THE 2011 XF COLLECTION

JAGUAR
Jaguar Platinum Coverage on all 2011 Jaguar Cars.

Jaguar has a long-standing tradition of creating beautiful, fast cars – and now we’ve created an ownership program to match. The passion we put into building our award-winning line-up of vehicles continues long after you drive away in one with a best-in-class ownership program called Jaguar Platinum Coverage. For 5 years/50,000 miles on all 2011 Jaguar cars, Jaguar Platinum Coverage includes complimentary scheduled maintenance, no-cost replacement of wear and tear items, 5/50 new vehicle limited warranty and 24/7 roadside assistance. The only thing that surpasses the beauty of driving a 2011 Jaguar car is the beauty of owning one.

**BEST-IN-CLASS COVERAGE**

5 YEARS/50,000 MILES ON ALL 2011 JAGUAR CARS AT NO ADDITIONAL COST

JAGUAR PLATINUM COVERAGE INCLUDES:

» COMPLIMENTARY SCHEDULED MAINTENANCE
» NO-COST REPLACEMENT OF WEAR AND TEAR ITEMS
» 5/50 NEW VEHICLE LIMITED WARRANTY
» 24/7 ROADSIDE ASSISTANCE

SCHEDULED MAINTENANCE: $0  OIL CHANGES: $0  FILTERS: $0
BRAKE PADS: $0  BRAKE DISCS: $0  BRAKE FLUID: $0  WIPER BLADE INSERTS: $0

*Jaguar Platinum Coverage includes all factory recommended scheduled maintenance for five years or 50,000 miles, whichever occurs first. Wear and tear items are limited to brake pads, brake discs, brake fluid changes and wiper blade inserts based on factory specified wear limits or intervals. All work must be performed by an authorized Jaguar dealer. For complete details on Jaguar Platinum Coverage, including warranty and maintenance coverage and exclusions, please visit your local Jaguar dealer or JAGUARUSA.COM.
Some cars are built. Some are engineered. A Jaguar is created. A rare blend of art and performance, science and beauty.

You see it in the dynamic face of the XF with its powerful mesh grille and swept-back headlights. You see it in its profile. Just gaze at the dramatic, gorgeous sweep of the roof and the curve of its side window frames highlighting the XF's stunning coupé inspired lines.

At Jaguar, designers and engineers work side-by-side to develop the perfect balance of seductive design and exhilarating performance. As a result, in the XF, design integrates seamlessly with advanced engineering, creating inspired solutions to complex, technical challenges. So, when our designers wanted slim, slender roof pillars to provide the driver with all-around visibility, its engineers crafted the pillars from Boron steel.

When our engineers required a low coefficient of drag and rear downforce, the design team responded with sculpted metal that optimized both high-speed stability and fuel economy. It is that kind of single-minded attention to design detail, the pursuit of engineering excellence that helps the XF set a benchmark in quality and craftsmanship. With the XF, Jaguar is redefining the world’s perception of a sports sedan.
CrafTsmanship

The XF defines sporting luxury. It is the combination of exquisite craftsmanship and luxurious finishes – whether rich wood or aluminum and supple leather – the XF personifies quality that is executed in a fresh and contemporary way.

You see craftsmanship in the twin-needle stitching which extends across the dash top and throughout the entire interior. You see it in the gorgeous wood finishes as well. Whether you choose the traditional, glossy Burl Walnut on the XF or XF Premium or the stunning Dark Oak that comes with the supercharged XFR, the craftsmanship is consistently impressive.

Bringing all these elements together and creating a new pinnacle of craftsmanship and bespoke luxury, is the Portfolio package on the XF Premium. Its long list of luxury features includes Softgrain leather for the seats and doors; contrast color, twin stitched leather for the dash top; warm Suedecloth headlining, Figured Ebony wood trim and premium carpet mats with contrast edging.

And then we find that craftsmanship meets technology as displayed in the cylindrical cast alloy JaguarDrive Selector™, which is refined yet substantial in the driver’s hand. The XF is sporting luxury brought to life.
PERFORMANCE

Think of it as power and performance redefined. Three 5.0 Liter V8 engines that deliver an exhilarating drive.

The XF offers the choice of three advanced, direct-injection V8 engines: a highly acclaimed naturally aspirated 5.0 Liter and two versions of Jaguar’s outstanding supercharged 5.0 Liter. The 385HP 5.0 Liter naturally aspirated V8 delivers 0-60mph in 5.5 seconds. It features Variable Camshaft Timing and Camshaft Profile Switching to optimize efficiency at low and high speeds as well as delivering strong low speed torque.

The luxurious XF Supercharged model is powered by the 470HP 5.0 Liter V8 supercharged. As well as achieving 0-60mph in 4.9 seconds, this powerful and refined engine offers outstanding mid-range acceleration and excellent driveability. Exclusive to the XFR, the 510HP 5.0 Liter V8 supercharged launches the vehicle from 0-60mph in a mere 4.7 seconds and provides truly exhilarating performance. And with its semi-active exhaust, the XFR produces the kind of pulse-racing growl to match its stellar pace.
