a result, in the new XF, design integrates seamlessly with advanced engineering, creating inspired solutions to complex, technical challenges. So, when our designers wanted slim, slender roof pillars to provide the driver with all-around visibility, its engineers crafted the pillars from Boron, a metal 700 percent stronger than regular milled steel.

When our engineers required an even lower coefficient of drag and more rear downforce, the design team responded with sculpted metal that improved both high-speed stability and fuel economy. It is that kind of single-minded attention to design detail, the pursuit of engineering excellence that helps the XF set a benchmark in quality and craftsmanship. With the new XF, Jaguar is redefining the world's perception of a sports sedan. This is the new Jaguar.
The start button pulses. The JaguarDrive Selector™ rises. Air vents rotate. This is the theater of firing up the XF.
The benefits of advanced aerodynamic design: Reduced wind resistance, enhanced stability at speed, improved fuel economy, reduced CO₂ emissions, whisper quiet wind noise.
PERFORMANCE

Think of it as power and performance redefined. Two new 5.0L AJ-V8 GEN III engines take XF performance to soaring new heights.

The new, direct-injection 5.0L V8 dramatically strengthens the XF’s performance capabilities. Especially in supercharged form where it produces a remarkable 510 hp – enough to launch the new XFR from zero to 60 mph in just 4.7 seconds. And with its semi-active exhaust, the new XFR produces the kind of pulse-racing growl to match its stellar performance.

The new naturally-aspirated 385 hp 5.0L V8 also sees a striking step-up in performance. Power output soars by over 28 percent over its predecessor, yet without affecting fuel efficiency or exhaust emissions. For refined, muscular V8 power, the XF’s compact, all-aluminum 4.2L engine with Variable Cam Phasing, delivers an impressive 300 hp and 310 lb.-ft. of torque.

Both new remarkable 5.0L engines deliver their intelligent power through a more refined, more responsive version of the XF’s class-leading 6-speed electronic automatic transmission. And to provide true driver involvement, the 6-speed features Jaguar’s lightning-quick Sequential Shift system with its steering-wheel-mounted paddle shifters. No matter which powertrain you choose, you will have a driving experience designed to be exceptional.

Always follow local speed limits. This speed is only to be attempted by professional drivers on a closed course.
5.0/V8/XFR/0-60/4.7

5.0L V8 XFR 0-60 MPH 4.7 SECONDS
CRAFTSMANSHIP

The XF defines sporting luxury. It is the combination of exquisite craftsmanship and luxurious finishes – whether rich wood or aluminum and supple leather – the XF personifies quality that is executed in a fresh and contemporary way.

You see craftsmanship in the twin-needle stitching which extends across the dash top and throughout the entire interior. You see it in the gorgeous wood finishes as well. Whether you choose the soft matte finish Satin American Walnut, standard on the XF, the traditional, glossy Burl Walnut on the XF Premium or the stunning Dark Oak that comes with the new supercharged XFR, the craftsmanship is consistently impressive.

Bringing all these elements together and creating a new pinnacle of craftsmanship and bespoke luxury, is the new Portfolio package on the XF Premium. Its long list of luxury features includes Softgrain leather for the seats and doors; twin-stitched, contrast color leather for the dash top; warm Suedecloth headlining, Figured Ebony wood trim and premium carpet mats with contrast edging.

And then we find that craftsmanship meets technology as displayed in the cylindrical cast alloy JaguarDrive Selector™, which is refined yet substantial in the driver’s hand. The new XF is sporting luxury brought to life.
PHOSPHOR BLUE LIGHTING FOR THE CENTER CONSOLE, INSTRUMENTS AND DOORS CREATES A COOL, CONTEMPORARY FEEL IN THE CABIN OF THE XF.
**TECHNOLOGY**

Intuitive design is about using advanced technologies to empower the driver, not to over-power. It is about creating a driving experience that excites and exhilarates.

A touch is all it takes. No buttons. No miniscule keypads. The XF’s crystal-clear 7-inch Touch-screen full color display sets the standard for simple, logical, intuitive control. Its menu-based system offers simple operation of many of the car’s key interior functions – climate control, entertainment, satellite navigation, Bluetooth® telephone connectivity, even the settings on your iPod®. To make a selection, simply touch the screen. If that was not easy enough, JaguarVoice™ enables many of the key actions to be voice-activated. Just touch the press-to-talk button on the steering wheel and speak the command.

The lightest touch is all it takes to turn on an interior light. The XF’s JaguarSense™ uses sophisticated proximity sensors to sense the touch of an approaching finger and reacts by turning on the light. For technology that provides real peace of mind, look no further than Jaguar’s remarkable new, radar-based Blind Spot Monitor. If it senses a vehicle hidden in your blind spot, it will flash a warning. Then there are the innovative, intuitive new technologies designed to enhance and heighten the pure joy of driving the new XF; like JaguarDrive Control™ that offers the choice of Drive or Sport modes for the XF’s 6-speed electronic automatic transmission. Switch to Sport mode and it will hold the lower gears longer, downshift more easily and send your pulse racing.

To heighten the thrill of driving the new supercharged XFR even further, Jaguar’s remarkable Adaptive Dynamics system monitors body movement 100 times every second to deliver the seemingly impossible – a comfortable, luxury car ride coupled with true, hard-edged sportscar handling. And for the ultimate in cornering ability, the XFR’s new electronic Active Differential Control provides enhanced traction to sharpen and hone the car’s agility through the curves. Jaguar technology delivers a driving experience like no other.

- 6-speed electronic automatic transmission with Jaguar Sequential Shift™
- JaguarDrive Select™ with Winter Mode
- Servotronic Steering
- Cruise Control with Automatic Speed Limiter (ASL)
- Electric Parking Brake (EPB)
- Vented Disc Brakes, front and rear
- DSC (Dynamic Stability Control) with Traction Control

EXTERIOR FEATURES
- Heated, auto-dimming, exterior mirrors with electric adjustment, side repeaters and approach lamps
- LED rear lamps
- Rain sensing windshield wipers
- Bright side window surrounds
- Chrome grille surround with bright mesh grille
- Electric glass sunroof with tilt/slide one touch operation
- Rear Parking aid (includes Touch-screen visual indicator)
- Acoustic laminated windscreen

WHEELS
- 18" wheels
- Alloy space saver spare wheel

SAFETY AND SECURITY
- Airbags, front and side (driver and front passenger)
- Side curtain airbags
- Anti-lock Braking System (ABS)
- Front seat whiplash reduction system
- Front seat belt pre-tensioners
- ISOFIX anchor points for rear child seat
- High level rear stop lamp
- Commaing Brakes Control (CBC)
- Emergency Brake Assist (EBA)
- Tire Pressure Monitoring System (TPMS)
- Security system with volumetric and perimeter sensing alarm and vehicle immobilizer
- Remote control central locking with deadlocking and drive-away locking function
- Valet mode

INTERIOR FEATURES
- Automatic climate control with auto recirculation
- Steering column with electric adjustment for height and reach with entry and exit tilt away
- Leather steering wheel with shift paddles
- Front center console storage compartment with auxiliary power socket
- Triple front and twin rear cupholders
- Front and rear electric windows with one-touch open/close and anti-trap
- Auto-dimming interior rear view mirror
- Garage door opener
- Driver information center with dual function trip computer
- JaguarSense™
- Phosphor blue halo illumination and interior mood lighting
- Jaguar Smart Key System™ with Keyless start

INTERIOR TRIM
- Folding 60/40 split rear seats
- Memory function with 2 settings for driver’s seat, exterior mirrors and steering column

MULTIMEDIA
- 3.5mm stereo auxiliary input socket
- Bluetooth® telephony connectivity
- 7" full color Touch-screen display
- Navigation system
- SIRIUS™ Satellite Radio
- Portable Audio Interface
- 6-disc CD in-dash multichanger

**Active Differential Control**
An electronically controlled, active differential with Handling Functionality that limits the slip between the rear wheels to optimize traction and stability in different driving conditions, working in harmony with the Traction, ABS and DSC systems.

**Adaptive Dynamics**
Provides the optimum balance between low speed ride comfort and high speed handling precision, analyzing body movement, steering and road wheel inputs up to 100 times a second and continuously adjusting the suspension settings through electronically controlled dampers.

**DSC (Dynamic Stability Control)**
Intervenes in demanding driving situations by applying braking to individual wheels and reducing engine torque.

**Trac DSC mode**
Provides a higher intervention threshold for the more enthusiastic driver.

**Jaguar Sequential Shift™**
Provides the choice of Drive, Sport Automatic or Manual gearshift modes, with one touch paddles mounted behind the steering wheel to control gear changes up and down manually.

**Bond Grain seats with leather seat surfaces (10/10 way)**
As 8/8 way seats with the addition of 2-way lumbar support on driver’s and passenger’s seat. Also includes memory function.

**Softgrain leather seats (16/12 way)**
Driver’s electric adjustment including fore/aft, height, cushion tilt, recline, headrest height, 4-way lumbar support, cushion length and passengers electric adjustment including fore/aft, height, cushion tilt, recline, headrest height and 2-way lumbar support. Also includes memory function.

**Softgrain leather seats (18/14 way)**
As 16/12 way seats but with the addition of adjustable side bolsters for the driver’s and passenger’s seat backs. Also includes memory function.

**Navigation system[1]**
With DVD mapping, zip code entry, voice guidance and Traffic Messaging Channel where available (a real time traffic information system with dynamic route guidance).

**Jaguar 320W premium sound system**
With AM/FM radio and SIRIUS™ Satellite Radio featuring EON, RDS, PTY TA and 6-disc in-dash CD player with automatic volume control, WMA, MP3 compatibility, Portable Audio Interface and 8 speakers plus Sub-Woofer.

**Bowers & Wilkins 440W surround sound system**
With AM/FM radio featuring EON, SIRIUS™ Satellite Radio, Portable Audio Interface, a remote amplifier with Dolby® Pro Logic® II surround sound and 13 speakers plus Sub-Woofer.
Windows Media Audio (WMA) and MP3 compatibility
Enables the CD player to play CDs which contain WMA and MP3 files.

Bluetooth® telephone connectivity
A Bluetooth®-equipped Jaguar, enables hands-free use of your mobile phone at any time when the phone is in the car. Bluetooth® is compatible with a selected range of mobile phones from a number of different manufacturers.

JaguarVoice™
Voice control of telephone, navigation system and Touch-screen displays with note pad facility.

Portable Audio Interface
Allows the connection of an iPod® MP3 player or a USB Mass Storage Device to the in-car sound system and control via the 7 inch Touch-screen.

7 inch full color Touch-screen
Display with controls for audio, climate control, Bluetooth® telephone connectivity and navigation.

Parking Aid Pack with Rear Camera
Parking aid with front sensors (includes Touch-screen visual indicator) and rear camera parking aid.

JaguarSense™
An electronic control system that operates the front overhead console light by moving the hand close to the surfaces of the light lens.

Auto recirculation – Climate Control
Automatic cabin air re-circulation triggered by external sensor with 5 sensitivity settings.

R Exterior Theme
Unique deeper section front bumper with larger lower air intakes, side sill extensions, aerodynamic trunk lid spoiler, body color rear valance and quad exhaust tailpipes. Supercharged embossed hood louvers for additional cooling. Silver-grey brake callipers with R logo. R badge on trunklid.

R Interior Theme
Unique sport themed interior incorporating a dark mesh aluminium finish on instrument panel and doors, Dark Oak veneer. Warm Charcoal upper and lower environment with contrast stitching and carpet mat edge binding (color dependent on seat color). Sports seats with embossed R logo (front and rear). R badging on steering wheel and instrument panel, instrument cluster dials with red pointers and Supercharged motif.

Please consult your dealer for details of charges associated with option fitment. Weights reflect vehicles to standard specifications. Optional extras increase weight.

Not applicable on 5.0 Liter V8 Engine and 5.0 Liter V8 Engine Supercharged
The complete Jaguar experience. Buying a Jaguar may be thrilling, but it is the connection with car and company during the ownership period following, that will impress you most. This is the result of the very intentional support provided to Jaguar drivers. As one of these favored individuals, here are things you can expect:

**TOTAL CARE**
Seamless support for your new XF, so you can relax and drive. A combination of vehicle warranty, paint and corrosion protection and Jaguar Assistance.

**WARRANTY**
Jaguar Cars offers a comprehensive, 4-year/50,000-mile New Vehicle Limited Warranty as well as a 6-year/unlimited mileage Corrosion Protection Limited Warranty.

**SERVICE & ASSURANCE**
When it comes to service, Jaguar’s commitment to beautiful design and heart-stopping performance is matched only by its commitment to the customer. Simply bring your Jaguar to an authorized Jaguar dealer, and the first required maintenance will be performed at no charge at 15,000 miles - 5.0L engines, 10,000 miles - 4.2L engines or 12 months, whichever comes first. Please refer to your vehicle’s scheduled maintenance program for more information.

**JAGUAR ROADSIDE ASSISTANCE**
Handled by Jaguar-trained specialists, this incident management program provides complimentary towing service, jump-starts, lockout assistance, gasoline delivery, tire changes and trip routing help, 24/7. Just call 1.800.4JAGUAR.

**JAGUAR FINANCIAL GROUP**
Available both for individuals and businesses, Jaguar Financial Group offers leasing and financing packages that can be tailored to meet most needs, and will raise customer confidence and satisfaction to levels nearly as pleasing as the feel of your new vehicle. Ask your dealer for details.

**LOCAL DEALERS**
Your local dealer is Jaguar’s partner both in bringing you thrilling vehicles and in making your buying and ownership experience pleasant. Introduce yourself. Find out what your dealership can do for you.

**JAGUAR MERCHANDISE**
Whether you choose from the Executive, Golf or Casual collections, Jaguar merchandise is an understated reflection of one’s enthusiasm for these heart-pounding products and this legendary brand. Visit www.jaguarusa.com or contact your local Jaguar dealer for a Jaguar Collection catalogue.

**JAGUAR VEHICLE ACCESSORIES**
What better way to enrich your Jaguar ownership experience than with vehicle accessories that reflect your personal style? From innovative technology, to exterior and interior enhancements, Jaguar’s accessory range of durable, stylish and practical accessories can suit your personal needs for a more enjoyable driving experience. What’s more, every accessory is fully covered by the Jaguar 4-year/50,000-mile new vehicle limited warranty, if installed at the time of vehicle delivery and purchase.

**JAGUARUSA.COM/JAGUAR.CA**
Visit Jaguar’s official web site to access a dealer locator, car configurator, price lists, model comparisons, and enthusiast links to Jaguar Clubs of North America and Jaguar Conservation Trust. Also register for periodic Jaguar e-newsletter updates.

“TOP AUTOMOTIVE BRAND CUSTOMER SERVICE”  
MARCH 2, 2009 ISSUE

“#1 NAMEPLATE IN SALES SATISFACTION”

(1) See your Jaguar dealer for complete details.
(2) All elements of Jaguar Assistance are available only while your Jaguar Warranty is in effect.
(3) Jaguar received the highest numerical score in the proprietary J.D. Power and Associates 2008 Sales Satisfaction Index (SSI) Study. Study based on responses from 13,850 owners and lessees, measuring 36 manufacturers and measures satisfaction of new-vehicle buyers who purchased or leased their vehicles in May 2008. Proprietary study results are based on experiences and perceptions of owners surveyed from August-September 2008. Your experiences may vary. Visit jdpower.com
IMPORTANT NOTICE
Jaguar Cars is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars and have absolutely no authority to bind Jaguar Cars by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

Comparisons are based on manufacturer’s own data and testing.

ENVIRONMENTAL NOTICE
Jaguar Cars has a vision of being amongst the world’s leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life, with corporate citizenship at the very heart of our company, and by reducing our environmental footprint through innovative design and manufacturing, minimizing resource and energy use. Environmental responsibility is a core value in Jaguar, and it is our policy to continually improve our environmental standards in all areas of business activity.

This brochure is produced using paper stock, which contains 10% recycled post consumer waste and is in compliance with The Forest Stewardship Council (FSC). FSC certification promotes environmentally-appropriate, socially-beneficial, and economically viable management of the world’s forests.
